He said he will just ignore her until she gets the picture. But I told him "no. That's not gonna let her know that you made a mistake. You need to tell her the absolute truth. How you love me and how you want me, not her" and all that. And he said okay. So I told him "screenshot it and send it to me when you do it" And then I told him "but if you don't do it then that's on you. You can choose to cut her off and focus on me or you can choose her. Choose wisely because if you make the wrong choice im gone" ya know?.. So he knows what's up.. We'll see if he actually texts her tho

Like for a long time. Not days, not weeks... Months.. He's gonna have to really prove it and if he doesn't do it and if he screws up just the slightest bit, I promise I won't even give him the chance.. I'm not taking him back and I'm not gonna be his gf for a long long long time, if I even officially go back.. But I'm not. I know... I just feel so stupid for even answering..

Saylen Fryberg stood up pulled a gun aimed at the students sitting at his table, unloaded a full clip. it looked like from my view he shot Zoe Galasso, [REDACTED], Gia Soriano and Andrew Fryberg. When Saylen (the shooter) started loading another clip a teacher or staff member tackled him and he shot himself. Then I was handed my phone and told to call (911). I wasn't able to call I was helping my friends leave and run out of the lunch room. I then continued to run to the office.

[REDACTED] Okay; um, well it was a na...a normal day, everything was fine as far as I knew.
Jaylen had gotten in an altercation of...like a week earlier due to a kid being
racist towards him and he had some other problems with grades and with
relationships as well but other than that, all I knew that he was alright. Um,
today was a normal day as I said and it started out we had lunch, everything
was fine at the beginning of lunch, we all...bell rang to go to lunch, it was fine,
got our lunch and everyone sat down and everything seemed fine at...at the

table that he was sitting at with the people; he was...looked like he was having a great day, he kinda looked like, oh, he like, had like a blank face though, it was like, kinda weird but where I was sitting, I was sitting facing him so I was sitting at the table, like a long table and he was sitting at a circular...circular table with maybe six or five...five or six people at it and after [REDACTED] had talked to me about like, how his day was and what's going on, what are next period is 'cause we have 5th period together [REDACTED] walked up and we're...started talking and after [REDACTED] was talking to me, I saw Ja...we all.. [REDACTED] and I saw [REDACTED]... [REDACTED], um, Jaylen Fryberg stand up, pull out his gun, lean back against the wall and aim down at the people he was sitting with. Um, I...from my view, it looked like he was pointing or aiming left to right so he was...he shot...I think he shot a full clip. He...yeah, yeah, he shot a full clip. After that he was loading another clip, getting ready to go outside and a teacher came in with a black and white sweater and apron on, I...I think she was wearing an apron or she might've been like a...like a cafeteria lady or something; but she came in and tackled him and when she tackled him his gun came up...like she was trying to swat it away and it came up and it hit him in the jaw and that's when I thought he pulled the...pulled the trigger or I...I saw him pull the trigger but by that time I was on my way out and she gro...went to grab my phone after she got back up from being on the ground with him, she grabbed my phone and was gonna call 911 but she didn't know the password and I didn't...my hands were shaking so I couldn't get to it, so I grabbed [REDACTED] and [REDACTED] and we all ran outside, we were trying to figure out where to go and from there we basically ran to the office, [REDACTED] lost his shoes, left everything there, I left everything except for my backpack and my hat. Um, from where I was, when I...when I stood up to go run outside or to grab my phone and talk to...or saw the lady, there was blood from two students on the ground. I couldn't see Jaylen 'cause he was on the other side of the table. Um, from what I saw it looked like it was Zoe Galasso, 'cause Zoe Galasso and Andrew Fryberg are together and [REDACTED], but he sat back up so he was alright but Jaylen didn't get back up and I couldn't see anything else and then from there we went outside. I grabbed my three guys and we ran outside and ran to the office...

ADF

Okay.

Recorded Statement: [REDACTED] - SMART Case #WP14-04-Detective A. DeFola- DD100754-10/24/14

[REDACTED] ...and told 'em to call 911.

ADF And you said you were sittin' about ten feet from...from their table; who was all sitting at your table?

[REDACTED] Um, it was [REDACTED]

ADF And their last names if you...if you know 'em.

[REDACTED] Um, [REDACTED] I don't know [REDACTED] last name 'cause it's like super hard to pronounce, um, [REDACTED]. I don't know his last name 'cause I met him a few days ago, and then [REDACTED], which had just walked him 'cause I was sitting at the end of the table; and then there was a few...there was a group down... 'cause we had a longer table so there was a group down at the farther end but I can't...I can't recall who was sitting there.

ADF Okay; and then...and...and who was sitting at the table where this all happened/

[REDACTED] Um, uh, from my knowledge, it looked like there was Zoe Galasso, Andrew Fryberg, [REDACTED], Jaylen and people were saying...or I thought they were saying and I kinda noticed that Gia Soriano was there but I didn't know if she actually stayed at the table.

ADF Okay; and...and you said uh, you had looked over and you saw him take out a gun and started...where did he get that gun from?

[REDACTED] Um, I don't know; I don't know where he got the gun from.

ADF Okay, you didn't see that part. It...

[REDACTED] No, I don't...it might've been in his pants, in his jack pock...jacket pocket but I...I couldn't see where he pulled it out of.

Recorded Statement [REDACTED] SMART Case #WP14-04-Detective A. DeFolio- DD1100754-10/24/14

ADF Okay; you just happened to see the...these parents or...oh okay, mom and dad are here. I just...just for purposes since we're recording the statement, what...what's your uh, your names, folks?

MR Um, my name is Monica Reyes, I'm [REDACTED] mother.

ADF Okay.

[REDACTED] I'm [REDACTED]

ADF Okay, thank you. So you...what did the gun look like?

[REDACTED] Um, it looked like a assault...like not like an assault ri...not like a rifle, it was a pistol but it looked like a...like it was like a police pistol, like it was like, nice, like something that not like a regular person would have.

ADF Okay; can you describe it any further? Color or...

[REDACTED] Uh, well it looked...black. It was black, it was a dark color. It wasn't like a light, like tan or anything; it was black, like flat black.

ADF Okay; did you hear any conversation at that table prior to this?

[REDACTED] Um, I heard kind of like yelling and shouting back and forth but it was like, for like a second and then it stopped. I didn't hear what he said.

ADF Who was he...

LS Who was shouting?

[REDACTED] Um, it was him, it was Jaylen.

ADF Okay; how long was that before things happened?

Recorded Statement [REDACTED] -SMART Case #WP14-04-Detective A. DeFola- DD1100764-10/24/14

[REDACTED]

Um, it was a while, maybe ten minutes before maybe.

ADF

Okay; and then you didn't notice anything else different until...

[REDACTED]

No.

ADF

...you saw him stand out?

[REDACTED]

Yeah.

ADF

Yeah; um, was there uh, how well do you know Jaylen?

[REDACTED]

Um, we're relatives.

ADF

You're relatives?

[REDACTED]

Yeah.

ADF

Okay; how...how's...cousins or...

[REDACTED]

Yeah.

ADF

Okay; uh, do...how often did you interact with him?

[REDACTED]

Um, we're wrestling...we're involved and wrestling and like a family so I see him almost every day and he was part of the freshman football team so they came to our practices for the varsity football team, so we interact quite a...quite a bit.

ADF

Quite a bit? Okay; was there anything going on recently that uh, that you can think of with him or...

Recorded Statement [REDACTED] SMART Case #WP14-04-Detective A. DeFolio- DD1109754-10/24/14

[REDACTED]

Um no, just that I knew his grades were bad and he was having hub...like trouble like with his relationships and the altercation a week prior to this event.

ADF

Okay; and that person was not at school?

[REDACTED]

No.

ADF

Was uh, now how was he related or what was the relationships, whether they're family or non-family, with the people at his table?

[REDACTED]

Um, I don't know. I don't know relationships between them.

ADF

Okay.

[REDACTED]

Between family members-wise...

ADF

Okay.

[REDACTED]

...but I know that two of 'em were in a couple relationship and then there's another girl, which is Gia but I don't know if she's having a thing with either two of the other guys.

ADF

Okay; I mean, I guess also was anybody there uh, related by blood? Um...

[REDACTED]

No.

ADF

No?

[REDACTED]

Not to my...not to my knowledge.

ADF

Okay; and...and how about anybody else at your table?

[REDACTED]

Um, obviously Jaylen and I are blood but other than that, no.

Recorded Statement [REDACTED] -SMART Case #WP14-04-Detective A. DeFelo- DD1100754-10/24/14

ADF

Okay.

LS

You...you said that he was having...he had some issues with grades and with relationships; how did you know...

[REDACTED]

Yeah.

LS

...about that?

[REDACTED]

Um, well I've...I've not heard but I kinda...I confronted him about it, like how he was...like how he's been doing, "How you doing?" And he's like, "Well, I'm not doing so good. I'm kind of having trouble with my classes. I don't...I don't like going to my classes, like skipping." And the day I talked to him was, he was skipping class so...

LS

Okay, so conversations you've had with him?

[REDACTED]

Yeah.

LS

Which...what relationships, I mean, was there anything...was he dating someone or...

[REDACTED]

Yeah, yeah but...

LS

Who was he dating?

[REDACTED]

Um, something [REDACTED] I don't know her maiden...not her maiden name but um, her first name.

LS

Does she go to school with you guys?

[REDACTED]

No.

LS

Okay; where does she live?

Recorded Statement [REDACTED] SMART Case #WP14-04-Detective A. DeFelo- DD1100/754-10/24/14

[REDACTED]

Uh, I don't know.

LS

Okay; and do you know what the problems were?

[REDACTED]

No.

LS

He just said "having issues"?

[REDACTED]

Yeah.

LS

Okay.

ADF

Is the...are the [REDACTED] related to...to the Frybergs or...yeah?

[REDACTED]

Yeah.

ADF

Okay.

[REDACTED]

Yeah.

ADF

They are as well, more...more cousins and things and...okay.

LS

And he may have...I may have listed this and you've been already asked this; you said he...the um, that you were facing him, you saw him stood up and pull a gun out; where did he pull a gun out from or where was the first time you saw it?

[REDACTED]

Um, first time I saw it he was like this...

LS

Okay; so he...

[REDACTED]

...so I didn't see him pull it out.

Recorded Statement [REDACTED] SMART Case #WP14-04-Detective A. DeFola- DD1100/754-10/24/14

LS ...he was already holding it?

[REDACTED] Yeah.

LS Okay.

ADF You just indicated he was holding it out in front of him...

[REDACTED] Yeah.

ADF ...with your hand? Okay. So...maybe I misunderstood; so the...the...some of the kids at his table weren't...are not related to him?

[REDACTED] Yeah.

ADF They...they are or they are not?

[REDACTED] Um, they are not; well actually I...I don't know if Andrew or [REDACTED] are related to him; they might be but I don't...I'm...I'm pretty sure they're not.

ADF Do you know their last names?

Uh, [REDACTED] and Andrew Fryberg.

ADF Okay.

LS So there's a possibility they could be related based off of...

[REDACTED] Yeah.

LS ...names?

[REDACTED] Yeah.

Recorded Statement [REDACTED] SMART Case #WP14-04-Detective A. DeFola- DD1100754-10/24/14

LS Okay.

[REDACTED] Based off the last names, yeah, but I don't...I don't know exactly.

ADF Not necessarily family members, your folks different...

LRS Pardon?

ADF The [REDACTED] and the Frybergs, are they...are they related to your family as well or just...

LRS Yeah.

ADF ...from the other...they are, okay, okay.

LS Do you know much about the altercation with the other kid...

[REDACTED] Um...

LS ...that happened a week ago?

[REDACTED] Yeah; um, well like, it was something that had to do with the kid being racist over the beginning of the football season, like throughout the summer camps and then into the practices during the weekdays; it was...had something to do with that and then Jaylen obviously didn't have a...he didn't enjoy it so he decided to take it to his own...take it in his own hands and (inaudible) it.

LS Sounds like he put up with it for quite a while though...

[REDACTED] Yeah.

LS ...(inaudible).

ADF Okay; anything else you can think of?

Recorded Statement [REDACTED] SMART Case #WVP14-04-Detective A. DeFolio- DD1105/754-10/24/14

LS

No.

ADF

Anything you heard anybody say or...

[REDACTED]

No, I just know that he hasn't been doing well, like in general, like his person.

ADF

Okay; there's been no talk around the school about anything?

[REDACTED]

No.

ADF

Okay, okay, alright, well, so the bottom here, just go through a couple statements with ya here and then...

[REDACTED]

Okay.

ADF

...If you just want to answer these questions; so is it true that the facts stated on this tape are true and correct to the best of your knowledge?

[REDACTED]

Yes.

ADF

Okay; and that your statement is made freely, voluntarily and without threats or promises of any kind?

[REDACTED]

Yes.

ADF

Okay; and do you certify or declare under the penalty of perjury under the laws of the State of Washington that this statement is true and correct?

[REDACTED]

Yes.

ADF

Just have you sign right there.

[REDACTED]

Okay.

Detective: I'm gonna start the recording. I'm Detective Wachtveitl with Lake Stevens Police Department. It's October 24, 2014 at 18:18 hours. I'm at 510 Marine Drive Northeast, with [REDACTED] and then --

[REDACTED]
Detective: [REDACTED] with an [REDACTED]

[REDACTED]
Yes.

Detective: Okay, thank you. And what was your name?

Kristie: Kristie Parks.

Detective: How do you spell Kristie?

Kristie: K-R-I-S-T-I-E.

Detective: And [REDACTED] what's your middle initial?

[REDACTED]
Detective: And what's your birthday?

[REDACTED]
Detective: Okay. So I understand some people found out some things before lunch that maybe there was some text messages exchanged or something like that. So why don't you just start at the beginning of the day today. Is anything out of the ordinary that you remember?

[REDACTED]
No, not really. When I got to school nobody was talking about it or anything. It had originally all started at lunch, where I could -- because I don't know of anything.

Detective: Okay.

[REDACTED]
So I'm just gonna start at the lunch where I was sitting with my friend [REDACTED] and a couple others. And after I was done eating over there, I originally go sit with Jaylen and Zoe and all them. And I sat over there. And I sat right next to [REDACTED] And we were all doing fine. We were all talking about hanging out this weekend, but Jaylen was being quiet. Like, he was laughing and it looked

1877_WP1404
Detective Wachtveitl, Kristle

2

like he was totally fine. But then, out of nowhere Jay stands up and he starts digging in his backpack. And I'm just staring at him because he's right across the way from me. He pulls out a gun.

And it had like this silver, you know, like the place where you put the bullets had like a silver searing or whatever. And he starts from the left of him, which is Shaylee, and then he goes in the line. So it's Shaylee, Zoe, Andrew, [REDACTED] Gia, and then he had to reload it. And [REDACTED] the one that was sitting next to him ran out by then. And everyone that was around us was freaking out. Everyone was getting down and I just froze. I didn't know what to do. I was just staring at him. And I thought it was fake because all I felt was the air from the bullets hit my face, and I thought I was some joke.

But then, he reloads it, and I look around and, I look to my left and see Gia on the floor bleeding. And I immediately go down towards her. She's one of my best friends. And I was holding her hand and telling her that it was gonna be okay, and that I was sorry that it happened to her. And I was -- I said that I wasn't going to leave her. And then I looked over at [REDACTED] and I couldn't even stare at him for more than ten seconds because I couldn't -- I couldn't stand to see him like that, or any of them like that. And then, I just stay with Gia, and I -- I'm pretty sure it was Mrs. Silberberger or something like that.

She was telling me to get away from them, and I told her no. I was telling all these older, like teachers and stuff that I wasn't gonna leave them, and I was arguing with them, and finally I just -- I walked away and I didn't want to because I didn't want to leave them. I didn't want to. But after that, I met up with a couple of my friends that were in there, and all of us just started crying and I was freaking out. And then, Mr. Hill showed us to his room. And he kept us in this room, like no windows -- well, there was a window, but we kept clear of it. And then, we went through another door, and all of us were in there.

And that's when all of us kids started contacting our parents and telling them what was going on. And so then I called my mom and told her everything that I knew. I was just too in shock to even talk to anyone. And then, time went by and everyone was just freaking out still. And Mr. Jones showed us to a police officer, and he told us how we should run out and stay arms -- like not even arm's length, like super close with the person in front of us, to walk out

1877_WP1404
Detective Wachtveit, [REDACTED] Kristie, [REDACTED]

3

to the curb, on the projects or whatever. And then, we had to -- they said it was clear, so then we walked over to the busses and we went to the church.

And I met with my parents. But I got a call today, just a little bit ago from my friend [REDACTED] saying that -- because I thought she walked away with Jay after he shot them, but she didn't. She told me that she ran to the cashier's office because she was scared she was gonna get shot. But she said that Jay shot himself in the cafeteria, but I don't remember it. I didn't hear it. I don't know where they found him or what happened with him. I just know that he shot all my friends.

Detective:

Was there someone named [REDACTED] at the table?

Detective:

Was she there?

No. I don't believe she was.

Detective:

How do you spell the last name?

Detective:

And was the table round?

Yeah.

Detective:

Okay. So I just want to go back over who was actually at the table. So who was to the left of Jaylen?

Shaylee.

Detective:

And then left of her?

Zoe.

Detective:

Okay.

Andrew, [REDACTED] and then I was -- [REDACTED] was right there. I was right here. And then, Gia Soriano was right there.

Detective:

Okay. Did I miss somebody here?

1877_WP1404
Detective Wachtveitl, Kristle

4

[REDACTED] No.

Detective: So no one was there?

[REDACTED] No one was right there.

Detective: Okay. And so you said you saw Jaylen stand up and start reaching into his backpack?

[REDACTED] Yeah.

Detective: How long had you been at the table before this happened?

[REDACTED] Like, ten minutes. He was sitting there, and I -- I don't know why people are saying that he just came into the cafeteria and just shot everyone. He was sitting there. And he just randomly stood up and pulled out a gun in his bag and started shooting everyone.

Detective: So when lunch started, you were at another table, and then you came to this table?

[REDACTED] Yeah.

Detective: And then you were at this table for about ten minutes before it happened?

[REDACTED] Yeah, for about ten, 15 minutes, and then that happened.

Detective: Okay. So was lunch almost over then or?

[REDACTED] Yeah. Because it was a half day, we have shorter lunches.

Detective: And so you said that he started by shooting Shaylee?

[REDACTED] Shaylee, Zoe, Andrew, [REDACTED] Gia, and then he had to -- he started reloading it. And I -- and I saw people -- [REDACTED] said he was probably gonna shoot me, but then I ducked down before he could.

Detective: Okay.

[REDACTED] And then, I guess he shot himself in there, but I don't remember hearing it or anything, but I was -- I might have heard it and just don't remember.

1877_WP1404
Detective Wachtveitl, Kristie

5

Detective: Okay. So you had gotten on the floor with Gia, though?

Yeah, and I was holding her hand.

Detective: And then, after some teachers came and got you is when you left Gia?

Well, they were telling me that I needed to go, and hunch down. And I was like, "No, I'm gonna stay here. I want to stay here with them." I didn't want to leave them. My best friends, why would I ever do that? And then finally, I just had enough of it, so then I walked away and met up with my friend

Detective: And was already gone at that point, right?

was already gone at that point.

Detective: Okay. And you said you found out later that she had ran?

That she had – yeah, she had ran to the cashier's office.

just called you, right?

Yeah.

Just how long ago?

On someone's other phone because she left her phone in the cafeteria.

Kristie: So how did you know about the text to

was talking to someone on the phone and she heard about it. I guess Jay sent a text message to family – one of family members.

Detective: Is this different than

Yeah. This is Jay --

Kristie: This is Jay's ex-girlfriend.

Detective: Okay. Do you know how to spell that name?

1877_WP140d [REDACTED]
Detective Wachtvelt [REDACTED] Kristie, [REDACTED]

6

[REDACTED] [REDACTED]
Detective: And then Jaylen's ex-girlfriend you said?

[REDACTED]
That's her.

[REDACTED]
That's her, [REDACTED]

Detective: Is [REDACTED] okay.

[REDACTED]
Kristie: Yeah, her lasts name is [REDACTED]

[REDACTED]
Yeah.

Detective: Okay.

[REDACTED]
And she's from [REDACTED]

Detective: Okay. And what was the text?

[REDACTED]
It was a picture of the gun. And it said something in the words of:
tell [REDACTED] to call me or I'm going to do something I'll regret.

[REDACTED]
When was this?

[REDACTED]
I'm pretty sure it was early this morning. Because before I even
texted [REDACTED] she was already calling me.

Detective: And when did you find out about the text message?

[REDACTED]
When I was in the room with everyone, so this was after the whole
thing happened.

Detective: Okay. But before you went to the church and stuff?

[REDACTED]
Yeah.

Detective: And it was [REDACTED] that texted to you?

[REDACTED]
Well, I was on the phone with her and she told me about the
picture and what he said.

1877_WP1404
Detective Wachleit

Kristle

7

Detective: And so you don't know where Jaylen went after he was done – after you got on the floor with Gia really –

No. That's why I thought [REDACTED] went out with him was because right after I saw [REDACTED] running, I was like: okay. And then I looked for and saw Gia and I immediately fell towards Gia. So I thought they just ran off together, but I guess he shot himself, but I'm not sure if that's correct or not.

We've been watching a lot of news, and been hearing a lot of different things on Facebook and –

I don't know, it's confusing.

But her best friend is Shaylee and Gia.

Yep.

So we just really know – she wants to know.

What happened to them?

I mean, her best friend is gone.

Or anything.

Detective: Okay. I can't really answer that for you. And the reason being is I don't think they know for sure yet.

For sure, yeah.

Detective: And so, obviously when that's the case, we want to be sure and then contact that family first before we put that information out.

Yeah.

Yep.

Detective: So I – I wish I knew more and I could tell you, but just not right now. What's Shaylee's last name?

Chuckulnaskit

1877_WP140
Detective Wachtveitl, Kristie,

8

Detective: Do you know how to spell that?

[REDACTED] Mom, can you look that up?

Kristie: Yes, I will.

[REDACTED] It's super hard to spell.

Kristie: C-H-U-C-K-U-L-N-A-S-K-I-T.

Detective: Okay. And how about Zoe?

[REDACTED] Oh. I can look at that one.

Detective: Is it Z-O-E or Z-O-E-Y?

[REDACTED] Z-O-E. And then I'll get you her last name.

Detective: Okay.

[REDACTED] G-A-L-A-S-S-O.

Detective: Okay. And how about Andrew?

[REDACTED] Fryberg. F-R-Y-B-E-R-G.

Detective: And [REDACTED]

[REDACTED] [REDACTED]

Detective: And how about Gia?

[REDACTED] S-O-R-I-A-N-O.

Detective: And [REDACTED]

[REDACTED] And [REDACTED] is spelled with a [REDACTED]

Detective: So is - because Jaylen's last name is Freyberg as well, right?

[REDACTED] Yep.

Detective: So is Andrew a brother or cousin?

1877_WP1404 [REDACTED]
Detective Wachtveitl, [REDACTED] Kristie, [REDACTED]

9

Kristie: His cousin.

[REDACTED]
Detective: Okay.

Kristie: And [REDACTED] is his cousin, too. I'm a [REDACTED] so they're all my relatives.

Detective: Okay.

Kristie: Give me your phone, God.

[REDACTED]
Sorry.

[REDACTED]
What?

Kristie: Oh [REDACTED] trying to Facetime her. Look, he just wants to be all by your side now.

[REDACTED]
I know.

Detective: And you said the gun had a silver piece, like are you talking about, like the barrel, the circle part?

[REDACTED]
Yeah. Yeah, the place where you place the bullets at.

Detective: Okay. And then, was the rest of it silver as well, or do you remember?

[REDACTED]
It looked like the barrel thing was silver and the bottom was silver too, and then the rest of it was black.

Detective: Okay.

[REDACTED]
I thought it was fake. You know, like those fake guns that just make noise?

Detective: Yes,

[REDACTED]
But then, afterwards my ears were ringing and my friends were on the floor. There was blood everywhere and I started freaking out. I'm just in shock about it.

1877_WP1404
Detective Wachtschall Kristie,

10

Detective: And we were told that somebody got possibly like grazed by a bullet that had left, were you injured in any way?

[REDACTED] No, I was not. And I'm surprised I wasn't.

Kristie: Thank God.

[REDACTED] You know, after -- after it, I was -- I was all checking myself because I didn't know, because I was all alone. I didn't know what to think.

Kristie: Your adrenaline was running so much.

Detective: Did you leave -- did you like leave a bag in the cafeteria or anything like that?

[REDACTED] No. I had my backpack on me.

Detective: Okay.

Kristie: Surprisingly.

[REDACTED] I know.

Detective: Anything else you can think of that's important to know at this point? I mean, I'm more interested in what you saw or what you know firsthand. I mean, obviously like you said, there's different things on Facebook and the news stuff, so I just -- I mean, we just want to know.

[REDACTED] and Jay sort of had a thing, and when I was on the phone with her I asked her if she knew anything about what had just happened. And she said: no, she didn't.

[REDACTED] On the phone with who?

Kristie: [REDACTED]

[REDACTED] And I was -- I was like: why wouldn't he tell her anything, you know? And I don't know, but he was -- I -- people were saying, like rumors were going around that he was texting a few people before it all happened. And was like, "I'm gonna fake [REDACTED] and Andrew Freyberg's life, and then I'm gonna commit suicide." He was texting people that. And then, that he

1877_WP1404
Detective Wachtveitl, Kristie

11

was texting his family about what he wanted at his funeral. And that he was sorry and that he loved them. And that's what I know, what I've heard at least.

What was he – what were the people saying who he what's texting?

I just heard it around that people were talking in that room. When people were talking in there –

Oh, in the room you waited after the lunchroom?

Yeah. Because everyone was just talking about him.

Detective:

Okay. So do you know if he was mad at [REDACTED] or Andrew or anything?

No. I thought that if he wanted to take his own life, he would want some of his friends to come with him. That's what I thought.

Kristie:

They were all really good friends.

And do you know what's weird, is that –

They're all best friends. They played ball together. They did everything together.

Is that the two girls that he – Shaylee and Zoe, Andrew's girl was Zoe and [REDACTED] girl was Shaylee.

Detective:

Okay.

That's what I was kind of curious about.

Detective:

He was like scrounging through his backpack for a few minutes and I was just sitting there on my phone and Jaylen just stands up and started shooting and I dropped to the ground and screamed his name. He looked me dead in the eyes and I don't know how or what I just got up and ran to the cashier's office dropped to the ground and then me and the cashier went to this random room and we just stayed in there until the cops came and got us. All I know is that it was a hand gun. I had no idea about this but he was telling me and all my friends to skip and go to first touch so we all did. We literally sat at the table then he just like stood up and started shooting.

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton:

Okay, perfect. So the reason I'm here to talk to your today is about the...the shooting that occurred at the school today. Um...I know we kind of already discussed it orig...originally.

[REDACTED]

Uhum (yes).

Det. Elton:

But I'd like you to start from the beginning of the day for when you went to school and everything that happened, to everything you saw. Try to be as detailed as possible.

[REDACTED]

Kay.

Det. Elton:

Um...try to kind of talk slowly, and kind of talk loud so we can...so the audio can pick it up as well so. And then I might just stop you in between and just ask you any questions or anything. Anything that I have questions on as well, okay?

[REDACTED]

Alright.

Det. Elton:

Kay, so why don't you go ahead and start at like the beginning of your day and let us know kind of...kind of what happened?

[REDACTED]

Okay well, I went to first period, nothing happened and then um...I went to second period and after second period I met Jaylen uh...

Det. Elton:

...What's Jaylen's last name?

[REDACTED]

Jaylen Fryberg.

Det. Elton:

Kay.

[REDACTED]

[REDACTED] ...or no not [REDACTED] Gia Soriano, Zoe Galasso, Shaylee Chuckanasket, [REDACTED] and I think there was a few other guys but I don't remember, and um...maybe [REDACTED] and [REDACTED] was there and Jaylen just told us all to go to first lunch and skip our fifth period and go to both lunches, and so we were like alright.

Det. Elton:

Okay so...

[REDACTED]

...Oh wait that was actually after third...

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton:

...This is after third period?

[REDACTED]

Or no after second period going to third period.

Det. Elton:

And where did...where did Jaylen tell you this at?

[REDACTED]

Um...in well out of one of our class rooms...

Det. Elton:

...Oh...

[REDACTED]

...He told me after in...

Det. Elton:

...Okay...

[REDACTED]

...The same spot.

Det. Elton:

Okay.

[REDACTED]

And then...

Det. Elton:

...Just real quick what's your relationship with Jaylen?

[REDACTED]

Um...we like talking and kind of had a thing like dating sort of.

Det. Elton:

Okay, so would you consider him...him your boyfriend or?

[REDACTED]

Just like a thing. Like friends, like close friends with more than just friends you know.

Det. Elton:

Okay. How long...how long have you guys been kind of a thing?

[REDACTED]

Two weeks around.

Det. Elton:

Okay around two weeks?

[REDACTED]

Uhuh (yes).

Det. Elton:

Okay.

[REDACTED]

And then so after we talked in our little group we...he was just telling us to go to first and second lunch just no reason.

Det. Elton:

What's your normal lunch?

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

[REDACTED]

Second lunch.

Det. Elton:

And what's Jaylen's normal lunch?

[REDACTED]

Second...well, on Fridays it's second lunch but on week days it's first lunch.

Det. Elton:

Okay.

[REDACTED]

And so...

Det. Elton:

...Did he say why he wanted you guys to skip lunch...

[REDACTED]

...No he was like everybody just go to first and second lunch so we can all hang out more you know kind of thing.

Det. Elton:

Okay...

[REDACTED]

...He didn't really say. He was just...and we all kind of wanted to spend more time together...

Det. Elton:

...Okay...

[REDACTED]

...You know like as...(inaudible)...

Det. Elton:

...So this is just a big group of friends that he asked to go?

[REDACTED]

Yeah uhuh (yes).

Det. Elton:

Okay.

[REDACTED]

And so I went to third period, and I have third period with him, which is art.

Det. Elton:

With who?

[REDACTED]

Miss Eperson.

Det. Elton:

Okay, what...

[REDACTED]

...And I have it with Jaylen...

Det. Elton:

...With Jaylen.

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

[REDACTED]

And um...it was totally fine, just normal class. We took a test whatever, and he was totally fine not anything and then um...I went to fourth period, and he went to his fourth period and then we all...I...we went to lunch after that which I walked...we all met at the forum kind of...we didn't even talk about it, just like we all just saw each other there.

Det. Elton:

What's the forum?

[REDACTED]

Uh...it's like that big thing by the cafeteria. Like the big square thing.

Det. Elton:

Okay. Is that outside or inside?

[REDACTED]

Outside.

Det. Elton:

Okay.

[REDACTED]

And I was talking to Zoe um...Zoe, Gla, [REDACTED] I'm pretty sure. I don't really remember who exactly was there, and Jaylen was over to the left of us talking to someone else.

Det. Elton:

Do you remember who he was talking to?

[REDACTED]

I'm pretty sure it was [REDACTED] and Andrew.

Det. Elton:

Kay.

[REDACTED]

[REDACTED] and Andrew Fryberg, and um...they were talking whatever and then they walked into the lunchroom and sat down, and all of us girls were still outside and we were talking to [REDACTED] and then we all walked inside. We sat down at the lunch table which we...

Det. Elton:

...You guys sat at all...you sat with [REDACTED] and Andrew, and Jaylen?

[REDACTED]

And Jaylen, yeah.

Det. Elton:

All at the same table...

[REDACTED]

...Yes...

Det. Elton:

...In the lunchroom, okay.

[REDACTED]

And I'm pretty sure [REDACTED] was there too.

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton:

[REDACTED] who?

Det. Elton:

[REDACTED]
Okay.

Det. Elton:

[REDACTED]
And but I'm not completely sure. And we all just sat down and I don't know we were like just sitting there talking having normal lunch. I was on my phone, and Jaylen was like digging through his backpack a lot, and so I didn't think anything of it. I was just like on my phone, and...

Det. Elton:

[REDACTED]
...Where was Jaylen to you at the lunch table?

Det. Elton:

[REDACTED]
It was me right here, Jaylen on the left.

Det. Elton:

[REDACTED]
So Jaylen's sitting right next to you?

Det. Elton:

[REDACTED]
Right.

Det. Elton:

[REDACTED]
And he was on your left?

Det. Elton:

[REDACTED]
Yes.

[REDACTED]
Kay.

[REDACTED]
And then there was next to him was Shaylee, and then Zoe.

[REDACTED]
Kay.

[REDACTED]
And then Andrew, and then I'm not completely sure who was right next to them. I think it was [REDACTED] and [REDACTED]

[REDACTED]
...Kay...

[REDACTED]
...But I'm not sure if they were there, cuz that's usually how we sit at lunch.

[REDACTED]
Kay.

[REDACTED]
And then it was Gia to the...right there, and then [REDACTED] Gia and then [REDACTED] was sitting on the other side of me.

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton: Okay, and so he was going through his backpack and then what happened?

[REDACTED] And then like...I was just on my phone and he stood up and I heard gun shots and so I just like dropped to the ground like...and I looked up and he has shot.

Det. Elton: Who?

[REDACTED] Uh...I think...

Det. Elton: ...Who had the gun?

[REDACTED] Jaylen Fryberg had the gun.

Det. Elton: Okay. Did you see him pull it out of the backpack?

[REDACTED] No, I was on my phone. I was just like this...

Det. Elton: ...Sure...

[REDACTED] ...And he like stood up. I didn't think anything of it, and I just...

Det. Elton: ...Did he stand on the table, or just standing just...

[REDACTED] ...Standing back, cuz there's like a...a window be like right here, and it's like windows and he just stood right there, and I was...I didn't really look at first, and then I looked up and he like...after he had already shot twice.

Det. Elton: Who'd he shoot at?

[REDACTED] I'm pretty...it was Zoe, and Shaylee, I'm pretty positive. I didn't really want to look.

Det. Elton: Did he say anything before he was going to shoot em or anything...

[REDACTED] ...No...

Det. Elton: ...Like that?

[REDACTED] He didn't say anything. He just...

Det. Elton: ...He just...he just stood up?

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

[REDACTED]

He just dood...stood up, and um...I screamed his name. I was like Jaylen and I...and then he liked pulled the gun back, and then he looked at me and then he shot again I'm pretty sure, and I just stood up and ran away. I don't really remember that part, cuz I feel like I was too in shock, and I ran out and then I ran to the cashier's room.

Det. Elton:

Okay. Who...who ran in to the cashier's room with you?

[REDACTED]

Just me.

Det. Elton:

Just you?

[REDACTED]

No audible response.

Det. Elton:

How many shots did you hear?

[REDACTED]

Probably around five.

Det. Elton:

Probably around five shots?

[REDACTED]

Uhuh (yes).

Det. Elton:

So...excuse me...you actually saw him shoot two people?

[REDACTED]

Well no I saw them on the ground.

Det. Elton:

Saw who on the ground?

[REDACTED]

Zoe and Shaylee.

Det. Elton:

Okay, but you saw him shoot like how do you know...you said earlier...you saw him shoot at Shaylee and Zoe?

[REDACTED]

Yeah, cuz like when I looked up there was like *poofff* you know and the bullet went flying.

Det. Elton:

Okay. Did you...

[REDACTED]

...Not like the bullet but the shell.

Det. Elton:

Oh okay, oh you saw the shell come...

[REDACTED]

...Yeah...

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton:

...Okay. Did you see the bullet hit them, or anything like that?

Det. Elton:

No, I didn't look at them.

Det. Elton:

Okay. And then you ran out and went to the...

...Cashiers.

Det. Elton:

Okay. And then what happened?

Um...well, the cashier's room it's like...there was a door like a little window thing so you can give the cashier money you know.

Sure.

And so she was like we can't be in here cuz it's not safe, and so we were in there and then um...she like shut the blinds and locked the doors and then we walked out and we walked to this...it's like here's the cashier's door, and there's like a door here, and it looks like a little storage room maybe you'd never even like think of, and she just went in there and locked the door, and we stayed in there and it was like black, and she was freaking out and didn't know what to do.

Det. Elton:

And then what happened?

And then um...I heard the cops out there in the hallway thing and um...and I was like telling her that she needed to say something to the cops when they came to our door, but she was like saying no, I can't like no and she was freaking out and then they like knocked on our door, and I was like we're in here...we're in here, and they said put your hands up and so she like, do you want me to open the door, and she opened the door and were like put our hands up and they came and then I grabbed one of the officers and I gave him a hug, and we walked out and then he was like you need to go sit on the bench like we need to go sit over here.

Det. Elton:

Uhum (yes).

And the fire fighter came and he like asked me if I was okay, and like checked and see if I had any bullet or if I got shot or anything you know, and then um...I, [REDACTED] which is...or no it's [REDACTED]

**Snohomish County Multiple Agency Response Team****WP14-004 ASSAULT 1**

which is Jaylen's cousin and he was like sitting over on the...sitting on the bench over, and like he looked at me and he walked up and he like gave me a hug and the officer started talking to us and they said, we need to separate and go write statements.

Det. Elton:

Okay.

I went into the officer's car and wrote statements.

Det. Elton:

Okay. Is there any reason why you think he wanted to shoot Shaylee or Zoe?

Well Z...um...Jaylen and his girlfriend, they were dating for like a year and a half...two years, her name's [REDACTED]

Det. Elton:

And what is...where does she live?

[REDACTED] Washington.

Det. Elton:

Okay. So...so they dated for a...a while?

Yeah.

Det. Elton:

How long ago did they break up?

Like a w...a week ago.

Det. Elton:

Okay.

And um...well, they kind of broke up on bad terms, he broke up with her though and they were...he was still trying to talk to her and stuff.

Det. Elton:

Do you know the reason for the break up?

Uhuh (no) not...not the full.

Det. Elton:

He never told you why, or anything?

No, well like they didn't really get along anymore and stuff.

Det. Elton:

Okay.

And so...

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton:

...So she doesn't go to Pilchuck High School?

No.

Det. Elton:

Okay, she goes somewhere in [REDACTED]

Yeah, I don't know where she goes probably somewhere on the Res, or something.

Det. Elton:

Okay.

She's Native.

Det. Elton:

Okay.

And um...where was I at?

Det. Elton:

Uh...I was asking you why do you think he...

...Oh because...

Det. Elton:

...Shot at Shaylee and Zoe?

Cuz um.. [REDACTED] was friends with all of us girls, and...

Det. Elton:

...How were you friends with her...how did you know her?

Cuz she came...she's come over and we all went to Homecoming last weekend together.

Det. Elton:

Okay. Did he take her to Homecoming?

Yeah.

Det. Elton:

Okay.

And they broke up after Homecoming.

Det. Elton:

Okay.

That night and it didn't end good, like she was punching him in the face and choking him and stuff.

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton:

Was the police ever called about that or anything...

...Uhuh (no)...

Det. Elton:

...Or Just...where did that happen at?

At his house.

Det. Elton:

At his house?

Yeah, and um...so Jaylen was I think very like mad and upset about their break up even though he's the one that broke up with her.

Det. Elton:

Kay.

And um...Zoe and Shaylee...Zoe, Shaylee, [REDACTED] and [REDACTED] which [REDACTED] was at our lunch um...they all had a group message, and they were talking and like saying how much [REDACTED] loves them and all this stuff like, and how good of friends they are.

Det. Elton:

Did uh...

...And Jaylen heard about it, and think he got upset about it...

Det. Elton:

...So how did...

...Or something...

Det. Elton:

...So how did...so Jaylen knew that Shaylee, and Zoe, and...were talking to...

Det. Elton:

...Yeah...

Det. Elton:

[REDACTED] How did he hear about it?

Because at lunch the o...yesterday they were talking and I don't know how it got brought up, but they're like [REDACTED] and something about the group message, and I was like oh you guys have a group message, and

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1.

she like yeah, and she let me read through the messages, and Jaylen was sitting at our table.

Det. Elton:

Okay. What...did the group message say anything in particular, or It...

...No...

Det. Elton:

...Did they say anything bad about Jaylen or anything like that?

No they didn't bring anything up. They were just saying um. [REDACTED] sent a message to all the girls and was like, I love you guys and this weekend was fun. I'm going to come down and see you, and love you guys, and they were just love you, just like little things like that.

Det. Elton:

Okay. Um...describe the gun to me that you saw Jaylen with...was it a revolver, was it like a semi automatic gun?

It was just like a hand gun with like a clip, it did not have the revolver.

Det. Elton:

Okay.

It was just black...

Det. Elton:

...And you...you ever seen Jaylen with a gun before...with the last...as long as you've known him, or anything like that?

Well he went hunting the other...like he's goes hunting all the time, and he shoots like rifles I know that.

Det. Elton:

Okay, you've never seen him carry like a gun to school, or...

...No...

Det. Elton:

...Anything...

...Uhuh (no)...

Det. Elton:

...Or like...or like when you guys are hanging out, or anything like that?

Uhuh (no). He has a safe in his room.

Det. Elton:

Okay.

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton:

With all his dad's guns, I'm pretty sure.

Okay. Does he have access to that safe in his room?

Well he said he didn't know the password, cuz we were all at his house after homecoming. He's like there's a safe in my room and um...well you could see it obviously, and he's like I don't know the password, my dad only told my brother.

Det. Elton:

Kay.

And so I didn't think so, but.

Det. Elton:

Okay. And then so you talked to him multiple times this morning before sch...or...

...Well yeah we were texting.

Det. Elton:

Texting, and stuff...

...Yeah...

Det. Elton:

...Did he say anything to you...was he acting normal to...what was it like...

...Yeah.

Det. Elton:

How was he acting today?

He was just like good morning, how did you sleep and then he...when I was in first period, he was like what class do you have right now, and he was like asked me if I wanted to meet him after first period and see him, but I didn't...I didn't text him back.

Det. Elton:

Okay. And then have you been hanging out with him this week as well?

Yeah, he was at my house for a few hours on Wednesday, and then we went to the freshman football game, and then last night he stopped by at my house to bring me my charger, but that's all.

Det. Elton:

Okay and so during this entire week did he act any different then to you, or was just...how was his...how was he acting?

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

[REDACTED]

Um...like at sometimes he was sad, like he just seemed so depressed, and then...but not when I was with him...

Det. Elton:

...Like what do you mean like depressed like how would you...how did you know he was de...being depressed?

[REDACTED]

Well It was at school more, cuz he would like put his head down on the desk, and he would like put his head down and like not talk when he was like walking he just seemed super sad.

Det. Elton:

Okay. Did you ask him if he was sad, or?

[REDACTED]

Yeah, and he said it's just [REDACTED] it's just [REDACTED] like...

Det. Elton:

...Did you offer to help him out, or try to talk to him about...

[REDACTED]

...Well when I was texting him I'd be like, I'm here for you. You can talk to me about anything.

Det. Elton:

Did he...did he take you up on that offer, or did he ever talk to you about...

[REDACTED]

...He'd write alright, thank you.

Det. Elton:

So did he ever...

[REDACTED]

...He didn't really express his feelings, or talk about anything.

Det. Elton:

Okay, got it. Um...so do you think...do you think he had this planned out in his mind, or do you think it was kind spur of the moment, or?

[REDACTED]

Probably planned out, cuz I don't see why he would just bring a gun to school.

Det. Elton:

Kay.

[REDACTED]

You know.

Det. Elton:

And what...

[REDACTED]

...And that's why he...I feel like he had it planned out that's why he told us all to go to that lunch.

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton: Okay. So normally do Shaylee and Zoe, and the girls that were texting [REDACTED] do they normally have second lunch?

[REDACTED] Yeah, we all have second lunch, but on Fridays...

Det. Elton: ...Yeah...

[REDACTED] ...Your lunches are messed up, so I don't really know. They all have second lunch I'm pretty sure on Fridays except for [REDACTED] [REDACTED] has first lunch.

Det. Elton: Okay, and then was Jaylen suppose to go to first lunch today?

[REDACTED] Uhuh (no), second.

Det. Elton: Okay. So why would you think he invited them if he's already eating lunch with them anyway on second lunch why would he make it...why would tell everybody to go to first lunch then?

[REDACTED] I have no idea, because a...like a lot of kids like a lot of kids at our school, they just skip their fifth period and go to first and second lunch, it's kind of just a thing like everyone does it and so...he didn't say why, he was just like everybody go to first lunch and like...it was weird, I don't know. I didn't think anything of it though.

Det. Elton: You guys were alright just like...

[REDACTED] ...Yeah, it was like alright, that sounds good and then we didn't have to go to fifth period, that's what we were thinking you know.

Det. Elton: Alright. Would you guys normally get in trouble if you skipped a class or anything?

[REDACTED] Well they don't really realize. They just call your parents and say that you were absent for fifth period.

Det. Elton: Okay. Okay and then uh...I heard...you were telling me earlier that Jaylen got in a fight with the...

[REDACTED] ...Oh yeah like...

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton:

...With somebody?

[REDACTED]

Two weeks ago he got in a fight with this kid on the football team.

Det. Elton:

Okay.

[REDACTED]

And...

Det. Elton:

...Do you know who it was?

[REDACTED]

His name's [REDACTED]

Det. Elton:

Okay. Was [REDACTED] in the lunchroom today?

[REDACTED]

Uhuh (no), he goes to Arts and Tech, he just plays for our school.

Det. Elton:

Okay, so he wasn't even there?

[REDACTED]

Uhuh (no).

Det. Elton:

Okay. His name's [REDACTED]

[REDACTED]

[REDACTED]

Det. Elton:

Okay, so he wasn't in the lunchroom?

[REDACTED]

Nope.

Det. Elton:

So what do you think the biggest reason why Jaylen wanted to do this?

[REDACTED]

I honestly have no idea. I think it's because of [REDACTED] and he was like super depressed.

Det. Elton:

Okay.

[REDACTED]

Oh yeah, cuz last night he texted me, he's like tomorrow I'm going to need a big hug, and I was like okay. He's like I'm just super depressed.

Det. Elton:

Okay. And then where's your phone right now?

[REDACTED]

At the school, I don't know.

Det. Elton:

Okay.

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

Det. Elton:

It was in the cafeteria.

So you think it's still in the cafeteria?

Det. Elton:

Well I'd hope. I don't think...

...Well everything's...the way you left it should be the way it is.

Det. Elton:

Okay.

And so all those text messages should be on your phone?

Det. Elton:

Yeah.

Okay. So just be going over I know I asked you (Inaudible)...times. He never mentioned to you anything about doing...

Det. Elton:

...No...

...Any of this or anything. Do you...

Det. Elton:

...No...

...Has he ever said anything like a suicidal thought or...

Det. Elton:

...Not to me...

...Action...action or anything. Who's his best friend at school you think, or who does he normally like a guy friends that he usually talks to?

Det. Elton:

[REDACTED] and Andrew, they're like his brothers and they grew up together.

So do you think they'd have a lot of information about what's going on inside of his head?

Det. Elton:

Probably. Well I feel like he doesn't really come out of...he doesn't really talk a lot...well he talks a lot, but I feel like he's one of those kids that just hides everything inside like all of his feelings and doesn't really talk about em.

So [REDACTED] and Andrew are his best friends?

Snohomish County Multiple Agency Response Team

WP14-004 ASSAULT 1

[REDACTED]
Det. Elton:

Yeah.

Okay. So okay, that would be good to talk to them.

[REDACTED]
Det. Elton:

Yeah.

As well. So did you see what after...so you never really saw what happened to Jaylen or anything like that after you ran into the room?

[REDACTED]
Det. Elton:

No.

Okay, and you never saw who was shot or anything like that?

[REDACTED]
Det. Elton:

I know Zoe and Shaylee were on the ground.

[REDACTED]
Det. Elton:

Okay, but you didn't see...did you see blood, or did you see...

[REDACTED]
Det. Elton:

...Yeah.

You did?

[REDACTED]
Det. Elton:

Yeah.

Okay. What was everybody else doing in the cafeteria?

[REDACTED]
Det. Elton:

I have no idea. When I...I just ran straight to the caf...or cash register room, and when I walked out to go to the other room, you could see cuz it's all windows...

[REDACTED]
Det. Elton:

...Uhum (yes)...

...And everyone was on the ground. Everybody was on the ground, but I didn't look over at the table cuz I didn't want to see it.

Okay.

Cuz when I walked out I saw like puddles of blood and Zoe and Shaylee on the ground, and so I didn't want to see it again.

[REDACTED]
Det. Elton:

Okay. He never said anything to them, or anything like that he just...

...He just did it.

WP14-004 ASSAULT 1

Det. Elton:

Okay.

[REDACTED]

I...I didn't hear him say nothing.

Det. Elton:

Okay. Is uh...is Jaylen in a gang or anything like that, or associated with that kind of activity or like does he ever get in trouble a lot that you know of, or?

[REDACTED]

I don't think so, no. He's really into like his um...culture and like football, and wrestling.

Det. Elton:

Okay. So he's...he's not like...he's not normally like...

[REDACTED]

...No, he's usually like a good kid like respectful all that stuff.

Det. Elton:

Okay. Do you know if he had...does he have any issue with uh...like depression or anything...does he take any medication you know or...

[REDACTED]

...Oh he has diabetes.

Det. Elton:

Okay, but he doesn't take...

[REDACTED]

...That's all I know...

Det. Elton:

...But he doesn't take anything for like uh...

[REDACTED]

...De...

Det. Elton:

...Depression or Bipolar, or...

[REDACTED]

...I don't think so...

Det. Elton:

...Anything that you know of?

[REDACTED]

No.

Det. Elton:

Okay. Um...I don't think I have any other questions. Is there anything else that you can think of that you think would be important for...for me to know for this investigation that can help us out kind of try to figure out why he'd do this, or what happened?

WP14-004 ASSAULT 1

[REDACTED]

Uh...I don't really know any...I didn't know anything like I would never expect him to do anything like that.

Det. Elton:

Okay. Would you say it's out of his character to do something like this?

[REDACTED]

Yes.

Det. Elton:

Okay.

[REDACTED]

Very much.

Det. Elton:

Okay.

[REDACTED]

I feel like [REDACTED] will know a lot about it.

Det. Elton:

And that's his girlfriend?

[REDACTED]

Yeah.

Det. Elton:

Okay. Okay. Um...Is there anything else that you'd like to add to this statement?

[REDACTED]

No.

Det. Elton:

No, okay. Are the facts stated on this uh...recording true and correct to the best of your knowledge?

[REDACTED]

Yes.

Det. Elton:

Okay. If you think of anything else or if you can remember anything...

[REDACTED]

...Uhuh (yes)...

Det. Elton:

...It would be...let me know...

[REDACTED]

CS [REDACTED]

[REDACTED] [REDACTED] uh, date of birth is [REDACTED]

CS Okay; Gyasi, can you do me a favor and spell your name?

GR G-Y-A-S-I.

CS Ooh, I had it all wrong.

GR Everybody does, my family does.

CS Gyasi Ross, okay; and state your title again for me?

GR A lawyer.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Okay; but not specifically for the tribe?

GR I...I...

CS Okay.

GR ...I have a contract with the tribe but that's not the capacity...

CS Okay.

GR ...I'm here.

CS Well, I know...

GR Yeah.

CS ...I understand you're here, okay. Alright, so [REDACTED] maybe you could start off by just kind of telling us how do you know, um, Jaylen Fryberg?

[REDACTED] Um, I don't really know him at all on a personal level; I've talked to him a couple times in person only. The only way I know him was that he was dating my little sister for a long time.

CS And by your little sister, who do you mean?

[REDACTED] [REDACTED]

CS Okay; is...is she actually your sister? Are...

[REDACTED] No, she's my little cousin but...

CS Okay, your cousin.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] ...she's my sister.

CS Okay; um, and so you said you haven't known him for a long time. How long have...have you...I mean, have you ever met him in person?

[REDACTED] Yeah, a couple times.

CS Okay.

[REDACTED] Seen him.

CS And I'm just gonna slide this over 'cause you're...

GR Could you possibly (inaudible), I'm sorry, I'm gonna go (inaudible)...

CS Is it all...we won't talk, I'll just leave it running, okay?

GR Okay.

CS We won't talk. So we're just taking a break in this while um...

CW Auntie Georgia?

ML While Giasi tells the people...

CS Giasi.

ML ...outside to...

CS Yeah.

ML ...pipe down a little bit.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Okay, Giasi's reentered the room; so I'm sorry, so we were starting to talk about how you...how you know Jaylen and so you've met him a couple times?

[REDACTED] Yeah.

CS And how long has [REDACTED] at least based on your knowledge, how long did she date him, [REDACTED]. [REDACTED] I'm sorry.

[REDACTED] I have no clue; it's been on and off for years so I don't really know...

CS Okay.

[REDACTED] ...how to answer that other than that.

CS And so has there been some recent contact between you and Jaylen?

[REDACTED] Um, Jaylen was Facebook messaging me last night asking me to tell [REDACTED] to call him and then this morning he Facebook messaged me a picture of a gun and he told me um, "Have [REDACTED] call me before I do this" and that was the first message and I said...I messaged back and I said, "Jaylen, stop."

CS Um, and prior to last night, was it a regular thing for him to Facebook you or did you not generally communicate?

[REDACTED] Oh no, I've never talked to him...

CS Okay, so that...

[REDACTED] ...on...

CS ...so last night was the first time he contacted you on Facebook?

[REDACTED] Yes.

Recorded Statement: [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS And you referred to it as Facebook Messenger?

[REDACTED] Yeah.

CS Okay; and how does that work differently than Facebook?

[REDACTED] Well, Facebook is timeline, profiles and all that...

CS Mm-hmm (affirmative response).

[REDACTED] ...whenever it's on Facebook Messenger it's just like a texting app.

CS Okay; um, and so last night he just wanted you to get in touch with her?

[REDACTED] Yeah; he knew she was at my house with me...

CS Okay.

[REDACTED] ...and so...

CS Okay.

[REDACTED] ...he was trying to contact her.

CS And the...the context of that, can you tell me a little bit more about why didn't he just contact her directly?

[REDACTED] Um...

CS If you know.

GR? If you don't know it's fine.

[REDACTED] He was contacting her, she wasn't replying.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Okay; and how was he contacting her?

[REDACTED] He was texting her.

CS Okay.

[REDACTED] I think that's it.

CS And do you know why she wasn't replying?

[REDACTED] Well, she was mad at him, I know that.

CS Okay; do you know why?

[REDACTED] He cheated on her.

CS Okay.

[REDACTED] And they weren't...they were broken up.

CS They were broken up or weren't?

[REDACTED] They were broken up.

CS How long ago did they break up?

[REDACTED] I have no clue.

CS Oh.

[REDACTED] Last week, I think.

CS Okay; did she talk to you about the breakup?

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] Yes, she did.

CS

Can you tell me what she told you about it?

[REDACTED] Um...

CS

And let me just put something out there; if...if you don't know an answer I...it's much better if you say you don't know. If you're uncomfortable answering a question, you know, it's okay for you not to answer. I'd rather you say, "I'm uncomfortable" or whatever, um, and...and just so you understand, in these situations with breakups and other things, I mean, in no way is there gonna be any blame placed on anyone. It just helps us to understand maybe somebody's mind...you know, frame of mind or mindset.

[REDACTED] Yeah.

CS

So...but just be honest, if you're uncomfortable sort of say it just 'cause I don't know you very well yet and we're not really spending a lot of time for me to get to know you and so it just would help if you...if you let me know.

[REDACTED] Yeah, I don't really know how to answer that question.

CS

Because you don't know the answer or...

[REDACTED] I don't know the answer, yeah.

CS

Okay, thank you, okay; um, and so about how many times did he Facebook you last night?

[REDACTED] Last night?

CS

Last night; 'cause you said before that he had never contacted you.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] Yeah um, we had a little conversation. He was...I have the conversation on my iPad...

CS Oh...

[REDACTED] ...I can go get it.

CS Is that gonna help...help you answer my questions?

[REDACTED] Yeah.

CS Okay; why don't we do that.

[REDACTED] (Inaudible).

GR Can we...I...I'd like to wait for that.

CS Oh okay.

GR I just...

CS you want to take a look at that?

GR Yeah, I...

CS Alright; well so then and again, this is...you have it on your iPad because it's on your Facebook, right?

[REDACTED] Yeah.

CS Okay; which is why you also have it on your phone?

[REDACTED] Yeah.

Recorded Statement [REDACTED] - Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Okay.

ML It will be on every synchronized device.

CS Right, okay.

ML Yeah.

CS And...and that's fine but just give me an i...I mean so...I mean, I guess I'd kinda like to get an idea; did he make any statements like he did this morning saying something like, "I'd like to talk to her before I do this." Was there any of that last night or...

[REDACTED] Well, last night he messaged me and said...or no, no, no, he messaged her last night and said, "Call me" or "Read my text between 7:15 and 12:30." He Facebooked my sister and said that and we were both like, "What does...what did he mean by that? Why does he need to read his text then?"

CS Okay.

[REDACTED] Mm-hmm (affirmative response).

CS Did he mean today or did he mean...

[REDACTED] Yeah, like last night he said, "Read my messages tomorrow from 7:15 to 12:30."

CS Okay; and you...you guys didn't understand what it meant?

[REDACTED] Yeah, I didn't...I asked him, I said um, or...I don't know. I asked him why 'cause I must...I don't know how it happened but I don't know whose Facebook it was on but we asked him why and he said um, "You'll find out tomorrow. Just...just make her..." or "...just make sure she reads my messages tomorrow."

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Did he text her today?

[REDACTED] Not that I know of, no.

CS Were you together today or were...

[REDACTED] Me and her have been together since last night, yeah.

CS Did you go to school today?

[REDACTED] Uh no...

CW Parent-teacher conf...

[REDACTED] ...parent-teacher conferences so...

CS Oh, off, okay; and so you were together today but you're not sure if she read her texts?

[REDACTED] Yeah.

CS Did he text you? Does he know your phone number?

[REDACTED] No, he doesn't.

CS Okay; you had mentioned earlier that he had...he didn't text you at all.

[REDACTED] Yeah, no.

CS Everything that...okay; and so this morning um, you said he sent you a...was his first message to you the picture of the gun?

[REDACTED] This morning, yes.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS And...and please tell me again, was there a message with the picture?

[REDACTED] Yeah; there wa...he actually sent the picture twice. He sent the picture and then in a separate message he said um, "Have [REDACTED] call me before I do this." And then he sent that picture again and then I said...I...I messaged him back and I said, "Jaylen, stop." And then he messaged me again and was like, "Please just have her call me."

CS Okay; and you were with her when this happened?

[REDACTED] Yeah.

CS So she saw the picture?

[REDACTED] Yeah...

CS Did...

[REDACTED] ...I showed her right away.

CS Okay; and did...did either of you have any more conversation with him?

[REDACTED] She called him.

CS On the phone?

[REDACTED] Yeah?

CS Did he talk to her?

[REDACTED] He...they talked for about 5...5 minutes maybe, (inaudible).

CS Were you there? Did you overhear the conversation or...

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] Yeah, she was sittin' right here, I was sittin' right here...

CS Okay.

[REDACTED] ...or I...I don't remember what the conversation was.

CS Was he at school during that call?

[REDACTED] Yes.

CS Okay, okay; so they did talk, you could hear her end of the conversation but not his?

[REDACTED] Yeah.

CS And how did she seem when she got off the phone?

[REDACTED] She...she was upset. She's been every time they talk or have contact with each other she just gets mad at him.

CS Do you know about what time that call was?

[REDACTED] No.

CS She called him or did he call her?

[REDACTED] She called him.

CS Was it after the Facebook photo of...

[REDACTED] Yeah...

CS ...oh.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] ...after he sent me that picture.

CS Okay; did you have an idea? Did you guys think at all? I mean tell me what your thoughts were when you saw that picture.

[REDACTED] When I saw that picture I automatically thought, "Oh my god, what is he doing with that? What's gonna happen?"

CS Uh-huh (affirmative response).

[REDACTED] Um, I...I had no clue he was gonna do anything like that and then I don't...I don't know.

CS Okay.

[REDACTED] I was just confused, like...

CS Sure.

[REDACTED] ...what was going on?

CS Okay; and so then [REDACTED] called him on the phone?

[REDACTED] Mm-hmm (affirmative response).

CS Do you remember any of her conversation with him? And part of the reason that I'm...I'm asking you to try to remember is that I'm not gonna be able to talk to her right now.

[REDACTED] Yeah.

CS And so if you have any recollection of that it...it would be helpful.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] She asked him, "What are you doing with the gun? What's going on?" He said...I think he told her...I think, I'm not for sure but I think he told her, um, "I was just lying, I just wanted to talk to you." And then he Facebooked after, um, I told him, I said, "Jay," like, "stop." And he said, "Just have her call me." I said...I told him...what did I say? I...I can't remember.

CS

I'm sorry?

[REDACTED] I can't remember what I did.

CS

Okay; but so after the phone call that they talked about for five minutes together then he Facebooked you again?

[REDACTED] Yeah, he Facebooked me and said, "I was lying." Um, I just wanted to talk to her."

CS

Did he Facebook her as well?

[REDACTED] No, they don't Facebook, they were texting.

CS

Oh, okay; And did he text her again?

[REDACTED] I don't (inaudible).

CS

Okay; so he said he was just joking?

[REDACTED] Yeah; he said he was lying.

CS

Okay; and was there any more communication together after that?

[REDACTED] I messaged him back and I said, um, "She blocked your number."

CS

Then what did he say was...I'm sorry, go ahead finish and then I'll go back.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] Um, I messaged him and I said, "She blocked your number so just give up."
And then I told him, "You're an asshole."

CS Okay; and she had blocked his number so he wasn't able to text her, is that
what was happening?

[REDACTED] Yeah, yeah.

CS Okay.

[REDACTED] And then she got a call from another student at the school and said, "Oh my
god, Jaylen just shot three people and then she unblocked his number and
then tried to call his phone and call his phone and call his phone and he wasn't
answering.

CS Okay; so this all happened in a pretty quick timeframe?

[REDACTED] Yeah, it was all like boom, boom, boom.

CS Okay.

[REDACTED] And then the news came on.

CS So when he came back and text...and messaged you and said he was lying,
was your understanding that he had told [REDACTED] that he was gonna
do...conduct...have a shooting at the school?

[REDACTED] No.

CS So what did you take that to mean when he said he was just lying? I just want
to make sure I'm not missing anything there.

CW or ML Did you think it was about the picture of the gun?

Recorded Statement: [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] Yeah, like I thought... 'cause [REDACTED] um, she told me she had thought like that's a fake picture, he screen-shotted that off the internet or something.

CS Oh, okay.

[REDACTED] That's what we thought.

CS Well, what did the picture look like? Can you tell me what it looked like?

[REDACTED] Um, it...

CS And obviously we're gonna be able to look at it when we look at your phone but...

[REDACTED] Yeah, it was really hard to see kinda, it was like a picture of... he had... he was wearing tan Carhardt shorts and they were like this and the... you could see the bottom of the gun, like the handle, it was laying like... like this (Inaudible)...

CW I seen the picture. The picture looked like a person sitting in a chair with their legs down in a regular sitting position and the gun was upside down with the butt facing up between his legs if it was his legs; you couldn't really tell if his legs it was.

CS Mm-hmm (affirmative response), okay, so you weren't...okay.

[REDACTED] Mm-hmm (affirmative response).

CS So that's what you understood, like the lying, like...

? Uh-huh.

CS ...that it wasn't his gun; that he had...

[REDACTED] Yeah.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Okay.

[REDACTED] Like I thought it was...

CS Okay.

[REDACTED] ...like a random picture off the internet that he was trying to scare us with or something.

CS And did she...so again, I'm...I'm sort of asking the same question and it's...it's just because I want to make sure that I understand everything but in...in...in terms of her co...did she only have one phone call conversation with him?

[REDACTED] Yes.

CS And when she hung up the phone did she say anything to you about what she thought, you know, what the conversation was like or did she make any statements like about anything he had said?

[REDACTED] She said, "Ahh, I can't believe him!" or something like that. She's...

CS Okay.

[REDACTED] ...she's been really frustrated for the last couple weeks.

CS Okay; and you're...you said you weren't sure when they broke up?

[REDACTED] Yeah.

CS But...but that they broke up because he had cheated on her?

[REDACTED] Mm.-hmm (affirmative response).

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Um, do...did he have another girlfriend at...like now or was it just...I mean, 'cause it kinda almost seems like...was she frustrated like...I guess I'm just sort of trying to understand like...like they were still together or not?

[REDACTED] Well, she was over at his house in Tulalip last week and then they were fighting or arguing and then she went on a walk at 3:00 in the morning and just left his house and didn't come back until 5:00 and she was scared, she didn't know where she was, she was in the dark in Tulalip and then she came back and she walked in his room and he was laying in the bed with another girl that was there and it was their Homecoming night and they were all just at Homecoming and then they got back and were arguing about the girl, is why [REDACTED] left the house and she came back and they were in bed together and then the girl got up and went upstairs.

CS When they were in bed, he was in bed with another girl?

[REDACTED] Yes.

CS She was his date at their...at this Homecoming?

[REDACTED] Yeah [REDACTED] was Jaylen's date and then she came home and they were...

CS And this was just last weekend?

[REDACTED] Mm-hmm (affirmative response).

CS Okay.

[REDACTED] Or...I'm not...yeah, I'm pretty sure, their homecoming last weekend.

CS Okay.

ML Was Jaylen the homecoming king?

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CW

Prince.

[REDACTED]

He was the prince, yeah.

ML

Prince? Okay.

CS

So she went to like a dance with him?

[REDACTED]

Yeah.

CS

Was that on Friday night or Saturday night?

[REDACTED]

I'm not sure. I don't...

CW

Homecomings are usually on Friday nights.

[REDACTED]

Yeah.

ML

Are they? I didn't know, I wasn't invited.

CS

Yeah; and then she...was she staying over at his house?

[REDACTED]

Yeah.

CS

And then during this two hour period from 3:00 to 5:00 in the morning when she left another girl had come in?

[REDACTED]

Well, after the...like they went to Homecoming as a group; there was three couples.

CS

Okay.

[REDACTED]

And then...or there was four couples that went to the house that night after Homecoming, they were all hanging out at his house and then that...the girl

Recorded Statement - [REDACTED] - Case #WP14-4 Special Agent Connie Sanders-10/24/14

who he was in bed with had a date too but he le...left, like earlier that night, like at around midnight or something and so it was just another couple there, that girl and then [REDACTED] and Jaylen and...

CS And were they...

CW And as a result, second hand information.

? Yep.

CS ...I'm sorry, did you say they were at a hotel or where at a room...were they at his house? Where were they? I can't...

[REDACTED] They were at his house.

CS Okay; so all these...these couples were there?

GR And yeah, I think, I mean, I...I don't want her to speculate too much about the facts of...

CS Oh, I mean, yeah, sure...

GR ...yeah.

CS ...and I...I mean, again, yeah.

GR I understand.

CS Yeah, yeah.

GR But I mean, just, you know...

CS Yeah.

Recorded Statement [REDACTED] - Case #WP14-4-Special Agent Connie Sanders-10/24/14

GR ...at some point we...I mean...

CS Mm-hmm (affirmative response).

GR [REDACTED] wants to be cooperative and...

CS Sure, right.

GR ...she wants to talk...

CS Right.

GR ...so I'd prefer to just reserve this.

CS Do you happen to know that girl's name, the one that he had in his bed?

[REDACTED]
CS [REDACTED]

[REDACTED] (Inaudible).

CS Okay, thank you; um, alright and so then...so that transpired last weekend and so did she...your understanding is just she broke up with him then or...

[REDACTED] No, um, he told her to pack her stuff and leave...

CS Okay.

[REDACTED] ...and so he helped her pack her stuff and she left.

CS How did she get home?

[REDACTED] His auntie drove her home.

Recorded Statement: [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Okay, okay; and so since last week to now are...have you been together a lot?

[REDACTED] No, just last night.

CS Okay; so you don't...you're not normal...you don't live together and you're not together a lot? You live here and I don't know, I'm sorry, I just...I don't know where...does she live nearby or...

[REDACTED] Yeah.

CS Okay, okay; and so last night you were together but she had already stopped communicating with him?

[REDACTED] Mm-hmm (affirmative response).

CS Do you know when that was?

[REDACTED] No, I don't.

CS Okay; um, is there any other communication that you had with Jaylen other than what we already talked about?

[REDACTED] No.

CS Okay; and so the only messages you got...you had a few back and forth with him on Facebook Messenger and...and no other like separate email or anything?

[REDACTED] No, just...

CS And...

[REDACTED] ...on Facebook.

Recorded Statement [REDACTED] - Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Okay; um, and as far as you know, the only communication that [REDACTED] had was the phone conversation...

[REDACTED] Yeah.

CS ...with him? And then she unblocked his phone...

[REDACTED] Yeah.

CS ...briefly? And tried to text him but he didn't respond?

[REDACTED] She tried to call him...

CS She tried to call him.

[REDACTED] ...and he didn't respond.

CS Okay, okay. So I guess that's what she did the time she did call him, is that she...she um, I don't know, you have to unblock your ph...the number to call someone?

[REDACTED] Yeah.

ML Yeah, I don't know, I...I don't think so; I think you can call them, they just can't call you.

CS Okay, okay.

ML I wish I knew how to do it better.

CS So...so they didn't actually...he may have tried to text her but her...she had him blocked so she wouldn't have had any texts from him?

Recorded Statement: [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] Yeah.

CS

Okay. Um, so in a very short period of time they talked on the phone, then you and he messaged back and forth and then the shooting occurred?

[REDACTED] Um, well it started...he sent me the message...he sent me the picture and then they talked on the phone and then um, and then I had that like, three...three message; like they were like, three messages back and forth with him.

CS

Okay.

ML

About how much time from when you got those final three messages until you guys heard from the other student that there had been a shooting?

[REDACTED] Um, it was about like, she was on the phone with him and then we went outside for a while, she wanted to go get some air so we went out there; mm, it was about like, two or three minutes that she got a call.

CW

That was quick.

ML

Very quick, huh, okay. Who...who...

[REDACTED] My last message was...to him was read from him at 10:37.

ML

Okay; who was the student that called?

[REDACTED] I don't know her name.

ML

Oh, okay.

CS

What time did you say? 10...

[REDACTED] 10:37.

Recorded Statement [REDACTED] -Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS Was read by him?

[REDACTED] Read by him on the cell phone...or on his messenger.

CS Mm-hmm (affirmative response).

[REDACTED] Facebook Messenger.

CS And so then another student called her?

[REDACTED] Mm-hmm (affirmative response).

CS Wow; and what did that other student say? If you know?

[REDACTED] I don't.

CS Okay; but your understanding was that he...Jaylen just shot some students or something like...you said something like that earlier.

[REDACTED] Yeah.

CS And I won't quote you on...you know. Okay. So what else can you tell us that might be helpful for our investigation that you think is, you know, relevant or important or that's important to you?

[REDACTED] I don't really know.

CS Okay; um, did...did, you know, and I...I...I will, obviously we'll...we want to talk to her but did she...did she at any point get off the phone and say she thought...did...that...did he tell her he was gonna kill himself or anything like that? Did he make any statements like that that you know of?

[REDACTED] No.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Cornelia Sanders-10/24/14

CS Okay, okay; um, Chief, ask any follow-up questions while I'm...

ML Just... did he normally, you know, carry a gun or was he the kind of guy that, you know, would... would have a gun or... or you know, we don't know him at all, you know, what kind of guy is he? Um...

[REDACTED] He hunts a lot, he... I know he does that; um, he wouldn't be the type of a guy that'd just carry a handgun with him, I know that.

GR He's... he's [REDACTED] he likes to sing.

[REDACTED] Yeah, he's really culturally involved.

GR Yeah, he...

ML Okay, wow.

GR He's [REDACTED]

CS Can you help me out with that term? I don't know what that term means?

GR [REDACTED] he's a kid that's in here. He just likes to sing, [REDACTED] a great singer. That's all he want to...

CW Yeah, he travels around for...

GR Yeah.

CW ...any marches or um, any... any good positive causes, he was always there to... to sing.

GR This is totally out of left field, yeah.

CS [REDACTED]

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CW [REDACTED] is...

GR is a kid who...

CW Uh, [REDACTED] is her cousin.

CS Okay; so you're...

GR He's...

CS ...comparing him to [REDACTED]

GR ...comparing him to a good guy, yeah.

CW Yeah.

CS Okay; and he's culturally involved...

[REDACTED] Yeah.

GR And just a good kid, I mean...

CS ...with his tribe? Okay.

GR ...he just...he's smart, he's a good looking kid, I mean...

CS Do you know him, this kid?

GR Yeah, but I'm not a witness though, I'm sorry.

CS But that's...you're saying it from what you know...

GR Yeah, yeah, absolutely, yes.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS ...and not from what you heard?

GR Yes, yes, yes.

CS Okay, I'm just trying to make sure I understand.

GR Yeah.

CS Okay.

GR Yeah, he's...he's [REDACTED]

CS I mean, based on what everyone...and again, I...I mostly know what I know what I know about this from the media, you know, you know, it sounds like he was a very popular kid and you know...

GR Very nice.

CS ...so this...it seems to be coming out of left field.

[REDACTED] Yeah.

CS Um...

? (Inaudible).

CS Um, when he came here you said he'd come a couple times; did you spend any time with him together with...with her?

[REDACTED] I didn't say he came here.

CS I thought you...I'm sorry, well good, I'm glad I'm clarifying. I thought you...you...you had met him a couple times maybe when he came here to visit.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] Oh yeah, I...I met him on canoe journeys.

CS Okay.

[REDACTED] And at culturally devel...or culturally...cultural event...events...

CS Okay.

[REDACTED] ...is the only time I've ever seen him.

CS Okay; and what...what did this person...I mean, I know we sort of talked about it a little bit but to you, what were...what did you think about him?

[REDACTED] I think he...it's like, it's crazy to me 'cause he was...he had such a good like, family and such a good environment and I don't know, he was a really popular kid.

CS Mm-mm (affirmative response).

[REDACTED] He played lots of sports, he was always busy doing somethin' and...

CS Mm-hmm (affirmative response), okay.

ML Yeah. Maybe we'll see that picture before we go on the iPad?

CS Uh, he doesn't want to get the iPad out...

GR Oh yeah.

CS ...right?

GR 'cause you guys got it on the phone, right?

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

ML It'll...

CS Well, we will, I...

ML ...it'll take...can she see just that one picture so she can tell the investigators over there?

GR Yes.

CS Yeah, and...

GR If you guys are cool with it, yes.

CS ...I don't want to open the phone.

GR Yeah.

[REDACTED] Yeah.

CW I don't see why not, I mean, we're not...

CS Yeah, yeah.

GR Yeah.

[REDACTED] Yeah.

CW We're...if it'll help out at this point, you know?

GR This is already (inaudible)?

ML It can take 8 to 12 hours to vacuum out a phone digitally...

CW So then grab your iPad.

Recorded Statement [REDACTED] - Case #WP14-4-Special Agent Cornie Sanders-10/24/14

ML ...so the more she sees now the better.

[REDACTED] Right.

ML Because she can give them a jump start on what she saw.

CS And I will not turn on the phone; the phone will get done forensically by one of the...someone else and so...and that's just to keep the evidence totally pure as untouched by...by us.

GR I would secure that iPad because I don't know who all's got access to it but that picture to the press is gonna be...they'd kill for it...

ML Yeah.

GR And um, you know, they...they'll be offering people money for X, I mean, there's...you know...

CS Okay. Could I close that door?

[REDACTED] Oh yeah.

ML Yeah.

ML Just if you tap on it, it gets bigger, the picture.

CW Just leave those there.

[REDACTED] Alright.

ML Trying to figure out what kind it is.

CS Well...

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED] He said it's a...

CW (Inaudible) semi-auto..

[REDACTED] ...I can't...

CW Yeah, the...

ML I can't see it very good.

CW ...the media already...it's already on media, a .40 caliber Beretta.

ML Oooh, yikes.

CW I think uh, Marysville Police already uh, let...let that out.

ML Yeah.

[REDACTED] Yeah, it was on the news.

CS Can I take a look one more time just before we...we shut it down? I just want to take a...a peak at the photo.

ML I think if you tap it, it goes big, right?

[REDACTED] Yeah.

ML So you just...boom, there you go.

CS Oh, okay.

ML Is that like a holster or...

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS No, there's no hol...I can't...yeah, this is a holster...

ML Yeah, that's a holster, yeah.

CS Yeah. It is in a holster.

ML Yeah, it's right between his legs, probably sittin' at the table.

CS Oh, I'm sorry, you didn't want me to see the rest, I'm sorry. Okay. Sorry.

ML (Laughing) Quit being a cop.

CS I really wasn't...I know, no doubt.

(Laughing)

CS Boy, you're being really careful there.

ML Good job being a lawyer though. We're nosy.

CS So I mean, you know, I'm not...I mean, I can sit here and I could like keep going and ask all questions just to try to get you...

ML Yeah.

CS ...to remember more; I'll wait...I...you know but I mean really, you know, if you've told me everything that you can remember right now, um, what I would ask is that if you remember something different or something more that you think might be helpful, um, it'd be great if you could...if you could somehow contact us back, you know?

GR Absolutely.

Recorded Statement: [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

CS

Um, and the other thing I would ask is if you know someone else who I should be talking to besides your cousin, um, or your sister rather, um, that...that would help out. If there's someone else that you know who he was in contact with recently, if there's someone she has said has been, you know, that we should...that we should talk to, somebody else who might have some inside information.

[REDACTED] Something I want to know really bad is where that girl [REDACTED] was, [REDACTED] when this happened earlier because [REDACTED] was texting...I don't remember her name, who it was from the school but they were in contact with...she was in contact with someone from the school and [REDACTED] asked that person, "Well, where is Jaylen right now?" and that person messaged back and said, "He walked off with [REDACTED]...or [REDACTED]. [REDACTED]?" That other...the other girl.

CS

The other girl?

[REDACTED] Yeah.

CS

Okay; and this...but this was really close to the timeframe when...shortly after you got a call...

[REDACTED] This was...

CS

...that the shooting had happened?

[REDACTED] Yeah, this was af...right after...

CS

Okay.

[REDACTED] ...we got the call.

CS

You know, if I knew the answer...I don't know the answer to that question.

[REDACTED] Yeah.

Recorded Statement: [REDACTED] Case #WP14-4 Special Agent Connie Sanders-10/24/14

CS Um, you know, and if it's something that I find out and I'm allowed to share with you, I would. Um, so I...I'll let you know if...if I can but I...I mean right now I don't even know the answer to that question.

[REDACTED] Yeah.

CS I have no idea where she was.

? The...you know, based upon the conversation I had with [REDACTED] I mean, the...I don't know, I can't obviously speak for her but the...it sounds like the whole conver...the whole relationship was in that five or six bars of text in a...

CS You...your relationship, you mean?

GR Yes.

[REDACTED] Yeah, yeah.

CS Yeah. No...

GR Yeah, yeah.

CS ...and I can appreciate that.

GR Yeah.

CS And the rest of it seems to be coming from your relationship with your sister...

GR It's been...yeah.

[REDACTED] Yeah.

CS ...and what she shared with you.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED]

Yeah.

CS

Um, about him and you know, that sort of thing so I...I understand your...your piece of this is pretty limited, although clearly it was...

ML

Incredibly helpful...

CS

Yeah.

ML

...to the investigation.

CS

It was...it was a lot and you know, probably you were probably freaked out when you saw it and...

[REDACTED]

Yeah.

CS

...it's understandable...

[REDACTED]

Big time.

CS

...and even more so now. Um, so yeah, so thank you for your information and what you shared with us and again, anything that comes up you...you may continue to have conversations with others who are more in the know, um, and again, if something, you know, that sounds significant comes up, it sounds like a lot's coming out already though...

[REDACTED]

Yeah.

CS

...um, you know, again, it would...it would be great if you could share it with us 'cause you guys communicate pretty quickly and...and you know, there's gonna be other kids who kinda...you'll...you might hear some stuff from and if you do and something you can share with us we'd appreciate it.

Recorded Statement [REDACTED] Case #WP14-4-Special Agent Connie Sanders-10/24/14

[REDACTED]

Alrighty.

CS

Anything else you...

?

No, Ma'am.

CS

Alright; so the time is um, approximately 6:10. I'm gonna turn off the recording device at this time.

[REDACTED] [REDACTED]

[REDACTED] [REDACTED]
Det. Shackleton: And your telephone number?

[REDACTED] [REDACTED]
Det. Shackleton: And your date of birth?

[REDACTED] Uh. [REDACTED]

Det. Shackleton: Okay. And [REDACTED] I'm here today because um...you have some information about the incident that happened on Friday. Is that right?

[REDACTED] Uhum (yes).

Det. Shackleton: Okay. Can you just tell me...what uh...what grade are you in?

[REDACTED] Uh...freshman.

Snohomish County Multiple Agency Response Team

WP14-004 [REDACTED] Interview

Det. Shackleton: You're a freshman, okay. Okay just go ahead and tell me what you know and I'll ask you questions?

[REDACTED] Um...just first period Jaylen asked me to uh...skip both lunch...or skip class and go to both lunches with him, and I said alright probably and I didn't think anything of it, so then after second period he asked me again to skip both lunches, and or skip class and go to both lunches with him, and then I just said alright maybe and then after one lunch came around I just decided to go to class, and I...he saw me before class and uh...asked if I was going to lunch and I said I'm gunna go to class, and he said okay and walked away.

Det. Shackleton: Okay. So how um...how well do you know Jaylen?

[REDACTED] Um...pretty good. We've known each other since really little...kindergarten.

Det. Shackleton: Okay. Are you...are you good friends with him, or?

[REDACTED] Yeah.

Det. Shackleton: Okay. So where did you see him the first time at school?

[REDACTED] Uh...first period which was in Mr. Hill's room.

Det. Shackleton: And you guys have class together?

[REDACTED] Yeah.

Det. Shackleton: Okay. And...and um...during that class period he asked you to skip both?

[REDACTED] Uhum (yes).

Det. Shackleton: Okay, so what lunch do you normally have?

[REDACTED] I normally...on Friday's I normally have second lunch.

Det. Shackleton: Second lunch okay. Do you have different day's different lunches?

[REDACTED] Uh...yeah, well on Fridays it...the lunch schedule's different.

Det. Shackleton: Okay, and do you normally eat lunch with Jaylen?

**Snohomish County Multiple Agency Response Team**

WP14-004 [REDACTED] Interview

[REDACTED] Uh...yeah he normally comes to our lunch.

Det. Shackleton: The second lunch?

[REDACTED] Uhum (yes).

Det. Shackleton: Okay. You said he comes to our lunch, is that not normally his lunch?

[REDACTED] No it's not normally his lunch.

Det. Shackleton: Okay, where is he uh...normally?

[REDACTED] He normally has first lunch.

Det. Shackleton: Okay. And where is supposed to be during second lunch?

[REDACTED] Um...Mis...what's the football teacher's name...the freshman football teacher...Mr. Mills.

Det. Shackleton: Mr. Mills okay.

[REDACTED] Room, yeah.

Det. Shackleton: So he frequently skips that class?

[REDACTED] Uh...yeah I think so.

Det. Shackleton: Okay. So who's normally at...at your lunch...at second lunch?

[REDACTED] Uh...me, Shaylee, Zoe, [REDACTED] and Andrew, and [REDACTED].

Det. Shackleton: Okay, one more time a little bit slower?

[REDACTED] Me, Shaylee...

Det. Shackleton: ...Uhum (yes)...

[REDACTED] ...Andrew, [REDACTED] Zoe and [REDACTED]

Det. Shackleton: Okay. And how often would you say you guys all have lunch together?

[REDACTED] Uh...everyday almost.

Det. Shackleton: Everyday okay, so he skips every day?

**Snohomish County Multiple Agency Response Team**

WP14-004 [REDACTED] Interview

[REDACTED] Um...some...well like probably like four times out of the week.

Det. Shackleton: Okay. Okay so he asked you to...to go to both lunches right...this happened during second lunch is that right?

[REDACTED] Uh...first lunch.

Det. Shackleton: First lunch?

[REDACTED] Yeah.

Det. Shackleton: Okay.

[REDACTED] It was his first lunch.

Det. Shackleton: Okay. So you're normally not there at first lunch but he is?

[REDACTED] Uhum (yes).

Det. Shackleton: Do you know who he normally has lunch with at first lunch?

[REDACTED] Um.. [REDACTED] Zoe, and Andrew.

Det. Shackleton: [REDACTED] Zoe and Andrew. Do they skip and have lunch with you guys then...

[REDACTED] ...Uh no, cuz...

Det. Shackleton: ...Then sometimes...

[REDACTED] ...They normally have my...they...they have my lunch. .

Det. Shackleton: Oh that's right. So but do they skip...

[REDACTED] ...Go to both lunches?

Det. Shackleton: Yeah.

[REDACTED] No, they normally just stay at their one lunch.

Det. Shackleton: Do you skip and go to the other one?

Snohomish County Multiple Agency Response Team

WP14-004 [REDACTED] Interview

[REDACTED]

Um...I only did it one time on one Friday to go hang out with em, but I normally...he just comes to my lunch.

Det. Shackleton:

Okay. So um...when he was in first period how was he?

[REDACTED]

Um...he acted normally. He just...just laying his head down and just sitting there, and we were talking. Nothing was wrong it seemed like.

Det. Shackleton:

Okay. What was he talking about?

[REDACTED]

We were just talking about just stuff like, how are you doing, what did you do, just normal conversationals.

Det. Shackleton:

Do you remember anything specific that he said?

[REDACTED]

Not really. He just...it was just kind of basic talk that we were just talking about.

Det. Shackleton:

Okay. You say that he head was down, is that normal?

[REDACTED]

Yeah, he was just sleeping. He comes...its first period so he's normally just really tired.

Det. Shackleton:

Okay. Is that...is that normal for all you kids, or...

[REDACTED]

...Yeah.

Det. Shackleton:

Okay. Okay, so uh...and then after second period you guys hook up again?

[REDACTED]

Uhum (yes).

Det. Shackleton:

Where is that at?

[REDACTED]

Um...right outside of Mr. Robert's class. That's where like we all meet up at.

Det. Shackleton:

Okay, and you say you all, who are you talking about?

[REDACTED]

Uh...like all of us, like me, Shaylee, Zoe, all of us.

Det. Shackleton:

Okay. So who all was there when you met up?

**Snohomish County Multiple Agency Response Team****WP14-004 [REDACTED] Interview**

[REDACTED]

Um. [REDACTED] me, Zoe, Jaylen, Shaylee, and uh.. [REDACTED]

Det. Shackleton:

Okay. And tell me what that conversation was?

[REDACTED]

We normally just meet up and say...talk about like we normally like oh, how was that class, or what are we doing in that class, and then we just walk our way to class, and walk with each other.

Det. Shackleton:

Okay, you said normally you do that, did you do that that day?

[REDACTED]

Yeah.

Det. Shackleton:

Okay. Do you remember what uh...Jaylen said specifically?

[REDACTED]

Uh...after everyone left he's like, so are you going to skip both lunches with me...

Det. Shackleton:

...Uhum (yes).

[REDACTED]

And I said probably and then I just walked away.

Det. Shackleton:

Okay. Had he asked the other...others to skip?

[REDACTED]

Um...that I know of yes. He...he sent out a text message to tell people to go to lunch with him.

Det. Shackleton:

Okay. Did you see that...

[REDACTED]

...Uh...

Det. Shackleton:

...Text message?

[REDACTED]

No.

Det. Shackleton:

Did it come...do you have a phone?

[REDACTED]

Yeah, but he didn't send me a text message personally. He just asked me.

Det. Shackleton:

Uhum (yes). Okay, so you said that you're probably going to skip and then what?

WP14-004 [REDACTED] Interview

[REDACTED]

And then I just walked away to class, and then the next time I saw him was right before lunch, and he asked me if I was coming to lunch and I said, no, I have to get my grade up in this class so I'm going to go to lu...go to my class.

Det. Shackleton:

Okay, and where did you see him?

[REDACTED]

Um...right outside Mr. McLelan's room.

Det. Shackleton:

Okay, and how did he seem?

[REDACTED]

Um...he seemed pretty normal I...I wouldn't have suspect anything to...him acting weird.

Det. Shackleton:

You didn't see anything odd that entire day?

[REDACTED]

No.

Det. Shackleton:

Okay. And so you went to class, what class did you have?

[REDACTED]

Uh...Mr. McLelan.

Det. Shackleton:

Mr. McLelan okay. Did he just happen to be there, or did you run into him, or?

[REDACTED]

Uh...we normally like walk that path, so he just..

Det. Shackleton:

...Okay...

[REDACTED]

...Walked past through there.

Det. Shackleton:

Which was normal?

[REDACTED]

Uhum (yes).

Det. Shackleton:

Okay. And then you were in Mr. McLelan's room when everything happened?

[REDACTED]

Uhum (yes).

Det. Shackleton:

Did you see anything?

[REDACTED]

Uh...no.

WP14-004 [REDACTED] Interview

Det. Shackleton: Okay. Um...in looking back now that this happened is there anything odd about anything that...

[REDACTED] ...Um...

Det. Shackleton: ...happened lately?

[REDACTED] I...no I just...I kind of put two and two together that he wanted me to skip both lunches and that's when I just...

Det. Shackleton: ...Yeah...

[REDACTED] ...Realized it.

Det. Shackleton: Do you um...you said he was acting pretty normal that day, how about prior to that?

[REDACTED] Yeah, he just normal fourteen year old boy.

Det. Shackleton: You usually talk to him every day?

[REDACTED] Uhum (yes).

Det. Shackleton: What were the issues he was having?

[REDACTED] Um...I...the only thing I know of was he got into a fight with his girlfriend.

Det. Shackleton: [REDACTED] ?

[REDACTED] Yeah, about like a week back and they got into a big argument and...

Det. Shackleton: ...What do you know about all that?

[REDACTED] Nothing much really, I just...just knew about that.

Det. Shackleton: Okay. What did he say?

[REDACTED] He didn't really say anything he just...it's kind of something I just knew what happened.

Det. Shackleton: Do you know from him or somebody else?

**Snohomish County Multiple Agency Response Team****WP14-004 [REDACTED] Interview**

[REDACTED] Um...from people that...or he told me that um...him and [REDACTED] got into a fight the night uh...after Homecoming and then that's all I knew and I just knew they've been fighting.

Det. Shackleton: Okay. Um...you sa...was it the night of Homecoming or the next night?

[REDACTED] It was the night of Homecoming.

Det. Shackleton: Okay. Do you know why, what happened?

[REDACTED] Um...cuz him and [REDACTED] were hanging out downstairs and [REDACTED] walked down and didn't like what she saw, and then she just got like really upset, and she started screaming at him.

Det. Shackleton: Okay. That's what he told you?

[REDACTED] Uhum (yes).

Det. Shackleton: And did...did they break up then or did they...

[REDACTED] ...Yeah.

Det. Shackleton: Okay, what did he tell you about all of that?

[REDACTED] Uh...he just said that they broke up. He didn't really get into detail about it.

Det. Shackleton: Okay. And what about [REDACTED]?

[REDACTED] Um...like...what...what about her?

Det. Shackleton: What was their relationship?

[REDACTED] Oh um...they were pretty good friends. Um...[REDACTED].. [REDACTED] started to like Jaylen after a while.

Det. Shackleton: Uhum (yes).

[REDACTED] That's all I really know that...but we're all like really close friends so, I didn't...we're all just good friends.

**Snohomish County Multiple Agency Response Team**

WP14-004 [REDACTED] Interview

Det. Shackleton: Okay. You said [REDACTED] started to like him, did they have any kind of relationship?

[REDACTED] Um...not that I know of.

Det. Shackleton: Okay. Is there any...Is there anyone that you've talked to that knows um...anything that we haven't talked to?

[REDACTED] Um...the only person I really could talk to was [REDACTED] but I'm pretty sure you guys have already talked to her.

Det. Shackleton: Yeah. Okay, is there anything else that you'd like to add to your statement?

[REDACTED] No audible response.

Det. Shackleton: No, okay. Is it true that the facts stated on this tape are true and correct to the best of your knowledge, and your statement has been made freely and voluntarily and without threats or promises of any kind?

[REDACTED] Yes.

Det. Shackleton: Do you certify or declare under the penalty of perjury under the laws of the State of Washington that this statement is true and correct?

[REDACTED] Yes.

Det. Shackleton: Okay, could you please sign this document right there.

[REDACTED] Uhuh (yes).

Det. Shackleton: Okay, and the time is 13:06, and this concludes this statement.

On the night stand near his bed was a small charm box. The box was engraved "[REDACTED] & Jaylen". The charm box contained a silver bracelet. The bracelet was engraved "I love you. I promise. Forever and Ever" on one side and "JF ♥ [REDACTED]" on the other.

I also found a small caliber rifle on a shelf. Ray told me that the gun did not work. He said that his son kept it because it was the first firearm Ray purchased for Jaylen when he was 6 or 7.

Next to the rifle was a large gun safe. The safe was locked.

I asked Ray if I could take digital images of his son's room. He replied "yes." I took pictures of his room, the bracelet, and the rifle. Nothing of evidentiary value was located in Jaylen's bedroom.

1625 hours-student interview

I returned to the High School and was asked to interview [REDACTED] and [REDACTED]. [REDACTED] and [REDACTED] were sitting at a table near Jaylen when the shooting started. They heard the gunshots, looked up, and observed Jaylen holding a firearm. They watched as he shot Andrew Fryberg, [REDACTED] and Zoe Galasso. [REDACTED] and [REDACTED] ran from the cafeteria and did not see anything that occurred after that.

[REDACTED] and [REDACTED] provided written statements.

After interviewing [REDACTED] and [REDACTED] I was asked to assist with the scene search. Det. Hatch (Monroe) asked me to process the non-evidentiary items in the cafeteria. The cafeteria was filled with over 50 students at the time of the shooting. Many of the students left their personal property lying at the tables when they fled from the building. As a result there were dozens of backpacks, cell phones, and other misc. property. Det. Wiersma (Marysville), Chris Rissen (Mill Creek) and I began

searching the bags, trying to establish some ownership. If we were able to identify an owner it was labeled. By the time we were done we had searched/labeled over 130 items. Those items were catalogued and secured in the office for students to claim.

I cleared from the scene at 2130 hours.

10/28/14

The team met and debriefed the incident. I was asked to facilitate the downloading of several cell phones (to include the phones of the suspect and victims; as well as several of Jaylen's friends who had some contact with him in the days leading up to the shooting). The cell phones were recovered either during the initial scene search, from bag and purses that were recovered at the scene and searched days later, or by investigators in the hours after the shooting from Jaylen's friends. Below is a list of the cell phones:

- Jaylen's cell phone-Jaylen's cell phone was recovered by the Snohomish County Medical Examiner's Office when they responded to take custody of Jaylen.
- Zoe's cell phones-Zoe had two cell phones. One is an I phone that had no cell reception and, according to her mom **Michelle**, was only being used to play music. Zoe's 2nd phone was a trac phone which served as her cell.
- Gia's cell phone-Gia's cell phone was recovered
- [REDACTED] cell phone-[REDACTED] cell phone was recovered
- Andrew Fryberg's cell phone-Andrew's cell phone was lying on the floor near the cafeteria table (placard Y; item #28).
- [REDACTED] cell phone-[REDACTED] cell phone was recovered by the medical staff at Providence Hospital shortly after he arrived with aid.
- [REDACTED] cell-[REDACTED] is a friend of Jaylen who lives on the peninsula. Although she was not at the school during the shooting, she had several conversations with Jaylen in the days leading up to the shooting. [REDACTED] was contacted by the FBI the night of the shooting. She voluntarily provided the FBI her cell phone.
- Shaylee's cell phone-Shaylee's cell phone was recovered from her blue jeans by Det. Scharff (SCSO) at Providence Hospital after she was transported.

Below is a listing of each cell phone and its contents. It is not all-inclusive. What is listed below is the data that was recovered that is evidentiary and sent or received between homecoming (10/18/14) and the day of the shooting (10/24/14).

Gia Soriano's cell

Gia's phone was locked and unfortunately, could not be accessed. I called her mom, her dad, and some friends to try and figure out what the code was. We were never able to crack it.

[REDACTED] cell

[REDACTED] phone had a tremendous amount of data on it. When it was downloaded the data filled two DVDs. As a result I focused on text messages, video, and pictures that were either to, from, or about Jaylen (IE a text conversation [REDACTED] had with her sister).

There were multiple text conversations (labeled on the phone as a 'chat') and pictures/screen shots (labeled on the phone as an 'attachment'). The chats and attachments can be found here:

D:\REPORTS-ITEM 53-[REDACTED] All Data\Apple_iPhone 5C\chats\iMessage [REDACTED]

There are 698 text message conversations. Most are a single message. A few are a running dialogue. For simplicity I did not check any 'chat' that was under 1KB. Anything <1KB was typically a single message.

Of the chats with more than 1 KB of information, most have little or no evidentiary value. There are 3 'chats' that are relevant. They are chat 38, chat 39, and chat 197.

Chat 38 is a text conversation between [REDACTED] and [REDACTED] that starts August 28th and ends the day of the shooting. On 10/19/14 at 1057 hours [REDACTED] asked [REDACTED] how things went last night:

Chat 39 is a text conversation with the suspect, Jaylen. The string starts on 8/29/14 and contains hundreds of texts. Most of the texts are what you'd expect to find between a teenage boyfriend and girlfriend. They even discuss getting engaged:

Text message from [REDACTED] to Jaylen

If we can stay happy and everything stays all good for a whole year... Then you can propose whenever the fuck you want

Several of Jaylen's posts to [REDACTED] reference hunting and firearms, including this post:

Text message from [REDACTED] to Jaylen
Timestamp: 10/24/2014 10:44:11 AM(UTC-7)

Your dad knows. Just sent him a message about what you just did.

There is an incredible amount of data on [REDACTED] phone. I provided Peggy Witten (SCSO) two disks that contained the data. She searched the data and on 10/25/14 called attention to the SMS messages in the report.

The SMS messages Peggy is referring to is essentially a time line of [REDACTED] text messages on her cell phone. I focused specifically on the timeline after 10/18/14 when [REDACTED] found Jaylen in bed with [REDACTED]

[REDACTED] left the party on foot. Several of the partygoers, to include Jaylen and his brother [REDACTED] text her in an effort to get [REDACTED] to return. [REDACTED] eventually returned at around 5:52 AM. She sent a message to Jaylen asking him to come downstairs (#477). He doesn't respond. Jaylen is asleep.

At approx. 06:39 AM [REDACTED] and [REDACTED] are in Jaylen's room talking. Jaylen walked into the room, grabbed a backpack, and tried to leave without saying anything. One of the girls asked Jaylen what he was doing. He said he was "going into the woods to shoot something" and left.

Later that morning [REDACTED] left the reservation and headed to the [REDACTED] to go home.

The remainder of the messages from [REDACTED] phone refer to her break up with Jaylen, but do not list any messages with Jaylen. The majority are with [REDACTED]

On 10/24/14 at 10:43 AM [REDACTED] sent Jaylen's father, **Jay Fryberg**, a message (#58). It mentioned the picture Jaylen sent to [REDACTED]. After receiving the pictures [REDACTED] called Jaylen and had a brief conversation with him. This conversation took place moments before he started shooting.

At this point the shooting is all over the news and the shooter is confirmed to be Jaylen. Several of Jaylen's family members begin contacting [REDACTED] asking if she knows any of his social media account passwords.

Zoe Gulusso's I Phone

Zoe's I Phone did not have cell reception. Zoe essentially used it as an I Pod and camera. There was nothing of evidentiary value on Zoe's I Phone.

Gia Soriano's I Phone and flip phone

Gia had two phones. One was a flip phone, which received cell reception. There was nothing of evidentiary value located on the flip phone. Gia also carried an old I Phone that did not have cell reception. According to Gia's mom and dad she used the I phone as an I Pod and camera. After multiple efforts to try and access the phone (using numerous PIN numbers from family and friends) we could not get into her phone.

[REDACTED] cell [REDACTED] is a close friend and classmate of [REDACTED]. [REDACTED] lives with [REDACTED] and although they aren't related by blood, she calls her 'sister'.

Much like I had with [REDACTED] I limited the scope of my search to the cell phone activity post homecoming (10/18/14).

There are a series of text messages between [REDACTED] and [REDACTED] on [REDACTED] cell. That conversation was already documented above.

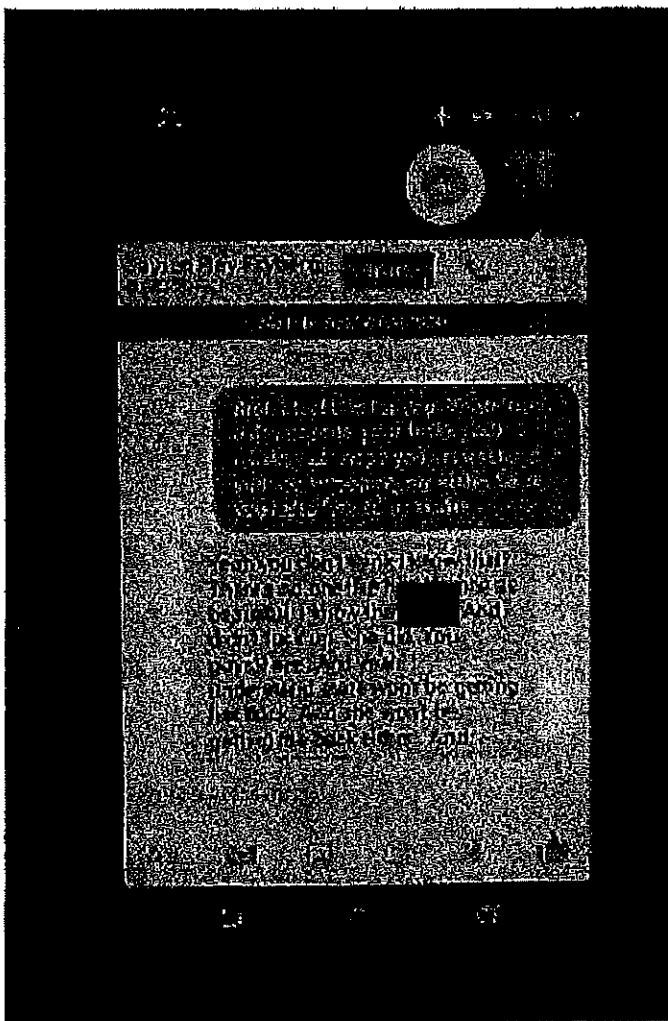

We also located a Facebook Messenger conversation between [REDACTED] and Jaylin the day of the shooting. The conversation is encapsulated in the following pictures:

It would appear that late on the 23rd and early in the morning of the 24th Jaylen tried to reach [REDACTED] via [REDACTED]. [REDACTED] refused to relay the message. At aprox. 1025 AM Jaylen sent [REDACTED] a picture of a black semiautomatic handgun and asked her [REDACTED] to have [REDACTED] call him. Although we know the phone call was made it does not list any incoming or outgoing calls from [REDACTED] cell phone.

Unfortunately, the operating system for her cell phone was not supported by the equipment we use to search. As a result we could only recover limited information from [REDACTED] cell phone.

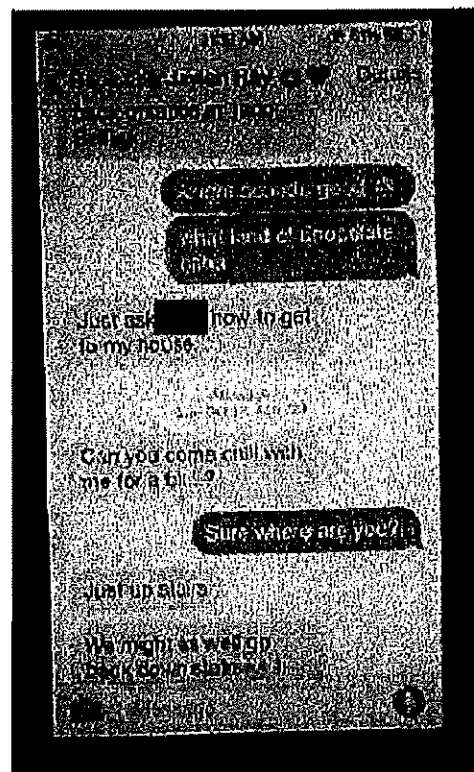

[REDACTED] Phone

[REDACTED] was the female [REDACTED] caught Jaylen in bed with after homecoming. She and Jaylen started 'dating' shortly after.

As you can see in the report (which will not be printed but placed into evidence with the digital data) [REDACTED] made an effort to delete mass amounts of data from her cell phone after the shooting. The deleted data was still recovered. As I had with [REDACTED] and [REDACTED] I focused on the week after homecoming.

In [REDACTED] cell phone there is a long text message conversation between her and Jaylen. The conversation starts on October 15th. Although homecoming was on the 18th, it was clear by the conversation that Jaylen is in a relationship with [REDACTED] and [REDACTED].

Early in the morning on the 19th he sent [REDACTED] a message asking her to come 'chill' with him for a bit.

On 10/21/14 [REDACTED] Jaylen's brother, sent out a picture on Snapchat of Jaylen and [REDACTED] kissing. Up to this point they had been trying to keep the fact that they were dating a secret. After that picture was posted, Jaylen's messages to [REDACTED] indicate that he is depressed. None of the messages, however, indicate what is about to happen. Then on the day before the shooting Jaylen sends this message:

He even tries to get her to wear all black with him on the day of the shooting, still giving no indication as to what was going to happen:

[REDACTED] had 25,000 pictures on her cell phone. I focused on only those that had been taken or downloaded after the initial suggestion of [REDACTED] and Jaylen's relationship (10/15). I did not locate any pictures of evidentiary value.

11/6/14

I obtained written statements from **Lonnie Davis** and **Daniel Gilovic**. Lonnie and Daniel are Everett Fire EMT who responded to the shooting and transported [REDACTED] to Harborview.

Later that day I met with [REDACTED] and [REDACTED] and gave them back some property that was recovered the evening of the shooting, but had no evidentiary value. I gave [REDACTED] back his books (item #21). I gave [REDACTED] back her cell phone (item #10), her purse (item #87), and the contents of her backpack (item #40). We kept the backpack itself as it had some blood evidence on it.

11/13/14

I have made multiple efforts to reach Jaylen's father for consent to search his (Jaylen's) cell phone. Ray is not returning calls. As a result I completed a search warrant for Jaylen's cell phone. The warrant was reviewed by DPA Craig Matheson and signed by the honorable Commissioner Howard. The cell phone was brought to Traci Youmans for download.

11/18/14

I met with Brian and Susan Soriano and released Gia's cell phone (item #16) and backpack (item #17) to them.

11/19/14

Jaylen's cell phone was downloaded. I completed a return of service for his cell phone and placed a copy of the warrant and a copy of the return of service in the evidence envelope before re-sealing it. Later that afternoon I filed the affidavit, warrant, and return of service at Cascade District Court.

11/26/14**Jaylen Fryberg's cell phone**

I reviewed the digital evidence we recovered from Jaylen's cell phone. I started in his Timeline, which is essentially a listing of his activity (incoming and outgoing phone calls and texts) by date and time. I started on October 14th. I initially was going to start on the 15th (which is the first suggestion of a romantic relationship between he and [REDACTED] but found some texts talking about a fight he was involved in the day before.

On or about 10/14/14 Jaylen was involved in a fight with another student at the school. Jaylen and this student had a 'beef' that had been stewing for quite some time. According to Jaylen's texts, this student had made several remarks to him about his race. On the 14th, the statements came to a boil and the two kids (Jaylen and this other student) got into a fist fight. Jaylen was suspended from school. The kid Jaylen fought is not one of the victims from the shooting.

There are several conversations between [REDACTED] and Jaylen. These conversations were deleted at some point, but Traci was able to recover them from Jaylen's cell phone. It is clear in these messages that they are having some sort of relationship and are making every effort to keep it

hidden. The only person who seems to be completely unaware is [REDACTED] Jaylen and [REDACTED] talk about dancing together at homecoming and trying to sneak away to kiss at some point (report page 542, message 3453). These messages were not found on [REDACTED] phone.

Later, he texted in some detail to [REDACTED] about breaking up with [REDACTED] after homecoming (report pages 538 and 539).

On 10/17/14 Jaylen's parents (Wendy and Ray) go out of town for their anniversary. They left Jaylen's uncle at the house while they are gone (Page 527, message 2910).

Homecoming comes and goes without incident. The group of friends return to Jaylen's house after the dance. As stated in my recap from [REDACTED] cell phone she [REDACTED] asks Jaylen to come and lay down with her. He refuses and gets angry at her for repeatedly asking (page 515, message numbers 2516-2530). Message 2516 was sent at 0210 hours. Then, at 0318 hours, [REDACTED] sent Jaylen a message stated "I hate you."

At 0326 hours Jaylen sent [REDACTED] a text message that read: "I need you to pick this dumb ass up where the fuck she is. [REDACTED] is her number text her or something ask her where she it." Page 514, message 2498.

Apparently Jaylen's mom heard about what happened because later that morning she has a very pointed conversation with Jaylen about hanging out with [REDACTED] less than an hour after sending [REDACTED] home; calling into question his integrity (Page 512, messages 2412-2414).

After homecoming [REDACTED] and [REDACTED] have a bit of a role reversal. [REDACTED] suddenly becomes the person he texts the most. The conversations between [REDACTED] and Jaylen are pretty normal.

At around 2248 hours on 10/20/14 Jaylen sent a very random message to [REDACTED]. It stated "I knew you'd run right back to him...". He continued to send messages to her that went un-answered (page 495 messages 1773-1781). A few minutes later he sent another message that stated "The guns in my hand.." and "Just please talk me out of this...". It is not clear what prompted this message from Jaylen.

The next morning (10/21/14) she responded (page 494 messages 1742-1755). She essentially told Jaylen that he needs to choose her or [REDACTED]. That conversation is detailed in the section dealing with [REDACTED] cell phone.

After that Jaylen has a lengthy conversation with his sister, [REDACTED] who seems to be stuck between Jaylen and [REDACTED] (page 489, messages 1557-1590). In the conversation with [REDACTED] he mentioned that she [REDACTED] has been talking to [REDACTED]. Jaylen seems fixated on [REDACTED] and writes this message to [REDACTED] on 10/21/14 @ 12:42 PM:

And no one... Will make you feel the way I make you feel... No one....
[REDACTED]. I love you so damn much it's crazy. And it's gonna kill us to see each other with other people. And I'll tell you right now. I will but I won't care that you and [REDACTED] are together. And when I see him he's still gonna get his for what he did. What my "Bro" said he wouldn't do. He will die. Then you'll see he ain't shit. I'm sorry for everything. I really am. I love you tho.. I really do.. More then anyone in the damn world.. And I will.. Forever and ever

This back and forth continues all day. Judging by Jaylen's text messages to [REDACTED] eventually [REDACTED] comes to terms with their friendship. He readily admits that his mood is dependent on if they (Jaylen and [REDACTED]) are fighting.

You know babe... I feel like you hate when I talk about [REDACTED] breaking me or whatever even tho we aren't together. I feel like you hate it when I bring it up. But really. Oh babe! and don't get me wrong. You definitely have the power to change my mood too!

On the night of the 22nd Jaylen makes multiple phone calls to [REDACTED]. She doesn't answer. He continues, sending this message at 10:29 PM:

Please. Or you nights gonna be hell...

She still doesn't answer. That evening Jaylen sent [REDACTED] messages threatening to kill himself.

The morning after their fight Jaylen sent [REDACTED] this message:

I'm tore apart for some reason. I'm super depressed I woke up at 3:00 and haven't slept since...

Jaylen continues to send [REDACTED] text messages, which go unanswered. This appears to send Jaylen deeper into depression. It didn't go unnoticed. This is a message from [REDACTED] to Jaylen the day before the shooting:

Babe cheer up please

On the morning of the shooting Jaylen's text messages appear normal. At 07:44 Jaylen types out a 'note' which reads "My funeral shit" describing, in detail, what he wants to be dressed in; the name he wants for his dog, etc. The content of that message can be found starting on page 448. He does not send the note out at his point.

Jaylen then makes multiple efforts to contact [REDACTED] without success. He tries to reach [REDACTED] through her friend [REDACTED] and has a brief conversation with her via Facebook. That conversation is detailed above.

At 1027 hours he gets a phone call from [REDACTED]. It lasts 2 minutes and 20 seconds.

At 1030 hours he makes a call to [REDACTED]. It lasts 22 seconds.

At 1033 hours he gets another call from [REDACTED]. It lasts 34 seconds.

Then, at 1037 hours, he sends this message to his dad:

Read the paper on my bed. Dad. I love you.

4 seconds later, he sent out "My funeral shit" to his family.

Family members almost immediately begin calling or texting him. This is literally occurring as he is murdering his friends in the cafeteria. Several family members respond to the school while they are attempting to reach him. By this time, he is dead.

In the minutes following the shooting it is becoming apparent to Jaylen's family and friends what has happened. Several of his family members began trying to log onto his social media accounts to 'scrub' or delete what Jaylen posted. One of his family members reached out to [REDACTED] in hopes that she knows some of his passwords.

towards someone who was seated and shooting at that person. He had a black pistol and was wearing a black windbreaker, jeans, and maybe a hat.

█████ said he had just spoken with Jaylen about an hour before the shooting. He said everything seemed normal and Jaylen even made fun of his hair because he just had it dyed blonde. He said that he and Jaylen were more like brothers than cousins. Jaylen was suspended from school for two days for fighting and the other student was expelled from school. He said Jaylen and the other boy were in a fight over racial comments the other boy made. █████ said he was in complete shock over the shooting incident and never would have suspected Jaylen of something like this. He was not aware of any pistols in the home and said that if he had any knowledge of this happening, he would not have let Jaylen do it. He said that Jaylen was the homecoming prince just a week ago and █████ was the homecoming king.

█████ told me that Jaylen sent out a family text around 1030 that morning concerning his funeral arrangements. He said he had the message on his phone and he emailed me a copy. He said that Jaylen's family was very close and he recently shot a 3-point buck on a hunting trip. Of those mentioned in the text, he said that █████ and Andrew are cousins and he was not aware of any issues between them and Jaylen. Gia Soriano was a friend of Jaylen. They said he recently broke up with █████ and Jaylen was currently semi-dating █████. Although, it appeared █████ was not as interested in dating as Jaylen. █████ said he speaks with Jaylen every day and could not imagine why he did this. He said that Jaylen did not have a vehicle at school, he is a freshman, and his family normally drops him off at school.

After I received Jaylen's text from █████ I called and forwarded it to WSP/SMART Detective Rhue who was back at the scene. A copy of that text is attached to this report. It details Jaylen's wishes concerning some of his property, his funeral arrangements, some personal wishes, names of those he wished to take with him to "the other side", and his reason for doing it (being unhappy and needing to have his "crew" with him). He said he

He shot five or six times at those sitting across from him while he backed up to the wall. While leaning against the wall, he tried to reload the weapon. It took him awhile to reload, because he was shaking so badly. [REDACTED] ran out of the cafeteria while Jaylen was reloading and he heard one more shot. We were not permitted to record the interview and [REDACTED] declined to write a statement. [REDACTED] made a very brief verbal statement. I took notes while she spoke and the essence of her statement follows.

Following MPHS Homecoming [10/17/2014] she and Jaylen had an argument and she broke off her relationship with Jaylen and returned to [REDACTED]. In the days that followed, she refused to have any communication with Jaylen. Jaylen began texting her cousin, [REDACTED]. On Thursday, the day before the shootings, [REDACTED] said Jaylene was, "Blowing up my phone and [REDACTED]"

After waking up on Friday morning [REDACTED] received a text from Jaylen that included a photo of a gun and Jaylen was dress in all black. The text read, "Have [REDACTED] call me before I do this thing."

[REDACTED] then called Jaylen. According to [REDACTED], Jaylen answered and said, "I love you."

She replied, "What are you doing?"

Jaylen replied, "You don't think that's my Dad's gun."

[REDACTED] "No I don't. I'm gonna call your dad." [REDACTED] then hung up.

A few minutes later [REDACTED] said she got a call from Jaylen's Dad asking if she knew where Jaylene was and she told him Jaylen was at school. [REDACTED] then called, or was called by, [REDACTED] who told [REDACTED] that Jaylene had just shot his friends and the school was on lock down. [REDACTED] made no other statements.

At the conclusion of the interview I returned the two cell phones [evidence items 53 and 54] to [REDACTED]. An itemized and signed receipt was prepared and signed by [REDACTED]

The investigation continues.

said that Jalen electronically sent a picture of his gun to his ex-girlfriend, [REDACTED] (phonetic).

Jalen's current girlfriend, [REDACTED], was sitting at the lunch table when he shot Gia Soriano, [REDACTED], and Andrew Fryberg. [REDACTED] and Andrew are believed to be relatives. Gia appeared to be shot in the head.

Jalen was mad at his cousin [REDACTED] because he felt she had a "big mouth."

Jalen pulled his hand gun out of a black back pack that had a lot of straps.

Jalen shot one magazine. He had trouble loading the second magazine because his hands were shaking badly.

He had a "straight" face as he was standing and shooting the victims.

A new teacher named Ms. Soderberger (phonetic) performed cpr on one of the male victims.

At 1318 hours, I was cc'd on an email sent to Agent Bisbee from Heidi Wallace from the Department of Justice with an attachment with gun information for the Beretta used by Jaylen.

At 1321 hours, I was cc'd on an email sent to Agent Bisbee from Heidi Wallace from the Department of Justice saying

Joe,

Here is the NCIC on Raymond Fryberg, the purchaser of the firearm. Fryberg does have an active CPL. I checked Linx and couldn't find a report about the initial incident involving Fryberg from 2000. The Detective probably can find it in their system.

Attached to the email was a criminal history summary for Raymond K Fryberg, Jaylens father.

At 1332 hours, Agent Wallace sent me an email with a copy of a federal firearm form completed by Raymond Fryberg in 2013 when he purchased the handgun from Cabelas.

██████████ said that he was not aware of Jaylen Fryberg having any weapons. ██████████ described the handgun the he had seen Jaylen Fryberg with today, as a "black pistol". ██████████ went on to explain that he was currently the Homecoming King and that Jaylen Fryberg was the Freshman Homecoming Prince. ██████████ said that Jaylen Fryberg had sent a text to the family just prior to the shooting. Also present in the room were Anthony M. Hatch and Martin Fryberg Jr. I was shown the text. The text was sent to Detective DeFolo's e-mail. I will let Detective DeFolo address the text, but it did mention funeral preparations and other related messages about the shooting event that had just occurred. From the best of my recollection and my notes, I believe the text had been sent at 1037 hours, on the date of the shooting, which was just prior to the initial 911 call. ██████████ said that Jaylen Fryberg had just broke up, (from a dating relationship), with ██████████ (unk spelling) and that Jaylen Fryberg was seeing a female, mainly as friends, identified as ██████████. This concluded the interview with ██████████.

On scene assist:

I responded back to the school to look for a new assignment. I arrived on scene and saw that Sgt H. Jackson from the Washington State Patrol was on scene. Both Sgt. Jackson and I are assigned to the Washington State Patrol Interagency Bomb Squad, as Bomb Technicians. Sgt Jackson said that he was on scene to assist in any way and that he had just received a call on the "bomb pager" from Lt Phillips, (SMART), requesting bomb technicians. I spoke with Lt Phillips and a request was being made to clear some back packs in the lunchroom where the shooting had occurred and that there was the potential of explosives due to bomb sniffing K9's had alerted to some of the backpacks. I assisted Sgt Jackson in setting up the x-ray system in the lunchroom. I was asked to rejoin the investigation and did so when I saw that Sgt. Kessler, also a bomb technician with the Washington State Patrol Interagency Bomb Squad had arrived on scene to assist Sgt. Jackson.

On October 24, 2014 at approximately 11:59 a.m., the Snohomish County Multiple Agency Response Team (SMART) was activated for homicide investigation which occurred at Marysville-Pilchuck High School, in Snohomish County, Washington. The SMART page indicated Detective Rhue and Detective Honnen were lead investigators. I responded to Marysville-Pilchuck High School from south Snohomish County.

I arrived at Marysville-Pilchuck High School at 12:40 p.m. The roadways around the high school were closed to traffic. Crime scene tape cordoned off the buildings from the surrounding campus areas. There were numerous law enforcement officers at the school actively clearing campus buildings.

At approximately 12:50 p.m. SMART Sergeant Stich initiated a scene briefing in the teacher's lounge in the central part of campus. Snohomish County Sheriff's Deputy Barnett providing the following information based on an interview with student [REDACTED] [REDACTED] Shaylee Chuckulnaskit, Zoe Galasso, Andrew Fryberg, [REDACTED] Gia Soriano and [REDACTED] were seated at a circular table with Jaylen Fryberg inside the cafeteria during lunch break. J. Fryberg specifically invited some or all of them to skip class and attend the same lunch period. J. Fryberg reportedly had recently broken up with his girlfriend who lived in [REDACTED] WA and believed some of the girls invited to sit at the table may have played a role in their break-up. AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION	INCIDENT NUMBER WP14-00004
NAME OF VICTIM(S)		

INTERVIEW:

At about 1218 hours, Lake Stevens Lieutenant Lambier asked if I could assist him with interviewing Raymond and Wendy Fryberg at the Marysville Police Station.

Lambier and I met with Raymond and Wendy at the Marysville Police Station to discuss what they may have known about this incident and what lead up to this event.

Raymond mentioned an altercation that happened last week at school between Jaylen and another football player. Raymond stated the other student had been harassing Jaylen most of the school year and he finally got tired of it and struck the other student. Raymond claimed that the problem had been brought to the attention of the football coach and school Administration on two (2) separate occasions before the fight occurred last week. Raymond added that both kids had had been suspended for three (3) days over the incident by the school.

Both parents indicated they were surprised this occurred because Jaylen had recently been selected as the Freshman Prince for Homecoming, was well liked at school and that Jaylen had not acted any differently when Wendy dropped him off at school at about 0733 hours that morning.

When asked where Jaylen would be able to obtain a gun Raymond related that he keeps a pistol (PK40) in the truck console and that Jaylen may have taken it. Wendy added that she drove Jaylen to school in the truck and he did not take anything out of the console when he was with her. Both Wendy and Raymond agreed if Jaylen had taken the gun it did it before Wendy drove him to school.

Raymond related the only other incident that happened recently for Jaylen was the ending of a relationship he had with [REDACTED] who they believed did not attend Marysville-Pilchuk and was not from Tulalip Tribes.

Raymond and Wendy both stated they were made aware of the incident when they received a group text from Jaylen.

The interview was completed and Wendy and Raymond escorted to their vehicle at about 1338 hours.

EVIDENCE:

I took digital images of the text messages on Raymond phone while Lambier moved each page. Those images were later transferred to a CD and placed into an evidence envelope as Item DI-1.

The messages appeared to discuss Jaylen wished when he died and his apology for the actions he was taking.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

The messages, posted from "Jaylen Ray" referenced funeral arrangements, how he wanted to be buried, told [REDACTED] that he loves her. Jaylen writes that he wants his, Andrews and [REDACTED] graves to all be lined up and he apologizes to [REDACTED] parents writing that he didn't want to go alone and who better to go with him than the one and only [REDACTED]

Jaylen also apologized to Andrews and [REDACTED] family for taking them with him, and apologized to all of his other friends; Zoe Galosso, [REDACTED], Gia Soriano, [REDACTED] and Shaylee Chucklenasket.

I noted that in this segment of the message he wrote "if they get caught in this shit tomorrow." That indicated to me that Jaylen may have written this text the day before (October 23rd), not sending it until just prior to the assault.

Jaylen wrote twice that [REDACTED] should not be with or talk to [REDACTED] at all. Jaylen references a girl named [REDACTED] regarding the naming of a dog after her.

I took overview pictures of the text messages and returned the cell phone to Randy Fryberg. I later noted, upon reviewing the printed pictures of the text messages, that there was an icon that read (more...) at the bottom of Jaylen's message. This seemed to indicate that there was more to the text message as a whole, however, I did not notice it at the time while photographing the text messages and therefore any additional text was not documented by me.

Printed copies of the digital photographs area attached to this report. Officer Irwin copied those pictures onto a CR-R and submitted them as evidence. See his supplemental report for further information.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

In summary, [REDACTED] told me that lunch was almost over when she saw Jaylen stand up at the table, reached into his backpack, and took out a gun. Jaylen began shooting [REDACTED] friends from left to right; Shaylee, Zoe, Andrew, [REDACTED] and Gia. [REDACTED] said that Jaylen stopped to reload the gun after Gia. [REDACTED] said that she got onto the floor to hold Gia, she thought Jaylen and [REDACTED] ran outside.

[REDACTED] told me that Jaylen send a text message to Jaylen's ex-girlfriend [REDACTED] (spl) telling her to call him or he would do something he would regret. [REDACTED] told me that [REDACTED] told her about the texts when she called [REDACTED] after the shooting.

My interview with [REDACTED] was sent for transcription on 10/29/2014.

Detective Walvatne asked me to attempt to contact three additional people; [REDACTED], [REDACTED], and [REDACTED]. I called all three subjects, I left a voicemail for [REDACTED] and [REDACTED], the number for [REDACTED] was incorrect.

On 10/28/2014, at about 0830 hours, I met Detective Shackleton, she provided me with two CDs containing the audio file of my interview with [REDACTED] on 10/24/2014. I also met with Detective Walvatne who provided me with a CD working copy of my interview with [REDACTED] on 10/24/2014.

Later, I returned to the Lake Stevens Police Department where I packaged one of the CDs I received from Detective Shackleton as evidence, I retained the other CD as a working copy. I copied the audio file of my interview with [REDACTED] on 10/24/2014 from my department issued digital audio recorder onto one CD. I packaged the CD as evidence. I copied all three audio files that I had [REDACTED], [REDACTED], [REDACTED] onto one CD and gave it to Detective Thomas to send them off for transcription. I destroyed the CD working copies

table to see if he knew anybody there, which he did (Jaylen, being a member of the football team). He didn't remember if he acknowledged Jaylen as he walked by or not.

After the shooting, he said that he and [REDACTED] ran out of the room and out the lunchroom. He said that he ran across the courtyard out into the fields just north of the school and jumped the fence. A neighbor saw what was going on and [REDACTED] and [REDACTED] told her what had happened. She allowed them to come into her house for shelter. They then called their parents and then went home from there.

I asked him if he had received any "tweets" directly from Jaylen before the incident and he said that he didn't, but received the same group texts from people after the shooting.

I asked him how long he had knew from Jaylen, and he said that he had known "of" him since childhood and knew that he was into sports and working out, but didn't know much about him.

I also asked [REDACTED] about Jaylen's demeanor, and was he aware about any issues with that. He said that he had heard that Jaylen had a "bad break-up", and he was posting all about it on his twitter page. He described Jaylen as being "messed-up" over it, and didn't know how to deal with it. I asked him who he was going out with and he didn't know, he thought that her name started with an [REDACTED] or something like that. I said maybe [REDACTED] and he thought that was it.

I asked [REDACTED] if he had heard of any warnings or tweets about any threats or anything that might happen today. He said that he didn't hear of anything and that this is a complete surprise to him.

I also asked [REDACTED] if he would sketch for me a diagram of the lunchroom in relation to where he and [REDACTED] were sitting and to where Jaylen's table was. I then gave him a written statement form to draw his sketch on. In his sketch he thought his distance between his table and Jaylen's table was approximately 20 yards.

I asked [REDACTED] if he had anything else that was important for us to know. [REDACTED] said that Jaylen seemed determined and he had a plan as to what he was doing. He said that he saw his face and that it was calm, didn't look "shaken-up" or anything. He had a blank face. [REDACTED] thought that this was definitely planned and wasn't scanning around the room for other victims, just concentrating on the people at the table. He knew who he was going to shoot, and that they were all there with him. It was like he was "hanging out with them and then he wanted to shoot them".

I then ended the statement so [REDACTED] could join his other teammates in meeting the Oak Harbor High School Football (their opponents for tonight's game that had been cancelled) that arrived on scene to give condolences to them.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

We exited the conference room and I met with up with Det. Carroll that had just finished with his interview with [REDACTED]. He handed me the digital recorder that he had borrowed from the school district for me to download the recording.

When we were done with the interviews, we responded back to the school and contacted the command post, at 2031 hrs. After a short debrief, most of the investigators were dismissed. However, they needed personal to help sweep the lunchroom for additional evidence.

I reported to the lunchroom where other detectives were still working the scene. The bodies had been removed from the scene; however, there was still a large amount of blood on scene where the shooting had taken place. I assisted the other investigators in sweeping the walls, ceilings and tables for any ballistic evidence and found none.

I then cleared the scene at 2221 hrs and returned back to the station.

On October 28th 2014 @ 1745 hrs, I attempted to call back Randy Rohrer, who is the father of [REDACTED]. I spoke to him on the phone. Randy confirmed to me that [REDACTED] was back in town, but was hesitant to speak to the police because of past negative experiences with the police. Randy shared this view as well. We talked at length about his attitude towards the police and it seemed to calm him some. He agreed that he would speak to his daughter and about the importance of speaking to us.

On October 29th, I went back up to the Marysville School District Headquarters and contacted Jodi Runyon, who is the Executive Assistant to the Superintendent. Runyon is the person who owned the digital recorder that we borrowed for [REDACTED] interview. Since I could not download the file onto my computer (due to its age) I thought that they might have the software for it. With the help of their IT department, we managed to transfer the file onto a flash drive.

While I was there, I inquired about the name of [REDACTED]. They looked up his record and found a [REDACTED] that was a student at MVP. They provided to me his contact information.

On October 30th, I was contacted by Sgt. Woodburn of the Everett Police Department to possibly coordinate an interview of Juylen's girlfriend with the FBI in the [REDACTED] area for the 31st. He asked me to call SA Colleen Sanders to coordinate it. I agreed and place a telephone call to her.

We spoke on the phone. She stated that the interview was still up in the air, due to their hesitancy in speaking to the police. She was trying to schedule something for tomorrow and would let me know if she was successful.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

were documented and photographed; the wound had been treated at the scene and did not require further medical attention at this time.

█████ advised that he was in the lunchroom eating his lunch when he suddenly heard a "Popping" sound and turned around to see "Someone" shooting people. █████ said that he recognized the person shooting as s-Fryberg because he knew him from the football team. █████ went on to add that he could not see the people being shot but he did see s-Fryberg reloading the gun. █████ said that he was running from the table to the doors located on the same side of the building that he was sitting but farther north when he received the injury to his lower leg that felt like it was "Stinging."

█████ said that he had learned from a friend named █████ that s-Fryberg had been trying to get people to skip class and meet him in the lunchroom. The school was having a half day as mentioned before by █████ and it was explained that when the schedule changed like that it affected some of the students lunch times which could change someone who typically had 1st. lunch to 2nd. Lunch and reverse could also happen.

█████ provided the names of other students who were present as █████ and a █████ who when we passed their names along were informed that they had been contacted and interviewed.

While back at the command post the information about s-Fryberg's girlfriend who had recently broken up with him had been discovered and I was given her name and phone number to attempt to make contact with █████ whose number was given as █████ I learned also that her cousin is █████ I contacted the █████ Tribal police located in █████ at █████ and a second number of █████ I spoke with █████ Police Chief Lasnier who advised that FBI S/A Colleen Sanders had made contact with █████ and obtained a taped statement

from her and her cousin and that on [REDACTED] phone there was a photo of s-Fryberg holding the pistol between his legs 2-3 minutes before the shooting. S/A Sanders would deliver the phone tonight according to Chief Lasnier. I passed this information to the command post so it could be recorded.

On 11/3/14 at 1412 hours I accompanied Det. Atwood to Marysville Pilchuck High School to contact a staff member and obtain a recorded statement as the investigation of the incident continues. We arrived at the office and identified ourselves and asked to speak with Margaret Olson (Sue) one of the secretaries at Marysville Pilchuck High School. The interview was conducted with her consent in an office in the administration building. Sue was candid and relayed what a terrifying experience it was and how the children flooded into the office seeking shelter where they remained until police arrived on scene and advised them it was safe to evacuate the school campus. Sue did not see the suspect or any of the victims having heard several accounts after the fact. Sue could not offer any new information that had not been previously documented which brought our interview to an end. We thanked her for taking the time to speak with us.

At 1450 hours we arrived at the residence of [REDACTED] shortly after he had returned home from school. [REDACTED] agreed to speak with us as we took seats in the living room his parents also joined us for the interview. [REDACTED] attends Marysville Pilchuck High School and was in school on the day of the shooting. [REDACTED] advised that he was in the cafeteria when the shooting started and that he saw the shooter in profile only that he fled after hearing the first shot fired. When asked how many shots he heard [REDACTED] said he heard eight but ran after the first shot was fired. There was no additional information to document in this incident.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Case # WP 14-000004 SMART

Detective J.N. Rhue #674

year old girlfriend, [REDACTED], had broken off their relationship one week prior. Examinations of cell phones showed Jaylen made multiple efforts to contact [REDACTED] in the days leading up to the shooting.

The following is a timeline of events on October 24th leading up to the shooting:

- At 10:25 a.m. on October 24th Jaylen sent a picture of a pistol between his legs via Facebook Messenger to one of [REDACTED] friends, asking that [REDACTED] call him before he did "this thing."
- At 10:27 a.m. [REDACTED] called and spoke with Jaylen. The call lasted two minutes and twenty seconds.
- At 10:37 a.m. Jaylen sent a text to his father which said, "Read the paper on my bed. Dad I love you." (This note has not been recovered by investigators)
- At 10:37 a.m. (Four seconds after the text to his father) Jaylen sent out a prepared group text to his family titled, "My Funeral Shit." In the text Jaylen detailed his funeral wishes and his intention of taking his friends with him to "the other side." (The text was prepared at 7:44 a.m.)
- At 10:39 a.m. 911 received its first call indicating a shooting had occurred.

The pistol used by Jaylen was purchased by his father Raymond Fryberg. Raymond Fryberg told investigators he kept the pistol in his pickup truck. The circumstances involving the purchase of the pistol in 2013 were investigated exclusively by the Federal Bureau of Investigation.

23

She is the girlfriend who broke up with Jaylen the weekend [Homecoming] before the shooting. She cut off communicating with Jaylen who resorted to texting [redacted] cousin, [redacted] who passed the content of the messages on to [redacted]. The night before the shooting Jaylen texted many messages to [redacted] phone. On the morning of the shooting he texted a phone of a gun along with the demand that [redacted] needs to call, "Before I do this thing". The interview took place at the [redacted] Police Department. School nurse. Jaylen came to her on Tuesday or Wednesday that week wanting to change to an earlier lunch citing his diabetes. She felt there was another reason.

25

Very brief written statement. He was outside the cafeteria and saw a "white Mexican male" shoot a "white freshman".

26

He was in the cafeteria and when the shooting occurred he ran from the building.

27

In the cafeteria, saw the shooting and the teacher approach and then the suspect shot himself. Said Jaylen wasn't going to wrestle this school year and didn't want to go to school. He'd been arguing with mom and dad the day before; unhappy the day before at lunch.

42

At the cafeteria for lunch. Heard the shots and everyone screaming but didn't see much.

43

Sitting on the right side of Jaylen when he stood up and started shooting. She ran from the cafeteria. Earlier in the day Jaylen told her and the other friends to skip 5th period and go to first lunch. Her and Jaylen were more than just friends. She thought Jaylen was depressed over the recent break-up with [REDACTED]

44

In the cafeteria and saw Jaylen shoot Gia, Andrew, Zoe and Shaylee.

45

Was in the cafeteria. Saw the shooting and ran out. Does not know Jaylen.

46

In the cafeteria and hear 5-6 loud bangs, 4 were in rapid succession. Did not see the shooter.

47

Exchange student from Germany. Sitting nearby, heard the shots, saw Jaylen with a gun and ran from the cafeteria.

48

He was seated in the cafeteria at the table just north of the victim's table. When the shooting occurred, he felt a sharp pain in his back and fell to the floor. He got up and ran.

Case No.: WP14-00004

1 away from where the shooting happened and I sat down for like five minutes and
2 then I heard uh three gunshots and then I looked up and I saw Jaylen standing and he
3 had a gun in his hand and then all my friends we just got up and we were screaming
4 and saying that we had to go, so we left out the back of the school where like
5 running where towards the ROTC room is and then we went on the back road and
6 then we, when we got to the fence in the back of the school uh it was locked and we
7 didn't know how to get over so we just all jumped and...when we jumped and we
8 got over everybody was just crying like a lot and uh...I asked like two minutes after
9 I jumped the fence, I asked to call my mom off my friends phone and I don't
10 remember who I called off, but uh and I called my mom and she answered, I called
11 her on her school phone in her office and she answered and I was crying hysterically
12 and I don't think she could understand me, but I was saying that...someone had a
13 gun and I don't think I said Jaylen but I knew it was Jaylen and I uh told her that I
14 was scared and I was running and I just didn't know what to do and then she hung
15 up and she said she was coming, she was on her way, she hung up and then I went
16 down the street a little bit and then my friend came with her - - with his older sister,
17 his name is [REDACTED] and uh I got in the car with them and we went just to the stop
18 sign before we passed the church. Uh and then I got out because I just needed to call
19 my mom again and so she knew where I was cause they were going to [REDACTED]
20 house and I didn't want to go and then I called my mom off my friend [REDACTED]
21 phone and uh she was in the car at the stop - - at the round-about and uh I was trying
22 to tell her where I was and I told her I was on 51st and she was just trying to get to
23 me because I think we both were just really scared and trying to make sure we both
24 were ok and uh...we like, she came down the street and she asked me, before I saw
25 her she asked me if I heard the police car that went by because it went by her at well
26 and I told her I just heard it and then a little bit after that I saw her car and I was
27 running to her car and then...yeah then I was with my mom and then we went
28 home...well no then we went to Totem, she put me in her office and she left yeah
29 (inaudible).

30 KN: Uh back to the lunch table or actually before the lunch table you you (sic) spoke to
31 Jaden or Jaylen earlier today?

32 [REDACTED] Not today.

33 KN: When was the last time that you spoke to Jaylen?

34 [REDACTED] I talked to Jaylen...two days ago at his football practice.

35 KN: And what were - -what's the kind of jest of the conversation?

36 [REDACTED] We were just talking about what happened with his girlfriend well his ex-girlfriend
37 of like two weeks ago. Uh [REDACTED] not [REDACTED] uh and he was telling me
38 that [REDACTED] freaked out on him after homecoming and uh they broke up and then he
39 said that he was kind of like he kind of had a thing with [REDACTED] like they were kind
40 of in a relationship and everybody was really, really mad at him and giving him a
41 bunch of crap about it and he was just really mad about that and he just seemed
42 really frustrated that everybody was just talking to him about it and he was like why
43 does everybody care and it's not their business and yeah that's what we talked about.

CONFIDENTIAL

Statement of: [REDACTED]
Detective: Kevin Nelson
Page 3

Case No.: WP14-00004

1 KN: You said he seemed frustrated about it, did he make any threats?
2 [REDACTED] No. He didn't but I knew he got in a fight with [REDACTED] and he was
3 suspended last week, so I didn't know if that had to do with it, I didn't know if
4 [REDACTED] before I knew who actually got hurt I didn't know if [REDACTED]
5 had to do with it but, yeah he didn't tell me like he didn't say anything about hurting
6 anybody. He just said he was angry.
7 KN: Did [REDACTED] and Jaylen both get suspended last week?
8 [REDACTED] I have no clue if [REDACTED] got suspended.
9 KN: But Jaylen did get - -
10 [REDACTED] Yeah.
11 KN: ...suspended from school last week?
12 [REDACTED] Yeah.
13 KN: Ok.
14 [REDACTED] And he just got back on Monday.
15 KN: Just came back on Monday. Ok uh (dog barking) now back up to the lunch table,
16 this was at first lunch correct?
17 [REDACTED] First lunch.
18 KN: Uh...you were sitting at a table close to Jaylen's table?
19 [REDACTED] Sort of, he wasn't at the table like, I hadn't seen him all lunch and usually like I look
20 and see where everybody is at lunch time just to see where my friends are cause we
21 sometimes we change tables and at the table where everything happened, he wasn't
22 sitting there so...I th - - I didn't, I think he walked in and shot them, but I don't think
23 he was in there, but at my table was like, it was...the doors to walk into the lunch
24 room, the table that got uh that everybody got shot, one table, another table, my
25 table. And then...a bunch of circle tables around and we all just looked up cause we
26 heard it and we thought like we talked, like when we heard the shots they were really
27 like close together and we thought that it was just somebody like popping
28 their...lunch bag or something and then we saw Jaylen's gun in his hand and we just
29 didn't know what to do but run so.
30 KN: Ok. So Jaylen does he normally sit at that lunch table where the shots happened?
31 [REDACTED] No he usually sits at the lunch table with all the "C" team football players that's...on
32 the other side of the lunch room.
33 KN: Ok so the table where the shots happened, he normally doesn't sit there or anything?
34 [REDACTED] No...never.
35 KN: Did he have a, did he have a problem with people that sat at that table?
36 [REDACTED] No they were all like really good friends is what I thought, like (dog bark) [REDACTED] and

1 of the school year when I met [REDACTED] and Jaylen, he was telling me like how close they
2 were and they went to school together and they've been wrestling together since I
3 don't know how long.

4 KN: Ok so the first thing that drew your, drew your attention to to (sic) the table where
5 the shooting happened were the shots themselves then?

6 [REDACTED] Yes and they were really loud.

7 KN: Ok and then how many shots do you think you you (sic) heard before kind of in
8 succession?

9 [REDACTED] Before what?

10 KN: Well you said it was a - -

11 [REDACTED] Oh we heard - -

12 KN: ...bunch of shots right away.

13 [REDACTED] ...three, I heard three until I looked up and then I heard more and I saw him like
14 shooting it and then I just got up and left.

15 KN: Ok so you heard three shots, you look over there, you see Jaylen standing up and
16 having a gun in his hand, what did the gun look like?

17 [REDACTED] It was black, it was small, it wasn't like...I don't know just was like...I don't really
18 know what guns are so I can't really tell you the name or anything, but it was just a
19 small gun and it was black...it didn't really look shiny I just glanced at it and I knew
20 it was a gun so I was out.

21 KN: Did you see him fire any shots?

22 [REDACTED] No.

23 KN: But after you got up and started to run you heard more shots?

24 [REDACTED] Yeah.

25 KN: Ok.

26 DM: So it was small so it was it wasn't a rifle, it was a handgun?

27 [REDACTED] No. (Dog barking) no no no it was a handgun cause he had only one hand on it.

28 DM: So I know you kind of set up where the tables were, can you kind of tell me in
29 proximity where you were in other words like - -

30 [REDACTED] Like how far away?

31 DM: Yeah how far away?

32 [REDACTED] ...like from here...to...where those windows are.

33 DM: Ok.

34 [REDACTED] Yeah.

35 SM: So about fifteen yards away, about that.

Det. Morrison: How long have you known him?

[REDACTED] I've known of him for years but I don't really know him that good.

Det. Morrison: Um-hmm.

[REDACTED] I didn't know much about him, no background on him, but I just knew he liked to work out and that kind of stuff.

Det. Morrison: Was he pretty, I've not seen any pictures or seen anything. Was he pretty physically fit?

[REDACTED] He wasn't like big or anything but he was fit.

Det. Morrison: So.

[REDACTED] Yeah.

Det. Morrison: So he was physically fit. So he obviously played football.

[REDACTED] Um-hmm.

Det. Morrison: He must have liked the sport. Through your other friends, did your other friends say anything about maybe his demeanor or what he was like?

[REDACTED] I...

Det. Morrison: Or if he...

[REDACTED] ...I heard it was over a girl. He had a bad breakup and you can kinda see that from going through his Twitter page.

Det. Morrison: Um-hmm.

[REDACTED] Just all the negative posts he had about it. And so, it seemed like he was kind of messed up over the breakup and just didn't know what to do with himself.

Det. Morrison: Um-hmm.

[REDACTED] So that's, that's the only thing I really knew, background on him.

Det. Morrison: And who was he going out with?

[REDACTED] It starts with an [REDACTED] I can't think of it.

Det. Morrison: [REDACTED] ?

[REDACTED] Shaylee, yeah, I think it's that.

Det. Morrison: Chucknaski?

[REDACTED] Um-um. I want to say it was Shaylee.

Det. Morrison: Shaylee Chucknaski last name?

[REDACTED] I, I didn't see the last name. I just knew...

Det. Morrison: Shaylee, alright. And they had broken up?

[REDACTED] Yeah.

Det. Morrison: Okay. And that, he might have been despondent over that?

[REDACTED]: Um-hmm.

Det. Morrison: Okay.

[REDACTED]: Yeah.

Det. Morrison: So other than that, I mean did you have any kind of inclination of what was going on? Was there, did anybody start talking about how he, you know, he was despondent or?

[REDACTED]: How, say that one more time?

Det. Morrison: Prior to this, I mean did anybody start talking in your Twitter or your Facebook or on the team...

[REDACTED] No, nothing.

Det. Morrison: ...like hey something's up with Jaylen...

[REDACTED]: No.

Det. Morrison: ...or anything like that?

[REDACTED] He hid it. He, like besides what he posted on Twitter, I didn't hear anything else of it.

Det. Morrison: So I mean bottom line, this is a surprise?

[REDACTED] Yeah.

Detective:

And then Jaylen's ex-girlfriend you said?

That's her.

That's her.

Detective:

Is [REDACTED] okay.

Yeah, her last name is [REDACTED]

Yeah.

Detective:

Okay.

And she's from [REDACTED]

Detective:

Okay. And what was the text?

It was a picture of the gun. And it said something in the words of: tel [REDACTED] to call me or I'm going to do something I'll regret.

When was this?

I'm pretty sure it was early this morning. Because before I even texted [REDACTED] she was already calling me.

Detective:

And when did you find out about the text message?

When I was in the room with everyone, so this was after the whole thing happened.

Detective:

Okay. But before you went to the church and stuff?

Yeah.

Detective:

And it was [REDACTED] that texted to you?

Well, I was on the phone with her and she told me about the picture and what he said.

Case # WP 14-000004 SMART

Detective J.N. Rhue #674

Andrew Fryberg (15), [REDACTED] (14), Gia Soriano (14), [REDACTED] and [REDACTED] Andrew Fryberg and [REDACTED] were cousins of Jaylen.

At 10:37 a.m. Jaylen sent out a prepared group text message to several of his family members. He then pulled out a .40-caliber Berretta PX4 Storm handgun, stood up at the table, and began shooting the students seated at the table. Jaylen first shot Shaylee Chuckulnaskit in the head and continued shooting in a clockwise rotation around the table. Jaylen fired six shots from the handgun before having to reload. Students in the cafeteria immediately fled the area upon seeing and/or hearing the shooting.

Social Studies teacher Megan Silberberger had been walking through the cafeteria when the shooting occurred. Silberberger observed Jaylen as he was reloading the pistol. Silberberger attempted to intervene by running toward Jaylen. After reloading, Jaylen placed the pistol under his chin and fired a single shot. He died instantly. After the shooting, a student pulled the fire alarm in an attempt to have students evacuate the school.

Zoe Galasso died at the scene. Gia Soriano, Shaylee Chuckulnaskit and Andrew Fryberg later died at area hospitals. [REDACTED] survived a gunshot wound to the face. The two other females seated at the same table were not injured.

The Snohomish County Medical Examiner's Office conducted autopsies on all of four of the victims of the shooting. The Snohomish County Medical Examiner's Office made the following determinations:

- Zoe Galasso died of a *penetrating gunshot wound to the head.*
- Gia Soriano died of a *distant range, perforating handgun wound to the head.*
- Shaylee Chuckulnaskit died of a *close range, perforating handgun wound to the head.*
- Andrew Fryberg died of a *distant range, penetrating handgun wound to the head.*

All four deaths were classified a *homicide.*

The Snohomish County Medical Examiner's Office also conducted an autopsy on Jaylen Fryberg. They determined Jaylen died of a *perforating, loose contact handgun wound to the head.* The manner of death was ruled a *suicide.*

The motive of the shooting/murders is uncertain but the investigation by the Snohomish County Multiple Agency Response Team confirmed it was planned. Jaylen and his 14

year old girlfriend, [REDACTED] had broken off their relationship one week prior. Examinations of cell phones showed Jaylen made multiple efforts to contact [REDACTED] in the days leading up to the shooting.

The following is a timeline of events on October 24th leading up to the shooting:

- At 10:25 a.m. on October 24th Jaylen sent a picture of a pistol between his legs via Facebook Messenger to one of [REDACTED] friends, asking that [REDACTED] call him before he did "this thing."
- At 10:27 a.m. [REDACTED] called and spoke with Jaylen. The call lasted two minutes and twenty seconds.
- At 10:37 a.m. Jaylen sent a text to his father which said, "Read the paper on my bed. Dad I love you." (This note has not been recovered by investigators)
- At 10:37 a.m. (Four seconds after the text to his father) Jaylen sent out a prepared group text to his family titled, "My Funeral Shit." In the text Jaylen detailed his funeral wishes and his intention of taking his friends with him to "the other side." (The text was prepared at 7:44 a.m.)
- At 10:39 a.m. 911 received its first call indicating a shooting had occurred.

The pistol used by Jaylen was purchased by his father Raymond Fryberg. Raymond Fryberg told investigators he kept the pistol in his pickup truck. The circumstances involving the purchase of the pistol in 2013 were investigated exclusively by the Federal Bureau of Investigation.
