## COURT, JEFFERSON COUNTY, COLORADO

Investigator Kate Battan,

being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:26 a.m., Jefferson County Sheriff's Office Dispatch received a call reporting that there was a girl "down" in the parking lot at Columbine High School. Jefferson County Sheriff's Deputies Scott Taborsky and Eric Miller were dispatched to Columbine High School, 6201 South Pierce Street, County of Jefferson, State of Colorado.

Upon their arrival, Deputies Taborsky and Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Your affiant subsequently learned that 15 individuals were killed within Columbine High School during the incident as the result of gunshot wounds. Your affiant further learned that two of the decedents, Dylan Bennet Klebold, dob/09-11-81, and Eric David Harris, dob/04-09-81, were suspected of shooting the 13 decedents, and had injured approximately 25 other students.

Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Alejandra Marsh, a student of Columbine High School. Marsh stated that she had been in class in Columbine High School, when she heard shooting. Marsh went to the corridor where she saw Dylan Klebold and a male known to her as "Reb." Marsh stated that both "Reb" and Dylan Klebold were wearing black pants and full length black dusters. Marsh saw that Dylan Klebold was carrying a rifle type weapon at waist height and was firing down the hall.

Your Affiant interviewed Wade Alan Frank, a student of Columbine High School, who stated that about 11:30 a.m., lunch time, he was in the parking lot of Columbine High School with Tyler Jackman, when he heard gunshots inside the school. Wade Frank saw a male wearing a long black trench coat at the top of the stairs at the entrance to Columbine High School. Wade Frank mentioned to Jackman that he thought it was [REDACTED] Jackman told Frank it was Dylan Klebold. The male in the trench coat was also wearing a black hat, possibly a baseball hat backwards or a ski mask. Wade Frank saw the male walk down the stairs, approach a male lying face down at the bottom of the stairs, and shoot a sawed off shotgun into his back. Wade Frank saw the male throw a white PVC pipe bomb, which exploded. Wade Frank saw the male walk to the top of the stairs, where there was a second male dressed the same.

Investigator Art Peterson interviewed Columbine High School student John Savage. Savage stated that during the shooting he was hiding under a table in the library. He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killing people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

## COURT, JEFFERSON COUNTY, COLORADO

being duly sworn upon oath says:

Investigator Kate Battan,

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Investigator Mike Heylin of the Jefferson County District Attorney's Office stated that he had been contacted by Randy and Judy Brown, parents of Brooks Brown, in early 1998. The Brown's told Investigator Heylin that Eric Harris, who attends Columbine High School with Brooks Brown, had been harassing and threatening Brooks Brown. Randy and Judy Brown told Investigator Heylin that Eric Harris belonged to a "black trench coat gang" and had a web site reference murder and killing. They provided Investigator Heylin with possible web site addresses of [HTTP://members.aol.com/rebdomine/index.html](http://members.aol.com/rebdomine/index.html) or <http://members.aol.com/rebdoomer/index.html>.

Investigator Cheryl Zimmerman discovered a report made to the Jefferson County Sheriff's Office on March 18, 1998, 98-5504, by Randy Brown. Randy Brown stated that Eric Harris was making death threats towards his son, Brooks Brown. Randy Brown provided ten pages of material copied from Eric Harris' web page to Deputy Mark Miller. One of the printouts reads, "Wie gehts. Well all you people out there can just kiss my ass and die. From now on, I dont give a fuck what almost any of you mutha fuckas have to say, unless I respect you which is highly unlikely. but for those of you who happen to know me and know that I respect you may peace be with you and dont be in my line of fire. for the rest of you, you all better fucking hide in your houses because im comin for EVERYONE soon, and I WILL be armed to the fuckin teeth and I WILL shoot to kill and I WILL fucking KILL EVERYTHING! No I am not crazy, crazy is just a word, to me it has no meaning, everyone is different, but most of you fuckheads out there in socieity, going to your everyday fucking jobs and doing your everyday routine shitty things, I say fuck you and die. if you got a problem with my thoughts, come tell me and ill kill you, because.....god damanit, DEAD PEOPLE DONT ARGUE!" Another page has an entry which states, "I will rig up explosives all over a town and detonate each one of them at will after I mow down a whole fucking area full of you snotty ass rich mother fucking high strung godlike attitude having worthless pieces of shit whores. I dont care if I live or die in the shootout, all I want to do is kill and injure as many of you pricks as I can, especially a few people Like brooks brown." Randy Brown told Deputy Miller that Eric Harris is also known as "Reb." Randy Brown stated that Harris also has an acquaintance by the name of Dylan Klebold, who is also known as "Vodka."

On May 18, 1999 Golden Police Department Sergeant Jon Watson interviewed Ryan Shwayder, a student of Columbine High School. Shwayder said that on April 20, 1999 at about 11:10 a.m. he left his class and met two other students, Deanna Shaffer and Matthew Houck, and they left the school to go to lunch. Shwayder said after they went to the drive through window at the McDonalds near Pierce Street and Coal Mine Road he drove to a neighborhood south of Columbine High School. Shwayder told Sergeant Watson that he then saw Brooks Brown standing in the middle of the street at Hoover Avenue and Peakview Avenue and Brown got in the car. Shwayder said that Brown was talking fast and said told Shwayder that he thought Eric Harris might be involved in a shooting at the school. Shwayder said Brown called his father who came to their location and they ended up going to Browns residence.

Ryan Shwayder's mother, Susan Shwayder then told Sergeant Watson that Brooks Brown had left his backpack in the back of Ryan's vehicle on April 20, 1999 and it was still in the the back of the car. Susan Watson then gave the backpack to Sergeant Watson and he placed it in the Jefferson County Sheriff's Office evidence vault. The back pack is a green Crownspport backpack

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:15 a.m., Jefferson County Sheriff's Office Dispatch received a call stating that there was a bomb in the area of Ken Caryl and Chatfield, County of Jefferson, State of Colorado. At the same time Dispatch received another call reporting that there was a girl "down" in the parking lot at Columbine High School. Deputy Paul Magor was dispatched at 11:16 a.m. to the bomb, and Deputies Scott Taborsky and Eric Miller were dispatched to Columbine High School, 6201 South Pierce Street, County of Jefferson, State of Colorado. Upon their arrival, Deputies Taborsky and Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Jefferson County Sheriff's Investigator Gary Muse interviewed Brooks Brown, a student of Columbine High School, who stated that prior to the shooting beginning he was in the corridor of Columbine High School and recognized Eric Harris wearing a black duster, black jeans, carrying a duffel bag which had an odd shape to it. Eric Harris told Brooks Brown, "I like you, get out of here." Brooks Brown believed something bad was going to happen, so he exited the school and went to the parking lot. Brown recognized Dylan Klebold's car, an older black 4-door Mercedes Benz, with a "NIN" sticker on the back, parked next to his own car. Brooks Brown recognized Eric Harris' car, a black Honda Civic 4-door, with a "Ramstein" sticker on the back window, parked on the other side of his own car. Brooks Brown stated that Harris and Klebold are best friends and believed them to be together.

Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Alaj Andra Marsh, a student of Columbine High School. Alaj Marsh stated that she had been in class in Columbine High School, when she heard shooting. Alaj Marsh went to the corridor where she saw Dylan Klebold and a male known to her as "Reb." Alaj Marsh stated that both "Reb" and Dylan Klebold were wearing black pants and full length black dusters. Alaj Marsh saw that Dylan Klebold was carrying a rifle type weapon at waist height and was firing down the hall.

Littleton Police Detective Russell Hoffman interviewed Tyler Jackman, a student at Columbine High School. Jackman stated that he was in the parking lot of Columbine High School with a friend, Wade Alan Frank, at lunch time, about 11:30 a.m.. Tyler Jackman saw Dylan Klebold at the top of the stairs at the entrance to Columbine High School, wearing a full length black coat. Dylan Klebold walked down the stairs where an unknown male was lying face down at the bottom of the stairs. Tyler Jackman saw Dylan Klebold shoot into the back of the unknown male with a sawed off shotgun. Dylan Klebold then began walking toward a grassy area, at which point he took a white pipe bomb, lit it, and threw it into the senior parking lot, where it exploded. Dylan Klebold then walked back up the stairs where he met another male and the two walked inside the school. Tyler Jackman stated he could not identify the second male, as he only saw him briefly.

Investigator Kate Battan interviewed Wade Alan Frank, a student of Columbine High School, who stated that about 11:30 a.m.

lunch time, he was in the parking lot of Columbine High School with Tyler Jackman, when he heard gunshots inside the school. Wade Frank saw a male wearing a long black trench coat at the top of the stairs at the entrance to Columbine High School. Wade Frank mentioned to Jackman that he thought it was [REDACTED]. Jackman told Frank it was Dylan Klebold. The male in the trench coat was also wearing a black hat, possibly a baseball hat backwards or a ski mask. Wade Frank saw the male walk down the stairs, approach a male lying face down at the bottom of the stairs, and shoot a sawed off shotgun into his back. Wade Frank saw the male throw a white PVC pipe bomb, which exploded. Wade Frank saw the male walk to the top of the stairs, where there was a second male dressed the same.

Investigator Art Peterson interviewed Columbine High School student John Savage. Savage stated that during the shooting he was hiding under a table in the library. He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killing people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

Investigator Mike Heylin of the Jefferson County District Attorney's Office stated that he had been contacted by Randy and Judy Brown, parents of Brooks Brown, in early 1998. The Browns told Investigator Heylin that Eric Harris, who attends Columbine High School with Brooks Brown, had been harassing and threatening Brooks Brown. Randy and Judy Brown told Investigator Heylin that Eric Harris belonged to a "black trench coat gang" and had a web site reference murder and killing. They provided Investigator Heylin with possible web site addresses of [HTTP://members.aol.com/rebdoomine/index.html](http://members.aol.com/rebdoomine/index.html) or <http://members.aol.com/rebdoomer/index.html>.

Your affiant discovered a report made to the Jefferson County Sheriff's Office on March 18, 1998, 98-5504, by Randy Brown. Randy Brown stated that Eric Harris was making death threats towards his son, Brooks Brown. Randy Brown provided ten pages of material copied from Eric Harris' web page to Deputy Mark Miller. One of the printouts reads, "Wie gehts. Well all you people out there can just kiss my ass and die. Randy Brown told Deputy Miller that Eric Harris is also known as "Reb." Randy Brown state that Harris also has an acquaintance by the name of Dylan Klebold, who is also known as "Vodka."

Investigator Ralph Gallegos interviewed Christopher Morris, who stated that he used to be part of TCM, Trench Coat Mafia. been picked on by "Jocks" at Columbine High School. Following this incident, while at Dylan Klebold's house, Harris told Christopher Morris, "Wouldn't it be nice to kill jocks." Christopher Morris said while this conversation was taking place, they were reading books about Nazi's and discussed cutting the power to the school and placing PVC bombs with screws inside at the doors of the school.

Detective Nick Rogers of Denver Police Department responded to [REDACTED] South Reed Street, County of Jefferson, State of Colorado, with the Denver and Sheridan Police Departments SWAT Teams at about 2:00 p.m.. Upon arrival they discovered Eric Harris' parents and sister inside the house. Wayne and Catherine Harris gave permission to search the house for additional occupants. Detective Rogers observed in Eric Harris' downstairs bedroom a plastic bag containing shotgun shells and military style binoculars. No other occupants were found in the house. As the SWAT Teams were exiting the residence, they smelled a strong odor of gas in the garage. With Wayne and Catherine Harris' permission, they searched the garage and saw nothing unusual, but discovered a storage unit which was shut.

Arapahoe County Sheriff's Detective Faith Stevens interviewed Columbine High School teacher Peggy Dodd. Dodd stated that she was in the library of Columbine High School when a student, Brian Anderson, entered the library and fell against the counter. Peggy Dodd stated that Brian Anderson had blood on his face and chest. Brian Anderson stated, "Eric Harris shot me." Peggy Dodd stated she looked outside and saw Dylan Klebold standing on a grassy knoll above the parking lot. Peggy Dodd stated that Klebold was carrying a long rifle type gun, shooting into the parking lot in a sweeping motion.

Based upon the aforementioned information, your affiant respectfully requests that the court issue a search warrant for the home residence of Eric Harris, located at [REDACTED] South Reed Street, County of Jefferson, State of Colorado, described as:

He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killing people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

Investigator Mike Heylin of the Jefferson County District Attorney's Office stated that he had been contacted by Randy and Judy Brown, parents of Brooks Brown, in early 1998. The Brown's told Investigator Heylin that Eric Harris, who attends Columbine High School with Brooks Brown, had been harassing and threatening Brooks Brown. Randy and Judy Brown told Investigator Heylin that Eric Harris belonged to a "black trench coat gang" and had a web site reference murder and killing. They provided Investigator Heylin with possible web site addresses of [HTTP://members.aol.com/rebdomine/index.html](http://members.aol.com/rebdomine/index.html) or <http://members.aol.com/rebdoomer/index.html>.

Your affiant discovered a report made to the Jefferson County Sheriff's Office on March 18, 1998, 98-5504, by Randy Brown. Randy Brown stated that Eric Harris was making death threats towards his son, Brooks Brown. Randy Brown provided ten pages of material copied from Eric Harris' web page to Deputy Mark Miller. One of the printouts reads, "Wie gehts. Well all you people out there can just kiss my ass and die. From now on, i dont give a fuck what almost any of you mutha fuckas have to say unless i respect you which is highly unlikely. but for those of you who happen to know me and know that i respect you may peace be with you and dont be in my line of fire. for the rest of you, you all better fucking hide in your houses because im comin fo EVERYONE soon, and i WILL be armed to the fuckin teeth and I WILL shoot to kill and i WILL fucking KILL EVERYTHING No I am not crazy, crazy is just a word, to me it has no meaning, everyone is different, but most of you fuckheads out there i socieity, going to your everyday fucking jobs and doing your everyday routine shitty things, i say fuck you and die. if you ge a problem with my thoughts, come tell me and ill kill you, because.....god damnnit, DEAD PEOPLE DONT ARGUE!" Another page has an entry which states, "I will rig up explosives all over a town and detonate each one of them at will after i mow dow a whole fucking area full of you snotty ass rich mother fucking high strung godlike attitude having worthless pieces of sh whores. i dont care if I live or die in the shootout, all I want to do is kill and injure as many of you pricks as I can, especially few people Like brooks brown." Randy Brown told Deputy Miller that Eric Harris is also known as "Reb." Randy Brown state that Harris also has an acquaintance by the name of Dylan Klebold, who is also known as "Vodka."

Investigator Ralph Gallegos interviewed Christopher Morris, who stated that he used to be part of TCM, Trench Coat Mafi. Morris told Investigator Gallegos he believed the people inside Columbine High School doing the shooting were Dylan Klebold, Eric Harris, and [REDACTED]. Christopher Morris stated that Eric Harris also goes by "Reb." Two weeks ago Eric Harris b:

been picked on by "Jocks" at Columbine High School. Following this incident, while at Dylan Klebold's house, Harris told Christopher Morris, "Wouldn't it be nice to kill jocks." Christopher Morris said while this conversation was taking place, they were reading books about Nazi's and discussed cutting the power to the school and placing PVC bombs with screws inside at the doors of the school.

Detective Nick Rogers of Denver Police Department responded to [REDACTED] South Reed Street, County of Jefferson, State of Colorado, with the Denver and Sheridan Police Departments SWAT Teams at about 2:00 p.m.. Upon arrival they discovered Eric Harris' parents and sister inside the house. Wayne and Catherine Harris gave permission to search the house for additional occupants. Detective Rogers observed in Eric Harris' downstairs bedroom a plastic bag containing shotgun shells and military style binoculars. No other occupants were found in the house. As the SWAT Teams were exiting the residence, they smelled a strong odor of gas in the garage. With Wayne and Catherine Harris' permission, they searched the garage and saw nothing unusual, but discovered a storage unit which was shut.

Arapahoe County Sheriff's Detective Faith Stevens interviewed Columbine High School teacher Peggy Dodd. Dodd stated that she was in the library of Columbine High School when a student, Brian Anderson, entered the library and fell against the counter. Peggy Dodd stated that Brian Anderson had blood on his face and chest. Brian Anderson stated, "Eric Harris shot me." Peggy Dodd stated she looked outside and saw Dylan Klebold standing on a grassy knoll above the parking lot. Peggy Dodd stated that Klebold was carrying a long rifle type gun, shooting into the parking lot in a sweeping motion.

Based upon the aforementioned information, your affiant respectfully requests that the court issue a search warrant for the home residence of Eric Harris, located at [REDACTED] South Reed Street, County of Jefferson, State of Colorado, described as:

A two story single family residence, blue siding with a brick front, and attached garage.

**INVESTIGATION:**

On 04-20-99, at about 1145 hours, I received a page from Investigator Doug Moore. I returned the call and was told by him that there had been a shooting at Columbine High School and that I was needed back in the Sheriff's office. Upon arrival, I was told that the situation was ongoing and that there were a number of investigators either on scene or headed to that scene and that I needed to remain within the Investigation Division. I was later instructed by Captain Dan Harris to prepare search warrants for the residences of both Eric Harris at [REDACTED] South Reed Street, and for Dylan Klebold, at [REDACTED] Cougar Road. I prepared both warrants from information obtained from Investigator Kate Battan, which were then read and revised by Assistant District Attorneys Judy Archuleta and Laura Dunbar.

- At about 1740 hours, I presented those warrants to Judge Nieto, who approved and sealed them. See attached. Upon approval of those warrants, I returned to the Investigation Division where I was told by Sgt. John Hicks to report to the command post of the scene at Columbine High School, along with Investigator Craig Schoshke and to provide those warrants to Sgt. Pat Woodin.

Upon arrival at the command post, I gave both warrants to Sgt. Pat Woodin. She and Investigator Kate Battan told me that they had arranged for me to go to the residence at [REDACTED] South Reed Street, to assist with the warrant at that residence. Investigator Battan told me that the residence had been swept by one of the bomb squads and that the house was clear of any explosive devices, but that some had been removed from the residence. They also stated that Investigator Schoshke should come with me. We then met with Sgt. Dan McCasky of Lakewood Police Department, who stated that the Littleton Police Department lab would accompany us to that location and that they had the items necessary for the search and the collection of evidence.

At about 1910 hours, the personnel who were to be involved in the search at the Harris residence arrived at that residence. Upon arrival, I noted that Deputy Dale Scott had the scene secured and that no other law enforcement personnel were on scene at the time. Deputy Scott kept a log of the times personnel entered and exited the scene. See his report.

At about 1920 hours, personnel to be involved with the search of the residence entered the garage where a double overhea

garage was propped open with a 2 x 4, prior to our arrival. These personnel included Littleton Police Department Lab Technicians Bruce Adams and Jessica Barrett, Lakewood Police Department personnel, Sgt. Dan McCasky, Investigators Alex Jameson, San Connally, Greg Slater, Dave Mowery, Mitch Harper, and Mike Greenwell, as well as Jefferson County Sheriff's Department Investigators Craig Schoshke and myself. After a short briefing reference the content of the warrant and the situation, Littleton Lab personnel entered the residence, accompanied by Investigator Craig Schoshke, to take still photos of the residence prior to us searching the residence. While they were doing so, Investigator Jameson of the Lakewood Police Department stated that he had spoken with a neighbor who stated they had heard both Eric Harris and Dylan Klebold discussing breaking glass and the use of an aluminum bat and had then heard glass breaking. Detective Jameson stated that the neighbor told him this had occurred on 04-19-99. Lakewood Investigators then looked on the east side of the Harris' residence and discovered some broken glass. When the Littleton lab personnel were finished with their photography, the rest of the search personnel entered the scene. Numerous items were collected. See attached evidence sheets. During the course of the search, Jefferson County Sheriff's Investigator Don Estep accompanied by FBI Special Agent Mark Holtslaw and Attorney General Special Investigator Gary Clyman, all assigned to the FBI domestic terrorism task force, arrived at the scene. Investigator Estep asked me specifically about any playing cards which had been discovered. I then showed Investigator Estep the playing cards which had been discovered in Eric Harris' room. Investigators Estep and Clyman and Special Agent Holtslaw then left the scene and returned later to assist with the remainder of the search. Lakewood Police Investigators provided me a list of the numbers on the caller ID unit in the family room of the Harris' residence.

At about 0045 hours, on 04-21-99, all search personnel exited the scene and the residence was secured by myself and Investigator Schoshke. At that time, Deputy Scott took down the crime scene tape and also left the residence. All evidence items recovered from the search of the residence were secured in the department car driven by Investigator Schoshke and myself. Investigator Schoshke and I then took those items and secured them in the evidence vault at the Jefferson County Sheriff's Office. The items listed as evidence item #271, were taken and secured by Littleton Police Lab personnel.

**DISPOSITION:** Open, pending further investigation.

JUDGE

JUDGE

COURT, JEFFERSON COUNTY, COLORADO

being duly sworn upon oath says:

Investigator Cheryl Zimmerman,

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:15 a.m., Jefferson County Sheriff's Office Dispatch received a call stating that there was a bomb in the area of Ken Caryl and Chatfield, County of Jefferson, State of Colorado. At the same time Dispatch received another call reporting that there was a girl "down" in the parking lot at Columbine High School. Deputy Paul Magor was dispatched at 11:16 a.m. to the bomb, and Deputies Scott Taborsky and Eric Miller were dispatched to Columbine High School, 6201 South Pierce Street, County of Jefferson, State of Colorado. Upon their arrival, Deputies Taborsky and Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Jefferson County Sheriff's Investigator Gary Muse interviewed Brooks Brown, a student of Columbine High School, who stated that prior to the shooting beginning he was in the corridor of Columbine High School and recognized Eric Harris wearing a black duster, black jeans, carrying a duffel bag which had an odd shape to it. Eric Harris told Brooks Brown, "I like you, get out of here." Brooks Brown believed something bad was going to happen, so he exited the school and went to the parking lot. Brown recognized Dylan Klebold's car, an older black 4-door Mercedes Benz, with a "NIN" sticker on the back, parked next to his own car. Brooks Brown recognized Eric Harris' car, a black Honda Civic 4-door, with a "Ramstein" sticker on the back window, parked on the other side of his own car. Brooks Brown stated that Harris and Klebold are best friends and believed them to be together.

Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Alaj Andra Marsh, a student of Columbine High School. Alaj Marsh stated that she had been in class in Columbine High School, when she heard shooting. Alaj Marsh went to the corridor where she saw Dylan Klebold and a male known to her as "Reb." Alaj Marsh stated that both "Reb" and Dylan Klebold were wearing black pants and full length black dusters. Alaj Marsh saw that Dylan Klebold was carrying a rifle type weapon at waist height and was firing down the hall.

Littleton Police Detective Russell Hoffman interviewed Tyler Jackman, a student at Columbine High School. Jackman stated that he was in the parking lot of Columbine High School with a friend, Wade Alan Frank, at lunch time, about 11:30 a.m. Tyler Jackman saw Dylan Klebold at the top of the stairs at the entrance to Columbine High School, wearing a full length black coat. Dylan Klebold walked down the stairs where an unknown male was lying face down at the bottom of the stairs. Tyler Jackman saw Dylan Klebold shoot into the back of the unknown male with a sawed off shotgun. Dylan Klebold then began walking toward a grassy area, at which point he took a white pipe bomb, lit it, and threw it into the senior parking lot, where it exploded. Dylan Klebold then walked back up the stairs where he met another male and the two walked inside the school. Tyler Jackman stated he could not identify the second male, as he only saw him briefly.

Investigator Kate Battan interviewed Wade Alan Frank, a student of Columbine High School, who stated that about 11:30 a.m.

Investigator Cheryl Zimmerman,

lunch time, he was in the parking lot of Columbine High School with Tyler Jackman, when he heard gunshots inside the school. Wade Frank saw a male wearing a long black trench coat at the top of the stairs at the entrance to Columbine High School. Wade Frank mentioned to Jackman that he thought it was [REDACTED]. Jackman told Frank it was Dylan Klebold. The male in the trench coat was also wearing a black hat, possibly a baseball hat backwards or a ski mask. Wade Frank saw the male walk down the stairs, approach a male lying face down at the bottom of the stairs, and shoot a sawed off shotgun into his back. Wade Frank saw the male throw a white PVC pipe bomb, which exploded. Wade Frank saw the male walk to the top of the stairs, where there was a second male dressed the same.

Investigator Art Peterson interviewed Columbine High School student John Savage. Savage stated that during the shooting he was hiding under a table in the library. He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killing people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

Investigator Mike Heylin of the Jefferson County District Attorney's Office stated that he had been contacted by Randy and Judy Brown, parents of Brooks Brown, in early 1998. The Browns told Investigator Heylin that Eric Harris, who attends Columbine High School with Brooks Brown, had been harassing and threatening Brooks Brown. Randy and Judy Brown told Investigator Heylin that Eric Harris belonged to a "black trench coat gang" and had a web site reference murder and killing. They provided Investigator Heylin with possible web site addresses of [HTTP://members.aol.com/rebdomine/index.html](http://members.aol.com/rebdomine/index.html) or <http://members.aol.com/rebdoomer/index.html>.

Our affiant discovered a report made to the Jefferson County Sheriff's Office on March 18, 1998, 98-5504, by Randy Brown. Randy Brown stated that Eric Harris was making death threats towards his son, Brooks Brown. Randy Brown provided ten pages of material copied from Eric Harris' web page to Deputy Mark Miller. One of the printouts reads, "Wie gehts. Well all you people out there can just kiss my ass and die. From now on, I dont give a fuck what almost any of you mutha fuckas have to say, unless I respect you which is highly unlikely. but for those of you who happen to know me and know that I respect you may peace be with you and dont be in my line of fire. for the rest of you, you all better fucking hide in your houses because im comin for EVERYONE soon, and I WILL be armed to the fuckin teeth and I WILL shoot to kill and I WILL fucking KILL EVERYTHING! No I am not crazy, crazy is just a word, to me it has no meaning, everyone is different, but most of you fuckheads out there in socieity, going to your everyday fucking jobs and doing your everyday routine shitty things, I say fuck you and die. if you got a problem with my thoughts, come tell me and ill kill you, because.....god damnnit, DEAD PEOPLE DONT ARGUE!" Another page has an entry which states, "I will rig up explosives all over a town and detonate each one of them a will after I mow down a whole fucking area full of you snotty ass rich mother fucking high strung godlike attitude having worthless pieces of shit whores. I dont care if I live or die in the shootout, all I want to do is kill and injure as many of you prick as I can, especially a few people Like brooks brown." Randy Brown told Deputy Miller that Eric Harris is also known as "Reb." Randy Brown stated that Harris also has an acquaintance by the name of Dylan Klebold, who is also known as "Vodka."

Investigator Ralph Gallegos interviewed Christopher Morris, who stated that he used to be part of TCM, Trench Coat Mafia. Morris told Investigator Gallegos he believed the people inside Columbine High School doing the shooting were Dylan Klebold, Eric Harris, and [REDACTED]. Christopher Morris stated that Eric Harris also goes by "Reb." Two weeks ago Eric Harris ha

been picked on by "Jocks" at Columbine High School. Following this incident, while at Dylan Klebold's house, Harris told Christopher Morris, "Wouldn't it be nice to kill jocks." Christopher Morris said while this conversation was taking place, they were reading books about Nazi's and discussed cutting the power to the school and placing PVC bombs with screws inside at the doors of the school.

Detective Nick Rogers of Denver Police Department responded to [REDACTED] South Reed Street, County of Jefferson, State of Colorado, with the Denver and Sheridan Police Departments SWAT Teams at about 2:00 p.m.. Upon arrival they discovered Eric Harris' parents and sister inside the house. Wayne and Catherine Harris gave permission to search the house for additional occupants. Detective Rogers observed in Eric Harris' downstairs bedroom a plastic bag containing shotgun shells and military style binoculars. No other occupants were found in the house. As the SWAT Teams were exiting the residence, they smelled a strong odor of gas in the garage. With Wayne and Catherine Harris' permission, they searched the garage and saw nothing unusual, but discovered a storage unit which was shut.

Arapahoe County Sheriff's Detective Faith Stevens interviewed Columbine High School teacher Peggy Dodd. Dodd stated that she was in the library of Columbine High School when a student, Brian Anderson, entered the library and fell against the counter. Peggy Dodd stated that Brian Anderson had blood on his face and chest. Brian Anderson stated, "Eric Harris shot me." Peggy Dodd stated she looked outside and saw Dylan Klebold standing on a grassy knoll above the parking lot. Peggy Dodd stated that Klebold was carrying a long rifle type gun, shooting into the parking lot in a sweeping motion.

On April 20, 1999, Investigator Cheryl Zimmerman of the Jefferson County Sheriff's Office executed a search warrant at 8276 South Reed Street. A video camera was recovered from the family room of the residence and entered into evidence as item 200.

On April 24, 1999, Investigator Cheryl Zimmerman removed an 8mm tape from item 200, the video camera. Investigator Zimmerman viewed that tape and found it to be both Eric Harris and Dylan Klebold video recording their planning for the incident which occurred on April 20, 1999, at Columbine High School. During the tape, Dylan Klebold is filming Eric Harris' bedroom at 8276 South Reed Street. This room is known to Investigator Zimmerman from the search warrant. The room is a lower level room with a large window well outside the west window. Klebold films the west window in Harris' room and refers to it as a "bunker." Klebold states, "That's where its buried." This comment is made moments after video taping both pipe bombs, a black rifle which Harris refers to as a carbine, and a shotgun, which Harris refers to as "Arlene."

Based upon the aforementioned information, your affiant respectfully requests that the court issue a search warrant for the home residence of Eric Harris, located at [REDACTED] South Reed Street, County of Jefferson, State of Colorado, described as:

A two story single family residence, blue siding with a brick front, and attached garage.

For the purpose of searching for the following:

Firearms/weapons; ammunition; magazines; clips;  
explosives; wires and explosive making materials;

### INVESTIGATION:

On 04-24-99, while viewing evidence item #200, an 8mm video, later re-packaged as item #333, I noted that Eric Harris referred to clips for one of his guns being purchased at Green Mountain Guns. I contacted Sergeant Ken Ester at the Command Post for this incident, and provided him this information to be followed up on.

In that video, Harris and Dylan Klebold also refer to a "bunker" outside of Harris' room, as well as a receipt from Green Mountain Guns being hidden in his room. As a result, I prepared a new search warrant for Harris' house at [REDACTED] South Reed Street. I contacted Judge Henry Nieto by telephone and faxed him this warrant, which he signed and sealed, and faxed it back to me. See attached. I provided Detective Rick Reker with the search warrant and the information, and requested that he carry out this search warrant. (See his report for additional details.)

then viewed evidence item #265, another 8mm videotape. Harris and Klebold began discussing possible secondary objectives to place bombs. Klebold then discusses a trail by Wadsworth, "by your old house." According to the in-house computer, Harris previously lived at 7844 South Teller Court. In the videotape, they discuss they should "rig something up with a trip bomb between two trees, so when someone goes down the path, it will go off." After hearing this information, I then contacted Detective Reker and asked him to also check that area. (See his report for details.)

Also mentioned is "The Blackjack Crew," and specifically Jason, Chris, Angel, Phil, and Bob. Klebold also mentions Brandon Larson in a threatening manner. They both discuss Klebold's double barrel shotgun and a Mr. Stevens in reference to the gun and that Mr. Stevens knew that Klebold was the one who was in fact buying the gun. Also mentioned in the video are "Morris and "Nate." In the video, evidence item #265, Harris and Klebold mention "Thanks to Mark John Doe and Phil John Doe," i reference to purchasing the guns. Again, they mentioned Green Mountain Guns, and again mentioned Mr. Stevens. Klebold and Harris discuss "Chris Pizza's house," and discuss in the same context that the "napalm better not freeze at that certain person's house." They also discuss someone by the name "Yoshi," again in a threatening manner. All of this information was provided to Sergeant Ken Ester at the Command Post.

## FEDERAL BUREAU OF INVESTIGATION

04/24/99

Date of transcription

[redacted] was contacted at his residence, [redacted] S. Quail Way, Littleton, Colorado, on April 23, 1999, at approximately 8:10 PM. He was advised of the personal and professional identities of the writer and Investigator Thomas Wilson of the Aurora Police Department. The investigators had met with [redacted] and his son [redacted] earlier at the Juvenile Assessment Center in Golden, Colorado. That interview was prompted by statements [redacted] had allegedly made at his school, Dakota Ridge High School. The results of that interview are covered in a separate FD-302, this case number.

At the request of Sergeant Kenneth Ester of the Jefferson County Sheriff's Department, the writer and Investigator Wilson responded to the residence in order to request permission to search the residence for any potential explosive devices or weapons.

[redacted] advised that he had just found out that [redacted] had been picked up by Jefferson County Sheriff's Deputies and was apparently transported to Littleton Porter Hospital for a mental health evaluation.

[redacted] and his wife, [redacted], were advised of the purpose of the investigator's visit, and the desire to make sure that [redacted] was not currently in possession of any explosive devices or weapons. The [redacted] offered to allow investigators to conduct a search of areas used by [redacted]. Both signed a consent to search form, and then led investigators to several areas within the residence. Investigators searched an upstairs room with a computer, an adjoining bedroom, the garage, and basement workshop of the residence. No contraband was observed. Investigators did note the sparseness of [redacted] personal possessions and very neat condition of the rooms. The [redacted] advised that they kept on [redacted] to keep the rooms neat, and said that he spent a lot of time at friend's homes.

The consent to search form was retained by Investigator Thomas Wilson of the Aurora Police Department.

04/23/99

Date of transcription

[REDACTED], Date of Birth: [REDACTED], was contacted by the interviewing agents on April 23, 1999, at the Juvenile Assessment Center, 1200 Johnson Rd., Golden, Colorado. He was advised of the personal and professional identities of the writer and Investigator Thomas Wilson of the Aurora Police Department.

[REDACTED] was being detained at the request of the staff at Dakota Ridge High School for interfering with educators, and was being interviewed by Juvenile Assessment Specialist Dave Bell upon the arrival of the investigators. During this time, the writer and Investigator Wilson spoke with [REDACTED] father, [REDACTED] who had responded to pick up his son at the center.

Investigators advised the senior [REDACTED] of the desire to speak with [REDACTED] regarding statements attributed to him, which evidently led to his detention at the school. Mr. [REDACTED] advised that he had no objections to his son being interviewed. Mr. [REDACTED] advised that he did not have any knowledge of [REDACTED] bringing a pipebomb to school, but stated that [REDACTED] had extensive knowledge about bombs and electronics. Mr. [REDACTED] stated that [REDACTED] got his information from the Internet. He stated that [REDACTED] would never hurt anybody, and refused to hunt because he did not want to hurt animals.

[REDACTED] was released from the Juvenile Assessment Center by Dave Bell at approximately 1:50 PM. [REDACTED] agreed to be interviewed by the investigators, and an interview room at the assessment center was made available for that purpose. [REDACTED] was advised that he was not in custody, and was free to leave at any time. [REDACTED] father was present for the interview.

[REDACTED] currently resides at [REDACTED] S. Quail Way, Littleton, Colorado, phone (303) [REDACTED].

[REDACTED] advised investigators that he understood that he had originally been brought to the center based on some statements he had originally made. [REDACTED] stated that apparently two or more students were upset by statements he made at Dakota Ridge High School, where he is a sophomore. [REDACTED] stated that he heard that the statements attributed to him were things like,

"This isn't over yet" (referring to the Columbine High School event) and statements suggesting that [REDACTED] was contemplating doing the same thing at Dakota Ridge. [REDACTED] denied making any such statements. He stated that everyone on campus was talking about the Columbine incident, and he engaged in several conversations with others on the subject. [REDACTED] stated that he believed that someone may have overheard one of these conversations and misconstrued what he said. He acknowledged that he did say something to the effect that this was not over yet, but based this on a conversation with a fellow student and neighbor who's father is a SWAT team member.

The preliminary information provided to investigators prior to the interview suggested that [REDACTED] had been seen with a pipe bomb on campus a week earlier. When asked about this, [REDACTED] stated that he had not brought a pipe bomb to school, and had never been contacted by authorities in reference to having one during that time period. [REDACTED] mentioned that he was involved in working on computer hardware, and often brought various parts to school. He stated that someone may have seen one of these on thought it was some type of explosive device. [REDACTED] stated that he recalled several occasions in the past when someone would jokingly ask him if what he had was a bomb, and believes he probably answered "yes" on at least one occasion.

[REDACTED] advised that he had made pipe bombs in the past, and had downloaded copies of the Anarchist Cookbook from the Internet. [REDACTED] stated that he printed the cookbook up, and made some changes on it on things he felt were incorrect. [REDACTED] stated that other projects he attempted from the cookbook were something called RDX, an explosive substance reported to be ten times as powerful as C-4. [REDACTED] also attempted to make napalm, using gasoline and soap. [REDACTED] stated that he never blew up any object with the devices, and always blew them off in sandy areas away from flammable substances.

[REDACTED] stated that the only pipe bombs he made were made using copper pipe, which would not have "hard frags" when they blew up. He advised that he obtained the powder for the device from fireworks he had obtained, including "artillery cannonballs".

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversation with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:15 a.m., Jefferson County Sheriff's Office Dispatch received a call stating that there was a bomb in the area of Ken Caryl and Chatfield, County of Jefferson, State of Colorado. At the same time Dispatch received another call reporting that there was a girl "down" in the parking lot at Columbine High School. Deputy Paul Magor was dispatched at 11:15 a.m. to the bomb, and Deputies Scott Taborsky and Eric Miller were dispatched to Columbine High School, 6201 South Pierce Street, County of Jefferson, State of Colorado. Upon their arrival, Deputies Taborsky and Miller observed numerous student who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Jefferson County Sheriff's Investigator Gary Muse interviewed Brooks Brown, a student of Columbine High School, who state that prior to the shooting beginning he was in the corridor of Columbine High School and recognized Eric Harris wearing a black duster, black jeans, carrying a duffel bag which had an odd shape to it. Eric Harris told Brooks Brown, "I like you, get out of here." Brooks Brown believed something bad was going to happen, so he exited the school and went to the parking lot. Brown recognized Dylan Klebold's car, an older black 4-door Mercedes Benz, with a "NIN" sticker on the back, parked next to his own car. Brooks Brown recognized Eric Harris' car, a black Honda Civic 4-door, with a "Ramstein" sticker on the back window parked on the other side of his own car. Brooks Brown stated that Harris and Klebold are best friends and believed them to be together.

Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Alaj Andra Marsh, a student of Columbine High School. Alaj Marsh stated that she had been in class in Columbine High School, when she heard shooting. Alaj Marsh went to the corridor where she saw Dylan Klebold and a male known to her as "Reb." Dylan Klebold walked down the stairs where an unknown male was lying face down at the bottom of the stairs. Tyler Jackman saw Dylan Klebold shoot into the back of the unknown male with a sawed off shotgun. Dylan Klebold then began walking toward a grassy area, at which point he took a white pipe bomb, lit it, and threw it into the senior parking lot, where it exploded. Dylan Klebold then walked back up the stairs where he met another male and the two walked inside the school. Tyler Jackman stated he could not identify the second male, as he only saw him briefly.

lunch time, he was in the parking lot of Columbine High School with Tyler Jackman, when he heard gunshots inside the school. Wade Frank saw a male wearing a long black trench coat at the top of the stairs at the entrance to Columbine High School. Wade Frank mentioned to Jackman that he thought it was [REDACTED]. Jackman told Frank it was Dylan Klebold. The male in the trench coat was also wearing a black hat, possibly a baseball hat backwards or a ski mask. Wade Frank saw the male walk down the stairs, approach a male lying face down at the bottom of the stairs, and shoot a sawed off shotgun into his back. Wade Frank saw the male throw a white PVC pipe bomb, which exploded. Wade Frank saw the male walk to the top of the stairs, where there was a second male dressed the same.

Investigator Art Peterson interviewed Columbine High School student John Savage. Savage stated that during the shooting he was hiding under a table in the library. He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killing people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

Investigator Mike Heylin of the Jefferson County District Attorney's Office stated that he had been contacted by Randy and Judy Brown, parents of Brooks Brown, in early 1998. The Browns told Investigator Heylin that Eric Harris, who attends Columbine High School with Brooks Brown, had been harassing and threatening Brooks Brown. Your affiant discovered a report made to the Jefferson County Sheriff's Office on March 18, 1998, 98-5504, by Randy Brown. Randy Brown stated that Eric Harris was making death threats towards his son, Brooks Brown. Randy Brown provided ten pages of material copied from Eric Harris' web page to Deputy Mark Miller. One of the printouts reads, "Wie gehts. Well all you people out there can just kiss my ass and die. From now on, i dont give a fuck what almost any of you mutha fuckas have to say unless i respect you which is highly unlikely. but for those of you who happen to know me and know that i respect you may peace be with you and dont be in my line of fire. for the rest of you, you all better fucking hide in your houses because im comin f EVERYONE soon, and i WILL be armed to the fuckin teeth and i WILL shoot to kill and i WILL fucking KILL EVERYTHING. Randy Brown told Deputy Miller that Eric Harris is also known as "Reb." Randy Brown stated that Harris also has an acquaintance by the name of Dylan Klebold, who is also known as "Vodka."

Investigator Ralph Gallegos interviewed Christopher Morris, who stated that he used to be part of TCM, Trench Coat Mafia. Morris told Investigator Gallegos he believed the people inside Columbine High School doing the shooting were Dylan Klebold, Eric Harris, and [REDACTED]. been picked on by "Jocks" at Columbine High School. Following this incident, while at Dylan Klebold's house, Harris to Christopher Morris, "Wouldn't it be nice to kill jocks." Christopher Morris said while this conversation was taking place, they were reading books about Nazi's and discussed cutting the power to the school and placing PVC bombs with screws inside the doors of the school.

Detective Nick Rogers of Denver Police Department responded to [REDACTED] South Reed Street, County of Jefferson, State of Colorado, with the Denver and Sheridan Police Departments SWAT Teams at about 2:00 p.m.. Upon arrival they discovered Eric Harris' parents and sister inside the house. Wayne and Catherine Harris gave permission to search the house for additional occupants. Detective Rogers observed in Eric Harris' downstairs bedroom a plastic bag containing shotgun shells and military style binoculars. No other occupants were found in the house. As the SWAT Teams were exiting the residence, they smelled a strong odor of gas in the garage. With Wayne and Catherine Harris' permission, they searched the garage and saw nothing unusual, but discovered a storage unit which was shut.

Dodd stated that she was in the library of Columbine High School when a student, Brian Anderson, entered the library and fell against the counter. COURT, JEFFERSON COUNTY, COLORADO

Investigator Cheryl Zimmerman,

being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:15 a.m., Jefferson County Sheriff's Office Dispatch received a call stating that there was a bomb in the area of Ken Caryl and Chatfield, County of Jefferson, State of Colorado. At the same time Dispatch received another call reporting that there was a girl "down" in the parking lot at Columbine High School. Deputy Paul Magor was dispatched at 11:16 a.m. to the bomb, and Deputies Scott Taborsky and Eric Miller were dispatched to Columbine High School, 6201 South Pierce Street, County of Jefferson, State of Colorado. Upon their arrival, Deputies Taborsky and Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Jefferson County Sheriff's Investigator Gary Muse interviewed Brooks Brown, a student of Columbine High School, who stated that prior to the shooting beginning he was in the corridor of Columbine High School and recognized Eric Harris wearing a black duster, black jeans, carrying a duffel bag which had an odd shape to it. Eric Harris told Brooks Brown, "I like you, get out of here." Brooks Brown believed something bad was going to happen, so he exited the school and went to the parking lot. Brown recognized Dylan Klebold's car, an older black 4-door Mercedes Benz, with a "NIN" sticker on the back, parked next to his own car. Brooks Brown recognized Eric Harris' car, a black Honda Civic 4-door, with a "Ramstein" sticker on the back window, parked on the other side of his own car. Brooks Brown stated that Harris and Klebold are best friends and believed them to be together.

Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Alaj Andra Marsh, a student of Columbine High School. Alaj Marsh stated that she had been in class in Columbine High School, when she heard shooting. Alaj Marsh went to the corridor where she saw Dylan Klebold and a male known to her as "Reb." Alaj Marsh stated that both "Reb" and Dylan Klebold were wearing black pants and full length black dusters. Alaj Marsh saw that Dylan Klebold was carrying a rifle type weapon at waist height and was firing down the hall.

Littleton Police Detective Russell Hoffman interviewed Tyler Jackman, a student at Columbine High School. Jackman stated that he was in the parking lot of Columbine High School with a friend, Wade Alan Frank, at lunch time, about 11:30 a.m.. Tyler Jackman saw Dylan Klebold at the top of the stairs at the entrance to Columbine High School, wearing a full length black coat. Dylan Klebold walked down the stairs where an unknown male was lying face down at the bottom of the stairs. Tyler Jackman saw Dylan Klebold shoot into the back of the unknown male with a sawed off shotgun. Dylan Klebold then began walking toward a grassy area, at which point he took a white pipe bomb, lit it, and threw it into the senior parking lot, where it exploded. Dylan Klebold then walked back up the stairs where he met another male and the two walked inside the school. Tyler Jackman stated he could not identify the second male, as he only saw him briefly.

Investigator Kate Battan interviewed Wade Alan Frank, a student of Columbine High School, who stated that about 11:30 a.m.

lunch time, he was in the parking lot of Columbine High School with Tyler Jackman, when he heard gunshots inside the school. Wade Frank saw a male wearing a long black trench coat at the top of the stairs at the entrance to Columbine High School. Wade Frank mentioned to Jackman that he thought it was [REDACTED]. Jackman told Frank it was Dylan Klebold. The male in the trench coat was also wearing a black hat, possibly a baseball hat backwards or a ski mask. Wade Frank saw the male walk down the stairs, approach a male lying face down at the bottom of the stairs, and shoot a sawed off shotgun into his back. Wade Frank saw the male throw a white PVC pipe bomb, which exploded. Wade Frank saw the male walk to the top of the stairs, where there was a second male dressed the same.

Investigator Art Peterson interviewed Columbine High School student John Savage. Savage stated that during the shooting he was hiding under a table in the library. He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killing people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

Investigator Mike Heylin of the Jefferson County District Attorney's Office stated that he had been contacted by Randy and Judy Brown, parents of Brooks Brown, in early 1998. The Brown's told Investigator Heylin that Eric Harris, who attends Columbine High School with Brooks Brown, had been harassing and threatening Brooks Brown. Randy and Judy Brown told Investigator Heylin that Eric Harris belonged to a "black trench coat gang" and had a web site reference murder and killing. They provided Investigator Heylin with possible web site addresses of [HTTP://members.aol.com/rebdomine/index.html](http://members.aol.com/rebdomine/index.html) or <http://members.aol.com/rebdoomer/index.html>.

Your affiant discovered a report made to the Jefferson County Sheriff's Office on March 18, 1998, 98-5504, by Randy Brown. Randy Brown stated that Eric Harris was making death threats towards his son, Brooks Brown. Randy Brown provided ten pages of material copied from Eric Harris' web page to Deputy Mark Miller. One of the printouts reads, "Wie gehts. Well all you people out there can just kiss my ass and die. From now on, i dont give a fuck what almost any of you mutha fuckas have to say unless i respect you which is highly unlikely. but for those of you who happen to know me and know that i respect you may peace be with you and dont be in my line of fire. for the rest of you, you all better fucking hide in your houses because im comin for EVERYONE soon, and i WILL be armed to the fuckin teeth and I WILL shoot to kill and i WILL fucking KILL EVERYTHING. Another page has an entry which states, "I will rig up explosives all over a town and detonate each one of them at will after I mow down a whole fucking area full of you snotty ass rich mother fucking high strung godlike attitude having worthless pieces of shi whores. i dont care if i live or die in the shootout, all I want to do is kill and injure as many of you pricks as I can, especially a few people Like brooks brown." Randy Brown told Deputy Miller that Eric Harris is also known as "Reb." Randy Brown stated that Harris also has an acquaintance by the name of Dylan Klebold, who is also known as "Vodka."

Investigator Ralph Gallegos interviewed Christopher Morris, who stated that he used to be part of TCM, Trench Coat Mafia. Morris told Investigator Gallegos he believed the people inside Columbine High School doing the shooting were Dylan Klebold, Eric Harris, and [REDACTED]. Christopher Morris stated that Eric Harris also goes by "Reb." Two weeks ago Eric Harris had

been picked on by "Jocks" at Columbine High School. Following this incident, while at Dylan Klebold's house, Harris told Christopher Morris, "Wouldn't it be nice to kill jocks." Christopher Morris said while this conversation was taking place, they were reading books about Nazi's and discussed cutting the power to the school and placing PVC bombs with screws inside at the doors of the school.

Detective Nick Rogers of Denver Police Department responded to [REDACTED] South Reed Street, County of Jefferson, State of Colorado, with the Denver and Sheridan Police Departments SWAT Teams at about 2:00 p.m.. Upon arrival they discovered Eric Harris' parents and sister inside the house. Wayne and Catherine Harris gave permission to search the house for additional occupants. Detective Rogers observed in Eric Harris' downstairs bedroom a plastic bag containing shotgun shells and military style binoculars. No other occupants were found in the house. As the SWAT Teams were exiting the residence, they smelled a strong odor of gas in the garage. With Wayne and Catherine Harris' permission, they searched the garage and saw nothing unusual, but discovered a storage unit which was shut.

Arapahoe County Sheriff's Detective Faith Stevens interviewed Columbine High School teacher Peggy Dodd. Dodd stated that she was in the library of Columbine High School when a student, Brian Anderson, entered the library and fell against the counter. Peggy Dodd stated that Brian Anderson had blood on his face and chest. Brian Anderson stated, "Eric Harris shot me." Peggy Dodd stated she looked outside and saw Dylan Klebold standing on a grassy knoll above the parking lot. Peggy Dodd stated that Klebold was carrying a long rifle type gun, shooting into the parking lot in a sweeping motion.

Based upon the aforementioned information, your affiant respectfully requests that the court issue a search warrant for the home residence of Dylan Klebold and any out buildings, to include a pool house and guest house, located at [REDACTED] Cougar Road, County of Jefferson, State of Colorado, described as:

A two story single family dwelling, wood frame and wood siding, gray in color, with both an attached double and a single car garage. There is a glass solarium on the south side of the house. Also on the south side of the home is a guest home, also gray in color, with wood siding, and no separate address. On the north side of the home there is a pool house. The numbers [REDACTED] are clearly affixed to the gate at the bottom of the driveway.

## COURT, JEFFERSON COUNTY, COLORADO

INVESTIGATOR KATE BATTAN,

being duly sworn upon oath says:

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:20 a.m., Jefferson County Sheriff's Dispatch received a 9-1-1 call reporting that there was a shooting in the parking lot at Columbine High School located at 6201 South Pierce Street, County of Jefferson, State of Colorado.

Upon arrival, Jefferson County Sheriff's Deputies Scott Taborsky and Eric Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Your affiant subsequently learned that 15 individuals were killed within Columbine High School during the incident as the result of gunshot wounds. Your affiant further learned that two of the decedents, Dylan Bennet Klebold, dob/09-11-81, and Eric David Harris, dob/04-09-81, were the suspects who had shot the 13 decedents, and had injured approximately 25 other students.

On April 21, 1999, crime scene personnel, led by Technician Chris Andrist, provided the serial numbers and model numbers of the four guns used by Klebold and Harris in the shooting at Columbine High School. Those weapons included two shotguns, a high point 9mm carbine rifle, and an Intratec model TEC-DC9, 9mm handgun, serial #D076305.

The Bureau of Alcohol, Tobacco, and Firearms (ATF) Special Agent Marcus Motte subsequently traced the TEC 9mm handgun to various owners beginning on September 5, 1997. Special Agent Motte discovered that the gun had been registered to a business, "Just Guns," owned by Royce Spain. The TEC-9 was then purchased or transferred to the personal property of Royce Spain on June 2, 1998. Special Agent Motte interviewed Royce Spain who said he transferred several guns, to include the TEC-9, to a long time friend of his identified as Larry Russell. Special Agent Motte subsequently interviewed Russell, who confirmed that he obtained 30 to 40 firearms from Royce Spain, and sold them at the Tanner Gun Show located at I-25 and 58th Avenue in Denver, Colorado.

Russell said he obtained a Federal Firearms License in October of 1998, and did not show any record of selling the 9mm TEC-9 handgun, and therefore, believes that it would have been sold prior to October of 1998, when he was not required to keep such records. Russell further told Special Agent Motte that he does not know the identify of the individual who purchased the TEC-9.

On April 25, 1999, Special Agent Motte interviewed Phillip Duran, dob/11-28-76, who reported that his friend, Mark Manes, had sold a 9mm TEC-9 handgun to Dylan Klebold and Eric Harris, who he had worked with at Blackjack Pizza. Duran told Special Agent Motte that Harris and Klebold had approached him about buying a gun, and Duran gave them Mark Manes' telephone number. Duran also reported that after Manes sold the gun to Harris and Klebold, he received \$125.00 from Harris and Klebold, which he gave to Mark Manes as the balance due for the purchase of the TEC-9.

## COURT, JEFFERSON COUNTY, COLORADO

INVESTIGATOR KATE BATTAN,

being duly sworn upon oath says:

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

On April 30, 1999, at about 10:20 a.m., ATF Special Agents Marcus Motte and Larry Krisl interviewed Mark Edward Manes, dob/03-25-77, at the Bureau of Alcohol, Tobacco, and Firearms located at 1961 South Stout Street, Suite #630, Denver, Colorado 80202. Also present was Manes' attorney, Robert Ransome, as well as Jefferson County Assistant District Attorney Brian Boatright, and your affiant. Manes told your affiant that he had purchased the Intratec model TEC-DC9 9mm pistol, serial #D076305, from the Tanner Gun Show located at I-25 and 58th Avenue in Denver, Colorado, on August 2, 1998. Manes told your affiant sometime after he purchased the TEC-9, his friend, Phillip Duran, told him that he worked with "two guys" at Blackjack Pizza who wanted to buy a TEC-9. Manes stated that on January 23, 1999, he went to the Tanner Gun Show located at I-25 and 58th Avenue, with Duran, and at this gun show he purchased a Ruger .45 caliber pistol. Manes then provided a copy of that receipt to show the date was in fact January 23, 1999. Manes said that during this gun show, he met Eric Harris and Dylan Klebold, and Duran told him that Eric Harris was the person who wanted to buy his TEC-9. Manes said he had a short conversation with Harris and told him he would sell his TEC-9 to him for \$500.00. Manes said he told Duran to give Harris his cell phone number if he was interested in purchasing the gun. Manes stated that on the evening of January 23, 1999, he received a telephone call from Klebold, who obtained directions to Manes' residence at 6002 West Alder Avenue, County of Jefferson, State of Colorado, and a short time later, arrived at the residence. Manes said he showed Klebold the TEC-9 9mm pistol, and Klebold gave him \$300.00 as a down payment for the purchase for the pistol. Manes then gave the pistol to Klebold, who left the residence. Manes indicated that approximately two weeks later, he received the balance of \$200.00 from Duran who had received it from Harris and Klebold. Manes stated that he knew Harris and Klebold were not 21; however, thought that they were 18 years old. Manes also stated that he went shooting with Harris on three occasions, and Klebold on two occasions. During all three of those times, Harris and Klebold had the TEC-9, as well as a 9mm rifle which they were shooting. Manes also advised the last time he went shooting with Harris and Klebold was March 6, 1999, at which time they had the TEC-9, the 9mm rifle, and two sawed off shotguns, which Manes described as being "way, way too short." Manes stated that on the Thursday prior April 20, 1999, he received a phone call from Harris asking him to purchase two boxes of 9mm ammunition for him. Manes said he did in fact purchase two boxes of 9mm ammunition at K-Mart on Monday, April 19, 1999. Manes said on Monday night, April 19, 1999, after the purchase, he gave the two boxes of 9mm ammunition to Harris who gave him \$25.00.

Special Agent Motte asked Manes why he bought ammunition for Harris and Klebold, and he advised that he thought you had to be 21 to buy ammunition for handguns. Manes again said he was under the assumption that Klebold and Harris were Seniors, and they were both 18 years old. Manes then said after he sold them the TEC-9, he knew that they were not 18, but felt that he could not go and take the gun back. Manes then corrected himself and said that he was never actually told that Harris and Klebold were under 18, but he "assumed" they were under 18. Manes also made the statement that he "assumed" that Harris and Klebold were 17 years old. Special Agent Motte asked Manes if this was an assumption that he had when he sold Harris and Klebold the TEC-9 pistol, and Manes responded, "Yes."

Manes told Special Agent Motte when he purchased the TEC-9 at the Tanner Gun Show on August 2, 1998, he used his debit card. Manes later provided Special Agent Motte with his US Bank statement, account #103699324796, showing the purchase occurred on August 2, 1998, from Eagle Enterprise for \$491.00. The statement shows a reference number of 24455018214821690012359. Manes could provide no additional information for Eagle Enterprise.

Special Agent Motte spoke with Sandy Dimmitt of US Bank. Dimmitt stated she could provide a copy of the transaction if she

## COURT, JEFFERSON COUNTY, COLORADO

being duly sworn upon oath says:

Investigator Kate Battan,

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:26 a.m., Jefferson County Sheriff's Dispatch received a 9-1-1 call reported that there was a shooting in the parking lot at Columbine High School located at 6201 South Pierce Street, County of Jefferson, State of Colorado.

Upon arrival, Jefferson County Sheriff's Deputies Scott Taborsky and Eric Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Your affiant subsequently learned that 15 individuals were killed within Columbine High School during the incident as the result of gunshot wounds. Your affiant further learned that two of the decedents, Dylan Bennet Klebold, dob/09-11-81, and Eric David Harris, dob/04-09-81, were suspected of shooting 13 decedents, and had injured approximately 25 other students.

Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Alejandra Marsh, a student of Columbine High School. Marsh stated that she had been in class in Columbine High School, when she heard shooting. Marsh went to the corridor where she saw Dylan Klebold and a male known to her as "Reb." Marsh stated that both "Reb" and Dylan Klebold were wearing black pants and full length black dusters. Marsh saw that Dylan Klebold was carrying a rifle type weapon at waist height and was firing down the hall.

Littleton Police Detective Russell Hoffman interviewed Tyler Jackman, a student at Columbine High School. Jackman stated that he was in the parking lot of Columbine High School with a friend, Wade Alan Frank, at lunch time, about 11:30 a.m.. Tyler Jackman saw Dylan Klebold at the top of the stairs at the entrance to Columbine High School, wearing a full length black coat. Dylan Klebold walked down the stairs where an unknown male was lying face down at the bottom of the stairs. Tyler Jackman saw Dylan Klebold shoot into the back of the unknown male with a sawed off shotgun. Dylan Klebold then began walking toward a grassy area, at which point he took a white pipe bomb, lit it, and threw it into the senior parking lot, where it exploded. Dylan Klebold then walked back up the stairs where he met another male and the two walked inside the school. Tyler Jackman stated he could not identify the second male, as he only saw him briefly.

Investigator Art Peterson interviewed Columbine High School student John Savage. Savage stated that during the shooting he was hiding under a table in the library. He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killin people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

## COURT, JEFFERSON COUNTY, COLORADO

being duly sworn upon oath says:

I, Magistrate Kate Battan,

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Arvada Police Department Detective Faith Stevens interviewed Columbine High School teacher Peggy Dodd. Dodd stated that she was in the library of Columbine High School when a student, Brian Anderson, entered the library and fell against the counter. Peggy Dodd stated that Brian Anderson had blood on his face and chest. Brian Anderson stated, "Eric Harris shot me." Peggy Dodd stated she looked outside and saw Dylan Klebold standing on a grassy knoll above the parking lot. Peggy Dodd stated that Klebold was carrying a long rifle type gun, shooting into the parking lot in a sweeping motion.

On April 21, 1999, Alejandra Renee Marsh, dob/07-08-82, was interviewed by Agents Linda Holloway and Jerry Means of Colorado Bureau of Investigation. Marsh stated she was involved with the "Trench Coat Mafia" (TCM) in 1998 and still socializes with several of the students who are still involved with the TCM. Marsh related that members of the "Trench Coat Mafia" had talked about "blowing up the school" in the past, however this was said in a joking manner and was not taken seriously. Marsh was unable or unwilling to specifically identify which members of the TCM had made these comments. Marsh told Agents Holloway and Means that she believed both Klebold and Harris are capable of doing what they did and they (Klebold and Harris) wanted this to be the "bloodiest and goriest" that it could possibly be. Marsh further stated she believes Harris and Klebold wanted to kill as many people as they could however she could not offer a basis for that opinion.

On May 6, 1999 Lakewood Police Department Detective Karla Sarnacki interviewed Alejandra Marsh and clarified Marsh's location when the shooting started at Columbine High School on April 20, 1999. During this interview Marsh indicated she had been in the cafeteria and when she ran out of the school, she left her backpack sitting on a table. She described the backpack as green with a strap on the top attached on one side for a handle. Marsh said there was a black binder, a theater production folder and other books in the backpack.

On May 13, 1999, Jane Brug, a teacher at Columbine High School, was interviewed by Colorado State Patrol Sergeant Tom Conroy. Alejandra Marsh is one of Jane Brug's students. Brug stated about one week prior to the incident on April 20, 1999, Marsh was constantly writing in a spiral notebook during class, which at times was contained in a 3-ring binder. Brug stated Marsh refused to participate in class and only wrote in this notebook. Brug said since the shooting on April 20, 1999, Marsh has discontinued writing in this notebook and now spends class time reading a book. Brug also told Sergeant Conroy that during the first week of May, 1999, she overheard Marsh talking about the shootings at Columbine High School and heard Marsh say "I could have done this".

Subsequent to April 20, 1999, Jefferson County Sheriff's Office Crime Lab Technician Chris Andrist supervised the collection of all the backpacks left at the school by students who fled during the shooting. All backpacks were checked for incendiary devices and all backpacks were checked to identify who the backpack belongs to. Your affiant is aware that a backpack, identified as Alejandra Marsh's, was recovered from Columbine High School. Your affiant is also aware that during the search for explosives, a notebook was discovered in Marsh's backpack.

PROGRESS REPORT  
CHS INCIDENT/CONTROL #3881  
REPORT BY JACKLYN GEE (ACSO)

On 052899, this Investigator executed a search warrant for the backpack of Alejandra "Alex" Marsh DOB: 070882, which was prepared by Investigator Kate Battan. This Investigator recovered Marsh's backpack from CHS and the contents were examined. Marsh's backpack was green and black and was identified with a tag displaying Marsh's name, Table DD, and #4284. Marsh's bag contained the following:

Four books described as:

"A reader's Guide to the Nineteenth Century English Novel"

"Celtic Magic" (By DJ Conway)

"Winds of Fate" (By Mercedes Lackey)

"Great Expectations" (By Charles Dickens)

Maroon (homemade) book with "swastika" design on cover containing poems written by Marsh

Dark blue folder with miscellaneous school (choir) papers

Black notebook filled with blank notebook paper

"Eye for Eye" folder with miscellaneous school papers and handwritten "love" poetry and stories

Manila folder with miscellaneous school papers

Miscellaneous loose school papers and school supplies

12" wooden spike wrapped with black tape

At the request of Investigator Battan, this Investigator obtained copies of the poetry contained in the aforementioned maroon (homemade) book. The backpack and its contents were released to Bob Miller, who is the evidence custodian with Jefferson County Sheriff's Office, with the request to destroy the aforementioned 12" wooden spike recovered from Marsh's backpack.

This Investigator did not find any evidence in Marsh's backpack that was related to the incident at CHS on 042099.

PROGRESS REPORT  
CHS INCIDENT/CONTROL #3894  
REPORT BY JACKLYN GEE (ACSO)

On 060399, this Investigator met with Alejandra "Alex" Marsh DOB: 070882 at her residence (9015 W. Cross Drive #16-102) for the purpose of speaking to her about the contents of her backpack, which was recovered subsequent to a search warrant (see control #3881). With the consent of Investigator Batten, this Investigator obtained Marsh's backpack from Jefferson County Sheriff's Office Evidence and delivered it to Marsh. Upon receipt of the backpack, Marsh signed a receipt for the return of property, which was witnessed by this Investigator and returned to the evidence custodian, Bob Miller (copy attached).

This Investigator also questioned Marsh about statements that she had made in reference to the CHS incident, in the presence of her mother, Carmen Marsh. Marsh advised the following:

That last year (1997/1998) Marsh hung out with "a group of kids" identified as TCM members), whom she identified as:

Eric Jackson  
Krista Hanley  
Chris Morris  
Nicole Markham  
Joe Stair  
Brian Sargent

That Marsh still associates with Hanley and Markham, although she has not maintained a close relationship with the others.

That Marsh did not know or associate with Eric Harris or Dylan Klebold personally, other than her contact with Klebold during the production of the play, "Frankenstein".

That Marsh received all of her information about Harris and Klebold from Hanley and Markham, which she based her opinions on, and shared with others.

That Marsh further advised that she did empathize with Harris and Klebold based on what she was told about them.

That Marsh advised that Hanley and Markham had told her about the cafeteria map that they saw Harris and Klebold with in December or January, which is the basis for her claim that, "they had planned this incident since December".

That Marsh heard last year that Harris and Klebold had blown a bomb up in a field somewhere, but did not personally witness the incident and could not provide any other details.

That Marsh also advised that the notebook that she was constantly writing in until 042099, contained fiction, novels, and poetry that she was working on.

That Marsh further advised that she ceased writing at school (Charfield) since she returned because she did not have access to her work which was left at CHS.

That Marsh advised that the 12" spike that was found in her backpack was a gift from a friend last year that she kept as a souvenir, and further advised that she did not have a problem with the spike being recovered and destroyed by this Investigator.

That Marsh also stated that she did not have any previous knowledge of the incident that occurred at CHS on 042099 and would be willing to take a polygraph examination.

Perry stated he dropped out of Columbine High School a couple of months ago. He stated that he became associated with Eric Harris and a male known only to him as Dylan, during the latter part of the last school year. Harris and "Dylan" were becoming associated with the Trench Coat Mafia at that time and were good friends of Trench Coat Mafia leader, Chris Morris. Perry stated the last contact he had with either Harris or Dylan was in about January 1999, outside of Columbine High School. Perry stated he wears an all-cotton black trench coat. Perry stated that he stopped associating with Trench Coat Mafia in about August 1998 after Morris threatened to beat-up and kill Perry. Perry denied any of the Trench Coat Mafia members made any bombs or explosive devices while he was associated with them.

On April 26, 1999 Investigator Estep and Attorney General Special Investigator Gary Clyman interviewed Robert Perry, who resides at 7836 South Newland Street, County of Jefferson, State of Colorado. Perry further detailed his day on April 20, 1999. Perry stated he recently obtained a job at Safeway on Ken Caryl and South Pierce Street, working a grave yard shift. So as not to interrupt his sleep patterns Perry stayed awake from April 19, 1999 to April 20, 1999. Perry stated between 8:00 and 11:00 a.m. on April 20, 1999 he talked with his Grandmother who resides at his home address. Perry stated at 11:00 a.m. he went to his basement bedroom and went to sleep. Perry stated that at 11:40 a.m. his mother woke him up by stomping on the kitchen floor directly above Perry's room. Perry went upstairs where his mother told him what she had heard on the news about the Columbine High School shooting. Perry left his residence at 12:00 p.m. to walk to Columbine High School to check on the welfare of his younger sister Lydie Perry. Perry advised about 12:15 p.m. he met up with his father Jim Perry, who had left work and was driving a possible route Lydie Perry may have driven. They returned home and received a call stating that Lydie Perry was at the Columbine Public Library, where they were able to pick her up.

On April 29, 1999 Jefferson County Investigator Jack McFadden interviewed Courtney Haulman, a student at Columbine High School. Haulman stated on April 20, 1999 at about 11:17 a.m., she was sitting on the concrete outside the south doors of the cafeteria at Columbine High School when she heard three gunshots. Haulman stated she walked to the southwest corner of the cafeteria and peeked around the corner at which time she saw three gunmen on the west steps leading to the west entrance.

## COURT, JEFFERSON COUNTY, COLORADO

ESTIGATOR KATE BATTAN,

being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:20 a.m., Jefferson County Sheriff's Dispatch received a 9-1-1 call reporting that there was a shooting in the parking lot at Columbine High School located at 6201 South Pierce Street, County of Jefferson, State of Colorado.

Upon arrival, Jefferson County Sheriff's Deputies Scott Taborsky and Eric Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Your affiant subsequently learned that 15 individuals were killed within Columbine High School during the incident as the result of gunshot wounds. Your affiant further learned that two of the decedents, Dylan Bennett Klebold, dob/09-11-81, and Eric David Harris, dob/04-09-81, were suspected of shooting 13 decedents, and had injured approximately 25 other students.

On April 20, 1999, Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Christopher Morris, dob/06-09-81, shortly after the shootings at Columbine High School. Christopher Morris told Investigator Gallegos that he used to be part of the "Trench Coat Mafia" (TCM), and that he believed the people inside of Columbine High School doing the shooting were Dylan Klebold, Eric Harris, and [REDACTED]. Morris said Klebold, Harris, and [REDACTED] are also members of the Trench Coat Mafia. Christopher Morris further told Investigator Gallegos that Eric Harris goes by the name of "Reb." Morris told Investigator Gallegos that two weeks prior to April 20, 1999, Eric Harris had been picked on by "jocks" at Columbine High School. Shortly after this incident, Christopher Morris was at Dylan Klebold's house with Eric Harris and Harris said, "Wouldn't it be nice to kill jocks?"

Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Alejandra Marsh, a student of Columbine High School. Marsh stated that she had been in class in Columbine High School, when she heard shooting. Marsh went to the corridor where she saw Dylan Klebold and a male known to her as "Reb." Marsh stated that both "Reb" and Dylan Klebold were wearing black pants and full length black dusters. Marsh saw that Dylan Klebold was carrying a rifle type weapon at waist height and was firing down the hall.

Littleton Police Detective Russell Hoffman interviewed Tyler Jackman, a student at Columbine High School. Jackman stated that he was in the parking lot of Columbine High School with a friend, Wade Alan Frank, at lunch time, about 11:30 a.m. Tyler Jackman saw Dylan Klebold at the top of the stairs at the entrance to Columbine High School, wearing a full length black coat. Dylan Klebold walked down the stairs where an unknown male was lying face down at the bottom of the stairs. Tyler Jackman saw Dylan Klebold shoot into the back of the unknown male with a sawed off shotgun. Dylan Klebold then began walking toward a grassy area, at which point he took a white pipe bomb, lit it, and threw it into the senior parking lot, where it exploded. Dylan Klebold then walked back up the stairs where he met another male and the two walked inside the school. Tyler Jackman stated he could not identify the second male, as he only saw him briefly.

## COURT, JEFFERSON COUNTY, COLORADO

INVESTIGATOR KATE BATTAN,

being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Haulman described the first as a white male, seventeen years old, 6'3", medium build, long dark curly hair, wearing a black trench coat, dark colored pants, carrying a long gun, with no hat. Haulman described the second gunman as a white male, sixteen to seventeen years old, shorter than the first gunman, medium build, no hat, no mask, dark clothing, black trench coat, with dark colored "grenade type things" hanging on his shirt. Haulman stated she had seen gunman one and two in Columbine High School prior to April 20, 1999. Haulman described the third gunman as a white male, with a black trench coat, white shirt, carrying an odd shaped thing. Investigator McFadden showed Haulman three photo line-ups. Haulman identified [REDACTED] from one line-up as the first gunman. Haulman identified Dylan Klebold from a second line-up as the second gunman. Haulman could identify no one from the third line-up.

On April 30, 1999 West Metro Drug Task Force Investigator Mike Russell interviewed John Ungerland, a student at Columbine High School. Ungerland stated that on April 20, 1999 at about 2:30 p.m. he saw a red Geo Metro in a subdivision south of Columbine High School, with two occupants. Ungerland stated that he believed the driver to be [REDACTED]. Ungerland stated the passenger was leaning out of the passenger window with a handgun. Ungerland stated that both occupants were dressed in black. Ungerland stated the passenger was a white male with long dirty blond hair.

On April 30, 1999 CBI Agents Jerry Means and Ricky Mundine interviewed Bijen Monte, a student at Columbine High School. Monte stated she went to the school store, adjacent to the cafeteria, purchased her lunch, and then went outside through the south commons door. Monte thought she saw fireworks sparkling on the sidewalk, then saw a guy in a trench coat coming down the hill. Monte recognized the male as [REDACTED] who she hangs out with almost everyday, since January 1999. Monte stated that on a scale of one to ten, ten being positive, she estimated the identification to be eight and a half to nine. Monte stated [REDACTED] had a black gun, about fifteen to eighteen inches long, hanging from his neck on a strap, which looked like a machine gun. [REDACTED] stated [REDACTED] was wearing a black trench coat, a black baseball hat backwards, and had a long face and neck, a narrow chin, crooked teeth with an obvious overbite, lots of acne and indentations on his face, with a black t-shirt with white print, a red colored cloth attached to the left side of his waist, black tighter fitting jeans, black high top tennis shoes. Agent Means showed Monte a photo line which included a photo of [REDACTED]. Monte picked [REDACTED] out of the photo line up and stated that he was the one she saw with the gun.

On May 3, 1999 Jefferson County District Attorney's Investigator Mike Heylin interviewed Crystal Archuleta, a student at Columbine High School. Archuleta stated that on April 20, 1999 she was eating lunch at Columbine High School on the east window ledge, that is south of the student store, adjacent to the cafeteria. Archuleta noticed a girl outside fall to the ground. Archuleta thought the girl fainted and went to assist her. Archuleta noticed a chest wound and a "pile of blood". Archuleta heard several gunshots and looked up the hill by the stairs outside the cafeteria. Archuleta saw a brief profile of a male who was tall, wearing a black trench coat, a black ball cap on backwards, and black warm-up-type pants with black high top tennis shoes. Archuleta stated that she later identified the male from her yearbook as [REDACTED]. She stated prior to this day she had seen him at school but did not know his name.

On May 5, 1999, Attorney General Investigator Gary Clyman interviewed Ginette Cochrane, the grandmother of Robert Perry. She has resided at the Perry residence, 7836 South Newland Street, County of Jefferson, State of Colorado, since November 1998, and her bedroom in the house is located adjacent to the family room one level above where Robert Perry's room is located, which is in the basement. Cochrane stated that on April 20, 1999, she awoke at approximately 8:00 a.m. and shortly thereafter was

joined in the kitchen by Robert, who had been in his bedroom. They talked until about 9:00 a.m., at which time Robert returned to his bedroom. Later in the morning, at a time uncertain, Ms. Cochran was joined in the kitchen by her daughter (Robert Perry's mother), Lydie Perry. While watching television at or about 11:45 a.m. Cochran and Lydie Perry became aware of the incident occurring at Columbine High School based upon televised news breaks.

Cochran told Inv. Clyman they then awoke Robert by pounding on the floor above his bedroom, and he came upstairs and appeared to Ms. Cochran as if he had been asleep. Although Robert wanted to go to Columbine High School to check on the safety of his younger sister, Lydie Perry, he remained at the house until his father arrived and they left for the school at or about 12:30 p.m. According to Cochran Robert remained with the family the remainder of the day.

Ms. Cochran also stated that Robert typically wears clothes of the following description:

Black or blue jeans, Black t-shirts with designs/lettering in yellow, red or blue, White t-shirts, Tennis shoes, either all black or gray/black (size 14), Black dress hat belonging to his father, James Perry, Ball caps, described as dark blue, some with Bronco emblems, usually worn backwards, A black trench coat.

On May 5, 1999 FBI Agent Mark Holstlaw interviewed Lydie Jeanine Perry, the mother of Robert Perry. Lydie Perry said that Robert Perry went to bed on April 20, 1999, between 2:00 a.m. and 3:00 a.m. Lydie told Holstlaw that Robert Perry got up later that morning at approximately 11:30 am because she recalls Robert talking with his grandmother, Ginette Cochran. Lydie Perry said she believes Robert Perry went back to his bedroom shortly after that. Lydie Perry said that at approximately 11:45 am she and Cochran began seeing the news reports of the Columbine High School (CHS) shooting. She immediately yelled at Robert Perry to get out of bed and he came-up from his room dressed only in a blanket.

Robert Perry then got dressed and wearing his black trench coat departed their residence to go check on his sister, who is a student at Columbine High School. Lydie Perry said she telephoned her husband, Jim Perry, who came home and as he traveled home, he ran into Robert Perry before he reached the school and drove him back to their house.

On April 24, 1999, Investigator Cheryl Zimmerman viewed three 8mm tapes which were taken by your affiant in a search warrant of Eric Harris' residence, on April 20, 1999. All three of the tapes include planning by Eric Harris and Dylan Klebold of the Columbine shooting incident, and their philosophies. At no time during any of the tapes do either Harris or Klebold indicate that anyone else is involved in the planning, or will be present and included as gunmen for the April 20, 1999, incident.

Your affiant has viewed photographs of both Robert Perry and Dylan Klebold, and knows them to be similar in appearance. Robert Perry is a white male, 6'02", slender build, with medium brown wavy hair, close to shoulder length. Dylan Klebold is a white male, 6'03", slender build, with medium brown wavy hair, also close to shoulder length. Both males are known to frequently wear black trench coats, black baseball caps backwards, and to be associated with or involved with the Trench Coat Mafia. On the day of the incident Klebold was found to be wearing black BDU type pants, a black t-shirt with "Wrath" in red across the front, a black baseball hat with a "B" on the back worn backwards, black military style lace-up boots. On the day of the incident Harris was found to be wearing black BDU type pants, a white t-shirt, a thick webbing type harness over his shoulders, black military style lace-up boots. One black trench coat was found in the library and one found outside the doors at the top of the stairs.

## COURT, JEFFERSON COUNTY, COLORADO

Investigator Kate Battan,

being duly sworn upon oath says:

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:20 a.m., Jefferson County Sheriff's Dispatch received a 9-1-1 call reporting that there was a shooting in the parking lot at Columbine High School, located at 6201 South Pierce Street, County of Jefferson, State of Colorado.

Upon arrival, Jefferson County Sheriff's Deputies Scott Taborsky and Eric Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Your affiant subsequently learned that 15 individuals were killed within Columbine High School during the incident as the result of gunshot wounds. Your affiant further learned that two of the decedents, Dylan Bennet Klebold, dob/09-11-81, and Eric David Harris, dob/04-09-81, were suspected of shooting the 13 decedents, and had injured approximately 25 other students.

On April 23, 1999, after seeing news coverage about the Columbine High School shooting, Robert Johnson, an Orangevale, California resident, contacted Federal Bureau of Investigation (FBI) Special Agent Keith Aiken of the Sacramento, California Division office of the FBI. Johnson advised Special Agent Aiken that he has been communicating via an Internet chat room with some individuals who claimed to be involved with Eric Harris and Dylan Klebold.

On April 27, 1999, Special Agents Gina Palokangas and Thomas Anzelmo interviewed Johnson who told them the following information:

Robert Johnson met an individual using the name "Blade" in an America On Line chat room approximately six years ago and has communicated with "Blade" on a regular basis since that time. During one such encounter in a chat room "Blade's" told Johnson his first name was Chris. "Blade" also provided Johnson with his home telephone number of (303) 979-8171. Johnson told Special Agents Palokangas and Anzelmo that he has called the number provided and has had conversations with Chris, also known as "Blade". Searches for this telephone number using Internet data bases show it to be registered to Chris Tibaldo, 7444 South Zephyr Court, Littleton, County of Jefferson, State of Colorado. Johnson said that Chris has told him that he is a student at Columbine High School. Checks of student data sheets maintained by Columbine High School show that Chris Tibaldo is a Junior at Columbine High School. Records show Tibaldo's telephone number to be (303) 979-8171 and his address to be 7444 South Zephyr Court, Littleton, County of Jefferson, State of Colorado.

Johnson further told Special Agents Palokangas and Anzelmo that he has also spoken with Chris' friend, "Cash" and "Vodka" on the Internet chat room. "Cash" told Johnson his first name is Brian. Johnson said he believes "Vodka's" first name is Dylan.

## COURT, JEFFERSON COUNTY, COLORADO

Investigator Kate Batten,

being duly sworn upon oath says:

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Robert Johnson also advised Special Agents Palokangas and Anzelmo that during conversations with Chris and Brian, they have claimed to have hacked into Columbine High School's computer system.

During a subsequent interview, Denver Police Department Detective Jeffrey Ruetz interviewed Columbine High School student Aaron Bonewell, who said that his friend, Chris Tihaldo, was friends with Zach Heckler and Dylan Klebold. Bonewell told Detective Ruetz that Klebold, Heckler and Tihaldo shared information about programming computers using the "Linux" operating system. FBI Computer Analysis and Response Team (CART), examiner Paul Fields examined a computer hard drive belonging to Klebold and confirmed that the operating system used on that hard drive was the "Linux" operating system. Paul Fields also found evidence of the user name "Blade" on that system, indicating that communication to or from Blade had been conducted on Klebold's computer. FBI Special Agents Richard Price and Matthew Hellman later interviewed Zach Heckler who said that he had gotten into trouble for hacking into the Columbine High School computer system. Heckler also said that he was friends with Dylan Klebold.

Robert Johnson further told Special Agents Palokangas and Anzelmo that after the shooting at Columbine High School, Johnson contacted "Blade", also known as Chris, via the Internet, to see if he was alright. While on the Internet chat room, "Blade" said that during the Columbine High School shootings, [REDACTED] helped set off the bombs in the cars and was carrying a 9mm, but didn't use it. Johnson said during this chat room conversation, "Cash", also known as Brian, joined in the conversation and said that [REDACTED] helped build the bombs that were used at Columbine High School. Johnson said he then telephoned Chris at (303) 979-8171. While on the telephone Chris told Johnson that he knew the two shooters and four others who were killed during the Columbine. <sup>Johnson, KRP</sup> Johnson also spoke to Brian on the telephone. Johnson said that both Chris and Brian were "acting strangely" which is why he contacted the FBI.

On May 5, 1999, Investigators Perry J. Powell and Michael Jeffries with the Colorado State Patrol made contact with Chris Tihaldo at 7444 South Zephyr Court, Littleton, County of Jefferson, State of Colorado. When Investigators Powell and Jeffries contacted Tihaldo, also present at the residence was Brian Ford, dob/04-08-81. While in the residence, Investigators Powell and Jeffries saw a computer and a variety of computer equipment laying around the house.

Based upon the aforementioned information, your affiant respectfully requests that the court issue a search warrant for the residence located at 7444 South Zephyr Court, County of Jefferson, State of Colorado, described as:

A town house with a brick front and white siding. It is a two-story building with a basement. The numbers 7444 are gold colored and are on a piece of wood to the left of the door.

For the purpose of searching for the following:

Electronic data processing and storage devices, computers and computer systems, including central processing units; internal and peripheral storage devices, such as fixed disks, external hard disks, floppy disk drives and diskettes, tape drives and tapes, removable hard disk drives and cartridge drives, CD-ROM media, CD-Rewritable and Recordable drives and media, and the media thereof (including but not limited to Syquest, Zip, Jaz and others), optical storage devices or other memory storage devices;

JC-001-025789

JEFFERSON COUNTY COURT, JEFFERSON COUNTY, COLORADO

Investigator Robert D. Vette, being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Department, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person named herein and reviewing their written reports.

Your affiant makes the following statements in support of a request for the Court to Order U.S. West Communications to conduct an Automatic Message Accounting (AMA). An AMA is a process in which the telephone service provider retrieves all usage from the U.S. West central office locations to include originating and terminating telephone calls for specific telephone numbers. The requested dates of the Automatic Message Accounting will include 04-16-99 through 04-20-99

Your affiant informs the Court that on April 20, 1999 at approximately 11:15 A.M. The Jefferson County Sheriff's Department dispatch center received a call stating that there was a bomb in the area of KenCaryl and Chatfield, in Jefferson County, Colorado. Simultaneously, the dispatch center received another telephone call reporting that there was a girl "down" in the parking lot of Columbine High School, 6201 South Pierce Street, Jefferson County, Colorado. Deputies Taborsky and Miller responded to Columbine High School and observed students running from the school yelling. Taborsky and Miller also heard what they believed to be gunshots coming from inside the school and were told that by numerous students that people had been shot inside the school.

Columbine High School was cordoned off and metro area police agencies were called to assist in the investigation following the apprehension of the suspects who were later discovered to be

deceased inside the building. Witness interviews immediately began by Detectives, Police Officers, and Special Agents and it was soon learned that the deceased suspects ( Eric Harris and Dylan Klebold ) were students at Columbine High School and were members of a loose knit group which called themselves the "Trench Coat Mafia" or "TCM". Furthermore, witnesses began to report seeing three shooting suspects at the school and descriptions of these suspects deviated from the descriptions of Eric Harris and Dylan Klebold.

Your affiant interviewed Christopher Morris, a student at Columbine High School. Morris admitted to being a former member of the TCM and was a founding member. Morris said that there were approximately 120 members, associates or want-a-be TCM members at Columbine High School. Chris Morris denied any involvement in the planning or attack on Columbine High School. Morris admitted being at Columbine High School the morning of April 20, 1999 attending class although left at approximately 10:15 A.M. prior to the shootings and explosions, which is his normal routine. Morris claims to have a receipt which places him away from the school at the time of the shooting. To your affiant's knowledge this receipt has not been taken into evidence at this point. Morris stated that he heard of the shootings while at a friends residence when his mother called the residence advising of the incident which she reportedly heard on the news. Your affiant informs the Court that Ashley Egeland, a student at Columbine High School, was interviewed by Detective Tim Steffes, Lakewood Police Department, who named Christopher Morris as being [REDACTED] inside the school. Your affiant informs the Court following the interview with Morris he allowed Investigators to search his bedroom for any evidence relating to the shooting incident at Columbine High School. Your affiant searched Chris Morris' bedroom and found no incriminating items, however, the computer recovered from Morris' residence has yet to be analyzed. Furthermore, Christopher Morris voluntarily provided his clothing when asked, which was later submitted into evidence. Morris reported his home address is, 5466 West Portland Drive, Littleton, Colorado, telephone number 303-972-8864.

Your affiant informs the Court that Investigator David Brooks, Jefferson County Sheriff's Office, interviewed Leiha Murphy, a Columbine High School student. Murphy told Investigator Brooks that

she saw Joseph Stair standing outside the cafeteria area wearing a black trench coat as the shooting began. Investigator Don Estep interviewed Joseph Stair who reported that he was at home during at the time of the shooting with this father. Joseph Stair reported that he and his father went to the school after learning of the shooting, but got no closer than the Jefferson County library. Joseph Stair was not an enrolled student on April 20, 1999. Investigator Pat Vondenkamp interviewed Jonathon Ballard, student, who said that Joseph Stair was a member of the, TCM. Investigator Jerry Means, CBI, interviewed a witness from the cafeteria, Elisha Encinias, who reported seeing the shooting begin and saw three suspects, one former student and two current students. She heard one of the shooting suspects say, "Joe where are you, I got three of them." Joseph Stair's last known address and telephone number are: 7097 West Frost Place, Littleton, Colorado, telephone number 303-972-4655.

Your affiant informs the Court that Special Agent Camilla Rutherford interviewed Lisa Scullin. Scullin reported that Nathan, last name unknown, was Dylan Klebold's best friend and stayed home from school the day of the shooting because he knew Klebold was preparing for something. Further investigation by Special Agent Jerry Means, of the Colorado Bureau of Investigation identified Nathan as Nathan Dykeman. Investigator Don Estep interviewed Nathan Dykeman, a student at Columbine High School, and an associate of members of the TCM, Eric Harris and Dylan Klebold. Your affiant spoke to FBI Special Agent M. Holstlaw. Holstlaw stated that during an interview with Nathan Dykeman, Dykeman said that he had not been truthful with investigators because he thought he would be blamed for the Columbine shootings. Dykeman told Agents that Harris and Klebold had been experimenting with pipe bombs for over a year. On the day of the shooting, Dykeman said that he left school at 11:20 A.M. to go home and eat lunch and when he returned was met by police barricades. Dykeman said he returned home and watched several news reports and had several telephone conversations with Klebold's father. Since those interviews were concluded Nathan Dykeman has moved to the State of Florida to finish school. Your affiant believes that recovering these telephone calls will corroborate Nathan Dykeman's interview. Your affiant informs the Court that on April 21, 1999, Special Agent William Irwin conducted a polygraph of Nathan Dykeman which disclosed that Dykeman was not being truthful when asked if he was somehow involved in

the shooting or had helped in planning of the attack on Columbine High School. On April 20, 1999, Nathan Dykeman was living at, 7973 West Plymouth Place, Littleton, Colorado, telephone number 303-933-1708.

Based upon the aforementioned facts your affiant respectfully requests a search warrant and order be issued to U.S. West Communications, 1801 California Street, Denver, Colorado to provide the following information:

All information, facilities and technical assistance necessary to accomplish an Automatic Message Accounting (AMA) for the retrieval of all usage from the U.S. West central office locations to include originating and terminating telephone calls for the below listed telephone numbers and for those telephone numbers associated with the listed residences. The requested dates of the Automatic Message Accounting will include 04-16-99 through 04-20-99.

Your affiant also request subscriber information for the telephone numbers and any telephone number associated with the listed telephone numbers as well as subscriber information for the telephone numbers received as a result of the Automatic Message Accounting.

Your affiant further requests the Court to order, U.S. West Communications and it's agents and employees not to reveal the existence of this court order anyone including the subscribers until

further Order of the Court and that all records concerning this Order be sealed until further Order of the Court.

JEFFERSON COUNTY COURT, JEFFERSON COUNTY, COLORADO

Investigator Robert D. Vette, being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Department, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person named herein and reviewing their written reports.

Your affiant informs the Court that on April 20, 1999 at approximately 11:15 A.M. The Jefferson County Sheriff's Department dispatch center received a call stating that there was a bomb in the area of KenCaryl and Chatfield, in Jefferson County, Colorado. Simultaneously, the dispatch center received another telephone call reporting that there was a girl "down" in the parking lot of Columbine High School, 6201 South Pierce Street, Jefferson County, Colorado. Deputies Taborsky and Miller responded to Columbine High School and observed students running from the school yelling. Taborsky and Miller also heard what they believed to be gunshots coming from inside the school and were told that by numerous students that people had been shot inside the school.

Columbine High School was cordoned off and metro area police agencies were called to assist in the investigation following the apprehension of the suspects who were later discovered to be deceased inside the building. Witness interviews immediately began by Detectives, Police Officers, and Special Agents and it was soon learned that the deceased suspects ( Eric Harris and Dylan Klebold ) were students at Columbine High School and were members of a loose knit group which called themselves the "Trench Coat Mafia" or "TCM". Furthermore, witnesses began to report seeing three shooting suspects at the school and descriptions of these suspects deviated from the descriptions of Eric Harris and Dylan Klebold.

Your affiant interviewed Christopher Morris, a student at Columbine High School. Morris admitted to being a former member of the TCM and was a founding member. Morris said that there were approximately 120 members, associates or want-a-be TCM members at Columbine High School. Chris Morris denied any involvement in the planning or attack on Columbine High School. Morris admitted being at Columbine High School the morning of April 20, 1999 attending class although left at approximately 10:15 A.M. prior to the shootings and explosions, which is his normal routine. Morris claims to have a receipt which places him away from the school at the time of the shooting. To your affiant's knowledge this receipt has not been taken into evidence at this point. Morris stated that he heard of the shootings while at a friends residence when his mother called the residence advising of the incident which she reportedly heard on the news. Your affiant informs the Court that Ashley Egeland, a student at Columbine High School, was interviewed by Detective Tim Steffes, Lakewood Police Department, who named Christopher Morris as being [REDACTED] inside the school. Your affiant informs the Court following the interview with Morris he allowed Investigators to search his bedroom for any evidence relating to the shooting incident at Columbine High School. Your affiant searched Chris Morris' bedroom and found no incriminating items, however, the computer recovered from Morris' residence has yet to be analyzed. Furthermore, Christopher Morris voluntarily provided his clothing when asked, which was later submitted into evidence. Morris reported his home address is, 5466 West Portland Drive, Littleton, Colorado, telephone number 303-972-8864.

Your affiant informs the Court that Investigator David Brooks, Jefferson County Sheriff's Office, interviewed Leiha Murphy, a Columbine High School student. Murphy told Investigator Brooks that she saw Joseph Stair standing outside the cafeteria area wearing a black trench coat as the shooting began. Investigator Don Estep interviewed Joseph Stair who reported that he was at home during at the time of the shooting with his father. Joseph Stair reported that he and his father went to the school after learning of the shooting, but got no closer than the Jefferson County library. Joseph Stair was not an enrolled student on April 20, 1999. Investigator Pat Vondenkamp interviewed Jonathon Ballard, student, who said that Joseph Stair was a member of the, TCM. Investigator Jerry Means, CBI, interviewed a witness from the cafeteria, Elisha Encinias, who reported seeing the shooting begin and saw three suspects, one former student and two current students. She heard one

of the shooting suspects say, " Joe where are you, I got three of them." Joseph Stair's last known address and telephone number are: 7097 West Frost Place, Littleton, Colorado, telephone number 303-972-4655.

Your affiant informs the Court that Special Agent Camilla Rutherford interviewed Lisa Scullin. Scullin reported that Nathan, last name unknown, was Dylan Klebold's best friend and stayed home from school the day of the shooting because he knew Klebold was preparing for something. Further investigation by Special Agent Jerry Means, of the Colorado Bureau of Investigation identified Nathan as Nathan Dykeman. Investigator Don Estep interviewed Nathan Dykeman, a student at Columbine High School, and an associate of members of the TCM, Eric Harris and Dylan Klebold. Your affiant spoke to FBI Special Agent M. Holstlaw. Holstlaw stated that during an interview with Nathan Dykeman, Dykeman said that he had not been truthful with investigators because he thought he would be blamed for the Columbine shootings. Dykeman told Agents that Harris and Klebold had been experimenting with pipe bombs for over a year. On the day of the shooting, Dykeman said that he left school at 11:20 A.M. to go home and eat lunch and when he returned was met by police barricades. Dykeman said he returned home and watched several news reports and had several telephone conversations with Klebold's father. Since those interviews were concluded Nathan Dykeman has moved to the State of Florida to finish school. Your affiant believes that recovering these telephone calls will corroborate Nathan Dykeman's interview. Your affiant informs the Court that on April 21, 1999, Special Agent William Irwin conducted a polygraph of Nathan Dykeman which disclosed that Dykeman was not being truthful when asked if he was somehow involved in the shooting or had helped in planning of the attack on Columbine High School. On April 20, 1999, Nathan Dykeman was living at, 7973 West Plymouth Place, Littleton, Colorado, telephone number 303-933-1708.

Based upon these facts Jefferson County District Court Judge Henry Nieto signed a search warrant and order to be issued to U.S. West Communications, 1801 California Street, Denver, Colorado to provide the following information:

All information, facilities and technical assistance necessary to accomplish an Automatic Message Accounting (AMA) for the retrieval of all usage from the U.S. West central office locations to include originating and terminating telephone calls for the below listed telephone numbers and for those telephone numbers associated with the listed residences. The requested dates of the Automatic Message Accounting will include 04-16-99 through 04-20-99.

Your affiant informs the Court that AMA is a process in which the telephone service provider retrieves all usage from the U.S. West central office locations to include originating and terminating telephone calls for specific telephone numbers.

Dykeman, Nathan	7973 W. Plymouth Pl., Littleton, Co.	303-933-1708

Your affiant also request subscriber information for the telephone numbers and any telephone number associated with the listed telephone numbers as well as subscriber information for the telephone numbers received as a result of the Automatic Message Accounting.

The majority of these telephone calls, whether incoming or out going, appear to be from or to businesses, or appear to be from or to pager/cellular telephones, of which U.S. West Communication can only provide the name of the specific company the service was ordered through. Your affiant is aware and

JEFFERSON COUNTY COURT, JEFFERSON COUNTY, COLORADO

Investigator Robert D. Vette, being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Department, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person named herein and reviewing their written reports.

Your affiant informs the Court that on April 20, 1999 at approximately 11:15 A.M. The Jefferson County Sheriff's Department dispatch center received a call stating that there was a bomb in the area of KenCaryl and Chatfield, in Jefferson County, Colorado. Simultaneously, the dispatch center received another telephone call reporting that there was a girl "down" in the parking lot of Columbine High School, 6201 South Pierce Street, Jefferson County, Colorado. Deputies Taborsky and Miller responded to Columbine High School and observed students running from the school yelling. Taborsky and Miller also heard what they believed to be gunshots coming from inside the school and were told that by numerous students that people had been shot inside the school.

Columbine High School was cordoned off and metro area police agencies were called to assist in the investigation following the apprehension of the suspects who were later discovered to be deceased inside the building. Witness interviews immediately began by Detectives, Police Officers, and Special Agents and it was soon learned that the deceased suspects ( Eric Harris and Dylan Klebold ) were students at Columbine High School and were members of a loose knit group which called themselves the "Trench Coat Mafia" or "TCM". Furthermore, witnesses began to report seeing three shooting suspects at the school and descriptions of these suspects deviated from the descriptions of Eric Harris and Dylan Klebold.

Your affiant interviewed Christopher Morris, a student at Columbine High School. Morris admitted to being a former member of the TCM and was a founding member. Morris said that there were approximately 120 members, associates or want-a-be TCM members at Columbine High School. Chris Morris denied any involvement in the planning or attack on Columbine High School. Morris admitted being at Columbine High School the morning of April 20, 1999 attending class although left at approximately 10:15 A.M. prior to the shootings and explosions, which is his normal routine. Morris claims to have a receipt which places him away from the school at the time of the shooting. To your affiant's knowledge this receipt has not been taken into evidence at this point. Morris stated that he heard of the shootings while at a friends residence when his mother called the residence advising of the incident which she reportedly heard on the news. Your affiant informs the Court that Ashley Egeland, a student at Columbine High School, was interviewed by Detective Tim Steffes, Lakewood Police Department, who named Christopher Morris as being [REDACTED] inside the school. Your affiant informs the Court following the interview with Morris he allowed Investigators to search his bedroom for any evidence relating to the shooting incident at Columbine High School. Your affiant searched Chris Morris' bedroom and found no incriminating items, however, the computer recovered from Morris' residence has yet to be analyzed. Furthermore, Christopher Morris voluntarily provided his clothing when asked, which was later submitted into evidence. Morris reported his home address is, 5466 West Portland Drive, Littleton, Colorado, telephone number 303-972-8864.

Your affiant informs the Court that Investigator David Brooks, Jefferson County Sheriff's Office, interviewed Leiha Murphy, a Columbine High School student. Murphy told Investigator Brooks that she saw Joseph Stair standing outside the cafeteria area wearing a black trench coat as the shooting began. Investigator Don Estep interviewed Joseph Stair who reported that he was at home during at the time of the shooting with this father. Joseph Stair reported that he and his father went to the school after learning of the shooting, but got no closer than the Jefferson County library. Joseph Stair was not an enrolled student on April 20, 1999. Investigator Pat Vondenkamp interviewed Jonathon Ballard, student, who said that Joseph Stair was a member of the, TCM. Investigator Jerry Means, CBI, interviewed a witness from the cafeteria, Elisha Encinias, who reported seeing the shooting begin and saw three suspects, one former student and two current students. She heard one

of the shooting suspects say, " Joe where are you, I got three of them." Joseph Stair's last known address and telephone number are: 7097 West Frost Place, Littleton, Colorado, telephone number 303-972-4655.

Your affiant informs the Court that Special Agent Camilla Rutherford interviewed Lisa Scullin. Scullin reported that Nathan, last name unknown, was Dylan Klebold's best friend and stayed home from school the day of the shooting because he knew Klebold was preparing for something. Further investigation by Special Agent Jerry Means, of the Colorado Bureau of Investigation identified Nathan as Nathan Dykeman. Investigator Don Estep interviewed Nathan Dykeman, a student at Columbine High School, and an associate of members of the TCM, Eric Harris and Dylan Klebold. Your affiant spoke to FBI Special Agent M. Holstlaw. Holstlaw stated that during an interview with Nathan Dykeman, Dykeman said that he had not been truthful with investigators because he thought he would be blamed for the Columbine shootings. Dykeman told Agents that Harris and Klebold had been experimenting with pipe bombs for over a year. On the day of the shooting, Dykeman said that he left school at 11:20 A.M. to go home and eat lunch and when he returned was met by police barricades. Dykeman said he returned home and watched several news reports and had several telephone conversations with Klebold's father. Since those interviews were concluded Nathan Dykeman has moved to the State of Florida to finish school. Your affiant believes that recovering these telephone calls will corroborate Nathan Dykeman's interview. Your affiant informs the Court that on April 21, 1999, Special Agent William Irwin conducted a polygraph of Nathan Dykeman which disclosed that Dykeman was not being truthful when asked if he was somehow involved in the shooting or had helped in planning of the attack on Columbine High School. On April 20, 1999, Nathan Dykeman was living at, 7973 West Plymouth Place, Littleton, Colorado, telephone number 303-933-1708.

Based upon these facts Jefferson County District Court Judge Henry Nieto signed a search warrant and order to be issued to U.S. West Communications, 1801 California Street, Denver, Colorado to provide the following information:

All information, facilities and technical assistance necessary to accomplish an Automatic Message Accounting (AMA) for the retrieval of all usage from the U.S. West central office locations to include originating and terminating telephone calls for the below listed telephone numbers and for those telephone numbers associated with the listed residences. The requested dates of the Automatic Message Accounting will include 04-16-99 through 04-20-99.

Your affiant informs the Court that AMA is a process in which the telephone service provider retrieves all usage from the U.S. West central office locations to include originating and terminating telephone calls for specific telephone numbers.

Dykeman, Nathan	7973 W. Plymouth Pl., Littleton, Co.	303-933-1708

Morris, Christopher	5466 W. Portland Drive, Littleton, Co.	303-972-8864
Stair, Joseph	7097 W. Frost Place, Littleton, Co.	303-972-4655

Your affiant also request subscriber information for the telephone numbers and any telephone number associated with the listed telephone numbers as well as subscriber information for the telephone numbers received as a result of the Automatic Message Accounting.

Your affiant informs the Court that as of June 1, 1999 U.S. West Communications is continuing to compile this information and as a result of the Automatic Message Accounting retrieval, thus far U.S. West Communications has been able to recover 628 telephone calls as a result of the request. The majority of these telephone calls, whether incoming or out going, appear to be from or to businesses, or appear to be from or to pager/cellular telephones, of which U.S. West Communication can only provide the name of the specific company the service was ordered through. Your affiant is aware and

has been informed by U.S. West Communications that subscriber information regarding these telephone numbers will have to be retrieved through these specific companies by the issuance of a search warrant and order.

These specific companies and telephone numbers are as follows:

JEFFERSON COUNTY COURT, JEFFERSON COUNTY, COLORADO

Investigator Robert D. Vette, being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Department, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person named herein and reviewing their written reports.

Your affiant informs the Court that on April 20, 1999 at approximately 11:15 A.M. The Jefferson County Sheriff's Department dispatch center received a call stating that there was a bomb in the area of KenCaryl and Chatfield, in Jefferson County, Colorado. Simultaneously, the dispatch center received another telephone call reporting that there was a girl "down" in the parking lot of Columbine High School, 6201 South Pierce Street, Jefferson County, Colorado. Deputies Taborsky and Miller responded to Columbine High School and observed students running from the school yelling. Taborsky and Miller also heard what they believed to be gunshots coming from inside the school and were told that by numerous students that people had been shot inside the school.

Columbine High School was cordoned off and metro area police agencies were called to assist in the investigation following the apprehension of the suspects who were later discovered to be deceased inside the building. Witness interviews immediately began by Detectives, Police Officers, and Special Agents and it was soon learned that the deceased suspects (Eric Harris and Dylan Klebold) were students at Columbine High School and were members of a loose knit group which called themselves the "Trench Coat Mafia" or "TCM". Furthermore, witnesses began to report seeing three shooting suspects at the school and descriptions of these suspects deviated from the descriptions of Eric Harris and Dylan Klebold.

Your affiant interviewed Christopher Morris, a student at Columbine High School. Morris admitted to being a former member of the TCM and was a founding member. Morris said that there were approximately 120 members, associates or want-a-be TCM members at Columbine High School. Chris Morris denied any involvement in the planning or attack on Columbine High School. Morris admitted being at Columbine High School the morning of April 20, 1999 attending class although left at approximately 10:15 A.M. prior to the shootings and explosions, which is his normal routine. Morris claims to have a receipt which places him away from the school at the time of the shooting. To your affiant's knowledge this receipt has not been taken into evidence at this point. Morris stated that he heard of the shootings while at a friends residence when his mother called the residence advising of the incident which she reportedly heard on the news. Your affiant informs the Court that Ashley Egeland, a student at Columbine High School, was interviewed by Detective Tim Steffes, Lakewood Police Department, who named Christopher Morris as being [REDACTED] inside the school. Your affiant informs the Court following the interview with Morris he allowed Investigators to search his bedroom for any evidence relating to the shooting incident at Columbine High School. Your affiant searched Chris Morris' bedroom and found no incriminating items, however, the computer recovered from Morris' residence has yet to be analyzed. Furthermore, Christopher Morris voluntarily provided his clothing when asked, which was later submitted into evidence. Morris reported his home address is, 5466 West Portland Drive, Littleton, Colorado, telephone number 303-972-8864.

Your affiant informs the Court that Investigator David Brooks, Jefferson County Sheriff's Office, interviewed Leiha Murphy, a Columbine High School student. Murphy told Investigator Brooks that she saw Joseph Stair standing outside the cafeteria area wearing a black trench coat as the shooting began. Investigator Don Estep interviewed Joseph Stair who reported that he was at home during at the time of the shooting with this father. Joseph Stair reported that he and his father went to the school after learning of the shooting, but got no closer than the Jefferson County library. Joseph Stair was not an enrolled student on April 20, 1999. Investigator Pat Vondenkamp interviewed Jonathon Ballard, student, who said that Joseph Stair was a member of the TCM. Investigator Jerry Means, CBI, interviewed a witness from the cafeteria, Elisha Encinias, who reported seeing the shooting begin and saw three suspects, one former student and two current students. She heard one

of the shooting suspects say, "Joe where are you, I got three of them." Joseph Stair's last known address and telephone number are: 7097 West Frost Place, Littleton, Colorado, telephone number 303-972-4655.

Your affiant informs the Court that Special Agent Camilla Rutherford interviewed Lisa Scullin. Scullin reported that Nathan, last name unknown, was Dylan Klebold's best friend and stayed home from school the day of the shooting because he knew Klebold was preparing for something. Further investigation by Special Agent Jerry Means, of the Colorado Bureau of Investigation identified Nathan as Nathan Dykeman. Investigator Don Estep interviewed Nathan Dykeman, a student at Columbine High School, and an associate of members of the TCM, Eric Harris and Dylan Klebold. Your affiant spoke to FBI Special Agent M. Holstlaw. Holstlaw stated that during an interview with Nathan Dykeman, Dykeman said that he had not been truthful with investigators because he thought he would be blamed for the Columbine shootings. Dykeman told Agents that Harris and Klebold had been experimenting with pipe bombs for over a year. On the day of the shooting, Dykeman said that he left school at 11:20 A.M. to go home and eat lunch and when he returned was met by police barricades. Dykeman said he returned home and watched several news reports and had several telephone conversations with Klebold's father. Since those interviews were concluded Nathan Dykeman has moved to the State of Florida to finish school. Your affiant believes that recovering these telephone calls will corroborate Nathan Dykeman's interview. Your affiant informs the Court that on April 21, 1999, Special Agent William Irwin conducted a polygraph of Nathan Dykeman which disclosed that Dykeman was not being truthful when asked if he was somehow involved in the shooting or had helped in planning of the attack on Columbine High School. On April 20, 1999, Nathan Dykeman was living at, 7973 West Plymouth Place, Littleton, Colorado, telephone number 303-933-1708.

Based upon these facts Jefferson County District Court Judge Henry Nieto signed a search warrant and order to be issued to U.S. West Communications, 1801 California Street, Denver, Colorado to provide the following information:

All information, facilities and technical assistance necessary to accomplish an Automatic Message Accounting (AMA) for the retrieval of all usage from the U.S. West central office locations to include originating and terminating telephone calls for the below listed telephone numbers and for those telephone numbers associated with the listed residences. The requested dates of the Automatic Message Accounting will include 04-16-99 through 04-20-99.

Your affiant informs the Court that AMA is a process in which the telephone service provider retrieves all usage from the U.S. West central office locations to include originating and terminating telephone calls for specific telephone numbers.

Dykeman, Nathan	7973 W. Plymouth Pl., Littleton, Co.	303-933-1708

Your affiant also request subscriber information for the telephone numbers and any telephone number associated with the listed telephone numbers as well as subscriber information for the telephone numbers received as a result of the Automatic Message Accounting.

Your affiant informs the Court that as of June 1, 1999 U.S. West Communications is continuing to compile this information and as a result of the Automatic Message Accounting retrieval, thus far U.S. West Communications has been able to recover 628 telephone calls as a result of the request. The majority of these telephone calls, whether incoming or out going, appear to be from or to businesses, or appear to be from or to pager/cellular telephones, of which U.S. West Communication can only provide the name of the specific company the service was ordered through. Your affiant is aware and

has been informed by U.S. West Communications that subscriber information regarding these telephone numbers will have to be retrieved through these specific companies by the issuance of a search warrant and order.

These specific companies and telephone numbers are as follows:

**AT&T Wireless, 801 North Point Parkway, West Palm Beech, Florida**

Your affiant contacted Security Compliance Analyst, Kelly Thompson, of Air Touch Cellular who confirmed that all but three of the telephone numbers belonged to their company and they have resold the three of the telephone numbers to MCI World Communications. Kelly Thompson said that telephone numbers 303-912-3656, 303-909-9754, 303-902-0294 were resold to World Communications and they no longer had subscribers information for those numbers.

**MCI World Communications Wireless, 2553 South Colorado Blvd., Denver, Colorado**

Your affiant further requests the Court to order, the above described businesses and it's agents and employees not to reveal the existence of this Court order anyone including the subscribers until further Order of the Court and that all records concerning this Order be sealed until further Order of the Court.

JEFFERSON COUNTY COURT, JEFFERSON COUNTY, COLORADO

Investigator Robert D. Vette, being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Department, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person named herein and reviewing their written reports.

Your affiant informs the Court that on April 20, 1999 at approximately 11:15 A.M. The Jefferson County Sheriff's Department dispatch center received a call stating that there was a bomb in the area of KenCaryl and Chatfield, in Jefferson County, Colorado. Simultaneously, the dispatch center received another telephone call reporting that there was a girl "down" in the parking lot of Columbine High School, 6201 South Pierce Street, Jefferson County, Colorado. Deputies Taborsky and Miller responded to Columbine High School and observed students running from the school yelling. Taborsky and Miller also heard what they believed to be gunshots coming from inside the school and were told that by numerous students that people had been shot inside the school.

Columbine High School was cordoned off and metro area police agencies were called to assist in the investigation following the apprehension of the suspects who were later discovered to be deceased inside the building. Witness interviews immediately began by Detectives, Police Officers, and Special Agents and it was soon learned that the deceased suspects ( Eric Harris and Dylan Klebold ) were students at Columbine High School and were members of a loose knit group which called themselves the "Trench Coat Mafia" or "TCM". Furthermore, witnesses began to report seeing three shooting suspects at the school and descriptions of these suspects deviated from the descriptions of Eric Harris and Dylan Klebold.

Your affiant interviewed Christopher Morris, a student at Columbine High School. Morris admitted to being a former member of the TCM and was a founding member. Morris said that there were approximately 120 members, associates or want-a-be TCM members at Columbine High School. Chris Morris denied any involvement in the planning or attack on Columbine High School. Morris admitted being at Columbine High School the morning of April 20, 1999 attending class although left at approximately 10:15 A.M. prior to the shootings and explosions, which is his normal routine. Morris claims to have a receipt which places him away from the school at the time of the shooting. To your affiant's knowledge this receipt has not been taken into evidence at this point. Morris stated that he heard of the shootings while at a friends residence when his mother called the residence advising of the incident which she reportedly heard on the news. Your affiant informs the Court that Ashley Egeland, a student at Columbine High School, was interviewed by Detective Tim Steffes, Lakewood Police Department, who named Christopher Morris as being [REDACTED] inside the school. Your affiant informs the Court following the interview with Morris he allowed Investigators to search his bedroom for any evidence relating to the shooting incident at Columbine High School. Your affiant searched Chris Morris' bedroom and found no incriminating items, however, the computer recovered from Morris' residence has yet to be analyzed. Furthermore, Christopher Morris voluntarily provided his clothing when asked, which was later submitted into evidence. Morris reported his home address is, 5466 West Portland Drive, Littleton, Colorado, telephone number 303-972-8864.

Your affiant informs the Court that Investigator David Brooks, Jefferson County Sheriff's Office, interviewed Leiha Murphy, a Columbine High School student. Murphy told Investigator Brooks that she saw Joseph Stair standing outside the cafeteria area wearing a black trench coat as the shooting began. Investigator Don Estep interviewed Joseph Stair who reported that he was at home during at the time of the shooting with this father. Joseph Stair reported that he and his father went to the school after learning of the shooting, but got no closer than the Jefferson County library. Joseph Stair was not an enrolled student on April 20, 1999. Investigator Pat Vondenkamp interviewed Jonathon Ballard, student, who said that Joseph Stair was a member of the, TCM. Investigator Jerry Means, CBI, interviewed a witness from the cafeteria, Elisha Encinias, who reported seeing the shooting begin and saw three suspects, one former student and two current students. She heard one

of the shooting suspects say, " Joe where are you, I got three of them." Joseph Stair's last known address and telephone number are: 7097 West Frost Place, Littleton, Colorado, telephone number 303-972-4655.

Your affiant informs the Court that Special Agent Camilla Rutherford interviewed Lisa Scullin. Scullin reported that Nathan, last name unknown, was Dylan Klebold's best friend and stayed home from school the day of the shooting because he knew Klebold was preparing for something. Further investigation by Special Agent Jerry Means, of the Colorado Bureau of Investigation identified Nathan as Nathan Dykeman. Investigator Don Estep interviewed Nathan Dykeman, a student at Columbine High School, and an associate of members of the TCM, Eric Harris and Dylan Klebold. Your affiant spoke to FBI Special Agent M. Holstlaw. Holstlaw stated that during an interview with Nathan Dykeman, Dykeman said that he had not been truthful with investigators because he thought he would be blamed for the Columbine shootings. Dykeman told Agents that Harris and Klebold had been experimenting with pipe bombs for over a year. On the day of the shooting, Dykeman said that he left school at 11:20 A.M. to go home and eat lunch and when he returned was met by police barricades. Dykeman said he returned home and watched several news reports and had several telephone conversations with Klebold's father. Since those interviews were concluded Nathan Dykeman has moved to the State of Florida to finish school. Your affiant believes that recovering these telephone calls will corroborate Nathan Dykeman's interview. Your affiant informs the Court that on April 21, 1999, Special Agent William Irwin conducted a polygraph of Nathan Dykeman which disclosed that Dykeman was not being truthful when asked if he was somehow involved in the shooting or had helped in planning of the attack on Columbine High School. On April 20, 1999, Nathan Dykeman was living at, 7973 West Plymouth Place, Littleton, Colorado, telephone number 303-933-1708.

Based upon these facts Jefferson County District Court Judge Henry Nieto signed a search warrant and order to be issued to U.S. West Communications, 1801 California Street, Denver, Colorado to provide the following information:

All information, facilities and technical assistance necessary to accomplish an Automatic Message Accounting (AMA) for the retrieval of all usage from the U.S. West central office locations to include originating and terminating telephone calls for the below listed telephone numbers and for those telephone numbers associated with the listed residences. The requested dates of the Automatic Message Accounting will include 04-16-99 through 04-20-99.

Your affiant informs the Court that AMA is a process in which the telephone service provider retrieves all usage from the U.S. West central office locations to include originating and terminating telephone calls for specific telephone numbers.

Dykeman, Nathan	7973 W. Plymouth Pl., Littleton, Co.	303-933-1708
Harris, Eric	[REDACTED] S. Reed St., Littleton, Co.	303-762-1212
Klebold, Dylan	[REDACTED] Cougar Rd., Littleton, Co.	303-972-1131
Morris, Christopher	5466 W. Portland Drive, Littleton, Co.	303-972-8864
Stair, Joseph	7097 W. Frost Place, Littleton, Co.	303-972-4655

Your affiant also request subscriber information for the telephone numbers and any telephone number associated with the listed telephone numbers as well as subscriber information for the telephone numbers received as a result of the Automatic Message Accounting.

Your affiant informs the Court that as of June 1, 1999 U.S. West Communications was continuing to compile this information and as a result of the Automatic Message Accounting retrieval, and to date U.S. West Communications has been able to recover 628 telephone calls as a result of the request. The majority of these telephone calls, whether incoming or out going, appear to be from or to businesses, or appear to be from or to pager/cellular telephones, of which U.S. West Communication can only provide the name of the specific company the service was ordered through. Your affiant is aware and

has been informed by U.S. West Communications that subscriber information regarding these telephone numbers will have to be retrieved through these specific companies by the issuance of a search warrant and order.

Based upon this information the Honorable Judge Nieto signed a search warrant for the following businesses:

**AT&T Wireless, 801 North Point Parkway, West Palm Beech, Florida**

303-638-5526, 303-898-8399, 303-808-0420, 303-601-2534, 303-883-3738, 303-638-5526,

Your affiant contacted security officials from AT&T Wireless who advised that all of the telephone numbers provided belonged to their company and a search warrant would be needed to release the subscriber information.

Your affiant contacted Security Compliance Analyst, Kelly Thompson, of Air Touch Cellular who confirmed that all but three of the telephone numbers belonged to their company and they have resold the three of the telephone numbers to MCI World Communications. Kelly Thompson said that telephone numbers 303-912-3656, 303-909-9754, 303-902-0294 were resold to World Communications and they no longer had subscribers information for those numbers.

**MCI World Communications Wireless, 2553 South Colorado Blvd., Denver, Colorado**

303-912-3656, 303-909-9754, 303-902-0294.

Your affiant contacted MCI World Communications who advised that the above three telephone numbers belonged to their company and a search warrant would be needed to release the subscriber information. MCI officials did advise your affiant that two of the telephone numbers were related accounts.

Your affiant contacted Arch Communications regarding pager number 303-201-9669 and the subscriber information. Officials at Arch Communications advised the pager number provided was resold to another company named Spice Communications and that company held all the pager subscriber records.

Spice Communications, 4214 East Colfax Avenue, Denver, Colorado 80204  
303-201-9669.

Your affiant informs the Court that on July 27, 1999 your affiant received information from Investigator S. Luciano, "Rapid Start Coordinator", for the Columbine Task Force investigating the Columbine High School Shooting. Investigator Luciano advised that an investigative lead was recovered which he requested your affiant follow up on. It should be noted that "Rapid Start" is a computer based program developed by the Federal Bureau of Investigation (FBI) which tracks investigative leads in criminal investigations. Investigator Luciano advised your affiant that the lead pertained to a telephone calling card which was recovered from Eric Harris. The lead also indicated to evaluate the phone card for telephone records.

Your affiant informs the Court on July 28, 1999 your affiant contacted Investigator K. Battan, of the Jefferson County Sheriff's Department inquiring about the telephone calling card. Investigator Battan advised that on April 22, 1999, Investigator L. Lock who was at the Jefferson County Coroners Office collecting evidence prior to the autopsy being conducting on Eric Harris, recovered a wallet from Eric Harris' pant pocket ( Exhibit # 8713 ). During the inventory of the wallet an AT&T Calling in the name of Eric Harris, Account Number # 848 030 6989 5124 was recovered. Your affiant contacted AT&T Security and asked if this was a prepaid card. Your affiant also asked for any subscribers or the amount of use and type of usage on the calling card. AT&T advised that the Denver AT&T office maintained the records for the specific account although they would need a subpoena or search warrant to provide any information to your affiant.

Your affiant informs the Court that on July 28, 1999 your affiant telephoned Sergeant R. West of the Jefferson County Sheriff's Department to inquire about an alleged diary that was found of Eric Harris' during the search of the Harris' residence. Sergeant West confirmed that a diary was recovered and has been identified as Eric Harris'. Sergeant West told your affiant that Investigator K. Battan has reviewed the diary which indicated that the Columbine High School shooting was being planned in excess of one year prior to the actual shooting. Sergeant West also stated that Chris Morris, Nathan Dykeman and Joseph Stair have not been fully eliminated as co-conspirators in the case.

Based upon this information your affiant believes potential witnesses and/or co-conspirators maybe identified from obtaining the telephone records pertaining to this AT&T calling card. Therefore, your affiant respectfully requests a search warrant be directed to, AT&T Corporation, C/O C.T. Corporation Systems, 1675 Broadway, Denver, Colorado 80202 for the following information:

Any and all Records for AT&T Calling Card Account 848 030 6989 5124, in the name of Eric Harris, including but not limited to, application forms, telephone numbers called or received, the dates and times the telephone calls were made or received. Any third party call numbers and subscribers for all of the telephone numbers listed or billed to the account. Any copies of the bills and any associated AT&T calling card accounts for the last eighteen months. Also verify whether this account is a prepaid or billed account.

Your affiant further requests the Court Order AT&T Corporation and C.T. Corporation Systems

Your affiant also requests this search warrant be sealed to protect the persons named herein until further order of the Court.

## COURT, JEFFERSON COUNTY, COLORADO

being duly sworn upon oath says:

Investigator Kate Battan,

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:20 a.m., Jefferson County Sheriff's Office Dispatch received a call stating that there was a bomb in the area of Ken Caryl and Chatfield, County of Jefferson, State of Colorado. At the same time Dispatch received another call reporting that there was a girl "down" in the parking lot at Columbine High School. Deputy Paul Magor was dispatched at 11:16 a.m. to the bomb, and Deputies Scott Taborsky and Eric Miller were dispatched to Columbine High School, 6201 South Pierce Street, County of Jefferson, State of Colorado. Upon their arrival, Deputies Taborsky and Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school. Your affiant subsequently learned that fifteen individuals with gunshot wounds were killed inside Columbine High School, as well as about twenty-five individuals injured. Two of the dead were identified as Eric Harris, dob 040981 and Dylan Klebold, 091181.

Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Alejandra Marsh, a student of Columbine High School. Marsh stated that she had been in class in Columbine High School, when she heard shooting. Marsh went to the corridor where she saw Dylan Klebold and a male known to her as "Reb." Marsh stated that both "Reb" and Dylan Klebold were wearing black pants and full length black dusters. Marsh saw that Dylan Klebold was carrying a rifle type weapon at waist height and was firing down the hall.

Your Affiant interviewed Wade Alan Frank, a student of Columbine High School, who stated that about 11:30 a.m., lunch time, he was in the parking lot of Columbine High School with Tyler Jackman, when he heard gunshots inside the school. Wade Frank saw a male wearing a long black trench coat at the top of the stairs at the entrance to Columbine High School. Wade Frank mentioned to Jackman that he thought it was [REDACTED]. Jackman told Frank it was Dylan Klebold. The male in the trench coat was also wearing a black hat, possibly a baseball hat backwards or a ski mask. Wade Frank saw the male walk down the stairs, approach a male lying face down at the bottom of the stairs, and shoot a sawed off shotgun into his back. Wade Frank saw the male throw a white PVC pipe bomb, which exploded. Wade Frank saw the male walk to the top of the stairs, where there was a second male dressed the same.

Investigator Art Peterson interviewed Columbine High School student John Savage. Savage stated that during the shooting he was hiding under a table in the library. He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killing people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

Investigator Mike Heylin of the Jefferson County District Attorney's Office stated that he had been contacted by Randy and Judy Brown, parents of Brooks Brown, in early 1998. The Brown's told Investigator Heylin that Eric Harris, who attends Columbin

being duly sworn upon oath says:

Investigator Kate Battan,

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

High School with Brooks Brown, had been harassing and threatening Brooks Brown. Randy and Judy Brown told Investigator Heylin that Eric Harris belonged to a "black trench coat gang" and had a web site reference murder and killing. They provided Investigator Heylin with possible web site addresses of [HTTP://members.aol.com/rebdomine/index.html](http://members.aol.com/rebdomine/index.html) or <http://members.aol.com/rebdoomer/index.html>.

Investigator Cheryl Zimmerman discovered a report made to the Jefferson County Sheriff's Office on March 18, 1998, 98-5504, by Randy Brown. Randy Brown stated that Eric Harris was making death threats towards his son, Brooks Brown. Randy Brown provided ten pages of material copied from Eric Harris' web page to Deputy Mark Miller. One of the printouts reads, "Wie gehts. Well all you people out there can just kiss my ass and die. From now on, I dont give a fuck what almost any of you mutha fuckas have to say, unless I respect you which is highly unlikely. but for those of you who happen to know me and know that I respect you may peace be with you and dont be in my line of fire. for the rest of you, you all better fucking hide in your houses because im comin for EVERYONE soon, and I WILL be armed to the fuckin teeth and I WILL shoot to kill and I WILL fucking KILL EVERYTHING! No I am not crazy, crazy is just a word, to me it has no meaning, everyone is different, but most of you fuckheads out there in socieity, going to your everyday fucking jobs and doing your everyday routine shitty things, I say fuck you and die. if you got a problem with my thoughts, come tell me and ill kill you, because.....god damnnit, DEAD PEOPLE DONT ARGUE!" Another page has an entry which states, "I will rig up explosives all over a town and detonate each one of them at will after I mow down a whole fucking area full of you snotty ass rich mother fucking high strung godlike attitude having worthless pieces of shit whores. I dont care if I live or die in the shootout. all I want to do is kill and injure as many of you pricks as I can, especially a few people Like brooks brown." Randy Brown told Deputy Miller that Eric Harris is also known as "Reb." Randy Brown stated that Harris also has an acquaintance by the name of Dylan Klebold, who is also known as "Vodka."

Investigator Ralph Gallegos interviewed Christopher Morris, who stated that he used to be part of TCM, Trench Coat Mafia. Morris told Investigator Gallegos he believed the people inside Columbine High School doing the shooting were Dylan Klebold, Eric Harris, and [REDACTED]. Christopher Morris stated that Eric Harris also goes by "Reb." Morris said, two weeks ago Eric Harris had been picked on by "Jocks" at Columbine High School. Following this incident, while at Dylan Klebold's house, Harris told Christopher Morris, "Wouldn't it be nice to kill jocks." Christopher Morris said while this conversation was taking place, they were reading books about Nazi's and discussed cutting the power to the school and placing PVC bombs with screws inside at the doors of the school.

On April 27, 1999, Agent Charles E. Davis of the Colorado Bureau of Investigation, Computer Crime Investigations Unit, conducted a cursory analysis of two computer systems located in the Tech Lab of the Columbine High School. Agent Davis specifically examined these computers as a result from a lead from Terry Lawson, a student at Columbine High School. Lawson spoke with Agent Rick Griffith of the Colorado Bureau of Investigation, and stated that he (Lawson) had seen a computerized movie of students enacting a shooting. This movie was located by Agent Chuck Davis on a computer that is connected to a scanner. Agent Davis found that there is only one scanner in the Tech Lab, however, two computers are to the immediate right of the computer and the scanner is connected to both. All of the computer systems in the Tech Lab are in an open area accessible to anyone entering the Lab. Although the systems are connected to a network that requires a password for access to the mail server, the local storage on each of the computers hard disk drives are open to anyone who sits down at the system. This was verified by Rich Long, an instructor at the Tech Lab at Columbine High School.

## COURT, JEFFERSON COUNTY, COLORADO

being duly sworn upon oath says:

Investigator Kate Battan,

at the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

During an examination of the computer to the right of the scanner, and on the same table, Agent Davis found several computerized movies in the AVI format. These movies depicted what appears to be a movie of Dylan Klebold jumping into a car as the car sped away down a street. This computer system was seized and taken into evidence. During an examination of the computer system to the right of the scanner, but on a separate table, Agent Davis found a lengthy (in excess of 12 minutes) computerized video in which several students enacted a shooting incident at a business. A sticker on a television monitor next to this computer read "REB" and a sticker on a videotape recorder under the television monitor read "VODKA." This computer system was also seized. Agent Davis examined each system in the Tech Lab, all of which were of immediate access to anyone who entered the Tech Lab, but found no additional computerized movies.

On April 28, 1999, Agent Davis spoke with Rich Long, a teacher at Columbine High School who was in charge of the Tech Lab. Located in Long's office were four computer servers that run the network at the school. Long explained that one server was the system that contained the user files that the students had access to, using user log ins and passwords, and that each student potentially had a set of files on the server. All servers were safely shut down and secured, and the student server was seized as evidence without examination.

Based upon the aforementioned information, your affiant respectfully requests that the court issue a search warrant for the student server, located at The Colorado Bureau of Investigation, 690 Kipling Street, County of Jefferson, State of Colorado, described as:

A Dell Poweredge Server 4200, model #SME, serial #C0F8C

For the purpose of searching for the following:

Any and all access records with associated time and date of access to the below accounts, User Profiles, billing records, customer statements, invoices, or other correspondence associated with the accounts of Eric Harris; Dylan Klebold; [REDACTED] and [REDACTED]

Any and all electronic mail, e-mail file attachments, read, unread, saved or forwarded e-mail, or any other type of e-mail file associated with the accounts of Eric Harris; Dylan Klebold; [REDACTED]; and [REDACTED]

Any and all user files, saved files, signature files, e-mail address list files, newsgroup subscription files, or any other file currently stored by or for the use of the accounts of Eric Harris; Dylan Klebold; [REDACTED]; and [REDACTED].

Your affiant further requests that this affidavit and warrants or orders resulting from this affidavit be sealed by the court to preserve the integrity of the on-going criminal investigation.

On May 11, 1999 I appeared before you with a search warrant and affidavit regarding the search of a Dell Poweredge Server 4200, model SME, serial number C0F8C, computer system. You signed the warrant which was subsequently filed with the clerk and assigned number 4297.

On May 17, 1999, Colorado Bureau of Investigations Agent Charles Davis informed me that he would be unable to search the contents of the computer within ten days from the date of the warrant. Agent Davis explained that in order to properly examine the computer, an exact copy of the data must be made on a separate hard drive which is then analyzed. This insures that the original hard drive on the computer is not tampered with or damaged. Agent Davis further explained that the hard drives needed for this computer are not common and must be special ordered. The estimated delivery of the hard drives is two weeks, barring any unforeseen delays or back orders.

For these reasons, I would like to request a 60 day extension on the service and return for this warrant.

Investigator Kate Battan.

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:20 a.m., Jefferson County Sheriff's Office Dispatch received a call stating that there was a bomb in the area of Ken Caryl and Chatfield, County of Jefferson, State of Colorado. At the same time Dispatch received another call reporting that there was a girl "down" in the parking lot at Columbine High School. Deputy Paul Magor was dispatched at 11:16 a.m. to the bomb, and Deputies Scott Taborsky and Eric Miller were dispatched to Columbine High School, 6201 South Pierce Street, County of Jefferson, State of Colorado. Upon their arrival, Deputies Taborsky and Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school. Your affiant subsequently learned that fifteen individuals with gunshot wounds were killed inside Columbine High School, as well as about twenty-five individuals injured. Two of the dead were identified as Eric Harris, dob 040981 and Dylan Klebold, 091181.

Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Alejandra Marsh, a student of Columbine High School. Marsh stated that she had been in class in Columbine High School, when she heard shooting. Marsh went to the corridor where she saw Dylan Klebold and a male known to her as "Reb." Marsh stated that both "Reb" and Dylan Klebold were wearing black pants and full length black dusters. Marsh saw that Dylan Klebold was carrying a rifle type weapon at waist height and was firing down the hall.

Your Affiant interviewed Wade Alan Frank, a student of Columbine High School, who stated that about 11:30 a.m., lunch time, he was in the parking lot of Columbine High School with Tyler Jackman, when he heard gunshots inside the school. Wade Frank saw a male wearing a long black trench coat at the top of the stairs at the entrance to Columbine High School. Wade Frank mentioned to Jackman that he thought it was [REDACTED] Jackman told Frank it was Dylan Klebold. The male in the trench coat was also wearing a black hat, possibly a baseball hat backwards or a ski mask. Wade Frank saw the male walk down the stairs, approach a male lying face down at the bottom of the stairs, and shoot a sawed off shotgun into his back. Wade Frank saw the male throw a white PVC pipe bomb, which exploded. Wade Frank saw the male walk to the top of the stairs, where there was a second male dressed the same.

Investigator Art Peterson interviewed Columbine High School student John Savage. Savage stated that during the shooting he was hiding under a table in the library. He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killing people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

Investigator Mike Heylin of the Jefferson County District Attorney's Office stated that he had been contacted by Randy and Jud Brown, parents of Brooks Brown, in early 1998. The Brown's told Investigator Heylin that Eric Harris, who attends Columbin

High School with Brooks Brown, had been harassing and threatening Brooks Brown. Randy and Judy Brown told Investigator Heylin that Eric Harris belonged to a "black trench coat gang" and had a web site reference murder and killing. They provided Investigator Heylin with possible web site addresses of [HTTP://members.aol.com/rebdomine/index.html](http://members.aol.com/rebdomine/index.html) or <http://members.aol.com/rebdoomer/index.html>.

Investigator Cheryl Zimmerman discovered a report made to the Jefferson County Sheriff's Office on March 18, 1998, 98-5504, by Randy Brown. Randy Brown stated that Eric Harris was making death threats towards his son, Brooks Brown. Randy Brown provided ten pages of material copied from Eric Harris' web page to Deputy Mark Miller. One of the printouts reads, "Wie gehts. Well all you people out there can just kiss my ass and die. From now on, I dont give a fuck what almost any of you mutha fuckas have to say, unless I respect you which is highly unlikely. but for those of you who happen to know me and know that I respect you may peace be with you and dont be in my line of fire. for the rest of you, you all better fucking hide in your houses because im comin for EVERYONE soon, and I WILL be armed to the fuckin teeth and I WILL shoot to kill and I WILL fucking KILL EVERYTHING! Another page has an entry which states, "I will rig up explosives all over a town and detonate each one of them at will after I mow down a whole fucking area full of you snotty ass rich mother fucking high strung godlike attitude having worthless pieces of shit whores. I dont care if I live or die in the shootout, all I want to do is kill and injure as many of you pricks as I can, especially a few people Like brooks brown." Randy Brown told Deputy Miller that Eric Harris is also known as "Reb." Randy Brown stated that Harris also has an acquaintance by the name of Dylan Klebold, who is also known as "Vodka."

Investigator Ralph Gallegos interviewed Christopher Morris, who stated that he used to be part of TCM, Trench Coat Mafia. Morris told Investigator Gallegos he believed the people inside Columbine High School doing the shooting were Dylan Klebold, Eric Harris, and [REDACTED]. Christopher Morris stated that Eric Harris also goes by "Reb." Morris said, two weeks ago Eric Harris had been picked on by "Jocks" at Columbine High School. Following this incident, while at Dylan Klebold's house, Harris told Christopher Morris, "Wouldn't it be nice to kill jocks." Christopher Morris said while this conversation was taking place, they were reading books about Nazi's and discussed cutting the power to the school and placing PVC bombs with screws inside at the doors of the school.

On April 27, 1999, Agent Charles E. Davis of the Colorado Bureau of Investigation, Computer Crime Investigations Unit, conducted a cursory analysis of two computer systems located in the Tech Lab of the Columbine High School. Agent Davis specifically examined these computers as a result from a lead from Terry Lawson, a student at Columbine High School. INVESTIGATOR KATE BATTAN,

being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Investigator Art Peterson interviewed Columbine High School student John Savage. Savage stated that during the shooting he was hiding under a table in the library. He recognized Eric Harris and Dylan Klebold, both wearing black. Dylan Klebold pointed a black handgun under the table at Savage. Savage said, "What are you doing?" Dylan responded, "We're out killing people." Klebold told Savage to identify himself and Savage responded, "It's John." Savage then asked, "Are you going to kill me?" Klebold responded, "No, run, just get out of here."

On April 20, 1999, Jefferson County Sheriff's Investigator Cheryl Zimmerman obtained search warrants for the residences of Dylan Klebold and Eric Harris. Investigator Zimmerman recovered several list of names to include a "shit list" which had the name of [REDACTED], who was in fact one of the injured students. Investigator Zimmerman also reviewed video tapes from Eric Harris's bedroom. During one of the videos Eric Harris and Dylan Klebold discuss their philosophies and specifically comment on [REDACTED] and [REDACTED] referring to them as [REDACTED] and specifically makes references to "shooting them in the head". It is unknown if Harris was referring to [REDACTED], one of the decedents, and [REDACTED], one of the injured.

Investigator Mike Heylin of the Jefferson County District Attorney's Office stated that he had been contacted by Randy and Judy Brown, parents of Brooks Brown, in early 1998. The Browns told Investigator Heylin that Eric Harris, who attends Columbine High School with Brooks Brown, had been harassing and threatening Brooks Brown. Randy and Judy Brown told Investigator Heylin that Eric Harris belonged to a "black trench coat gang" and had a web site reference murder and killing. They provided Investigator Heylin with possible web site addresses of [HTTP://members.aol.com/rebdomine/index.html](http://members.aol.com/rebdomine/index.html) or <http://members.aol.com/rebdoomer/index.html>.

Investigator Cheryl Zimmerman discovered a report made to the Jefferson County Sheriff's Office on March 18, 1998, 98-5504, by Randy Brown. Randy Brown stated that Eric Harris was making death threats towards his son, Brooks Brown. Randy Brown provided ten pages of material copied from Eric Harris' web page to Deputy Mark Miller. One of the printouts reads, "Wie gehts. Well all you people out there can just kiss my ass and die. From now on, I don't give a fuck what almost any of you mutha fuckas have to say, unless I respect you which is highly unlikely. but for those of you who happen to know me and know that I respect you may peace be with you and don't be in my line of fire. for the rest of you, you all better fucking hide in your houses because im comin for EVERYONE soon, and I WILL be armed to the fuckin teeth and I WILL shoot to kill and I WILL fucking KILL EVERYTHING! Another page has an entry which states, "I will rig up explosives all over a town and detonate each one of them a will after I mow down a whole fucking area full of you snotty ass rich mother fucking high strung godlike attitude havin worthless pieces of shit whores. I don't care if I live or die in the shootout, all I want to do is kill and injure as many of you prick as I can, especially a few people Like brooks brown." Randy Brown told Deputy Miller that Eric Harris is also known as "Reb." Randy Brown stated that Harris also has an acquaintance by the name of Dylan Klebold, who is also known as "Vodka."

Investigator Ralph Gallegos interviewed Christopher Morris, who stated that he used to be part of TCM, Trench Coat Mafi. Morris told Investigator Gallegos he believed the people inside Columbine High School doing the shooting were Dylan Klebold, Eric Harris, and [REDACTED]. told Christopher Morris, "Wouldn't it be nice to kill jocks." Christopher Morris said while this conversation was taking place, they were reading books about Nazi's and discussed cutting the power to the school and placing PVC bombs with screws inside at the doors of the school.

On April 27, 1999, Agent Charles E. Davis of the Colorado Bureau of Investigation, Computer Crime Investigations Unit, conducted a cursory analysis of two computer systems located in the Tech Lab of the Columbine High School. Agent Davis specifically examined these computers as a result from a lead from Terry Lawson, a student at Columbine High School. Lawson spoke with Agent Rick Griffith of the Colorado Bureau of Investigation, and stated that he (Lawson) had seen a computerized movie of students enacting a shooting. This movie was located by Agent Chuck Davis on a computer that is connected to a scanner. Agent Davis found that there is only one scanner in the Tech Lab, however, two computers are to the immediate right of the computer and the scanner is connected to both. All of the computer systems in the Tech Lab are in an open area accessible to anyone entering the Lab. Although the systems are connected to a network that requires a password for access to the main server, the local storage on each of the computers hard disk drives are open to anyone who sits down at the system. This was verified by Rich Long, an instructor at the Tech Lab at Columbine High School.

During an examination of the computer to the right of the scanner, and on the same table, Agent Davis found several computerized movies in the AVI format. These movies depicted what appears to be a movie of Dylan Klebold jumping into a car as the car sped away down a street. This computer system was seized and taken into evidence. During an examination of the computer system to the right of the scanner, but on a separate table, Agent Davis found a lengthy (in excess of 12 minutes) computerized video in which several students enacted a shooting incident at a business. A sticker on a television monitor next to this computer read "REB" and a sticker on a videotape recorder under the television monitor read "VODKA." This computer system was also seized. Agent Davis examined each system in the Tech Lab, all of which were of immediate access to anyone who entered the Tech Lab, but found no additional computerized movies.

On April 20, 1999, Jefferson County District Attorney Investigator George Mumma interviewed Eric Veik, a student at Columbine High School. Veik said that he had helped several members of the "Trench Coat Mafia" (TCM) make video movies which depict shooting with plastic guns and other violent acts. Veik estimated that there are fifteen members of the TCM, and specifically named Eric Harris and Dylan Klebold.

On April 23, 1999, Alcohol, Tobacco and Firearms Agent Jon Mitchell and Federal Bureau of Investigations Agent Paulett Brundage interviewed Nathan Dykeman dob/12-15-80 who is a friend of Eric Harris and Dylan Klebold. Dykeman denied an involvement or knowledge of the shootings at Columbine High School. Dykeman did tell Agents Mitchell and Brundage that in the fall of 1997, he and Christopher Morris were behind the Blackjack Pizza when Harris and Klebold exploded a CO Cartridge devise.

On April 23, 1999, Federal Bureau of Investigations Agent Richard Price interviewed Sydney Jo Keating who is the Camp Supervisor for Columbine High School. Keating's responsibilities include the safety and security of the students. Agent Price asked Keating to name the friends and associates of Eric Harris and Dylan Klebold as well as friends and associates of the Trench Coat Mafia. Keating named Zachary Heckler, Christopher Morris, Brooks Brown, Eric Dutro, Patrick McDuffee, Joe Sta Chantel Berry, Brian Sargent, Eric Ault, Pauline Colby and Nicole Markham.

INVESTIGATOR KATE BATTAN,

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

During the investigation of the Columbine High School shooting, a portion of the task force has focused on the friends and associates of Eric Harris and Dylan Klebold in an attempt to learn the motive behind the shootings. Additionally, your affiant is attempting to discover any involvement or prior knowledge of the actions of Harris and Klebold by their friends and associates. Your affiant further believes that school records, to include discipline and attendance records, of the friends and associates of Harris and Klebold as well as the victims and injured students may provide information and links to Harris and Klebold. Investigators of the Columbine Task Force have identified the following Columbine High School students and former students as being associates of Harris and Klebold: Eric Ault, Josh Barnes, John Beachem, Thaddeus Boles, David Caravan, Eric Dutro, Nate Dykeman, Cory Friesen, Michael Hardesty, Zach Heckler, Jeremiah (Hiss) Hess, Eric Jackson, Patrick McDuffee, Chris Morris, Robert Perry, Charles "Chuck" Phillips, Horst Rossmueller, Brian Sargent, John Savage, Joe Stair, Andy Thomas, Eric Veik, Robyn Anderson, Chantel Beery, Brooks Brown, Pauline Colby, Kristi Epling, Brian Ford, Dustin Gorton, Kirsta Hanley, Nicole Markham, Alejandre "Alex" Marsh, Alyssa Sechler, Kirsten Theihault, Chris Tibaldo.

On May 14, 1999, your affiant met with Jefferson County Public Schools Area Administrator Barbara Monseu and Susan Schermerhorn, an attorney representing Jefferson County Public Schools. Your affiant asked for Columbine High School student records to include disciplinary records, attendance records and any other student data which could assist in this investigation. Susan Schermerhorn indicated that all those records would be made available to the Jefferson County Sheriff's Office if a warrant was served on the Jefferson County Public Schools. Schermerhorn further indicated that some of these records are stored at the administrative offices located at 1829 Denver West Drive, Building #27 and the remaining records are stored at Columbine High School located at 6201 South Pierce Street.

Barbara Monseu told your affiant that the following records would provide all information regarding student records: Discipline and attendance records, student accumulative records folders, special needs files and student data information. Monseu indicated that some of these records are located on computer using the SASI (School Administration Student Information) and OSIRIS Computer systems.

Based upon the aforementioned information, your affiant respectfully requests that the court issue a search warrant for the **BUSINESS RECORDS** located at 6201 South Pierce Street and 1829 Denver West Drive, Building 27, County of Jefferson State of Colorado, described as:

**Jefferson County Public Schools, 1829 Denver West Drive, Building 27, Golden, County of Jefferson, State of Colorado and Columbine High School, 6201 South Pierce Street, County of Jefferson, State of Colorado.**

## COURT, JEFFERSON COUNTY, COLORADO

Investigator Kate Battan,

being duly sworn upon oath says:

That the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Your affiant is of lawful age and a sworn peace officer of the Jefferson County Sheriff's Office, Golden, Colorado, in the County of Jefferson.

Your affiant states that the following facts are true and based upon his/her personal knowledge, as a result of his/her conversations with the person(s) named herein and reviewing their written reports.

On April 20, 1999, at about 11:20 a.m., Jefferson County Sheriff's Dispatch received a 9-1-1 call reporting that there was a shooting in the parking lot at Columbine High School located at 6201 South Pierce Street, County of Jefferson, State of Colorado.

Upon arrival, Jefferson County Sheriff's Deputies Scott Taborsky and Eric Miller observed numerous students who were yelling and screaming as they ran out of the school. Deputies Taborsky and Miller also heard what they believed to be gunshots coming from inside the school. Deputies Taborsky and Miller were told by numerous students that people had been shot inside the school.

Your affiant subsequently learned that 15 individuals were killed within Columbine High School during the incident as the result of gunshot wounds. Your affiant further learned that two of the decedents, Dylan Benner Klebold, dob/09-11-81, and Eric David Harris, dob/04-09-81, were suspected of shooting 13 decedents, and had injured approximately 25 other students.

On April 20, 1999, Jefferson County Sheriff's Investigator Ralph Gallegos interviewed Christopher Morris, dob/06-09-81, shortly after the shootings at Columbine High School. Christopher Morris told Investigator Gallegos that he used to be part of the "Trench Coat Mafia" (TCM), and that he believed the people inside of Columbine High School doing the shooting were Dylan Klebold, Eric Harris, and [REDACTED]. Morris said Klebold, Harris and Perry are also members of the Trench Coat Mafia. Christopher Morris further told Investigator Gallegos that Eric Harris goes by the name of "Reb." Morris told Investigator Gallegos that two weeks prior to April 20, 1999 Eric Harris had been picked on by "jocks" at Columbine High School. Shortly after this incident, Christopher Morris was at Dylan Klebold's house with Eric Harris and Harris said, "Wouldn't it be nice to kill jocks?"

On April 22, 1999, Federal Bureau of Investigations Special Agents Jack McGrath and Paulette Brundage interviewed Christopher Morris, who again admitted to being an associate of Eric Harris and Dylan Klebold. Special Agents McGrath and Brundage asked Morris where he was at the time of the shootings on April 20, 1999, and he advised that he was at Cory Friesen's house playing a video game. Morris said that he and Friesen had gone to a Video City store located at West Jewell Avenue and South Kipling Street on the evening of April 19, 1999 and had talked to Charles Phillips, an employee of the store, who both he and Friesen knew. Morris said that Friesen had rented a computer game and that it was this game which he and Friesen were playing at Friesen's house during the time of the shootings at Columbine High School. Christopher Morris has denied any involvement or knowledge in the Columbine shooting and has denied being at Columbine High School during the time of the shootings. Christopher Morris asserts that he was at Friesen's home playing a computer game.

On April 27, 1999, Federal Bureau of Investigations Special Agent Matthew Harris interviewed Columbine High School student Christopher Wisher, dob/03-19-83. Wisher told Special Agent Matthew Harris that he was in the parking lot of Columbine High School on April 20, 1999, at about 11:15 a.m., and heard a sound like fireworks going off. Wisher told Special Agent Harris that he saw a white male dressed in black, wearing a trench coat, outside of the cafeteria, who shot at three students with a shotgun.

Investigator Kate Battan,

being duly sworn upon oath says:

that the foregoing offense(s) alleged was committed of this affiant's own personal knowledge, and the facts stated therein are true.

Wisher told Special Agent Harris that he thought the male might be Chris Morris.

On May 6, 1999, West Metro Fire Department Investigator Dan Pfannenstiel interviewed Ashley Egeland, dob/11-20-83, who is a student at Columbine High School. Egeland said that on April 20, 1999, at about 11:10 a.m., she was in the gym class when she heard an unknown student yell that "someone was coming with a gun." Ashley told Investigator Pfannenstiel that she ran to the main hall that runs east/west in Columbine High School and saw "two gunmen." Ashley Egeland further told Investigator Pfannenstiel that the first male was carrying a long gun and was shooting at doors and lockers. Egeland recognized this gunman as Eric Harris. Ashley told Investigator Pfannenstiel that she saw the second gunman who had a black gun in his left hand and was also shooting his gun. Ashley Egeland said that she recognized this person as [REDACTED]. Investigator Pfannenstiel further questioned Ashley Egeland about the identification of the second gunman and she indicated that she was 99.9% sure it was [REDACTED] and that it was "definitely not Dylan Klebold."

On May 10, 1999, Denver Police Department Detective Jeffrey Ruetz and Denver Police Department Sergeant Ernie Martinez responded to the Video City store located at 11068 West Jewell Avenue, #C-6, City of Lakewood, County of Jefferson, State of Colorado, and contacted John Heim, the owner and President of the store. Detective Ruetz was attempting to confirm Christopher Morris' alibi and obtain information and records regarding the alleged video game which was rented on April 19, 1999 by Cory Friesen and Christopher Morris. Heim confirmed that Cory Friesen had an account established at the store, but refused to disclose any details concerning the account or any transactions posted against it. Heim also refused to confirm or deny whether or no Charles Phillips was working at the store on the evening of April 19, 1999. Heim would not provide any information which would confirm or deny Morris' alibi.

Based upon the aforementioned information, your affiant respectfully requests that the court issue a search warrant for the rent records of Cory Friesen's and employment and attendance records for the employees of Video City located at 11068 West Jewell Avenue #C-7, City of Lakewood, County of Jefferson, State of Colorado, described as:

Any accounts which Cory Friesen or Christopher Morris are authorized to rent on.

Time cards and any other records verifying which employees were working on April 19, 1999.
