## NOTICES, INSTRUCTIONS AND DEFINITIONS

**Purpose of the Form:** The information and certification on this form are designed so that a person licensed under 18 U.S.C. § 923 may determine if he or she may lawfully sell or deliver a firearm to the person identified in Section A, and to alert the buyer of certain restrictions on the receipt and possession of firearms. This form should only be used for sales or transfers where the seller is licensed under 18 U.S.C. § 923. The seller of a firearm must determine the lawfulness of the transaction and maintain proper records of the transaction. Consequently, the seller must be familiar with the provisions of 18 U.S.C. §§ 921-931 and the regulations in 27 CFR Part 478. In determining the lawfulness of the sale or delivery of a long gun to a resident of another State, the seller is presumed to know the applicable State laws and published ordinances in both the seller's State and the buyer's State.

After the seller has completed the firearms transaction, he or she must make the completed, original ATF Form 4473 *(which includes the Notices, General Instructions, and Definitions)*, and any supporting documents, part of his or her permanent records. Such Forms 4473 must be retained for at least 20 years. Filing may be chronological *(by date)*, alphabetical *(by name)*, or numerical *(by transaction serial number)*, as long as all of the seller's completed Forms 4473 are filed in the same manner. FORMS 4473 FOR DENIED/CANCELLED TRANSFERS MUST BE RETAINED: If the transfer of a firearm is denied/cancelled by NICS, or if for any other reason the transfer is not complete after a NICS check is initiated, the licensee must retain the ATF Form 4473 in his or her records for at least 5 years. Forms 4473 with respect to which a sale, delivery, or transfer did not take place shall be separately retained in alphabetical *(by name)* or chronological *(by date of transferee's certification)* order.

If you or the buyer discover that an ATF Form 4473 is incomplete or improperly completed after the firearm has been transferred, and you or the buyer wish to make a record of your discovery, then photocopy the inaccurate form and make any necessary additions or revisions to the photocopy. You only should make changes to Sections B and D. The buyer should only make changes to Sections A and C. Whoever made the changes should initial and date the changes. The corrected photocopy should be attached to the original Form 4473 and retained as part of your permanent records.

**Over-the-Counter Transaction:** The sale or other disposition of a firearm by a seller to a buyer, at the seller's licensed premises. This includes the sale or other disposition of a rifle or shotgun to a nonresident buyer on such premises.

**State Laws and Published Ordinances:** The publication (ATF P 5300.5) of State firearms laws and local ordinances ATF distributes to licensees.

**Exportation of Firearms:** The State or Commerce Departments may require you to obtain a license prior to export.

**Section A**

**Question 1. Transferee's Full Name:** The buyer must personally complete Section A of this form and certify *(sign)* that the answers are true, correct, and complete. However, if the buyer is unable to read and/or write, the answers *(other than the signature)* may be completed by another person, excluding the seller. Two persons *(other than the seller)* must then sign as witnesses to the buyer's answers and signature.

When the buyer of a firearm is a corporation, company, association, partnership, or other such business entity, an officer authorized to act on behalf of the

ACSO AHS Investigation ACSO_0002112

business must complete Section A of the form with his or her personal information, sign Section A, and attach a written statement, executed under penalties of perjury, stating: (A) the firearm is being acquired for the use of and will be the property of that business entity and (B) the name and address of that business entity. If the buyer's name in question 1. is illegible, the seller must print the buyer's name above the name written by the buyer.

**Question 2. Current Residence Address:** U.S. Postal abbreviations are acceptable. *(e.g., St., Rd., Dr., PA, NC, etc.)*. Address cannot be a post office box. County and Parish are one and the same.

If the buyer is a member of the Armed Forces on active duty acquiring a firearm in the State where his or her permanent duty station is located, but does not reside at his or her permanent duty station, the buyer must list both his or her permanent duty station address and his or her residence address in response to question 2. If you are a U.S. citizen with two States of residence, you should list your current residence address in response to question 2 *(e.g., if you are buying a firearm while staying at your weekend home in State X, you should list your address in State X in response to question 2)*

**Question 9. Unique Personal Identification Number (UPIN):** For purchasers approved to have information maintained about them in the FBI NICS Voluntary Appeal File, NICS will provide them with a Unique Personal Identification Number, which the buyer should record in question 9. The licensee may be asked to provide the UPIN to NICS or the State.

**Question 11.a. Actual Transferee/Buyer:** For purposes of this form, you are the actual transferee/buyer if you are purchasing the firearm for yourself or otherwise acquiring the firearm for yourself *(e.g., redeeming the firearm from pawn/retrieving it from consignment, firearm raffle winner)* You are also the actual transferee/buyer if you are legitimately purchasing the firearm as a gift for a third party. **ACTUAL TRANSFEREE/BUYER EXAMPLES:** Mr. Smith asks Mr. Jones to purchase a firearm for Mr. Smith. Mr. Smith gives Mr. Jones the money for the firearm. Mr. Jones is **NOT THE ACTUAL TRANSFEREE/BUYER** of the firearm and must answer **"NO"** to question 11.a. The licensee may not transfer the firearm to Mr. Jones. However, if Mr. Brown goes to buy a firearm with his own money to give to Mr. Black as a present, Mr. Brown is the actual transferee/buyer of the firearm and should answer **"YES"** to question 11.a. However, you may not transfer a firearm to any person you know or have reasonable cause to believe is prohibited under 18 U.S.C. § 922(g), (n), or (x). **Please note: EXCEPTION:** If you are picking up a repaired firearm(s) for another person, you are not required to answer 11.a. and may proceed to question 11.b.

**Question 11.b. - 11.i. Definition of Prohibited Person:** Generally, 18 U.S.C. § 922 prohibits the shipment, transportation, receipt, or possession in or affecting interstate commerce of a firearm by one who: has been convicted of a misdemeanor crime of domestic violence; has been convicted of a felony, or any other crime, punishable by imprisonment for a term exceeding one year ***(this does not include State misdemeanors punishable by imprisonment of two years or less);*** is a fugitive from justice; is an unlawful user of, or addicted to, marijuana or any depressant, stimulant, or narcotic drug, or any other controlled substance; has been adjudicated mentally defective or has been committed to a mental institution; has been discharged from the Armed Forces under dishonorable conditions; has renounced his or her U.S. citizenship; is an alien illegally in the United States or an alien admitted to the United States under a nonimmigrant visa; or is subject to certain restraining orders. Furthermore, section 922 prohibits the shipment, transportation, or receipt in or affecting interstate commerce of a firearm by one who is under indictment or information for a felony, or any other crime, punishable by imprisonment for a term exceeding one year.

**Question 11.b. Under Indictment or Information or Convicted in any Court:** An indictment, information, or conviction in any Federal, State, or local court. An information is a formal accusation of a crime verified by a prosecutor.

***EXCEPTION to 11.c. and 11.i.:*** A person who has been convicted of a felony, or any other crime, for which the judge could have imprisoned the person for more than one year, or who has been convicted of a misdemeanor crime of domestic violence, is not prohibited from purchasing, receiving, or possessing a firearm if: (1) under the law of the jurisdiction where the conviction occurred, the person has been pardoned, the conviction has been expunged or set aside, or the person has had all their civil rights *(the right to vote, sit on a jury, and hold public office)* restored AND (2) the person is not prohibited by the law of the jurisdiction where the conviction occurred from receiving or possessing firearms. Persons subject to this exception should answer **"no"** to 11.c. or 11.i., as applicable.

**Question 11.f. Adjudicated Mentally Defective:** A determination by a court, board, commission, or other lawful authority that a person, as a result of marked subnormal intelligence, or mental illness, incompetency, condition, or disease: (1) is a danger to himself or to others; or (2) lacks the mental capacity to contract or manage his own affairs. This term shall include: (1) a finding of insanity by a court in a criminal case; and (2) Those persons found incompetent to stand trial or found not guilty by reason of lack of mental responsibility.

**Committed to a Mental Institution:** A formal commitment of a person to a mental institution by a court, board, commission, or other lawful authority. The term includes a commitment to a mental institution involuntarily. The term includes commitment for mental defectiveness or mental illness. It also includes commitments for other reasons, such as for drug use. The term does not include a person in a mental institution for observation or a voluntary admission to a mental institution. Please also refer to Question 11.c. for the definition of a prohibited person.

***EXCEPTION to 11. f. NICS Improvement Amendments Act of 2007:*** A person who has been adjudicated as a mental defective or committed to a mental institution is not prohibited if: (1) the person was adjudicated or committed **by a department or agency of the Federal Government,** such as the United States Department of Veteran's Affairs ("VA") (as opposed to a State court, State board, or other lawful State authority); and (2) either: (a) the person's adjudication or commitment for mental incompetency was set-aside or expunged by the adjudicating/committing agency; (b) the person has been fully released or discharged from all mandatory treatment, supervision, or monitoring by the agency; or (c) the person was found by the agency to no longer suffer from the mental health condition that served as the basis of the initial adjudication. **Persons who fit this exception should answer "no" to Item 11.f.** exception does not apply to any person who was adjudicated to be not guilty by reason of insanity, or based on lack of mental responsibility, or found incompetent to stand trial, in any criminal case or under the Uniform Code of Military Justice.

**Question 11.h. Definition of Restraining Order:** Under 18 U.S.C. § 922, firearms may not be sold to or received by persons subject to a court order that: (A) was issued after a hearing which the person received actual notice of and had an opportunity to participate in; (B) restrains such person from harassing, stalking, or threatening an intimate partner or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and (C)(i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury. An "intimate partner" of a person is: the spouse or former spouse of the person, the parent of a child of the person, or an individual who cohabitates or cohabitating with the person.

**Question 11.i. Definition of Misdemeanor Crime of Domestic Violence:** A Federal, State, local, or tribal offense that is a misdemeanor under Federal, State, or tribal law and has, as an element, the use or attempted use of physical force, or the threatened use of a deadly weapon, committed by a current or former spouse, parent, or guardian of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with, or has cohabited with the victim as a spouse, parent, or guardian, or by a person similarly situated to a spouse, parent, or guardian of the victim. The term includes all misdemeanors that have as an element the use or attempted use of physical force or the threatened use of a deadly weapon *(e.g., assault and battery)*, if the offense is committed by one of the defined parties. A person who has been convicted of a misdemeanor crime of domestic violence also is not prohibited unless: (1) the person was represented by a lawyer or gave up the right to a lawyer; or (2) if the person was entitled to a jury, was tried by a jury, or gave up the right to a jury trial. Persons subject to this exception should answer **"no"** to 11.i.

ACSO AHS Investigation ACSO_0002113

**Question 11.i.** An alien admitted to the United States under a nonimmi- grant visa includes, among others, persons traveling temporarily in the United States for business or pleasure, persons studying in the United States who maintain a residence abroad, and certain foreign workers. The definition does **NOT** include permanent resident aliens nor does it apply to nonimmigrant aliens admitted to the United States pursuant to either the Visa Waiver Program or to regulations otherwise exempting them from visa requirements.

An alien admitted to the United States under a nonimmigrant visa who responds "yes" to question 11.i. must provide a response to question 12 indicating whether he/she qualifies under an exception.

**Question 12. Exceptions to the Nonimmigrant Alien Response:** An alien admitted to the United States under a nonimmigrant visa is not prohibited from purchasing, receiving, or possessing a firearm if the alien: (1) is in possession of a hunting license or permit lawfully issued by the Federal Government, a State, or local government, or an Indian tribe federally recognized by the Bureau of Indian Affairs, which is valid and unexpired; (2) was admitted to the United States for lawful hunting or sporting purposes; (3) has received a waiver from the prohibition from the Attorney General of the United States; (4) is an official representative of a foreign government who is accredited to the United States Government or the Government's mission to an international organization having its headquarters in the United States; (5) is en route to or from another country to which that alien is accredited; (6) is an official of a foreign government or a distinguished foreign visitor who has been so designated by the Department of State; or (7) is a foreign law enforcement officer of a friendly foreign government entering the United States on official law enforcement business.

Persons subject to one of these exceptions should answer "yes" to questions 11.i. and 12 and provide documentation such as a copy of the hunting license or letter granting the waiver, which must be recorded in 20.c. If the transferee *(buyer)* answered "yes" to this question, the licensee must complete 20.c.

The seller should verify supporting documentation provided by the purchaser and must attach a copy of the provided documentation to this ATF Form 4473, Firearms Transaction Record.

**Question 13. State of Residence:** The State in which an individual resides. An individual resides in a State if he or she is present in a State with the intention of making a home in that State. If an individual is a member of the Armed Forces on active duty, his or her State of residence also is the State in which his or her permanent duty station is located.

If you are a U.S. citizen with two States of residence, you should list your current residence address in response to question 2 *(e.g., if you are buying a firearm while staying at your weekend home in State X, you should list your address in State X in response to question 2.)*

**Question 16. Certification Definition of Engaged in the Business:** Under 18 U.S.C. § 922 (a)(1), it is unlawful for a person to engage in the business of dealing in firearms without a license. A person is engaged in the business of dealing in firearms if he or she devotes time, attention, and labor to dealing in firearms as a regular course of trade or business with the principal objective of livelihood and profit through the repetitive purchase and resale of firearms. A license is not required of a person who only makes occasional sales, exchanges, or purchases of firearms for the enhancement of a personal collection or for a hobby, or who sells all or part of his or her personal collection of firearms.

**Section B**

**Question 18. Type of Firearm(s):** Check all boxes that apply. "Other" refers to frames, receivers and other firearms that are not either handguns or long guns, such as firearms having a pistol grip that expel a shotgun shell, or National Firearms Act (NFA) firearms.

If a frame or receiver can only be made into a long gun *(rifle or shotgun)*, it is still a frame or receiver not a handgun or long gun. However, they still are "firearms" by definition, and subject to the same GCA limitations as any other firearms. See Section 921(a)(3)(b). 18 U.S.C. Section 922(b)(1) makes it unlawful for a licensee to sell any firearm other than a shotgun or rifle to any person under the age of 21. Since a frame or receiver for a firearm, to include one that can only be made into a long gun, is a "firearm other than a shotgun or rifle," it cannot be transferred to anyone under the age of 21. Also, note that multiple sales forms are not required for frames or receivers of any firearms, or pistol grip firearm, since they are not "pistols or revolvers" under Section 923(g)(3)(a).

**Question 19. Gun Shows:** If sale at gun show or other qualifying event sponsored by any national, State, or local organization, as authorized by 27 CFR § 478.100, the seller must record the name of event and the location *(city and State)* of the sale in question 19.

**Question 20a. Identification:** List issuing authority *(e.g., State, County or Municipality)* and type of identification presented *(e.g., Virginia driver's license (VA DL), or other valid government-issued identification).*

**Know Your Customer:** Before a licensee may sell or deliver a firearm to a nonlicensee, the licensee must establish the identity, place of residence, and age of the buyer. The buyer must provide a valid government-issued photo identification to the seller that contains the buyer's name, residence address, and date of birth. The licensee must record the type, identification number, and expiration date *(if any)* of the identification in question 20.a. A driver's license or an identification card issued by a State in place of a license is acceptable. Social Security cards are not acceptable because no address, date of birth, or photograph is shown on the cards. A combination of governmentissued documents may be provided. For example, if a U.S. citizen has two States of residence and is trying to buy a handgun in State X, he may provide a driver's license *(showing his name, date of birth, and photograph)* issued by State Y and another government-issued document *(such as a tax document)* from State X showing his residence address. If the buyer is a member of the Armed Forces on active duty acquiring a firearm in the State where his or her permanent duty station is located, but he or she has a driver's license from another State, you should list the buyer's military identification card and official orders showing where his or her permanent duty station is located in response to question 20.a.

**Question 20.b. Alternate Documentation:** Licensees may accept a combination of valid government-issued documents to satisfy the identification document requirements of the law. The required valid government-issued photo identification document bearing the name, photograph, and date of birth of transferee may be supplemented by another valid, government-issued document showing the transferee's residence address. This alternate documentation should be recorded in question 20.b., with issuing authority and type of identification presented. A combination of government-issued documents may be provided. For example, if a U.S. citizen has two States of residence and is trying to buy a handgun in State X, he may provide a driver's license *(showing his name, date of birth, and photograph)* issued by State Y and another government-issued document *(such as a tax document)* from State X showing his residence address.

**Question 20c. Documentation for Aliens Admitted to the United States Under a Nonimmigrant Visa:** See instructions for Question 11.i. Types of acceptable documents would include a valid hunting license lawfully issued in the United States or a letter from the U.S. Attorney General granting a waiver.

**Question(s) 21, 22, 23, NICS BACKGROUND CHECKS:** 18 U.S.C. § 922(t) requires that prior to transferring any firearm to an unlicensed person, a licensed importer, manufacturer, or dealer must first contact the National Instant Criminal Background Check System (NICS). NICS will advise the licensee whether the system finds any information that the purchaser is prohibited by law from possessing or receiving a firearm. For purposes of this form, contacts to NICS include contacts to State agencies designated to conduct NICS checks for the Federal Government. **WARNING:** Any seller who transfers a firearm to any person they know or have reasonable cause to believe is prohibited from receiving or possessing a firearm violates the law, even if the seller has complied with the background check requirements of the Brady law.

After the buyer has completed Section A of the form and the licensee has completed questions 18-20, and before transferring the firearm, the licensee must contact NICS *(read below for NICS check exceptions.)* However, the licensee should NOT contact NICS and should stop the transaction if: the

ACSO AHS Investigation ACSO_0002114

buyer answers "no" to question 11.a.; the buyer answers "yes" to any question in 11.b.-11.l., unless the buyer only has answered "yes" to question 11.l. and also answers "yes" to question 12; or the buyer is unable to provide the documentation required by question 20.a, b, or c.

At the time that NICS is contacted, the licensee must record in question 21.a-c: the date of contact, the NICS *(or State)* transaction number, and the initial response provided by NICS or the State. The licensee may record the Missing Disposition Information (MDI) date in 21.c. that NICS provides for delayed transactions *(States do not provide this number)*. If the licensee receives a "delayed" response, before transferring the firearm, the licensee must record in question 21.d. any response later provided by NICS or the State or that no resolution was provided within 3 business days. If the licensee receives a response from NICS or the State after the firearm has been transferred, he or she must record this information in question 21.e. Note: States acting as points of contact for NICS checks may use terms other than *"proceed," "delayed," "cancelled,"* or *"denied."* In such cases, the licensee should check the box that corresponds to the State's response. Some States may not provide a transaction number for denials. However, if a firearm is transferred within the three business day period, a transaction number is required.

**NICS Responses:** If NICS provides a *"proceed"* response, the transaction may proceed. If NICS provides a *"cancelled"* response, the seller is prohibited from transferring the firearm to the buyer. If NICS provides a *"denied"* response, the seller is prohibited from transferring the firearm to the buyer. If NICS provides a *"delayed"* response, the seller is prohibited from transferring the firearm unless 3 business days have elapsed and, before the transfer, NICS or the State has not advised the seller that the buyer's receipt or possession of the firearm would be in violation of law. (See 27 CFR § 478.102(a) for an example of how to calculate 3 business days.) If NICS provides a *"delayed"* response, NICS also will provide a Missing Disposition Information (MDI) date that calculates the 3 business days and reflects when the firearm(s) can be transferred under Federal law. States may not provide an MDI date. *Please note State law may impose a waiting period on transferring firearms.*

**EXCEPTIONS TO NICS CHECK:** A NICS check is not required if the transfer qualifies for any of the exceptions in 27 CFR § 478.102(d). Generally these include: (a) transfers where the buyer has presented the licensee with a permit or license that allows the buyer to possess, acquire, or carry a firearm, and the permit has been recognized by ATF as a valid alternative to the NICS check requirement; (b) transfers of National Firearms Act weapons approved by ATF; or (c) transfers certified by ATF as exempt because compliance with the NICS check requirements is impracticable. See 27 CFR § 478.102(d) for a detailed explanation. If the transfer qualifies for one of these exceptions, the licensee must obtain the documentation required by 27 CFR § 478.131. A firearm must **not** be transferred to any buyer who fails to provide such documentation.

### Section C

**Question 24 and 25. Transfer on a Different Day and Recertification:** If the transfer takes place on a different day from the date that the buyer signed Section A, the licensee must again check the photo identification of the buyer at the time of transfer, and the buyer must complete the recertification in Section C at the time of transfer.

### Section D

Immediately prior to transferring the firearm, the seller must complete all of the questions in Section D. In addition to completing this form, the seller must report any multiple sale or other disposition of pistols or revolver on ATF Form 3310.4 (see 27 CFR § 478.126a).

**Question(s) 26, 27, 28, 29 and 30, Firearm(s) Description:** These blocks should be completed with the firearm(s) information. Firearms manufactured after 1968 should all be marked with a serial number. Should you acquire a firearm that is not marked with a serial number; you may answer question 28 with "NSN" (No Serial Number), "N/A" or "None."

If more than five firearms are involved in a transaction, the information required by Section D, questions 26-30, must be provided for the additional firearms on a separate sheet of paper, which must be attached to the ATF Form 4473 covering the transaction.

**Types of firearms include:** pistol, revolver, rifle, shotgun, receiver, frame and other firearms that are not either handguns or long guns (rifles or shotguns), such as firearms having a pistol grip that expel a shotgun shell or National Firearms Act (NFA) firearms.

Additional firearms purchases by the same buyer may not be added to the form after the seller has signed and dated it. A buyer who wishes to purchase additional firearms after the seller has signed and dated the form must complete a new ATF Form 4473. The seller must conduct a new NICS check.

**Question 30c.** This box is for the FFL's use in recording any information he or she finds necessary to conduct business.

**Question 32 Federal Firearms License Number:** Must contain at least the first three and last five digits of the FFL number, for instance X-XX-XXXXX.

**Question 33-35 Transferor/Sellers Information:** For "denied" and "cancelled" NICS transactions, the person who completed Section B must complete Section D, questions 33-35.

I think another kid was involved because a student in that class saw me in the hall that day, said something Karl that I didn't hear and didn't show up to class. [redacted]

Yes. I very strongly believe so.

I think the entire story on the news is bullshit.

Do you think they are planning to do something more?

And what makes you think he is involved?

[redacted]

Yes. The bullying at Arapahoe is out of hand. I have experienced it myself. I don't think they are done yet.

[redacted]

And because the kid didn't show up to class that day, and [redacted] was

Undoubtably.

Do you know who it is?

What gives you these ideas?

[redacted] Like the fact that people 'knew' worries me. And the fact that people said stuff in the halls and didn't show up to that particular class.

Honestly, nobody cares. They all care about the cheer and toms and popular ones who know nothing about the situation. Nobody really cares about me, someone close to the situation. The entire class knew it was him. Shouldnt they be talking to us, not these other cunts?!

Yes, they should. But if no one else is speaking up about the situation how will they know? The other option is telling me as much detail as you can and I can report it.

**Text** Karl...Of all people on earth, an intellectual being such as yourself, and a kind caring human being such as yourself, I thought since the day that I met you in World Geo & Civ our sophomore years that you'd amount to one day pioneering a monopoly! But, I'll admit your mind has always been an enigma to me, but I could for the most part at least understand bits of it. Now, the one question that is the most enigmatic of them all about you is simply, "Why?"

Before you I had never met somebody that was so unique in so many different ways, I'm so sad to see you go. I wish you had gone to someone for help...I hate you for this but I love you all the same. Im sorry that I was not there more, Im sorry I was not more involved in your life. I hope that you knew that you made a difference in my life. I knew someone by the name of Karl Pierson, who was always looking to slide a good sarcastic comment into any situation to make it funnier. Good people fall, and everyone has dark times in life. All I can say that when you were on the earth and when I got the chance to hang out with you on my off hours last year, I'm happy you were in mine.

**Body** Karl,
So obviously I know you won't ever read this or anything but I really need to send it for some reason.. Claire died today. How fucking unfair is that? I'm not sure what happened that made you snap and decide to shoot up the school. I've dealt with severe depression since I was in middle school. I've had 3 suicide attempts. For some reason I'm still here, but you and Claire aren't. I don't understand why and I can only hope that one day the reason will become clear. I miss you so much. You were such a smart guy, you were just interested in all the wrong things. We didn't always get along in our [redacted] class sophomore year but it was always fun. Remember that one time you made me give you my shoe for collateral to borrow your pencil? Hahaha me and [redacted] thought it was the funniest thing. On the first day of school this year we ran into each other in the hall and you walked me to my class. You were so sweet to me. Your were such a unique person and I'm sad you aren't here with us anymore. I'm so sorry things ended the way they did. Rest in peace Karl.

**Body** My dearest friend Karl,

I didnt want to seem like an attention whore so I decided to send you a message. What needs to be said is between you and I.
Karl, you were an extremely intelligent young man. You had it all going for you. The classes you and I had together were fun, mainly because everyone got to see the genius that IS Karl Pierson. But what you did yesterday was not genius. I dont know why you did what you did and I cant say I'll ever forgive you for what you did. I understand the heartbreak you went through after you were demoted on the Speech and Debate team, trust me I understand that heartbreak well. I never got to be [redacted]. But that doesnt make it ok to go after the man responsible with the intention of murder. Maybe you really were mentally sick, but I dont care. I can never forgive you for striking immense fear into our school, and our homes.
But, you are my friend, my fellow [redacted]. And I still care about you. I still cry knowing that I'll never see you again. I'll never hear your cynical comments, your goofy laugh, or your strange and offensive jokes. As much as you annoyed me, I still love you. And I'll still miss you brother. I hope you found peace where ever you are.

**Body** I know that we haven't talked for a couple of weeks. Not since that passing period after fourth hour and you told me you had a date that Friday night. You were joking around with me about how you had no need to hit on me anymore. You always had something funny to tell me after second hour all through junior year. Plus socialism isn't all that bad. But I still think Rockefeller and Carnegie are the shit! There was that Stephen Colbert book you brought to school for a few days, and I was so jealous of you. It was so funny and I like politics- not as much as you, but still. I saw you occasionally in the hall way this year, but I miss the locker talks we had all junior year. You deserved a lot more than what most people gave you. I wish I had seen you more this year.
I'm really cynical, so I'd understand if you read this and saw it as a pity message or a "typical suicide response", but I hope you don't. I did like talking to you. There were definitely days when my trig class really got me down and coming out to your stories about your weekend or that argument from the previous lunch period really helped me out. I could count on you for a laugh.
I know you struggled a lot, for a long time. I'm glad that I got to know you while you were here. I just wish I had had a chance to joke around with you again. I have faith that you are happier and less bogged down by shit now. Just know that I know you as that quirky, super politically aware, good-weird, funny as fuck guy that randomly started talking to me one day junior year. Kiss the angels for me

**Body** Dear Mr. And Mrs. Pierson:

I wanted to reach out to you as the mother to a high school student too. My heart goes out to you for your loss, pain and I am sure confusion that comes with what occurred. I fear that you are not going to get a lot of support which is very

unfortunate! I can't imagine the pain that your baby boy must have been in and the overwhelming feelings. There is nothing that I can possibly say to touch the type of loss that you are experiencing but just know there are people out here who feel for you and for Karl. I don't know if you have other children but I will be praying for your family! Please be strong and ignore any negativity. I am sending you big hugs and love!!!

Please take care! Again I am so deeply saddened for your loss! Remember anything that you may be feeling is normal!!! Remember you are precious children of God and to be good to yourself!

Love,

**Message** [redacted], it's going to be hard going today. But I will say this over and over again, you were not a monster. You made a bad decision but that does not make you a bad person. You were one of the funniest, sweetest, most caring guys I have had the pleasure to meet. It was not you that hurt yourself and another person. It was someone else, and anybody who knew you knows that you were not there that day. I'm going to miss you, along with many other people.

**Message** These past few days have shown me that life is extremely unpredictable. Do what you need to so you'll get the most out of life. Make it funny and make it worth it. I knew someone by the name of Karl Pierson, who was always looking to slide a good sarcastic comment into any situation to make it funnier. Good people fall, and everyone has dark times in life. All I can say that when you were on the earth and when I got the chance to hang out with you on my off hours last year, I'm happy you were in mine.

I will never forget how you always said hi to me in the halls and made sure to give me a high five. You will truly be missed. My prayers go out to you and your family. I don't support what you did, but God teaches us to forgive. I will miss you.

**Message** @[[redacted]:Karl] was one of my best friends. I love him more than anything. Everyday, without fail, he complimented me on my hair or outfit. He was the sweetest most loving boy I knew. In this time of heartbreak, I hope that we can all turn towards God and pray for him and his family. I love you, Karl. I do not agree with what you did. I wish so much that you wouldn't have. However, you were a great example to me of love and friendship. I will never forget you and the great man that you were.

**Message** I don't care if anyone else goes or not, I'll be at your funeral grieving over you. I remember who you were, and I felt deep in side what an amazing person you were. But you snapped... @[[redacted]:Karl Pierson], what you did was wrong, but I'm a true friend and still love you no matter how big of a mistake you make. I'm happy your in a place where no one can hurt you... And where you can't hurt anyone. Do know I love you, but I hate what you did.... You were like the perfect child, I don't know who hurt you so bad to make you do something like this. You had good grades, a good job, big dreams, never committed a crime in your life. That's why I'm so supprised to hear that you, out of all the people at arapahoe, would do something like this. What you did was wrong, and there were other ways to deal with it. But no matter what I'll always love you. I'll think about you everyday. I just wish I could say bye to you, or work out with you one last time. It kills me to think you're gone. And it kills me to think that this happened. Karl, why couldn't you just talk to me.... I miss you and everything about you! Your were smart and funny and had a crazy awsome smile. I wish people knew you before this happened so they had something better to remember you by. My heart goes out to you and I'm so sorry this happened. I'll always remember you as fun loving Karl, who just happened to slip into the deep end over night.... Karl promise you'll always be right by my side ok? Promise me please because I need you know more then ever. I can't deal with this... And the fact that you aimed for [redacted] is hard enough, the fact you aimed towards yourself is even harder. Karl I love you just come back. UGH FUCK KARL WHYD IT HAVE TO BE THIS WAY!! I know you were stronger then that! You're not a murderer, I know this and I wish everyone else did too. Something got into your head... I hope I see you again soon. And we can talk about things then.... I know where your heart was, even though your head wasn't there. I hope everyone can learn from this.... It doesn't matter how good of a person you are, you can be bullied to this piont. I miss you and only god can judge you. And he knows what kind of person you truely were.

I was so shocked when I heard the news of your actions, and I thought to myself, not @[[redacted]:Karl], there is no way. You were always so bright and always so happy. Im sorry that I was not there more, Im sorry I was not more involved in your life. I hope that you knew that you made a difference in my life. You always made me laugh and we always had something to talk about. You would have done great in the military, and I am dissapointed that I will never be able to call you my brother in arms... Im so sorry Karl. RIP my friend.

I was so shocked when I heard the news of your actions, and I thought to myself, not @[[redacted]:Karl], there is no way. You were always so bright and always so happy. Im sorry that I was not there more, Im sorry I was not more involved in your life. I hope that you knew that you made a difference in my life. You always made me laugh and we always had something to talk about. You would have done great in the military, and I am dissapointed that I will never be able to call you my brother in arms... Im so sorry Karl. RIP my friend.

**Text** These past few days have shown me that life is extremely unpredictable. Do what you need to so you'll get the most out of life. Make it funny and make it worth it. I knew someone by the name of Karl Pierson, who was always looking to slide a good sarcastic comment into any situation to make it funnier. Good people fall, and everyone has dark times in life. All I can say that when you were on the earth and when I got the chance to hang out with you on my off hours last year, I'm happy you were in mine.

**Body** Karl,
So obviously I know you won't ever read this or anything but I really need to send it for some reason.. Claire died today. How fucking unfair is that? I'm not sure what happened that made you snap and decide to shoot up the school. I've dealt with severe depression since I was in middle school. I've had 3 suicide attempts. For some reason I'm still here, but you and Claire aren't. I don't understand why and I can only hope that one day the reason will become clear. I miss you so much. You were such a smart guy, you were just interested in all the wrong things. We didn't always get along in our [redacted] class sophomore year but it was always fun. Remember that one time you made me give you my shoe for collateral to borrow your pencil? Hahaha me and [redacted] thought it was the funniest thing. On the first day of school this year we ran into each other in the hall and you walked me to my class. You were so sweet to me. Your were such a unique person and I'm sad you aren't here with us anymore. I'm so sorry things ended the way they did. Rest in peace Karl.

**Body** My dearest friend Karl,

I didnt want to seem like an attention whore so I decided to send you a message. What needs to be said is between you and I.
Karl, you were an extremely intelligent young man. You had it all going for you. The classes you and I had together were fun, mainly because everyone got to see the genius that IS Karl Pierson. But what you did yesterday was not genius. I dont know why you did what you did and I cant say I'll ever forgive you for what you did. I understand the heartbreak you went through after you were demoted on the Speech and Debate team, trust me I understand that heartbreak well. I never got to be [redacted]. But that doesnt make it ok to go after the man responsible with the intention of murder. Maybe you really were mentally sick, but I dont care. I can never forgive you for striking immense fear into our school, and our homes.
But, you are my friend, my fellow [redacted]. And I still care about you. I still cry knowing that I'll never see you again. I'll never hear your cynical comments, your goofy laugh, or your strange and offensive jokes. As much as you annoyed me, I still love you. And I'll still miss you brother. I hope you found peace where ever you are.

**Body** I know that we haven't talked for a couple of weeks. Not since that passing period after fourth hour and you told me you had a date that Friday night. You were joking around with me about how you had no need to hit on me anymore. You always had something funny to tell me after second hour all through junior year. Plus socialism isn't all that bad. But I still think Rockefeller and Carnegie are the shit! There was that Stephen Colbert book you brought to school for a few days, and I was so jealous of you. It was so funny and I like politics- not as much as you, but still. I saw you occasionally in the hall way this year, but I miss the locker talks we had all junior year. You deserved a lot more than what most people gave you. I wish I had seen you more this year.
I'm really cynical, so I'd understand if you read this and saw it as a pity message or a "typical suicide response", but I hope you don't. I did like talking to you. There were definitely days when my trig class really got me down and coming out to your stories about your weekend or that argument from the previous lunch period really helped me out. I could count on you for a laugh.
I know you struggled a lot, for a long time. I'm glad that I got to know you while you were here. I just wish I had had a chance to joke around with you again. I have faith that you are happier and less bogged down by shit now. Just know that I know you as that quirky, super politically aware, good-weird, funny as fuck guy that randomly started talking to me one day junior year. Kiss the angels for me

**Body** Dear Mr. And Mrs. Pierson:

I wanted to reach out to you as the mother to a high school student too. My heart goes out to you for your loss, pain and I am sure confusion that comes with what occurred. I fear that you are not going to get a lot of support which is very unfortunate! I can't imagine the pain that your baby boy must have been in and the overwhelming feelings. There is nothing that I can possibly say to touch the type of loss that you are experiencing but just know there are people out here who feel for you and for Karl. I don't know if you have other children but I will be praying for your

family! Please be strong and ignore any negativity. I am sending you big hugs and love!!!

Please take care! Again I am so deeply saddened for your loss! Remember anything that you may be feeling is normal!!! Remember you are precious children of God and to be good to yourself!

Love,

[redacted]

REPORT BY: John Bartmann
SUBJECT: Case Update

On 12/14/13, at approximately 1120 hours, I received a call from dispatch stating that a male named [redacted] had information about the shooting at Arapahoe High School. [redacted] told Dispatch that the suspect gave him a flash drive that contained "destructive notes".

I called [redacted] back and spoke with [redacted] father who was later identified as:

[redacted]
DOB: [redacted]

[redacted] stated that his son [redacted] had called and he did have a flash drive. I responded to [redacted] and [redacted] home located at:

[redacted]

I met with [redacted] and his son who was fully identified as:

[redacted]
DOB: [redacted]

[redacted] invited me into the home where I met [redacted] in the living room. The three of us sat down and I was immediately given a:

LEXAR 4G FLASH DRIVE

By [redacted] stated the following, in essence:

[redacted] and KARL were in AP ECON class on an unknown day.

KARAL was talking about the "Anarchist Cookbook".

[redacted] had never heard of the book and asked if he could see the book.

Several days later KARAL gave [redacted] a copy of the book along with another Book that he does not remember the name of.

Both book where in PDF format on a Lexar 4G flash drive.

KARAL gave [redacted] the flash drive on either Tuesday or Thursday.

ACSO AHS Investigation ACSO_0002555

[redacted] looked at the flash drive and saw there were two PDF's on the drive.

[redacted] knows for sure, in one of the books he was given, there was a recipe for a Molotov cocktail.

[redacted] does not consider KARAL a friend.

[redacted] sees KARAL more as an acquaintance than friend.

[redacted] heard in the halls that KARAL wanted to shoot up the school.

[redacted] heard that KARAL had been on a date recently and it went well.

KARl told him that he was going on a second date and was excited about it.

[redacted] does not know who the girl was.

I collected the flash drive and booked it into evidence at the Sheriff's Office Headquarters.

Nothing further.

Case ID: N\A

Request No.: RMRCFL-13-0175-SUPA

Reference: Service Request dated December 17, 2013

Ref. No.: CT13-44545

Title: SUBJECT: KARL PIERSON

Date item(s) received: December 18, 2013

**Item(s) Submitted:**

**RMRCFL022311** **Item 1: Samsung** cell phone; model SCH-U820; MEID 268435459508099053.

**RMRCFL022310** **Item 2: Asus** tablet; model Nexus; serial number: D20KBC283277.

**Request:**

Detective Kim Johnston, from the Arapahoe County Sheriff's Office, submitted a service request and search warrant requesting the submitted evidence, listed above, be examined and the data extracted.

**Summary of Results:**

I was able to acquire the data from the cell phone which will be provided on the findings DVD. The Asus tablet was locked, with a pattern lock, and efforts to identify, or bypass, the pattern lock were unsuccessful using tools\software at the RMRCFL. I called the FBI's CEAU unit (Cryptologic and Electronic Analysis Unit) and they indicated they may be able to identify or bypass the pattern lock for the tablet.

ACSO AHS Investigation ACSO_0002557

I spoke with Detective Johnston and advised her that the CEAU unit may be able to assist with the pattern lock; however, it would be an extended amount of time before getting the tablet and results back to the RMRCFL. Detective Johnston requested that the tablet be sent to the CEAU unit. This case (13-0175-SUPA) will be closed and a findings DVD with the results from the item 1: Samsung cell phone will be provided to the submitting agency. When the CEAU unit returns the tablet to the RMRCFL, and the exam on the tablet is complete, a second set of findings DVD's with will be provided to submitting agency.

**Details of Examination:**

The following processes were used:

- ***Physical Examination***: Examination of evidence items occurred during the data extraction process.
- ***Data Extraction and Interpretation***: Data was recovered and provided on the findings disc.
- ***Electronic Device***: Examination of an electronic device such as a cell phone, tablet, PDA etc.
- ***Pre and Post Exam Hash Verification***: Image verification was conducted at the conclusion of the imaging process and after the completion of the examination.

A physical inventory of the above described submitted evidence was completed. CART approved tools and procedures were used in the acquisition of information from the submitted devices.

An examination findings DVD accompanies this report and is integral to understanding the examination of the submitted evidence. The examination findings DVD should be reviewed in conjunction with this report of examination by selecting the hyperlinks referenced through the remainder of this report. I have also placed a glossary of cell phone terminology on the findings DVD. The glossary has definitions of the acronyms associated with this cell phone report. To view, select the "**Glossary**" link in the index of the findings DVD.

PROGRESS REPORT
CASE # CT13-44545
REPORT BY: Investigator Kristin McCauley
CASE TYPE: Homicide
ACTION: Follow-up

On 09/04/14, I received a report from Colorado Bureau of Investigations (CBI) in reference to the analysis of the Black Stevensons model 320 shotgun serial number 134200P. The gun was analyzed by Alicia Vallario. Examiner Vallario verified that the shotgun is capable of firing.

Examiner Vallario also determined that the Winchester shotgun shells contained 122 steel pellets and consistent with #1 size. The Royal buck rounds contained 21 lead pellets and were most consistent with either #3 or #4 buck shot size.

Examiner Vallario analyzed the spent shells and found that they were fired from the Black Stevensons model 320 shotgun serial number 134200P.

See report from CBI for complete finding.

On 09/09/14, I received the Asus Tablet back from RMRCFL. The tablet was analyzed by examiner Jim Stevens. The tablet had pictures that Karl Pierson took of himself the morning of 12/13/13 prior to going to the school. Karl also took photographs of his gun and ammunition. There was a list of Google books located on the tablet. The book titles include "Confessions of a Sociopath" by M.E. Tomas and "Why Kids Kill" by Peter Langman, PhD.

Karl's email was also attached to the tablet. The majority of Karl's emails contained information on applying for colleges.

See report from RMRCFL for complete findings.

Nothing further at this time.

**Results/Opinions and Interpretations:**

The Item 1 Savage Arms/Stevens 12 gauge shotgun, model 320, serial number 134200P was examined. The Item 1 shotgun is capable of firing.

Test fired shotshells from the Item 1 shotgun are not suitable for entry in the National Integrated Ballistic Information Network (NIBIN).

Item 2.1 and Item 3.1 were not analyzed as they were not required for comparison or test firing.

The Item 2.2 and 3.2 shotshells were cut open to determine the size and number of pellets in each type of shotshell. Item 2.2 contains 122 steel pellets most consistent with #1 size. Item 3.2 contains 21 lead pellets most consistent with either #3 or #4 buck shot size.

The Item 4, 5, 6, 7, 8 and 9 fired shotshells were examined and microscopically compared to test fired shotshells (Items 2.3 and 3.3) from the Item 1 shotgun with the following conclusions:
-The Item 4, 5, 6, 7, 8 and 9 shotshells were identified as having been fired in the Item 1 shotgun.

The Item 10 trophy case has three shot patterns present (Patterns B, C and D). The Item 11 sheet rock has one pattern present (Pattern J). The patterns were examined and evaluated for muzzle to target distance, using the Item 1 shotgun with the following conclusions:
-The muzzle to Pattern B distance, using the Item 3.3 shotshells and an approximate 90 degree angle, is between 20 and 40 feet.
-The muzzle to Pattern C distance could not be determined due to an incomplete pattern. The pattern consists of 109 countable strikes, which is consistent with the Item 2.3 shotshells.
-The muzzle to Pattern D distance could not be determined using pattern D alone, due to an incomplete pattern and steep angle of impact, however, Pattern D is consistent with being fired from the same shot as Pattern B.
-The muzzle to Pattern J distance using the Item 2.3 shotshells and an approximate 45 degree angle is between 30 and 50 feet.

The Item 12 notes and Item 13 photos also provided information for multiple other patterns (A, E, F, G, H, I, and K). Measurements and notes from Item 12 were used for muzzle to target distance determination with the following conclusions:
- The muzzle to pattern A distance, using the Item 1 shotgun and Item 2.3 shotshells and an approximate 90 degree angle, is between 5 and 15 feet.
- The muzzle to pattern distance for Patterns E, F, G, H, I, and K could not be determined due to an incomplete pattern or incomplete information.

Cut open shotshells (Items 2.2 and 3.2), and test fires (Items 2.3 and 3.3) from Items 2 and 3 have been retained in a packet labeled Packet FIR1. This packet is being returned to the submitting agency.

Distance determination tests (Item 1.1) from Item 1 have been retained in a packet labeled Packet FIR2. This packet is being returned to the submitting agency.

# REPORT OF EXAMINATION

To: Arapahoe County Sheriff's Office
13101 E. Broncos Parkway
Centennial CO, 80112
Attn: Detective Kim Johnston

Date: September 05, 2014

Case ID: N\A

Request No.: RMRCFL-13-0175-SUPB

Reference: Service Request dated December 17, 2013

Ref. No.: CT13-44545

Title: SUBJECT: KARL PIERSON

Date item(s) received: December 18, 2013

**Item(s) Submitted:**

**RMRCFL022310** **Item 1: Asus tablet**; model: ME370T Nexus 7; serial number: D20KBC283277.

**Request:**

Detective Kim Johnston, from the Arapahoe County Sheriff's Office, submitted a service request and search warrant requesting the submitted evidence be examined and the data extracted.

**Summary of Results:**

Detective Johnson submitted the above listed tablet in December 2013. The Asus tablet was locked, with a pattern lock, and efforts at that time to identify, or bypass, the pattern lock were unsuccessful using tools\software at the RMRCFL. The tablet was sent to the FBI's Cryptologic and Electronic Analysis Unit (CEAU) in Quantico VA in an effort that they may be able to use highly specialized equipment to identify or bypass the tablet's pattern lock and acquire the data.

An ASCLD/LAB-*International*
Accredited Laboratory

ACSO AHS Investigation ACSO_0002567

Personnel at CEAU were able to bypass the pattern lock and make an image of the tablet and extract the logical files. On August 25th 2014, the Asus tablet was returned to the RMRCFL along with a DVD which contained the image file of the tablet and the extracted logical files.

Using forensic software I was able to process the tablet's data acquired by CEAU and generate an html report that will be included on the findings DVD.

**Details of Examination:**

The following processes were used:

- ***Physical Examination***: Examination of evidence items occurred during the data extraction process.
- ***Data Extraction and Interpretation***: Data was recovered and provided on the findings disc.
- ***Electronic Device***: Examination of an electronic device such as a cell tablet, tablet, PDA etc.
- ***Pre and Post Exam Hash Verification***: Image verification was conducted at the conclusion of the imaging process and after the completion of the examination for the image file. A pre and post exam hash verification is not feasible for the logical files that were extracted from this device.

A physical inventory of the above described submitted evidence was completed. CART approved tools and procedures were used in the acquisition of information from the submitted devices.

An examination findings DVD accompanies this report and is integral to understanding the examination of the submitted evidence. The examination findings DVD should be reviewed in conjunction with this report of examination by selecting the hyperlinks referenced through the remainder of this report. If the findings DVD doesn't automatically start when placed into a computer's DVD drive; you can view the information on the DVD by double clicking the "**index.htm**" file.

**Item 1: Asus tablet - barcode RMRCFL022310**

A picture of the tablet can be viewed by selecting the "**Picture of Tablet**" link on the findings DVD.

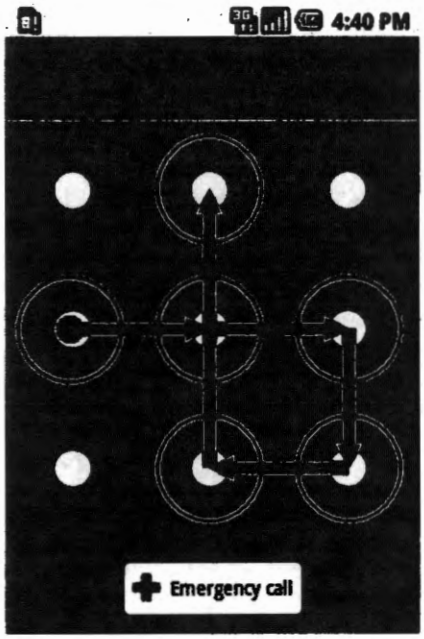
ACSO AHS Investigation ACSO_0002568

**Tablet exam**:
I examined the data acquired by CEAU and was able to identify the code for the tablet's pattern lock:



Using the data acquired by CEAU I acquired the following information using forensic software:

- Calendar - 2
- Contacts – 14
- Cookies – 341 (Includes 31 deleted)
- Emails – 97 (Includes 1 deleted)
- Installed Applications - 206
- Locations - 5
- Passwords - 2
- Searched Items – 262 (Includes 154 deleted)
- User Accounts – 2
- Web Bookmarks - 16
- Web History - 18
- Wireless Networks – 14
- Applications - 286
- Audio- 61
- Documents - 10
- Videos - 4

The above information can be viewed by selecting the "**Asus Tablet Report**" link on the findings DVD. There were also 17,438 images that were extracted from the tablet. *Note, many if these images are icons, symbols, internet artifacts etc.* These images can be viewed

For Official Use Only
ACSO AHS Investigation ACSO_0002569

by selecting the "**Pictures from Tablet**" link on findings DVD. Located within these images are some pictures that may be of interest to include two pictures of weapons and ammunition displayed on the floor. There are also pictures that depict a young man holding a shotgun, machete and several rounds of ammunition. The metadata for these pictures indicate that the pictures were taken with the Asus tablet on 12/13/2013. *Note, metadata is data embedded in a digital photograph that provides information about the photograph. For example, a digital photograph may include metadata that describes the camera's make and model, the size of the photo, the photo's resolution, date and time the photograph was created, and possible other relevant data.* These photos can be viewed by selecting the "**Pictures of Interest**" link on the findings DVD.

I was also able to acquire a list of Google books located on the tablet. The book titles include, "**Confessions of a Sociopath**" by M.E. Thomas and "**Why Kids Kill**" by Peter Langman, PhD. To view the complete list of Google books located on the Asus tablet select the "**Google Book Volumes**" link on the findings DVD. Viewing the data on the Asus tablet I observed some of the book titles are labeled "Sample" and may be partial downloads and\or the tablet needs to be connected to the internet to view the book's content.

After processing the data acquired from the Asus tablet with forensic software I visually confirmed the data contained in the .html report that is provided on the findings DVD was consistent with the data that I observed on the Asus tablet. I did note one exception:

- The forensic software did not acquire the tablet's Firefox Top Sites, Bookmarks, or History.

I took photographs of the above listed items. To view, select the "**Firefox Artifacts**" link on the findings DVD.

**Derivative Evidence**

I generated the following items of derivative evidence during the examination process:

| Derivative Evidence: | Type: | Description: |
|---|---|---|
| Barcode: RMRCFL023726 | Archive DVD | DVD with label |
| Barcode: RMRCFL023727 | Findings DVD | DVD with label |
| Barcode: RMRCFL023728 | Findings DVD | DVD with label |
| Barcode: RMRCFL023729 | Findings DVD | DVD with label |

**Disposition:**

The original evidence was returned to the RMRCFL evidence control facility and is available for release to the submitting authority.

For Official Use Only
ACSO AHS Investigation ACSO_0002570

The listed derivative evidence was entered into the RMRCFL evidence control facility and will be maintained until it is returned to the submitting agency or other disposition consistent with their standard operating procedures.

Examiners' notes and other internal paperwork generated as a result of the submission of this case to the RMRCFL will be maintained in the RCFL file and will be produced for the submitting agency upon request.

## *Come Follow Me*

*By Michael Hudson*

The grace of God is like a road
that draws the heart from its first home;
we long to go, but we hate to leave,
and the Spirit calls, "Come follow me."

The hope of God is like the sun;
it shines until the day is done.
And in the night, stars rise in the East,
and the Spirit calls, "Come follow me."

The love of God is like a stream;
it fills and feeds our deepest dreams;
it finds a thirst and leaves a spring,
and the Spirit calls, "Come follow me."
