20 EXAMINATION

21  
22 BY MS. VILLEGAS:

23 Q David, how old are you?

24 A Fifteen.

25 Q And what school do you go to?

1 A Mojave.

2 Q What grade are you in?

3 A Ninth.

4 Q Now drawing your attention, not the day of the  
5 shooting which is December 11th, but December 10th, 2007,  
6 did you go to school that day?

7 A Yeah, I did.

8 Q And did you go home from school using the  
9 school bus?

10 A Yes.

11 Q And what stop do you usually get off to get  
12 off the school bus?

13 A It was right there on Walnut and Alexander.

14 Q Walnut and what?

15 A Alexander.

16 Q I need you to scoot your chair up and speak  
17 into that microphone so everybody can hear.

18 Is Walnut and Alexander here in Las  
19 Vegas, Clark County, Nevada?

20 A Yes.

21 Q Approximately what time was it that you got  
22 off of the bus?

23 A It could have been like around 1:35, 1:40.

24 Q This is in the afternoon?

25 A Yes.

1           Q       When you got off the bus, did something happen  
2 while you got off the bus? This is the day before the  
3 shooting.

4           A       I got in a fight that day.

5           Q       Okay. Now tell us about this fight. Who did  
6 you fight with and how did this fight start?

7           A       I don't know. I think it was Nicco. Yeah, it  
8 was Nicco. I fought with Nicco.

9           Q       Let's start off, before you even give me the  
10 name, what were you doing?

11          A       I was walking down the street about to get to  
12 my house.

13          Q       And on your way home are you still on what  
14 street, Alexander or Walnut?

15          A       I'm on Walnut.

16          Q       And when you're on Walnut did you see anybody  
17 in front of you?

18          A       There was a group of guys.

19          Q       A group of guys. Did you recognize any of  
20 these group of guys before?

21          A       Nope.

22          Q       So this is the first time you had ever seen  
23 them?

24          A       Yeah.

25          Q       Can you describe their race?

2           1           A       Black.

          2           Q       And so how many were they?

          3           A       About five.

          4           Q       And when you saw them, what happened?

          5           A       I walked right through them in the crowd,  
6 because there was a crowd in there, and I bumped shoulders  
7 with some dude. We bumped shoulders, me and the dude I got  
8 in a fight with.

          9           Q       At that time you didn't know his name, right?

        10           A       No, I didn't.

        11           Q       So this guy that you bumped into, describe him  
12 to us.

        13           A       He was tall, skinny. He had -- I don't know.  
14 You all seen him. You know who he is.

        15           Q       Is he taller than you?

        16           A       Yeah, he is.

        17           Q       What was his race?

        18           A       Black.

        19           Q       And when you bumped into him what did you say?

        20           A       I didn't say nothing. I just said "my bad."

        21           Q       "My bad"?

        22           A       Yeah, b-a-d.

        23           Q       What does that mean?

        24           A       Like my fault bumping into your shoulder.

        25           Q       So you're like apologizing?

2           1           A       Something like that, yeah.

          2           Q       Did he accept that apology?

          3           A       He said, "What's happening blood."

          4           Q       What happened next? Did you continue walking?

          5           A       Yeah. I kept walking. I was like whatever.

          6       I was looking at him like okay.

          7           Q       Then what happened?

          8           A       And then, I don't know, I was walking down the

          9       street and he was calling me out. He didn't call me by my

        10       name or nothing, he was like calling me like, come here, I

        11       need to talk to you. And I said there ain't nothing to

        12       talk about and kept walking. And he kept up to me, we were

        13       face to face, and we just basically got in a fight.

        14           Q       When you say got into a fight, you're talking

        15       about fistfight?

        16           A       Yeah, fistfight.

        17           Q       Is it just you and him one-on-one?

        18           A       One-on-one.

        19           Q       And while this was happening, what happened to

        20       all the friends that he had with him, the four other people

        21       that was with him?

        22           A       I don't know.

        23           Q       Were they around?

        24           A       I don't think so. I wasn't focused on nobody

        25       else but him.

- 2           1           Q       So nobody is around you, just the two of you?
- 2           A       There was people around but I wasn't focused
- 3           on nobody in the crowd.
- 4           Q       How long does the fight last?
- 5           A       About a couple minutes.
- 6           Q       And so how did it end?
- 7           A       He got me on the floor and he just stopped
- 8           hitting me. I don't know.
- 9           Q       He just stopped hitting you?
- 10           A       Yeah.
- 11           Q       So where did he go after hitting you?
- 12           A       I don't know. He got on his bike and just
- 13           took off.
- 14           Q       What did you do then?
- 15           A       Nothing. I just kept walking home.
- 16           Q       On your way home did you ever call anyone to
- 17           tell them about this fight?
- 18           A       Yeah, I called my uncle.
- 19           Q       Your uncle?
- 20           A       Yeah.
- 21           Q       Did you call any of your other friends?
- 22           A       I called my cousin.
- 23           Q       Your cousins?
- 24           A       Yeah.
- 25           Q       The next day, December 11, 2007, did you go to

2 1 school again?

2 A Yeah, I did.

3 Q Did you take the school bus?

4 A Yeah.

5 Q Did you take the school bus coming home?

6 A Yeah.

7 Q Again at the same bus stop which is Walnut and  
8 Alexander?

9 A Right.

10 Q And when you -- first of all, how many buses  
11 are there?

12 A There is two.

13 Q There is two buses. Do you know which bus you  
14 got off?

15 A I got on the second bus.

16 Q When you got off the second bus did you see  
17 anybody at the bus stop?

18 A No, I didn't. But there was a crowd as soon  
19 as I got off the bus because our bus got there late so I  
20 did see people, there was people outside getting off the  
21 bus.

22 Q The first bus?

23 A Yeah, the first bus.

24 Q And when your second bus pulled up you said  
25 you saw a crowd of people there?

2           1           A       Yeah, there was already a crowd.

2           Q       Describe the people. Did you recognize  
3 anybody that you saw the day before that's in this crowd?

4           A       No, I didn't, not at that point, but I did  
5 recognize somebody.

6           Q       Okay. Who did you recognize?

7           A       Nicco.

8           Q       Okay. Now you're naming Nicco. Is this --  
9 who is Nicco?

10          A       I don't know. It was the dude I got in the  
11 fight with.

12          Q       This is the same guy you got in a fight with  
13 the day before?

14          A       Yeah.

15          Q       Earlier you said you didn't know his name.

16          A       No, I didn't.

17          Q       How did you find out his name was Nicco?

18          A       Some dude told me, some white kid at school I  
19 don't know.

20          Q       So you saw somebody at school, what, that same  
21 day or earlier that day?

22          A       No, it was later on that day after we got  
23 shot.

24          Q       All right. But then at that moment prior to  
25 the shooting you didn't know his name?

3           1           A       No, I didn't.

2           Q       But you saw this kid that you got into a fight  
3 with at the school bus stop?

4           A       Yeah.

5           Q       Okay. And when you saw him did you see  
6 anybody else that you recognized also near the bus stop?

7           A       My cousins.

8           Q       Name your cousins.

9           A       Nelson Diaz, Andy Sardinas and Michael  
10 Sardinas.

11          Q       And do you also have an uncle, did you also  
12 see your uncle there?

13          A       Yeah, my uncle Nelson Diaz.

14          Q       Nelson Diaz?

15          A       Yeah.

16          Q       So when you saw your uncle and your cousins,  
17 did you get off the bus?

18          A       Yeah. I was already off the bus though.

19          Q       You were already off the bus?

20          A       Yeah.

21          Q       Where was your uncle and cousins standing?

22          A       They were standing at the corner of Walnut and  
23 Alexander.

24          Q       And when you got off the bus did you see the  
25 kid that you had a fight with the day before?

3

1 A I seen him in the crowd, yeah.

2 Q How far away was he from where you were  
3 standing when you got off the bus?

4 A About couple feet. I don't know.

5 Q So looking at where you're seated right now,  
6 looking at the room, how far was the kid that you had a  
7 fight with away from you?

8 A The crowd was -- well, I was right here and  
9 the crowd was like over there.

10 Q From where the foreman is seated?

11 A Yeah.

12 Q That's how far the kid was away from you?

13 A Yeah.

14 Q That you got into a fight?

15 A Yeah.

16 Q And when you saw him was he with other people?

17 A I don't know. There was a crowd. Everybody  
18 was just -- I don't know, it was just a crowd.

19 Q Just a crowd in between you and --

20 A Yeah, because people were getting off and  
21 walking home.

22 Q All right. So there is a crowd between you  
23 and the person that you got into a fight with the day  
24 before?

25 A Yeah.

3           1           Q       Okay. And so when you saw him in that  
2 distance among this crowd, what happened next?

3           A       Nothing. I think he started taking off his  
4 clothes, his shirt.

5           Q       You saw him take off his clothes?

6           A       I seen somebody take off his shirt.

7           Q       Did you see him take off his clothes?

8           A       I don't know. I seen somebody. It was just a  
9 crowd.

10          Q       What did you do?

11          A       I took off my shirt and started walking  
12 towards the crowd.

13          Q       Let me stop you.

14                    So you saw somebody in that crowd in  
15 front of you near where you saw the kid that you had a  
16 fight with?

17          A       Yeah.

18          Q       Taking off, you know, like a shirt or  
19 something?

20          A       Yeah.

21          Q       And this is on December 11th. It's cold  
22 outside, isn't it?

23          A       Yeah.

24          Q       So when you saw that kid taking off his shirt,  
25 you can't tell me whether it was the person you fought with

3 1 or not?

2 A I think it is because who else is going to be  
3 taking off their shirt.

4 Q So when you saw this kid taking off his shirt,  
5 what did you do? You took off your shirt?

6 A Yeah. And as I was taking it off I heard  
7 gunshots.

8 Q Were you carrying anything with you?

9 A My backpack.

10 Q Did you take off your backpack before you take  
11 off your shirt?

12 A Yeah.

13 Q Were you also wearing a jacket that day?

14 A No.

15 Q No?

16 So when you took off your shirt that's  
17 when, what, have you already taken off your shirt?

18 A It was halfway off, my shirt.

19 Q Halfway?

20 A Halfway off my head.

21 Q And then you heard gunshots?

22 A Yeah.

23 Q How many gunshots did you hear?

24 A About five or six at the first and then I  
25 kept, and then I turned around and started running and I

3 1 just kept hearing gunshots.

2 Q When you were taking off your shirt were you  
3 closer to the person that was taking off his shirt?

4 A Yeah, I was walking toward the crowd.

5 Q So now from where you're seated, how far in  
6 the front did you walk towards that group; from here to  
7 where, to which area of the room?

8 A Probably to where that lady is at.

9 Q To which lady?

10 A The one with the glasses.

11 Q The one with the glasses?

12 A Yeah.

13 Q So a little closer than the foreman but still  
14 far away?

15 A Yeah.

16 Q So that's how far you walked?

17 A And then there was gunshots.

18 Q Okay.

19 A So there was people standing in the area.

20 Q When you walked up in that location, is that  
21 how close you were to the person that was taking off his  
22 shirt?

23 A Yeah. About. I was probably a little bit  
24 further. I don't know.

4 25 Q A little further?

4 1 A Yeah.

2 Q About how further away?

3 A Because when I had met up with my cousins I

4 went behind the bus. I was -- I went, I walked to the

5 corner of Walnut and Alexander and I started walking back.

6 So it could have been further, it could have been closer, I

7 don't remember.

8 Q Would an aerial map help you?

9 A Yeah.

10 Q Okay. Now you see that TV behind you which is

11 right next to you?

12 A Yeah.

13 Q And I'm showing you, this is Alexander on this

14 map which is Grand Jury Exhibit Number 3, and Walnut. Do

15 you see it on the map?

16 A Yeah, I see it.

17 Q Now I want you to point, point on the TV

18 monitor where it was that the bus stopped and where you got

19 off the bus. So get up and then hold the microphone.

20 All right. Go ahead.

21 A Where is Walnut and Alexander again? It's

22 over here, right?

23 Q Here is Walnut. Here is Alexander. Do you

24 see the corner now?

25 A Yeah. The bus was right here and the other

4           1     bus was right there. So I was behind the bus over here.

2                   Q       So you were closest to Walnut Street on  
3     Alexander?

4                   A       Yeah.

5                   Q       Now when you saw the kid that you thought was  
6     the person that you had a fight with the day before, where  
7     was he standing on Alexander?

8                   A       At the other end of the bus. Which is right  
9     here.

10                  Q       Okay. A little further away from you?

11                  A       Yeah.

12                  Q       How many houses away?

13                  A       I'd say probably about five or six. I don't  
14     know.

15                  Q       Let me -- is that a better closeup hopefully?  
16     It won't clear up any more. It's the best I can do.

17                                So when you were walking, show the  
18     jurors where you were walking towards the guy that you were  
19     about to have a fight with.

20                  A       The guy was like over here and I was right  
21     here. So I was about probably about this far away from  
22     him. We were about to get in a fight.

23                  Q       How many houses?

24                  A       I don't know. Three, four.

25                  Q       Three or four hours away. Because you see a

4 1 picture of the houses, right?

2 A Yeah.

3 Q So when you were taking off your shirt on the  
4 way towards that guy that was going to fight you, you were  
5 like three or four houses away?

6 A Yeah.

7 Q Yes?

8 A I guess so, yeah.

9 Q Have a seat and put the mic back up.

10 And then you heard shots. How many shots  
11 did you hear?

12 A About five or six.

13 Q And after you heard these five or six, what  
14 did you do?

15 A Started running.

16 Q Running in which direction?

17 A Towards Walnut.

18 Q So you went back towards Walnut?

19 A Yeah.

20 Q And when you started running how many more  
21 shots did you hear?

22 A I don't know. I think a total, I heard about  
23 ten to fifteen.

24 Q Did you see who was shooting at you?

25 A No, I didn't.

4 1 Q As a result of the shots did you --

2 A Get hit.

3 Q Did you get hit?

4 A Yeah, I got hit.

5 Q Where did you get hit?

6 A My right calf.

7 Q Right calf.

8 Were you taken to the hospital?

9 A Yeah, I was. UMC Trauma.

10 Q How long were you at UMC?

11 A About a couple hours.

12 Q Showing you what has been marked as Grand Jury

13 Exhibit Number 8. Is that you?

14 A Yeah, that's me.

15 Q Is that you in that photograph at UMC with

16 your injured, with your injuries on your right leg?

17 A Yeah.

18 Q Yes?

19 A Yeah.

20 Q And after -- now did you talk to the police --

21 A Yeah.

22 Q -- at any time that day?

23 A Yeah, they came --

24 Q Where did you talk to them?

25 A Right there on the bed. I didn't move.

4 1 Q In the room.

2 Now did there come a time that the  
3 detectives showed you a photo line-up?

4 A Not until later on in the week.

5 Q On December 12th did Detective Guesman show  
6 you this photo line-up?

7 A Yeah.

8 Q Yes?

9 A Yes.

10 Q Which has been marked as Grand Jury Exhibit  
11 Number 9.

12 A Yeah.

13 Q Yes?

14 You have to say yes or no.

15 A Yes.

16 Q Okay. Now when he showed you this photo  
17 line-up, did he read you these instructions or did you read  
18 it to yourself?

19 A He read it to me.

20 Q And after reading those instructions did you  
21 sign your name?

22 A After I picked out the guy in the picture.

23 Q You see how you signed your name twice?

24 A Yeah.

25 Q The first time you signed your name and dated

4 1 it at 11:50; is that right?

2 A Yeah.

3 Q And then the next time that you wrote your  
4 name again, that was 11:55; is that right?

5 A Yes.

6 Q Now from in between the first time that you  
7 signed it at 11:50 he then showed you a set of photographs?

8 A Yeah.

5 9 Q Okay. And is this the photograph that he  
10 showed you?

11 A Yeah.

12 Q And the second page, did you write or circle  
13 anybody on this page?

14 A Yeah, number two. Or number five, right here.

15 Q This one, number five?

16 A Yeah.

17 Q And did you put your initials on this page?

18 A Yes, I did.

19 Q And after you wrote, you circled the name or,  
20 so you circled the face and you wrote out your initials,  
21 did you write something on the first page?

22 A Yes, I did.

23 Q Okay. And is that what you wrote?

24 A Yes, I did.

25 Q Did you say, "I am a hundred percent sure that

5           1    the guy I circled is the same guy who I got in the fight on  
2           2    Monday afternoon and Tuesday afternoon he was at the bus  
3           3    stop" -- what did you say there?

4           A       "Acting like he wanted to fight."

5           Q       "Acting like he wanted to fight, taking off  
6           6    his clothes, catching my attention to the crowd."

7           A       Yes, that's what I wrote.

8           Q       So the person you circled that you saw on the  
9           9    day of the shooting was the one who was taking off his  
10          10   shirt?

11          A       Yes.

12          Q       And then the person that you circled was the  
13          13   guy you got in a fight with the day before?

14          A       Yes.

15          Q       Just to show the Grand Jury the one that you  
16          16   circled.

17                   Now when you were then showed this  
18          18   line-up, did you eventually know the name of this person  
19          19   you found out?

20          A       Yeah. Some white kid told me like when I was  
21          21   waiting for an ambulance, he told me.

22                   MS. VILLEGAS: All right. No further  
23          23   questions.

14                      Do you understand this admonition?

15                      THE WITNESS: Yeah.

16                      THE FOREPERSON: Thank you for your testimony.  
17   You are excused.

18                      THE WITNESS: All right.

EXAMINATION

3

BY MS. PIEPER:

4

Q How old are you?

5

A Seventeen.

6

Q What high school do you go to?

7

A Mojave High School.

8

Q I want to draw your attention to December 10,

9

2007. Were you in school at that time?

10

A Yes, ma'am.

11

Q Do you catch the school bus to go home?

12

A Yes.

13

Q And is the first stop in regard to that school

14

bus at Alexander and Walnut?

15

A Yes.

16

Q On December 10th when you got off the school

17

bus, did you see, was there anything unusual that you saw

18

happen that day?

19

A No. There is just unusual amount of people at

20

the bus stop when we arrived.

21

Q Is that -- I'm talking about on the 10th.

22

A Oh, on the 10th, sorry.

23

Q It's okay.

24

On the 10th did you see anything unusual

25

happening?

5           1           A       No, I walked straight home.

2           Q       Now I want to draw your attention to December  
3 11, 2007. What time does school end that day?

4           A       1:25.

5           Q       What time did you get on the bus if you can  
6 remember?

7           A       1:30.

8           Q       And how long were you on the bus from school  
9 until that first stop at Alexander and Walnut?

10          A       How long was the bus ride?

11          Q       Yes.

12          A       Maybe fifteen minutes at most.

13          Q       And what time, do you know approximately what  
14 time you got off the school bus?

15          A       1:50.

16          Q       When you got off were you on -- let me ask you  
17 this: Was there more than one bus that stopped at that bus  
18 stop?

19          A       Yes.

20          Q       Were you on the first bus or the second bus?

21          A       Second.

22          Q       What's the first thing you did when you got  
23 off the bus?

24          A       Basically said bye to my friends and then  
25 proceeded to walk home.

5           1           Q       And was there anything unusual about the bus  
2 stop on that day?

3           A       Yeah, there was an unusual amount of people at  
4 the bus stop as we arrived.

5           Q       When you say unusual amount of people, how  
6 many people were there?

7           A       Around ten or more.

8           Q       Ten people total?

9           A       Yeah.

10          Q       Normally when you get off the bus how many  
11 people are there?

12          A       Probably less than that, probably five.

13          Q       So you got off the bus and what happened next?

14          A       When I got off the bus I see Hispanics walking  
15 towards the bus.

16          Q       When you say Hispanics walking, approximately  
17 how many people were there?

18          A       Ten.

19          Q       Okay. And when you get off the bus are you  
20 walking, is that on Alexander?

21          A       Yes.

22          Q       Are you walking towards Walnut or towards  
23 Pecos?

24          A       I'm walking towards Walnut.

25          Q       And when you get off the bus where did you see

6 1 the Hispanic kids; are they in front of you or behind you?

2 A They're behind me.

3 Q And what happened next?

4 A They started walking up to I guess the gang  
5 members, the African Americans, and they started acting,  
6 they started getting loud and rowdy.

7 Q When you're saying they, who are you talking  
8 about? Because there is a whole bunch of people you just  
9 told us about, right?

10 A Yeah.

11 Q Who is getting rowdy?

12 A The Hispanics and the blacks, the African  
13 Americans.

14 Q Both groups are getting loud?

15 A Yes.

16 Q Are you walking away from this group?

17 A Yes, I was.

18 Q What happened next?

19 A Then after that they proceeded to start  
20 shooting.

21 Q When you say they proceeded to start shooting,  
22 you're walking away and what did you hear next?

23 A I hear gunshots and just chaos.

24 Q When you heard gunshots did you turn around at  
25 all?

6           1           A       Yes, I did.

2           Q       When did you turn around?

3           A       After the, after I heard like the fourth  
4 gunshot I turned around.

5           Q       So you hear four gunshots. Is it like boom  
6 boom boom boom?

7           A       Yes.

8           Q       One right after the other?

9           A       Yes.

10          Q       So you hear four gunshots, you turn around and  
11 where do you turn around towards?

12          A       Turn around to where they were shooting, turn  
13 around to where it actually was.

14          Q       So you turned around behind you?

15          A       Yes.

16          Q       What happened next?

17          A       And then that's when I got hit in the stomach.

18          Q       And when you say you got hit in the stomach --  
19 are you chewing gum?

20          A       Oh, yes. Sorry.

21          Q       You turn around and you say that you got hit  
22 in the stomach. Did you turn all the way around towards  
23 the direction of where you heard the shooting occur?

24          A       Yes. Yes.

25          Q       Where did you get shot in the stomach?

6           1           A       My left lower stomach area.

2           Q       Can you stand up and show the members of the  
3 Grand Jury?

4           A       Yes, I can. Like right around here.

5           Q       And that would be to the left of your belly  
6 button?

7           A       Yes.

8           Q       After you got hit what happened next?

9           A       After I got hit I totally lost feeling in my  
10 left leg, it went totally dead, and after that I just hit  
11 the ground and started yelling.

12          Q       After you hit the ground what happened next?

13          A       After I hit the ground people started coming  
14 up to me and, I don't know, it was just a blur after that  
15 to tell you the truth.

16          Q       And after that you went to the hospital?

17          A       Yes.

18          Q       You went to UMC?

19          A       Uh-huh.

20          Q       How long were you at UMC?

21          A       Seven days. A week. One week.

22          Q       You had surgery?

23          A       Yes.

24          Q       And do you know what kind of surgery that you  
25 had?

6           1           A       No. All I know is that they took an inch out  
2 of my small intestine and that's basically all I know.

3           Q       Now when you sit up and you showed us your  
4 injury, it looks like you have a scar.

5           A       Yes.

6           Q       That runs up and down your stomach.

7           A       Yes.

8           Q       Do you have any other, is there any other  
9 injuries that you have as a result of this shooting?

10          A       Yes. I think I tore, I lost a nerve in my  
11 inner thigh and the result of that I can't run no more.

12          Q       What do you mean you can't run anymore?

13          A       I can't run basically.

14          Q       You will never be able to run again?

15          A       I think not.

16          Q       Could you run before this incident?

17          A       Yes, I could.

18          Q       Have you lost any feeling in your legs or  
19 anything?

20          A       Just in my inner thigh.

21          Q       Which leg is that?

22          A       The left one.

23          Q       Your left leg you don't have any feeling in  
24 your inner thigh area?

25          A       Yes.

6           1           Q       Okay. Now when you heard this shooting and  
2 you turned towards where the shooting was coming, did you  
3 see anybody shooting?

4           A       No, ma'am.

5           Q       What did you see when you turned around  
6 towards the direction of the shooting?

7           A       I just saw people running, scattering around,  
8 running.

9           Q       So you can't identify anyone?

10          A       No, ma'am.

11               MS. PIEPER: I have no further questions. Do  
12 any of the members of the Grand Jury have any questions for  
13 Mark Smith?

14               THE FOREPERSON: No questions from the Grand

3                       Do you understand this admonition?

4                       THE WITNESS:  Yes, I do.

5                       THE FOREPERSON:  Thank you for your testimony.  
6           6   You are excused.

7                       THE WITNESS:  Okay.  Thank you.

8                       THE FOREPERSON:  Please raise your right hand.

9 AUZJNA RICHARDSON,

11 Jury to tell the truth, the whole truth, and nothing but  
12 the truth, testified as follows:

13  
14 EXAMINATION

15  
16 BY MS. PIEPER:

17 Q How old are you?

18 A I am fourteen years old.

19 Q What high school do you go to?

20 A Mojave High School.

21 Q What grade are you in?

22 A I'm a ninth grader.

23 Q I want to draw your attention to December 10,  
24 2007. Were you in school on that date?

25 A Yes, ma'am.

7           1           Q       Do you catch the school bus home every day?

2           A       Yes, ma'am.

3           Q       Do you get off at the first stop which is at

4 Alexander and Walnut?

5           A       Yes, ma'am.

6           Q       When you got off the school bus on December

7 10, 2007, did you see anything unusual happen on that date?

8           A       Besides the fight?

9           Q       Can you tell us about the fight?

10          A       Well, as I got off the bus we seen a group of

11 children around the corner on Alexander and Walnut going

12 the opposite direction in which they usually go.

13          Q       I'm going to ask you to slow down for a

14 second. I know you're probably a little bit nervous but

15 the lady in front of you has to take everything down.

16          A       Okay.

17          Q       So we're going to use technology to get

18 through this.

19                    Okay. Can you see the map?

20          A       Yeah.

21          Q       Can you see Alexander?

22                    You can go up to it and look at it.

23          A       Where it at is? This, this one right here?

24          Q       Can you see where it says Alexander on it?

25          A       Yeah, that's it right there. That's the one.

7           1           Q       Can you see where it says Walnut?

2           A       Right here.

3           Q       In Grand Jury Exhibit Number 3.

4           A       That's Alexander and that's Walnut right  
5 there.

6           Q       Where does the school bus approximately let  
7 children off or let the kids off at?

8           A       That would be Casa Sorentos? I'm asking  
9 because I don't know.

10          Q       I don't know.

11          A       If that's it, the bus lets us off right about  
12 here.

13          Q       So you were pointing to, it looks like a set  
14 of apartment buildings on the middle left part of the  
15 picture and saying that may be Casa Sorentos?

16          A       Yes.

17          Q       And the school bus left you off near the  
18 corner of Alexander and Walnut?

19          A       Yes.

20          Q       Now when you got off the bus, you said there  
21 was a group walking one way and a group walking another  
22 way. Using the picture and your finger, explain to the  
23 members of the Grand Jury which way people were walking.

24          A       Well, the day of the fight it was like  
25 everybody that went to get off the bus, they all turned,

7 1 everybody turned around and started walking this way.

2 Q So they started walking from Alexander onto  
3 Walnut?

4 A Yes. They cleared this driveway area here.

5 Q So it looks like the first street on Walnut on  
6 the left part of the street?

7 A Yes. That's when Nicco and the boy officially  
8 got into their little argument situation and then it ended  
9 up into a physical fight.

10 Q So on that first street when you turn onto  
11 Walnut, somebody named Nicco and somebody else --

12 A Uh-huh.

13 Q Do you know that person's name?

14 A David.

15 Q Did you see them get into this argument?

16 A Yes. He said, Nicco said some things to David  
17 and David said things back.

18 Q So the two of them were yelling back and  
19 forth?

20 A Yeah. It was more like an argument, not so  
21 much yelling.

22 Q And then you saw the fight turn physical?

23 A Yes.

24 Q How did you know to go down the street onto  
25 Walnut from Alexander?

7           1           A       Basically I just followed the crowd.

2           Q       So there was a crowd of people that sort of  
3 followed these two people arguing?

4           A       Yeah.

5           Q       Now you said there was a physical fight. Was  
6 anybody getting the better of anybody in that fight?

8           7           A       Nicco.

8                   Am I bad? Am I bad?

9                   Nicco got the better of the boy David.  
10 Because the height thing, because David is shorter than  
11 Nicco.

12          Q       Now how did that fight end?

13          A       It ended with the result of some of us, like  
14 some of us, we just walked through the houses and came out  
15 on this side on Alexander and went home, and then Nicco  
16 went that way or whatever and everybody just left.

17          Q       Let me ask you this: When you, you sort of  
18 point through a bunch of streets and then you said you went  
19 home. Do you live in Casa Sorentos?

20          A       Yes.

21          Q       So after the fight happened you didn't go back  
22 on Alexander to go home?

23          A       No, I just walked through the houses.

24          Q       You walked through the houses in order to get  
25 to your house?

8           1           A       Uh-huh.

          2           Q       Is there like a cut-through to get to Casa  
          3 Sorentos?

          4           A       Yes.

          5           Q       I'm showing you what is marked as State's  
          6 Exhibit 41 -- Grand Jury Exhibit Number 41. Do you  
          7 recognize the person in that picture?

          8           A       Yes.

          9           Q       Who is that?

         10           A       Nicco.

         11           Q       Okay. And is that the person that you were  
         12 talking about that was fighting with David on December  
         13 10th?

         14           A       Yes.

         15           Q       Okay. So Nicco doesn't live in the Casa  
         16 Sorentos?

         17           A       No. I'm sorry. No.

         18           Q       Drawing your attention to December 11, 2007,  
         19 did you get on the school bus that day?

         20           A       Yes.

         21           Q       When you got off the bus on that day, did  
         22 anything unusual happen?

         23           A       Yes. As I started to walk, as I started to  
         24 walk down the way, it was the group of five boys that  
         25 approached coming up the way that do not ride our bus and

8           1   do not go to our school.

2           Q    Do you know what race they were?

3           A    They were all African American.

4           Q    And they were walking from the Casa, near  
5 where the Casa Sorentos was towards Walnut?

6           A    Yeah. They was walking towards Walnut, and as  
7 I'm coming down, I'm the only one off the bus at the time  
8 because I had rode the bus farther back, I was the only one  
9 here, and one of them approached me and gave me a hug,  
10 whatever, and that's when the group of them -- I stopped  
11 because I realized I had my friend's key in my pocket and I  
12 had to turn around and wait on the bus to give her the key  
13 and as the bus pulled up everyone got off the bus and as  
14 everyone got off the bus that's when Nicco allegedly  
15 approached this boy named Andre.

16          Q    Let me ask you this: Did you see that?

17          A    Yes.

18          Q    Okay. So Nicco is with a group of people.  
19 Who is Nicco with?

20          A    Dresden, Frank, Farrad. And it was another  
21 one. I don't know the other one.

22          Q    So there was about five people in Nicco's  
23 group?

24          A    Yeah.

25          Q    They're walking on Alexander to Walnut?

8           1           A       Yes.

2           Q       The bus stops, people get off and you see  
3 Nicco go up to Andre?

4           A       Yes. He was not, he didn't have anything to  
5 do with it, but Nicco and Andre, I guess they had a bump  
6 into or whatnot and they got into an argument. That's when  
7 the boy David got off the bus. As he got off the bus Nicco  
8 and Andre squared their problems and Nicco and David  
9 allegedly got ready --

10          Q       Did you see this?

11          A       Yes.

12          Q       When you say allegedly I don't know if that  
13 happened. I need you to testify as to what you saw on  
14 December 11th, 2007.

15          A       Well, yes, I did see it. And that's when  
16 everyone turned to look back at the group of five that had  
17 just approached the bus and when we turned back around like  
18 we seen like a whole bunch of other race, like Hispanics  
19 hit the corner, and that's when Farrad told me to move and  
20 get across the street, and when I got across the street  
21 that's when you seen Dresden shoot in the air and then  
22 that's when Franklin started shooting towards the crowd.

23          Q       When you first get off the bus are you walking  
24 towards the Casa Sorentos?

25          A       Yes.

8           1           Q       When you see this group of Hispanic kids,  
2           which direction are they coming from?

3           A       They came from Walnut.

4           Q       They're coming from Walnut onto Alexander?

5           A       Yes.

6           Q       You said Farrad came up to you. I'm going to  
7           show you what has been marked as Grand Jury Exhibit Number  
8           17. I want you to look at the pictures in here. Do you  
9           see Farrad in that group?

10          A       No. No.

9           11          Q       Okay. Showing you what is marked as Grand  
12          Jury Exhibit Number 38, do you recognize who is in that  
13          picture?

14          A       Yes.

15          Q       Who is that?

16          A       That's Dresden.

17          Q       Okay. Do you know him by another name?

18          A       Doo Bear.

19          Q       Looking at Grand Jury Exhibit Number 38, does  
20          he look a little bit different?

21          A       Yes.

22          Q       What's the difference? What is different  
23          about him?

24          A       He got rid of his hair.

25          Q       What did his hair look like before?

9           1           A       He had like dreads.

2           Q       Like braids?

3           A       Uh-huh.

4           Q       Look at Grand Jury Exhibit Number 17. Do you  
5 see Dresden in that picture?

6           A       Yes.

7           Q       Okay. Would that be the two bottom pictures  
8 and the one top picture on the right that is above the two  
9 bottom pictures?

10          A       Yes.

11          Q       Did he look more like the picture in Grand  
12 Jury Exhibit Number 17 or Grand Jury Number 38 on the day  
13 of the shooting?

14          A       Grand Jury Exhibit Number 17.

15          Q       And that's with the dreads?

16          A       Yes.

17          Q       Showing you what is marked as Grand Jury  
18 Exhibit Number 40. Do you recognize who is in that  
19 picture?

20          A       Yes.

21          Q       Who is that?

22          A       That's Frank.

23          Q       And does Frank look different in that picture  
24 than the way he looked on the day of the shooting, December  
25 11, 2007?

9           1           A       Yes.

          2           Q       What's different about him?

          3           A       He had dreads also.

          4           Q       And in the picture does he have dreads?

          5           A       No.

          6           Q       Now after the shooting what happened next?

          7           A       After the shooting me and my friend Kiera, we

          8 as, we were running after the shooting we stopped like

          9 right here in this area where everything was clear.

        10           Q       So that's a street off of Alexander you

        11 stopped?

        12           A       Yes.

        13           Q       At the time of the shooting where were you?

        14           A       I was -- well, I was right here.

        15           Q       Which is, you're on Alexander but not on the

        16 same side of the street that people get off of the school

        17 bus?

        18           A       Yes.

        19           Q       Okay. And you're there at the time of the

        20 shooting on Alexander. What happens immediately after the

        21 shooting?

        22           A       After the shooting I guess Dresden and his

        23 group, they take off running, and me and Kiera, we turn

        24 back around and we come back to see the rest of the scene

        25 and who was hit.

9           1           Q       How many people did you see injured?

2           A       We only seen two.

3           Q       Now initially when you said that you got off  
4 the school bus, somebody told you to go across the street.  
5 Where were you before when that person told you that?

6           A       I was right here.

7           Q       So you were on Alexander on the same side of  
8 the street as you get off the school bus?

9           A       Yes.

10          Q       Before the shooting you went across the  
11 street?

12          A       Yes.

13          Q       After the shooting, after you saw the people  
14 injured, what happened next?

15          A       That's when the ambulance came. And me and  
16 Kiera turned back around, we went down this street again  
17 and I went home and I told my mother what had happened.

18          Q       When you said you went down that street on  
19 Alexander, you live in the Casa Sorentos which is across  
20 the street, correct?

22          Q       How did you get to the Casa Sorentos from that

3           Q       Can you see the school in that picture?

6           that picture?

7           A       Yes, ma'am.

8           Q       Once you got to the Casa Sorentos, what did

7           A       Yes.

8           Q       Showing you what has been marked as Grand Jury  
9 Exhibit, which I'll probably put it up here, Grand Jury  
10 Exhibit Number 17, do you see Doo Bear or Dresden in any of  
11 these photographs?

12          A       Dresden is on the last three.

13          Q       The last three?

14          A       The bottom three.

15          Q       What is he wearing?

16          A       A red jacket, red and black jacket.

17          Q       And is that how his hair style was?

18          A       Uh-huh. At the time of the shooting?

19          Q       On the day of the shooting.

20          A       Uh-huh.

21          Q       So that's exactly how the dreadlocks was on  
22 him?

23          A       Yes, ma'am.

24          Q       Now did you see, when you went back to Casa  
25 Sorentos after you went to Walnut and Alexander --

11

1 A Uh-huh.

2 Q -- did you stop by Legina Bousley's house?

3 A Yes, I did.

4 Q And when you went to Legina's, was Legina  
5 there?

6 A Yes, she was.

7 Q Who else was at her apartment?

8 A It was Legina and Frankie J and Erica Renee  
9 and a few of her other friends.

10 Q Was Doo Bear there?

11 A No, Doo Bear was not there. Doo Bear was  
12 outside on a police car at the time.

13 Q Now when you saw Doo Bear outside by the  
14 police car, was Doo Bear also with other people outside  
15 with the police car?

16 A Yes.

17 Q And in going back to Grand Jury Exhibit Number  
18 17, are those the people that was also with the police at  
19 the time? Do you recognize any of these other people?

20 A Yes.

21 Q Who do you recognize?

22 A The top left -- well, the first two top  
23 pictures in the left jacket, his name is Ra Ra.

24 Q Ra Ra?

25 A Ra Ra. They call him Ra Ra.

12

12           1           Q       Is he related to Doo Bear?

          2           A       He is Doo Bear and Frank's cousin.

          3           Q       And who else did you recognize?

          4           A       The middle picture is Slick.

          5           Q       Slick?

          6           A       Uh-huh.

          7           Q       What is he wearing?

          8           A       He has on the gray and blue jacket on.

          9           Q       Is there a name associated to Slick? Do you

10       know him by a different name?

11           A       No, I can't --

12           Q       All right. And do you recognize anybody else

13       in the photos?

14           A       Okay. The second to the last picture is

15       Wicked.

16           Q       Can you point him out? Which one is he?

17                   No, go closer to the monitor for me.

18           A       Okay.

19           Q       So right underneath you said Slick?

20           A       This is Slick. This is Wicked.

21           Q       So that would be like the third picture on the

22       left; is that right?

23           A       Uh-huh.

24           Q       And who else do you recognize?

25           A       Jerro -- not Jerro -- Jerron. Jerron on the

12 1 opposite side of Wicked.

2 Q Who is next to Doo Bear on the bottom? Do you  
3 recognize the person there in the blue jacket?

4 A No, I don't know him.

5 Q What about the person wearing the green on the  
6 top right, do you know who he is?

7 A No.

8 Q Okay. Did you see if any of these people were  
9 outside by the police with Doo Bear?

10 A Yes, most of them were on the police cars.

11 Q While they were outside, what was Erica and  
12 Frank doing inside the apartment of Legina's?

13 A Well, when I walked in I asked Legina what  
14 happened, and it was Frank standing behind the door, he had  
15 just got through washing his hands, and Erica was standing  
16 in the hallway by the washing machine putting the clothes  
17 in the washing machine, and I asked Legina what happened  
18 and she said --

19 Q Now without telling me what Legina said,  
20 besides seeing Erica and Frank doing what they were doing,  
21 what you just described to, what happened next? Because  
22 anything you say about Legina will now be hearsay. So did  
23 you see what Erica and Frank kept doing then?

24 A Well, Erica proceeded to put clothes in the  
25 washer and Frank was changing his clothes and washing his

12

1 hands at the time. .

2 Q Can you smell anything as you were in there?

3 A Yeah, just bleach.

4 Q Bleach?

5 A Uh-huh.

6 Q Okay. So at that time could you recall what

7 Frank was wearing?

8 A Frank had on a blue and gray and white T-shirt  
9 from what I could see.

10 Q So was he wearing any type of jacket?

11 A Yeah, he had on a jacket, but he pulled it  
12 off. I think it was a gray sweat jacket.

13 Q And what about Doo Bear when you saw him  
14 outside --

15 A Uh-huh.

16 Q -- was he wearing any type of jacket?

17 A Yeah, he was on a police car with that same  
18 jacket on.

19 Q Now have you seen Doo Bear in that jacket  
20 before?

21 A Yes.

22 Q Is that the jacket he normally wears?

23 A Uh-huh.

24 Q Yes?

25 A Yes, ma'am.

12

1 Q Okay. And after you smelled this bleach or  
2 so, did you leave, eventually leave Legina's apartment?

3 A Yes, ma'am.

4 Q Do you know if Erica drives a car?

5 A Yes. She had a gray, I don't know what type  
6 of car it is, she had a gray car for the last eight or nine  
7 months.

8 Q Eight or nine months?

9 A Uh-huh.

10 Q And showing you what has been marked as Grand  
11 Jury Exhibit Number 29. Is this the car that you saw her  
12 in?

13 A Yes, ma'am.

14 Q Yes?

15 A Yes, ma'am.

16 Q And also 29, 30 and 31.

17 A Uh-huh.

18 Q Yes?

19 A Exactly.

20 Q And do you know if when she drives this car --  
21 have you seen any other people drive the car besides Erica?

22 A Erica drives the car, Frank drives the car.

23 Q What about Doo Bear, have you ever seen him  
24 drive the car?

25 A No.

12           1           Q       But you definitely know that Erica and --

2           A       Yes, ma'am.

3           Q       -- Frank drive the car?

4           A       Erica and Frank do drive the car.

5           Q       And you have seen it parked at Casa Sorento?

6           A       Yes, ma'am.

12 EXAMINATION

13

14 BY MS. PIEPER:

15 Q I want to draw your attention -- well, let me  
16 ask you this: Do you have a daughter?

17 A Yes.

18 Q What is your daughter's name?

19 A Erica Renee Adams.

20 Q I want to draw your attention to --

21 THE FOREPERSON: Would you please speak into  
22 the microphone so we can hear you.

23 BY MS. PIEPER:

24 Q I'm sorry. Let me ask you that question  
25 again. Do you have a daughter?

13

1 A Yes, ma'am.

2 Q What is your daughter's name?

3 A Erica Renee Adams

4 Q And I want to draw your attention to December  
5 11, 2007. Does Erica live you with at the house?

6 A No.

7 Q Did she stay with you at some point in your  
8 house?

9 A Uh --

10 Q Let's say within the last year.

11 A Yes.

12 Q When did Erica last live in your house?

13 A I believe just before her birthday in October.

14 Q So she wasn't living at your house on December  
15 11th?

16 A No, ma'am.

17 Q Where was she living?

18 A With my mother at the time.

19 Q And what's your mom's name?

20 A Linda.

21 Q What is her address?

22 A That I don't know by heart.

23 Q That's all right.

24 On December 11, 2007, did your daughter  
25 come over to your house?

13

1 A Yes, ma'am.

2 Q And approximately what time did she come over?

3 A I'd say probably around about 11:30, in  
4 between eleven and twelve.

5 Q And what did she come over for?

6 A To wash clothes.

7 Q And did she, when she came to your house, did  
8 she come by herself?

9 A No.

10 Q Who did she come with?

11 A With Frank and Doo Bear.

12 Q When you say Frank, is that Franklin Jackson?

13 A Yes, ma'am.

14 Q And how do you know Franklin Jackson?

15 A He's her boyfriend.

16 Q And this Doo Bear that also came with them, is  
17 his name Dresden Williams?

18 A I believe so. I just know him by Doo Bear.

19 Q Do you know how or if Doo Bear and Franklin or  
20 Frankie are related?

21 A Yes, I believe they're cousins.

22 Q And so the three of them came to your house?

23 A Yes, ma'am.

24 Q And when they came to your house what did they  
25 do?

13

1 A They came to wash clothes, they brought the  
2 clothes in and Erica took them to the laundry room.

3 Q Okay. Now when they came to the -- how many  
4 bedrooms is your apartment?

5 A Three.

6 Q And that's in the Casa Sorento?

7 A Yes, ma'am.

8 Q Where is the laundry room in relation to the  
9 front door when you walk in the front door?

10 A Straight ahead.

11 Q Is there a hallway and then at the end of the  
12 hallway is a laundry room?

13 A Yes, ma'am.

14 Q Erica was doing the laundry?

15 A Yes.

16 Q What was Franklin doing?

17 A He stood in there maybe about three minutes or  
18 so and he went out the door.

19 Q Out the front door?

20 A Out the front door.

21 Q What about Doo Bear?

22 A He left out also with him.

23 Q So it was just Erica in the house doing  
24 laundry?

25 A Erica was in the house with me.

13

1 Q What were you doing at the time?

2 A I was laying on the couch. I was getting  
3 ready to take a nap when they came in the door.

4 Q Who else lives with you in that apartment?

5 A Me and my other three children.

6 Q What are their names again?

7 A Karmisha (phonetic), Vaughn and Eugene.

8 Q And were they in the home at the time that  
9 Erica, Doo Bear and Franklin were all in the house?

10 A No, they were all at school at the time.

11 Q As Erica was doing laundry what were you  
12 doing?

13 A Laying on the couch. Looking at TV.

14 Q And did you eventually --

15 A I end up taking a nap. Actually when they  
16 were coming in the door I was kind of dozing off. I end up  
17 falling asleep during the time of watching one of my shows.

18 Q And do you remember what show that was?

19 A I think Judge Mathis.

14

20 Q After you fell asleep what happened next?

21 A I was woken up by my son Eugene telling me  
22 there was a bunch of police in front of my door.

23 Q So what did you do next?

24 A I jumped up.

25 Q Were they in front of your door or just in the

14           1   Casa Sorento apartments?

2           A    They were, I believe Franklin's grandma, she  
3 stays directly across from me, so they were in the parking  
4 lot, but parked between me and her house.

5           Q    And you got up?

6           A    I got up and I went outside, I looked for a  
7 minute and I saw they had a bunch of young men on the cars.

8           Q    I'm going to show you what has been marked as  
9 Grand Jury Exhibit Number 17. You're going to be able to  
10 see it up there on that monitor. Do you recognize the  
11 people in these pictures?

12          A    Yes, they had all of them on the car.

13          Q    And when you say they had all of them on the  
14 car, you mean outside in front of your --

15          A    Outside, yes.

16          Q    In front of your apartment?

17          A    Yes, ma'am.

18          Q    And was Doo Bear one of those people that was  
19 out there?

20          A    Yes.

21          Q    What did you do next after you saw that  
22 outside?

23          A    I went back in my house to ask my son what had  
24 happened.

25          Q    And without telling me what he said, what did

14 1 you do next?

2 A I walked back out the door and looked again.

3 Q So you're just kind of observing, looking  
4 around?

5 A Exactly.

6 Q Who was in your house at this time?

7 A Well, when I went to my son's room my daughter  
8 Erica was standing up by the window and Franklin was  
9 sitting on the bed by the window and my son was at the edge  
10 of the bed.

11 Q What were they doing in the window?

12 A They were all looking out the window.

13 Q When you look out the window what can you see?

14 A Actually from the view of my son's window you  
15 can see Doo Bear on one of the police officer's cars.

16 Q So Franklin is inside, your daughter is  
17 inside, Erica, and Doo Bear is outside talking to the  
18 police officers?

19 A Yes.

20 Q What happens next?

21 A I went back out there and -- well, no, I asked  
22 my son, I was going to ask him what had happened, but  
23 looking at Frank I told him, I said, "you know they have  
24 your cousin on the police car. What did he do?" And he  
25 said he didn't know, and that's when my son responded and

14           1    said there was two kids shot at the bus stop.

2           Q       And what happened next?

3           A       I went back out the door and I stood there for  
4   a minute and a neighbor came up and she told me that there  
5   was six kids shot at the bus stop.

6           Q       How far away is Doo Bear speaking to the  
7   police officer from your front door?

8           A       I would say maybe about from the distance of  
9   me and you right now, about the same -- no, I take that  
10  back.  It's --

11          Q       Is it behind me or closer?

12          A       It's further.  Actually it's further.

13          Q       So maybe like --

14          A       I would say about, it's further than this  
15  room.

16          Q       Can you hear what's being said?

17          A       No, ma'am.

18          Q       After you go back outside what do you do next?

19          A       I just looked, turned back around and came  
20  back in after I heard it was six kids being shot.

21          Q       And what else did you do that day?

22          A       I walked back to the room and I asked my son,  
23  I told him, I said -- well, no.  I walked back in my house,  
24  and they said six kids had been shot at the bus stop, and  
25  Frank and Erica was standing there, like I said I was

14           1     standing in my son's doorway and I said, "Your cousin  
2           2     didn't shot them kids, did he?" But I was like was he  
3           3     involved in that, and Frank was like that's what I'm trying  
4           4     to see. They were looking out the window. Basically he  
5           5     was trying to see what was going on, not necessarily if he  
6           6     had shot the kids or not.

7           Q       And eventually did the police leave?

8           A       Yes.

9           Q       And then what happened next?

10          A       I was cooking dinner about the time they left.  
11       Frank then came outside, he come out the room, headed  
12       towards the door.

13          Q       When you say the door, you mean the front  
14       door?

15          A       The front door.

16          Q       Did Doo Bear eventually come to your house?

17          A       Yes. He left out about maybe three to five  
18       minutes, they entered the door, he entered the door with  
19       Doo Bear and another young man.

20          Q       And eventually did you feed them?

21          A       Yes. I was cooking and I offered them  
22       something to eat.

23          Q       Now the person that walked in with Doo Bear,  
24       do you know his name?

25          A       I don't know this kid here. He's not a

15           1     regular kid around the neighborhood. I don't know where he  
2           2     came from.

3           Q       And eventually did Doo Bear, Erica and Frank  
4           4     leave your house?

5           A       Yes, ma'am. After they eat, about fifteen  
6           6     minutes later they grabbed the laundry and they all left.

7           Q       Eventually on December 16th did some police  
8           8     officers come to your house and you did a photo line-up?

9           A       Yes, ma'am.

10          Q       Showing you what has been marked as Grand Jury  
11          11     Exhibit Number 25. Do you recognize that?

12          A       Yes.

13          Q       Is your signature on here as well as the date?

14          A       Yes, ma'am.

15          Q       What is the date that's on here?

16          A       12/16/07.

17          Q       On this first page are there some instructions  
18          18     as well as what you wrote, or a statement, where you  
19          19     actually wrote a statement, or maybe not you wrote it but  
20          20     somebody else wrote it for you?

21          A       Yeah. Yeah. Just about what, who I saw and  
22          22     how I knew him, yes.

23          Q       What did that statement that you told the  
24          24     officers, what was it?

25          A       On Frank I knew him through being my

15           1     daughter's boyfriend. They had moved up here from the  
2           2     Hurricane Katrina.

3           Q       And showing you the second page, did you  
4           4     circle somebody and is there initials next to that?

5           A       I circled Franklin's picture.

6           Q       What picture is that?

7           A       Number two.

8           Q       Showing you what is marked as Grand Jury  
9           9     Exhibit Number 26, do you see what that is?

10          A       Yes.

11          Q       Do you see your signature as well as a date  
12          12     and a time?

13          A       Yes, ma'am.

14          Q       What date was that on?

15          A       12/16/07.

16          Q       And did you write a statement in the statement  
17          17     portion?

18          A       Yes.

19          Q       What did you say in that statement?

20          A       Just stating how I knew Doo Bear being Frank's  
21          21     cousin.

22          Q       Showing you the second page of that statement,  
23          23     do you see a picture where you've signed and put your  
24          24     initials?

25          A       Yes, ma'am.

15           1           Q       What number did you circle and put your  
2           initials on?

3           A       Number three.

4           Q       Who is the person in that picture?

5           A       Doo Bear.

6           Q       Do you know what type of car that your  
7           daughter drives?

8           A       I'm not very familiar with names of cars. I  
9           just -- it was a grayish silver color car, four door.

10          Q       Okay. Showing you what has been marked as  
11       Grand Jury Exhibit Number 29, do you see what is depicted  
12       in that picture?

13         A       Yes, that's the car.

14         Q       Was that the car that Erica was driving?

15         A       Yes, ma'am.

16         Q       As well as the same for 30?

17         A       Yes.

18         Q       And 31.

19         A       Yes.

20         Q       Okay. Now did you buy that car for Erica?

21         A       No, ma'am.

22         Q       Does Erica have a job?

23         A       No.

24         Q       Did you tell the detectives where they could  
25       locate Erica and that car?

15

4 Q And that's Linda Moore?

EXAMINATION

7

8

BY MS. VILLEGAS:

9

Q Miss Moore, are you related to Erica Adams?

10

A I am.

11

Q How are you related to her?

12

A I'm her grandmother.

13

Q And if you can just speak into the microphone

14

so everyone can hear.

15

All right. Now did there come a time  
that Erica stayed at your apartment?

16

A She did.

17

Q Where is your apartment located?

18

A 3301 Civic Center Drive, apartment 8-H, Las

19

Vegas, Nevada.

20

Q Now do you recall when it was that Erica

21

stayed at your apartment?

22

A December the 5th until the time they came and

23

picked them up at my home.

24

Q And this is when you said that the police came

15 1 to your house?

2 A Yes, they did.

3 Q Now when Erica was staying at your apartment,  
4 who else was with Erica?

16 5 A She came the same night with a boy named Frank  
6 she said was her boyfriend and my grandson showed them  
7 where I lived because they didn't know where I lived at.

8 Q Showing you what has been marked as State's --

9 A Yeah, that's him.

10 Q State's Exhibit Number 40, let me just -- is  
11 that Franklin that was with Erica?

12 A Yes. But that's not what he looked like when  
13 he first came there.

14 Q How did he look when he first showed up at  
15 your apartment?

16 A He had dreadlocks.

17 Q Dreadlocks. How long were the dreadlocks?

18 A Shoulder length.

19 Q Now were they the only two that stayed at your  
20 apartment?

21 A No.

22 Q Was there another kid that stayed at your  
23 apartment?

24 A They came a couple days later with another  
25 guy, black boy. I asked who he was. He said he was his

16

1 cousin.

2 Q This is Frank's cousin?

3 A That's what he said.

4 Q Showing you what is marked as State's Exhibit  
5 Number 38.

6 A Yes.

7 Q Is that that person?

8 A Yes, that's him. He had dreadlocks too.

9 Q On this picture does he have dreadlocks?

10 A No, they had their hair cut. They went and  
11 got their hair cut a couple days when the police came to my  
12 house.13 Q When they got their hair cut, was it already  
14 after they were staying at your apartment?

15 A Yes.

16 Q And this is before the police showed up?

17 A No, it wasn't after. It was during the time  
18 they were there.19 Q So did they cut their hair right there at your  
20 apartment?

21 A No. Huh-uh. Nope.

22 Q Somewhere else?

23 A They didn't do it at my house, no, ma'am. But  
24 they came in that evening, yes.

25 Q With their hair cut off a couple days after?

16           1           A       Yes, like that. And I asked them, because I  
2           2           didn't recognize who they was, my granddaughter Erica  
3           3           started laughing, I said, "What's funny? You come with  
4           4           somebody else to my home." She said, "Grandma, that's  
5           5           Frankie." And then I said, "Hell no, where are you all  
6           6           going." They never said why they cut their hair. And they  
7           7           tinted their hair.

8           Q       They tinted their hair?

9           A       Yeah.

10          Q       Now they were staying at your apartment. How  
11          many bedrooms is your apartment?

12          A       One.

13          Q       Where did they stay in your apartment?

14          A       In my bedroom.

15          Q       Where did you sleep?

16          A       In my couch.

17          Q       In your living room?

18          A       Which is a couch bed, but I had closed it up  
19          to do Christmas so I just slept on the couch.

20          Q       You said the police eventually showed up at  
21          your apartment?

22          A       Yes, they did.

23          Q       This is on December 16th?

24          A       I don't know what day it was but yes.

25          Q       On that date did the police show up because of

16 1 a search warrant at your apartment?

2 A Exactly.

3 Q And when they came in did they search your  
4 apartment?

5 A They tore it up. They tore my house, they  
6 destroyed it and my food.

7 Q So they were looking for stuff in your  
8 apartment?

9 A Evidently. They said they were searching.  
10 They didn't tell me for what.

11 Q Now did you own any guns?

12 A I don't own anything.

13 Q So if the police came and found two guns in  
14 your apartment --

15 A They didn't belong to me.

16 Q They don't belong to you?

17 A No, ma'am. Huh-uh.

18 Q So you never had any guns?

19 A Not in my life.

20 Q Did you ever see any guns at your apartment?

21 A No, ma'am.

22 Q Now when Erica and Frank and Frank's cousin  
23 stayed at your apartment, did you allow them to use one of  
24 your closets?

25 A Yes, I did.

16           1           Q       Which closet was it?

2           A       It was my hall closet which I keep my coats  
3 and things in.

4           Q       But you allowed them --

5           A       But I had more room and it's a walk-in.

6           Q       A walk-in closet.

7           A       That's why they use it, I let them use that  
8 because they had clothes --

9           Q       Clothes in the --

10          A       All my closets is full so I advised them to  
11 use my hall closet, not searching in my bedroom, just  
12 access the sleep in there is all, and that's all they did.  
13 I see them in the morning at ten, they leave, and they come  
14 back in the evening about ten.

15          Q       Now besides those guns that don't belong to  
16 you --

17          A       Yes.

18          Q       -- the police also recovered some cocaine?

19          A       Uh-huh.

20          Q       Do you have any cocaine that was in your  
21 apartment?

22          A       I didn't have anything in my house but me.

23          Q       So those were not yours either?

24          A       No, ma'am, not at all. Huh-uh.

25          Q       Were you aware if Erica or Frank ever drives a

16 1 car?

2 A No. No.

3 Q Did you ever see them drive a car?

4 A To be honest, no. All I seen them was  
5 walking, because my building, my apartment is way in the  
6 back.

17 7 Q Now one of the other items that the police  
8 found are some car keys in your apartment. So do those  
9 keys belong to you?

10 A No. I don't own a car.

11 Q You don't own a car?

12 A I never own a car. I have a disability bus  
13 card.

14 Q You don't own a Buick, silver in color, four  
15 door car?

16 A No, ma'am. I wish I had one, but no, ma'am.

17 Q You don't own any car keys?

18 A No, ma'am.

19 Q Have you ever seen Erica --

20 A House keys, that's all.

21 Q -- holding any type of car keys?

22 A No, ma'am. I never seen them with nothing.

23 I'm going to be frank with you. I never know what they  
24 did. They had to do it undercover. It wasn't in my home  
25 like I said.

17           1           Q       Now did you ever hear them talking about any  
2           type of bus shooting?

3           A       Not at all. I heard it on TV. And it never  
4           dawn on me that they, my granddaughter had anything to do  
5           with it. Because I didn't know those two boys no how and I  
6           hadn't seen Erica over two years and she knocked on my door  
7           that particular night.

8           Q       So the first time you saw Erica was on your  
9           doorstep on December 5th?

10          A       That's right.

11          Q       Had you ever seen those two boys before  
12          December 5th?

13          A       No, ma'am.

14          Q       So it's also the first time you've ever --

15          A       She didn't know them either. Huh-uh, I never  
16          seen them.

17                   MS. VILLEGAS: All right. Thank you. No  
18          further questions.

19                   THE WITNESS: Uh-huh. No, I don't know them  
20          children.

21                   MS. VILLEGAS: Hold on.

22                   THE FOREPERSON: No questions from the Grand  
23          Jury.

24                   MS. VILLEGAS: You're finished but wait  
25          until --

17

13 Do you understand this admonition?

14 THE WITNESS: Huh-uh. You said I could be

21 THE FOREPERSON: Thank you for your testimony.  
22 You are excused.

23 THE WITNESS: Thank you too, sir. Thank you  
24 all. That's terrible.

25 THE FOREPERSON: Please raise your right hand.

JESSICA GARCILAZO,

having been first duly sworn by the Foreperson of the Grand

3

Jury to tell the truth, the whole truth, and nothing but

4

the truth, testified as follows:

5

6

EXAMINATION

7

8

BY MS. PIEPER:

9

Q Jessica, how old are you?

10

A Fourteen.

11

Q I'm probably going to need you to speak up

12

because the lady in front of you has to take everything

13

down. So can you speak into that microphone?

14

A Yeah.

15

Q What grade are you in?

16

A Ninth.

17

Q What high school do you go to?

18

A Mojave High School.

19

Q Do you catch the bus after school?

20

A Yeah.

21

Q Do you get off at the first stop which is at

22

Walnut and Alexander?

23

A Yes.

24

Q I want to draw your attention to December 10,

25

2007. Were you riding the bus on that day?

17           1           A       December 10th, yeah.

2           Q       Did you see anything unusual happening, like a  
3 fight or something like that, as you got off the bus?

4           A       I saw a crowd around a fight.

5           Q       Where was the fight at?

6           A       It was --

7           Q       You see that map to your right -- or to your  
8 left? Can you see the streets Alexander and Walnut on that  
9 map?

10                       You can stand up.

11          A       Yeah, right there on the corner.

12          Q       Can you point for the members of the Grand  
13 Jury on that screen where you saw the fight or where you  
14 saw the crowd?

15          A       It was, I saw it right here.

16          Q       Okay. That's where the fight was. So it was  
17 on Walnut, but right near the corner of Walnut and  
18 Alexander?

19          A       Yeah.

20          Q       Now how did you see that fight? Do you walk  
21 down there in order to get home that day?

22          A       Yeah.

23          Q       Could you see who was fighting?

24          A       No, I didn't see nothing.

25          Q       Did you stop to watch the fight?

17

1 A No.

2 Q Did you hear anybody yelling or screaming or  
3 anything?

4 A No.

5 Q And did you hear any gunshots on that day?

6 A No.

7 Q I want to draw your attention to December 11,  
8 2007, the next day.

9 A Uh-huh.

10 Q Were you riding on that school bus?

11 A Yeah.

18

12 Q Did you go off at the stop at Alexander and  
13 Walnut?

14 A Yes.

15 Q When you got off the bus, what's the first  
16 thing that happened?

17 A The crowd started going. There was two  
18 crowds.

19 Q You get off the bus. Are you getting off the  
20 bus with anyone?

21 A Yeah.

22 Q Who were you getting off the bus with?

23 A With my friend Monica.

24 Q And when you get off the bus, which direction  
25 do you walk? Do you walk towards Walnut or walk towards

18

1 Pecos?

2 A Pecos.

3 Q So you get off the bus and you're walking  
4 towards Pecos?

5 Yes?

6 A Yeah.

7 Q And you're walking with your friend Monica?

8 A Yeah.

9 Q And what happens next? What do you see?

10 A The crowds.

11 Q Is there a crowd in front of you or a crowd  
12 behind you?

13 A A crowd in front of me and behind me.

14 Q And so do you just continue to walk off the  
15 bus?

16 A Yeah.

17 Q Is there any groups of people in front of you  
18 or behind you?

19 A Yeah.

20 Q Who?

21 A The crowd in front of me was African  
22 Americans.23 Q And approximately how many people were in that  
24 crowd?

25 A Like ten.

18           1           Q       And behind you was there a group of people?

          2           A       Hispanics.

          3           Q       Can you tell me approximately how many people

          4       were in that group?

          5           A       Like five.

          6           Q       And were the two groups coming together or

          7       were they walking apart?

          8           A       They were walking together.

          9           Q       You're walking towards Pecos, correct?

        10           A       Yeah.

        11           Q       So you're walking towards the Casa Sorentos

        12       apartments?

        13           A       Yeah.

        14           Q       As you're walking what happens?

        15           A       I just started hearing gunshots.

        16           Q       How many gunshots did you hear?

        17           A       It was more than one.

        18           Q       And after you heard the first gunshot what you

        19       do next?

        20           A       I turned around and started running.

        21           Q       When you say you turned around, you turned

        22       around towards Walnut?

        23           A       Yeah.

        24           Q       Which way did you run? Did you run towards

        25       Walnut or towards Pecos?

18

1 A Walnut.

2 Q So after you hear the gunshots, you turn  
3 around and you run towards Walnut and you're on Alexander,  
4 what happens next?

5 A Like the shooting stops and I, like I was  
6 checking on my arm because I felt a burning.

7 Q When did you feel the burning?

8 A When I was running.

9 Q So as you're running are there shots still  
10 being fired and suddenly your arm starts burning?

11 A Yeah.

12 Q Which arm is this?

13 A My right.

14 Q And did you continue to run down Alexander and  
15 get onto Walnut?

16 A Yeah.

17 Q When you got onto Walnut what did you do next?

18 A I stopped there and started checking on me.

19 Q You started checking your arm and what did you  
20 see?

21 A That it was bleeding.

22 Q Now when you're at the bus stop and you're  
23 walking towards Pecos on Alexander and you said there was a  
24 Hispanic group behind you and a African American group in  
25 front of you, when you heard the gunshots, which direction

18           1     were they coming from, where the African Americans were or  
          2     the Hispanics?

3           A       African Americans.

4           Q       So after you hear the shooting you ran onto  
5     Walnut and you checked yourself for injury?

6           A       Yeah.

7           Q       I'm going to show you what is marked as Grand  
8     Jury Exhibit Number 18. Do you recognize who is in that  
9     picture?

10          A       Yeah.

11          Q       Who is that?

12          A       Me.

13          Q       As you're sitting -- did you sit on the corner  
14     on Walnut and Alexander after you got shot?

15          A       Yes.

16          Q       And eventually you were taken to UMC?

17          A       Yes.

18          Q       Where is this a picture of you?

19          A       The hospital, UMC.

20          Q       Showing you what is marked as Grand Jury  
21     Exhibit Number 19, do you recognize that?

22          A       Yeah.

23          Q       What is that; a picture of you?

24          A       My shot wounds.

25          Q       That's your arm where you got shot?

18

1 A Yes.

2 Q Which side was it on?

3 A Right.

4 Q Your right side.

5 Can you tell in this picture which was  
6 the entrance wound and which one was the exit wound?

7 A This was the entrance.

8 Q I'm going to put it up here so it's going to  
9 appear over there.

10 Which one is the entrance wound?

11 A The top one.

12 Q So on top is the entrance wound. Can you  
13 point to that on the TV?

14 Okay. That's the entrance wound.

15 Where is the exit wound?

16 A Right here. That's what they told me.

17 Q Okay. At this time that you heard the shots  
18 being fired, approximately how far away was the African  
19 American group from you, about how many houses away?

20 A Like two houses.

19

21 Q And when you heard the shooting did you turn  
22 around and look towards the shooters?

23 A No.

24 Q So you couldn't, you don't know who was  
25 shooting?

19           1           A       No. I didn't see.

2           Q       You can't identify --

3           A       No.

4                   MS. PIEPER: I don't have any further  
5 questions. Does any member of the Grand Jury have any  
6 questions for Jessica?

7                   THE FOREPERSON: No questions from the Grand  
8 Jury.

9                           By law these proceedings are secret and  
10 you are prohibited from disclosing to anyone anything that  
11 has transpired before us, including evidence and statements  
12 presented to the Grand Jury, any event occurring or  
13 statement made in the presence of the Grand Jury, and  
14 information obtained by the Grand Jury.

15                           Failure to comply with this admonition  
16 is a gross misdemeanor punishable by a year in the Clark  
17 County Detention Center and a \$2,000 fine. In addition,  
18 you may be held in contempt of court punishable by an  
19 additional \$500 fine and 25 days in the Clark County

7                   Q       That's just what I wanted.

8                               THE WITNESS: That's it?

9                               MS. PIEPER: That's it.

10                   THE FOREPERSON: Please raise your right hand.

13

14 EXAMINATION

15

16 BY MS. VILLEGAS:

17 Q Alex, how old are you?

18 A I'm eighteen years old.

19 Q Drawing your attention to December 11, 2007,  
20 were you in the area of Walnut and Alexander here in Las  
21 Vegas, Clark County, Nevada?

22 A Yes, I was.

23 Q How was it that you got to that location?

24 A We drove over there.

25 Q Who drove you there?

19

1 A My friend.

2 Q What's your friend's name?

3 A Daniel.

4 Q And what's his last name?

5 A I don't know how to pronounce his last name.

6 Q You don't know his last name?

7 THE FOREPERSON: Excuse me. Would you please  
8 speak into the microphone. We can't hear you in the back.

9 BY MS. VILLEGAS:

10 Q Is it Daniel Jimenez?

11 A Yes, it is.

12 Q Who else was with you when you went to that  
13 location?

14 A Andy Sardinas and Michael Sardinas.

15 Q Are they brothers?

16 A Yes.

17 Q Now why was it that you guys were going to  
18 that location?

19 A To make sure my friend didn't get hurt or  
20 jumped again.

21 Q Jumped again. Who was that?

22 A David.

23 Q David. Do you know David's last name?

24 A No, I don't.

25 Q Now how did you hear about David being jumped?

19

1 A He told us.

2 Q When was it that you spoke to David? Was that  
3 that same day or the day before?

4 A The day before.

5 Q You and your friends then went over to that  
6 location of Walnut and Alexander to wait for David?

7 A Yes.

8 Q And when you got there was David already  
9 there?

10 A Yes, he was.

11 Q Was he already off the bus or was he just  
12 getting off the bus?

13 A He was getting off the bus when we were there.

14 Q Now prior to David getting off the bus, did  
15 you see any crowd of people in that area?

16 A When David got off the bus in the background  
17 of him I saw a group of African Americans.

18 Q Now you have a map right to your TV monitor.  
19 Can you stand up and tell us whereabouts it was that David  
20 got off the bus? Do you see on the map, it says Alexander,  
21 which is on the bottom, and then perpendicular to that you  
22 see Walnut.

23 A Is this Walnut?

24 Q No, further to the right.

25 A This is Walnut and here is Alexander?

19 1 Okay. Yeah.

2 Q Where was it that David got off the bus?

3 A About right here.

4 Q Okay. So you're pointing to like, it's like  
5 the second house from the corner of Walnut and Alexander?

6 A Yes.

7 Q Now here is a microphone. I need you to speak  
8 up while you're by the TV monitor.

9 And so when David got off the bus, you  
10 said you saw a crowd of people, African Americans, behind  
11 David. Whereabouts were these people located on that map?

12 A About right here.

13 Q Okay. So is that how many houses now; the  
14 fourth house?

15 A Yeah.

16 Q How many of these, how many people of these  
17 African Americans did you see at that crowd?

18 A How many?

19 Q Yeah.

20 A About twenty-five to thirty.

21 Q And how far away were they?

22 You can go back and sit down.

23 How far away were they from where you  
24 were located with your friends?

25 A About, we were about like thirty-five, forty

20

1 feet.

2 Q And were you closest to the Walnut and  
3 Alexander corner?

4 A A little far in.

5 Q A little far in?

6 A About the second house.

7 Q Where you just pointed to or further out?

8 A Near David.

9 Q Near David?

10 A Yes.

11 Q What happened after you saw David and you saw  
12 those twenty-five to thirty African Americans, what  
13 happened next?

14 A They were walking towards us.

15 Q Were there any yelling or words being  
16 exchanged?

17 A There was none.

18 Q So what happened when that group started  
19 walking towards you?

20 A Well, when, when they were walking towards us,  
21 we were walking a little bit towards them, we still had  
22 distance between us, and that's when they pulled out the  
23 guns.

24 Q Okay. How many people did you see pull out  
25 the guns?

20

1 A Two.

2 Q And let's start off with the first person.

3 The first person you saw pull out the gun, describe this  
4 person.

5 A He didn't have a shirt on. He had a muscle  
6 T-shirt on.

7 Q Okay.

8 A And the second one had a black sweater on.

9 Q So when you said the first one had a muscle  
10 T-shirt, what color was this muscle T-shirt?

11 A It was white.

12 Q Now prior to that had you seen him with any  
13 type of shirt?

14 A No.

15 Q So you just know immediately you saw a white  
16 muscle T-shirt?

17 A Yes.

18 Q Now it's December 11th. Was it cold outside?

19 A No. Not really, no.

20 Q Okay. The other person next to him you said  
21 was wearing a -- was it right next to him or close to him?

22 A Pretty close to him.

23 Q Close to him?

24 A Yes.

25 Q What was he wearing?

20           1           A       A black sweat shirt.

2           Q       This is the second gunman?

3           A       Yes.

4           Q       Who was taller of the two?

5           A       The one wearing the black sweater.

6           Q       The black sweat shirt?

7           A       Yes.

8           Q       Now do you know what kind of sweat shirt he  
9 was wearing?

10          A       No.

11          Q       What was the hair style of both individuals?

12          A       The first one? He had short hair.

13          Q       Yes.

14          A       And for the second one, I couldn't tell if he  
15 had like long hair or short hair because he had a hat or a  
16 hoodie over his head, I couldn't really tell, but he had  
17 something over his head.

18          Q       And so who fired first?

19          A       They both fired at the same time, but the one  
20 wearing the wife beater, he shot at us first and the other  
21 one shot in the air, but they shot at the same time.

22          Q       When you saw the second person in that black  
23 hoodie shoot in the air, what were you, were you still  
24 facing them or had you already, what were you doing at that  
25 time?

20           1           A       I was facing them. I saw them shooting and  
2 then I started to run.

3           Q       So did you run in their direction or did you  
4 run opposite?

5           A       The opposite.

6           Q       And so when you started running or you  
7 started -- are you still on Alexander?

8           A       Yes.

9           Q       And where did you run to?

10          A       Well, I started running near Walnut and I got  
11 shot. When I got shot I jumped the wall.

12          Q       Can you see on the map whereabouts was the  
13 wall that you jumped?

14          A       Yeah, I remember where it's at.

15                   I jumped this wall right here.

16          Q       So the first house?

17          A       Uh-huh.

18          Q       On the corner?

19          A       And then I kept on running and then I jumped  
20 this wall right here.

21          Q       So now the same house, but the wall is now on  
22 Walnut?

23          A       Yes.

24          Q       And what happened?

25          A       That's where I just fell.

20

1 Q And that's where you fell is on Walnut; is  
2 that right?

3 A Yes.

4 Q How many gunshots did you hear total?

5 A That I heard?

6 Q Uh-huh.

7 A More than ten.

8 Q Okay.

9 A Because I -- there was like four shots already  
10 shot before I got shot.

11 Q Which part of your body were you shot?

12 A On my lower right back.

13 Q And did you see anybody else hurt when you  
14 began laying on that wall?

15 A Well, I looked over and then I saw, I don't  
16 know her name, but she was right next to me.

17 Q So it was a female that was next to you?

18 A Yeah. She got shot in her arm. And then  
19 David was on the other side of me and he got shot in his  
20 leg. But I wasn't aware of anyone else getting shot.

21 Q You knew of two other people other than  
22 yourself that had been shot?

23 A Yes.

24 Q Where were you taken?

25 A UMC Hospital.

20 1 Q And how long were you at UMC?

2 A About a week.

3 Q Why were you in there for a week?

4 A Because I was recovering because of --

5 Q Your gunshot wound?

6 A My gunshot wound.

1 7 Q You were hit in the back. How many times were

8 you hit?

9 A I was hit once.

10 Q Just once?

11 A Yes.

12 Q In the right side of your back?

13 A Uh-huh.

14 Q Is the bullet, did it exit your body?

15 A No, it's still in me.

16 Q It's still in you?

17 A Yes.

18 Q They never removed it?

19 A No.

20 Q That you know of.

21 Now are you in any pain today?

22 A I'm actually doing pretty good.

23 Q Have you been in pain after you got out of the

24 hospital?

25 A Yes.

1           Q       And could you resume your physical activities  
2 like what you were doing before you got shot?

3           A       Not even close.

4           Q       No? What's happening?

5           A       Well, I can't run.

6           Q       You can't run?

7           A       I can't lift up anything. Well, if I could, I  
8 could try, but it would be hard for me, it might hurt me.  
9 So really I just can't really do anything I really used to  
10 at this point.

11          Q       So even today which is now like a month  
12 later --

13          A       Yeah.

14          Q       So showing you what has been marked as Grand  
15 Jury Exhibit Number 20, do you recognize who that person  
16 is?

17          A       That's me.

18          Q       And showing you what is marked as Grand Jury  
19 Exhibit Number 21, who is that?

20          A       That's my --

21          Q       And is that, are these pictures taken at UMC?

22          A       Yes, they are.

23          Q       On the day of the shooting?

24          A       Yes.

25          Q       And do these photographs substantially and

1 accurately depict your condition on that day?

2 A Yes.

3 Q Now you came in and saw me last week; is that  
4 right?

5 A Yes, I did.

6 Q And after you saw me, did my investigator show  
7 you a set of photographs?

8 A Yes, he did.

9 Q And are these three different photo line-ups?

10 A Yes.

11 Q After I showed you -- well, first of all in  
12 each line-up there are instructions. The first one is  
13 Grand Jury Exhibit Number 22. Is that right?

14 A Yes.

15 Q And did he read it to you or did you read it  
16 to yourself?

17 A I read it to myself.

18 Q And after you read it to yourself did he show  
19 you six photographs on the second page?

20 A Yes, he did.

21 Q And after he showed you these six photographs  
22 were you able to identify anybody?

23 A No, I wasn't.

24 Q You did not identify who the shooter was?

25 A No, I didn't.

1           Q       Next was on Grand Jury Exhibit Number 23.

2       Again did you read the instructions to yourself?

3           A       Yes, I did.

4           Q       And were you shown again a set of six  
5       photographs?

6           A       Yes.

7           Q       Were you able to identify anybody in these six  
8       photographs?

9           A       No, I wasn't.

10          Q       And lastly is again Grand Jury Exhibit Number  
11       24 is what you were shown?

12          A       Yes.

13          Q       And again did you read the instructions to  
14       yourself?

15          A       Yes, I did.

16          Q       And after you read the instructions, were you  
17       shown six photographs to see if you can identify anybody  
18       there?

19          A       Yes, I did, but I didn't identify nobody.

20          Q       And you made those statements in each one of  
21       them dated January 4th, 2008; is that right?

22          A       Yes.

23                   MS. VILLEGAS: No further questions of the  
24       witness. Pass the witness to the Grand Jury.

25                   THE FOREPERSON: No questions from the Grand

1 Jury.

24 you are about to give upon the investigation now pending

EXAMINATION

BY MS. VILLEGAS:

Q Michael, how old are you?

A Twenty-one.

Q I need you to speak into the microphone.

Drawing your attention to December 11, 2007, were you in the area of Walnut and Alexander here in Las Vegas, Clark County, Nevada?

A Yes.

Q And you see by the TV monitor is Grand Jury Exhibit Number 3. Do you see Walnut, which is on the horizontal, and then, I mean Walnut is perpendicular and Alexander is horizontal. Do you see that on the map?

A Yes.

Q Whereabouts were you when you arrived at that location?

A Well, we parked, we parked around the corner where it ends on the bottom of Walnut.

Q Who is we?

A It was me, Daniel, my brother Andy and Alex.

Q And Daniel, what is Daniel's last name?

A Jimenez.

Q And when you got there, who were you guys waiting for?

2           1           A       David.

          2           Q       David. And do you know David's last name?

          3           A       Macias.

          4           Q       Why were you waiting for David Macias?

          5           A       Because he's my cousin.

          6           Q       Did you talk to David about an incident he had

          7 the day before?

          8           A       No, I never talked to him about it.

          9           Q       Right. Did you find out about it?

        10           A       Yeah. My brother told me about what happened

        11 the day before.

        12           Q       So is that why you guys are back there that

        13 day on December 11th?

        14           A       Well, I wasn't really supposed to go. I was

        15 trying to go to see the rerun of the fight, of the

        16 Mayweather fight, and then by the time I found out, because

        17 we got in the car and then when we get in the car we go

        18 somewhere else and I'm like where are we going and they're

        19 like we're going to go pick up David because somebody tried

        20 to jump him the day before and we don't want him to get

        21 jumped. So that's why we went down there.

        22           Q       So that's why you just happened to be with

        23 your brother and your other friends; is that right?

        24           A       Yeah.

        25           Q       When you got there did there come a time that

2

1 David showed up?

2 A Yes.

3 Q How did he show up?

4 A He got out of the bus.

5 Q So when David got off the bus did you see  
6 anybody around that area at the same time?

7 A Yeah, because there was two buses, so David  
8 got out of the second bus and around the front of the first  
9 bus there was a big crowd of black people gathering.

10 Q How many people, how many black people did you  
11 see around the first bus?

12 A Like twenty-five or thirty.

13 Q And after you saw David and you saw these  
14 black people, what happened next?

15 A Well, I go up to, you know, to shake his hand  
16 because I haven't seen him.

17 Q This is David?

18 A Yeah.

19 Q And then what happened?

20 A I was looking around because everybody was  
21 walking by me and then I turn around and then everybody  
22 starts running from the other crowd.

23 Q Okay. Going to that map behind you, can you  
24 first tell -- I want you to stand up, hold this microphone.  
25 Tell me whereabouts was it that the people that you saw

2 1 running, what were they running from, can you tell us where  
2 on that map?

3 A We were standing like about here by the bus.

4 Q So is that like the second house from the  
5 corner of Walnut and Alexander?

6 A Yeah, it was about the second and third house,  
7 in between there.

8 Q Then what happened?

9 A And then the people were like about further  
10 down.

11 Q So how many houses is that from the corner?  
12 Can you count for me?

13 A Like six or seven.

14 Q All right. And so this is the crowd of  
15 African American people that you saw down the street on  
16 Alexander?

17 A Yeah.

18 Q And what happened next?

19 A And then I see everybody start running.

20 Q Where did they run?

21 A They just scattered out from the middle of the  
22 whole crowd.

23 Q Were they running across --

24 A They ran everywhere, you know, they ran this  
25 way and they ran this way.

2           1           Q       So hold on.

2           A       They scattered everywhere.

3           Q       You say everywhere, this way, that way. She  
4 has to record what you are saying. So they ran left still  
5 on Alexander or they went across the street; is that what  
6 you're saying?

7           A       Some of them went across the street and some  
8 of them went further.

9           Q       Some of them went toward Walnut?

10          A       No, not toward Walnut, they went back.

11          Q       Towards Pecos?

12          A       Yeah, towards Pecos.

13          Q       Go ahead and sit down again.

14                   And so what happened when you saw these  
15 people running, what did you do?

16          A       Well, I turned around to run to the other  
17 side. I didn't -- when everybody started running it was  
18 before the gunshots, I didn't know they were shooting, but  
19 since everybody was running I turned around and started  
20 running towards Walnut.

21          Q       Okay. And so when you started running to  
22 Walnut, what point -- now you're talking about the  
23 gunshots. Did you hear the gunshots?

24          A       Yeah, I heard the gunshots.

25          Q       When you heard the gunshots were you already

2           1     at the corner of Walnut and Alexander?

2           A     No, no, I was already running toward Walnut.

3           Q     And when you heard -- where were the shots  
4     coming from?

5           A     From the crowd where they were standing.

3           6     Q     Where you saw the African American people were  
7     standing initially?

8           A     Yeah.

9           Q     And how many gunshots did you hear by the time  
10    you started running?

11          A     By the time -- I started running before the  
12    gunshots.

13          Q     Okay. Then while you were running how many  
14    gunshots did you hear?

15          A     I heard like fifteen.

16          Q     Fifteen. And any one of those fifteen shots  
17    did you get hit?

18          A     Yeah, I got hit in my back.

19          Q     When you got hit in your back, what shot was  
20    that; was that the first shot, the second shot?

21          A     I would say like the fourth or fifth shot.

22          Q     And at that point where were you now on  
23    Alexander when you got hit?

24          A     I would say like right behind the second  
25    house.

3           1           Q       The second house on Alexander?

          2           A       Yes.

          3           Q       So what did you do? Did you continue running?

          4           A       Yeah. I, because I felt like I got hit in my

          5 lower back too and then I kind of just stumbled for a

          6 little bit and then I ran all the way to that corner,

          7 because the wall is not, is like diagonal, so I was sitting

          8 on the other side of the wall.

          9           Q       So you sat by Walnut, is that --

        10           A       Right on the corner of Walnut and Alexander.

        11           Q       Was anybody else sitting next to you?

        12           A       Yeah. Daniel ran up from around me and sat

        13 down for a little bit, but he got back up because he

        14 figured he was only shot in the leg so he got back up and

        15 went to go see what was going on with everybody else.

        16           Q       So you saw his injury to his leg?

        17           A       Yeah.

        18           Q       Now anybody else besides you and Daniel, did

        19 you see anybody else shot?

        20           A       Yeah. I think it was Mark Smith because he

        21 was, because I was in the corner and he didn't make it all

        22 the way to Walnut so he was like right, like right here.

        23           Q       The second house again before the corner?

        24           A       Yeah. Yeah. And I was sitting in the corner,

        25 there was a lady on top of him trying to stop the bleeding

3           1     and I was sitting in the corner and then some guy came up  
2           2     to me and gave me a towel to hold the bleeding and then,  
3           3     because I thought I was hit in my back so I didn't know if  
4           4     I was going to be able to get back up from there.

5           Q       How many times were you hit?

6           A       I think one time was the one that went all the  
7           way through and I think I was hit with maybe like a  
8           ricochet or something in my back.

9           Q       So you said it went all the way through. Did  
10          you have two bullet wounds on the right side of your back?

11          A       Yeah.

12          Q       So did it go from where to where?

13          A       It went from about back here to like out here.

14          Q       So out sort of like by your shoulder is where  
15          it came out?

16          A       Yeah.

17          Q       And as a result of that did you go to the  
18          hospital?

19          A       Yes.

20          Q       Which hospital?

21          A       UMC.

22          Q       And are you still in pain today?

23          A       Well, I still don't have full movement in my  
24          arm.

25          Q       So you can't move your arm, you can't raise

3           1    your hand?

2                   A       No, I can't. I can't do this basically with  
3   this arm, I can't do it.

4                   Q       So you can't move your arm up like a --

5                   A       Well, I can move it up like this, I just can't  
6   do it like this because it feels like a stabbing pain.

7                   Q       When you say this, you can't move your arm  
8   like to straighten it out to your side?

9                   A       No.

10                  Q       Is that right?

11                  A       Yeah, I can't do that and I can't lift heavy  
12   things either.

13                  Q       You can't lift any heavy things.

14                               Now at any time when you were running,  
15   did you ever look back to see the shooters?

16                  A       No, I didn't.

17                  Q       Could you tell if there was more than one  
18   shooter?

19                  A       No.

20                  Q       Now I'm showing you what has been marked as  
21   Grand Jury Exhibit Number 13. Do you recognize the person  
22   depicted in that photograph?

23                  A       Yeah.

24                  Q       Who is that?

25                  A       That's me.

3           1           Q           And is that taken while you were at UMC?

2           A           Yes.

3           Q           Showing you what has been marked as Grand Jury  
4 Exhibit Number 14 and 15. Do you recognize what's depicted  
5 in these two photographs?

6           A           Yeah, that was the exit wound of the bullet.

7           Q           And these are the injuries that you sustained  
8 on December 11, 2007?

9           A           Yes.

10          Q           And again these are pictures that depict your  
11 condition at the hospital after, right after the shooting?

12          A           Yes.

13          Q           As you said, in Grand Jury Exhibit Number 15,  
14 this is your exit wound, is that what you're saying?

15          A           Yes.

16          Q           Now let me widen it up.

17                      And you said that the other wound in  
18 your back, I know you can't see it, but is it where this  
19 red mark is by your back?

20          A           No, I believe it was lower than that.

21          Q           Lower than that?

22          A           Yeah.

23                      MS. VILLEGAS: All right. No further  
24 questions of this witness.

21  
22                                   EXAMINATION

23  
24                   BY MS. VILLEGAS:

25                   Q           Andy, how old are you?

4           1           A       Eighteen.

2           Q       And do you know an individual by the name of

3           David Macias?

4           A       Yes.

5           Q       How do you know him?

6           A       That's my cousin.

7           Q       And is your brother also Michael Sardinas?

8           A       Yes, ma'am.

9           Q       Drawing your attention to December 11, 2007,

10          were you in the area of Walnut and Alexander?

11          A       Yes, ma'am.

12          Q       How did you get there?

13          A       I got a ride from Daniel.

14          Q       Daniel. Do you know his last name?

15          A       Daniel Jimenez.

16          Q       Who else was with you when you got a ride from

17          Daniel?

18          A       Alex Rios and Michael Sardinas, my brother.

19          Q       Why were you guys at Walnut and Alexander?

20          A       At the time my cousin was in California at a

21          hospital with my niece and we had to go pickup my nephew

22          David from the bus stop.

23          Q       So this is another cousin that was in

24          California, right?

25          A       David is my nephew.

4 1 Q David is your nephew?

2 A Yes.

3 Q So you're basically at Walnut and Alexander to  
4 pick-up David Macias?

5 A Yes, ma'am.

6 Q And so when you got to Walnut and Alexander  
7 with your brother and your friends Daniel and Alex, was  
8 David already off the school bus?

9 A No, ma'am.

10 Q So when you went to that location did you  
11 notice anybody else at that area at that time?

12 A Yes. First I noticed that there was another  
13 bus stop getting dropped off in the same area.

14 Q Yes.

15 A Everybody got off the bus and left and  
16 everything was fine, then I noticed four individuals in the  
17 alleyway down Alexander.

18 Q Okay. Looking at the map, can you see an  
19 alleyway near that area? I don't know if you can. Do you  
20 know whereabouts that alleyway was?

21 First of all can you see Alexander on  
22 this map?

23 A This is Walnut, right, this one here?

24 Q Yes.

25 A There is an alleyway right around here that

4 1 cuts through all of these neighborhoods.

2 Q Let's see if you can -- cuts through the  
3 neighborhood -- I don't think it will clear up all right.

4 Okay. So anyway you saw in this  
5 alleyway -- how many people did you see?

6 A I seen four.

7 Q Four. And can you describe the race of these  
8 individuals?

9 A They were all African American.

10 Q And when you saw these four individuals what  
11 happened next?

12 A It seemed like they were waiting for the other  
13 bus stop to get dropped off.

14 Q This is the second bus?

15 A Yes.

16 Q And so what happened?

17 A They were looking, waiting for it to come and  
18 they were just sticking their head out of the little alley.  
19 That's all you could see was their heads sticking out.

20 Q Did there come a time that the school bus then  
21 finally showed up?

22 A Yes. When it came everybody got off and they  
23 just separated. As soon as they got off you just see  
24 little crowds forming.

25 Q Started separating?

4           1           A       Yes.

          2           Q       Now did David get off the second bus?

          3           A       Yes, he got off in the second bus but I did  
4 not see him at all.

          5           Q       So what happened when the second bus showed  
6 up; people were getting off the bus?

          7           A       Yes.

          8           Q       Did you look farther down and see what those  
9 four African American people were doing down the street?

         10           A       No.

         11           Q       What happened next?

         12           A       I was looking for David because, I was walking  
13 back up to Michael and I was looking for my cousin -- well,  
14 my nephew David, and he wasn't, I couldn't find him, and  
5           15           while I was walking up to all the people that got off the  
16 bus with my brother Michael they started shooting.

         17           Q       Okay. Where was the shooting? Where were the  
18 shots coming from?

         19           A       They were coming straight towards us. They  
20 were ahead of us.

         21           Q       Going back to that map --

         22           A       They were --

         23           Q       -- where were you at when the shots were  
24 being, when you heard the gunshots and you saw it?

         25           A       Right in the corner of Walnut and Alexander.

5           1           Q       Okay. That's where you were standing?

2           A       Yes, the top left.

3           Q       Where were the shots, what direction were they

4 coming from?

5           A       They were coming down towards Alexander

6 from -- I mean they were coming towards Walnut.

7           Q       So were they coming from that alleyway that

8 you earlier indicated?

9           A       Yes, ma'am.

10          Q       And how many -- did you see who was shooting?

11          A       I seen a big tall guy with individual braids

12 coming down. I seen him first because he was standing up

13 and he was kind of tall.

14          Q       So was he the tallest one?

15          A       Yes.

16          Q       Among the people there?

17          A       Yes.

18          Q       And that African American that you saw by the

19 alleyway --

20          A       Yes, ma'am.

21          Q       -- what was he doing?

22          A       In the beginning I was, we were looking for

23 David and as I looked forward I seen somebody jumping

24 around and I couldn't tell who it was or anything, I could

25 just see the crowd.

5           1           Q       This is now, the person that you saw jumping  
2 around were these group of people that was by the alleyway?

3           A       Yes.

4           Q       And so what happened?

5           A       When I was looking forward I seen the kid  
6 throw his hand up and twist his hand in the air.

7           Q       Can you show to the Grand Jurors what you  
8 mean? You saw him --

9           A       Yeah, he lifted his hand and just twisted it  
10 like this.

11          Q       So he was twirling you said his forefinger in  
12 a circular motion?

13          A       Yes, ma'am.

14          Q       So what happened then?

15          A       Once everybody around him seen that everybody  
16 started scattering.

17          Q       You mean did they start running away from him?

18          A       Yes, running, jumping walls and stuff and  
19 everybody was looking, everybody else that was leaving  
20 already was looking what was happening and they just  
21 started shooting. They didn't even know what was  
22 happening. And they were shooting and everybody else was  
23 just running. They were lost, confused.

24          Q       You said they started shooting. How many  
25 people did you see shooting?

5           1           A       I saw two.

2           Q       The person that was twirling his finger, what  
3 was he wearing?

4           A       He was wearing a big poofy jacket with fur  
5 only around the hood part.

6           Q       What color was that jacket?

7           A       It was black and it had, the fur was brown.

8           Q       The fur was brown?

9           A       Yes.

10          Q       And he had you said like braids coming out of  
11 his hair?

12          A       Yes.

13          Q       Or his head.

14                   And so you saw him twirling his finger  
15 up first. Then was he already holding a gun on the other  
16 hand?

17          A       Yes, he was holding the gun in the other hand  
18 and he started shooting, he started shooting up.

19          Q       Shooting up in the air?

20          A       Yeah, like two or three shots he fired up in  
21 the air.

22          Q       And then did he at any time put it down?

23          A       Right after he shot those he brought it  
24 straight down and started shooting straight direction.

25          Q       What about the second gunman that you just

5

1 described?

2 A The second one --

3 Q He's the second one? He was shorter?

4 A Yes, he was shorter, but that's all I  
5 remember. And then I remember when I was looking at the  
6 big one behind him I could see him like on his knees like  
7 shooting.

8 Q So you saw the second one on his knees  
9 shooting?

10 A Yes.

11 Q But you didn't get a good look at him?

12 A No, only like a little glimpse because I was  
13 running away actually.

14 Q And by now you're now running towards Walnut?

15 A Yes.

16 Q And you're still at Alexander?

17 A Yes.

18 Q Okay. How many total shots did you hear?

19 A I'm not sure.

20 Q Okay. Now besides the, you know, the braids  
21 that you saw on the tallest guy, was there anything about  
22 those braids that you noticed?

23 A Yeah. They weren't braids that were on your  
24 hair, they were like braids that like came out of it. When  
25 he was running, when he turned around I could see his head

5           1   bouncing.

2           Q       So his hair was bouncing as well?

3           A       Yes, it was bouncing as he was running.

4           Q       Was he running towards you guys or was he  
5 running which direction?

6           A       He was running opposite back down Alexander.

6           Q       So opposite from where you were running  
8 towards Walnut, he's running towards where Pecos is?

9           A       Yes, ma'am.

10          Q       Okay. In that direction?

11          A       Yes.

12          Q       Okay. Now after the shots, where did you,  
13 first of all while shots were coming, where did you run to?

14          A       At the time the bus, it was still there with  
15 the stop.

16          Q       The school bus was still there?

17          A       Yes, with the stop things, like it was just  
18 taking off, and then when it was taking off that's when, as  
19 soon as they started shooting and I ran behind a car that  
20 was still parked there.

21          Q       So is it still on Alexander?

22          A       Yes.

23          Q       And at some point in time did the shots stop?

24          A       Yes.

25          Q       And when the shooting stopped, did you see how

6 1 many people were injured?

2 A I -- I only seen two in the beginning. I seen  
3 my older brother and some kid I never seen before.

4 Q All right. And so eventually were you taken  
5 anywhere by the -- I'm assuming you went and talked to the  
6 police that came to the scene, right?

7 A Yes.

8 Q And eventually did the police take you  
9 anywhere from that location of Walnut and Alexander?

10 A Yes, they took me to some apartments on  
11 Alexander and Pecos I think it is.

12 Q Okay. So let me go back. So is it still on  
13 Alexander?

14 A Yes.

15 Q Do you remember the name of the apartments  
16 that the police took you to?

17 A I believe it was called Los Sorentos.

18 Q Los Sorentos. But it's still on Alexander?

19 A Yes.

20 Q When you went to that location were you shown  
21 a set of people that the police had stopped?

22 A Yes.

23 Q To see whether or not you could recognize any  
24 of them --

25 A Yes.

6 1 Q -- as the shooters?

2 A Yes, ma'am.

3 Q And showing you what has been marked as Grand  
4 Jury Exhibit Number 17, are these the people that were  
5 stopped right there at that apartment complex?

6 A Yes, ma'am.

7 Q Were you able to identify anybody as any of  
8 the shooters that night?

9 A No.

10 Q Okay. And eventually did the police also, the  
11 detective came by and showed you a photo line-up?

12 A Yes.

13 Q And on December 14th, showing you what has  
14 been marked as Grand Jury Exhibit Number 16, is that the  
15 photo line-up that was shown to you?

16 A Yes, ma'am.

17 Q Okay. On the first page of that line-up did  
18 you sign your name and date it, plus put the time in?

19 A Yes, ma'am.

20 Q Now was the instructions read to you or did  
21 you read it to yourself?

22 A No, they were read to me.

23 Q And after the police read them to you and you  
24 were shown the six photographs on the next page, were you  
25 able to identify anybody in that line-up?

6           1           A       The guy was telling me to be specific, to look  
2           for things that looked similar to the guys that were there,  
3           and I told him that number two looked similar.

4           Q       And so did you make that notation on --

5           A       Yes, ma'am.

6           Q       -- on the statement?

7                       Is this what you wrote: "The person in  
8           picture two looks like the person that twisted his finger  
9           and everyone started running and then they started  
10          shooting, he looks just like the guy. I am seventy-five  
11          percent positive that it is him"?

12          A       Yeah. The detective was telling me to give  
13          him a percent of how positive I am.

14          Q       And that's what you wrote on December 14th?

15          A       Yes.

16          Q       All right. Now after you saw the, you know,  
17          when the shots were coming, did you see, you said that they  
18          were running towards the, down by Pecos. Did you see  
19          whereabouts if they ran into or jumped over a wall or  
20          anything?

21          A       I know there was a couple kids that jumped a  
22          wall and they just ran down the street and after they just  
23          jumped the wall back over and just started walking down the  
24          street like everything was normal, I remember seeing that.

25          Q       And when you saw the group, now was it the

6 1 gunman, the shooter that you saw jump the wall, then come  
2 back out on Alexander and start walking towards the  
3 apartment?

4 A No, I just seen kids jumping the wall and  
5 coming back over.

6 Q Now when you were running towards Walnut when  
7 the shots were being fired in your direction, were you like  
8 part of the line, in the line of fire?

9 A Yeah. Actually I was walking, at the time I  
10 had started walking faster to try to see if my cousin was  
11 there because I thought --

12 Q When the shooting was taking place was anyone  
13 next to you being shot at?

14 A Yes, everyone that was around me.

15 Q Got shot?

16 A Yes.

17 Q Who was that?

18 A Michael, Daniel.

19 Q When you were running?

20 A Alex and the other people that were there.

21 Q Okay. So the bullets just missed you?

22 A Yes.

EXAMINATION

BY MS. PIEPER:

Q How old are you?

A Seventeen.

Q What high school do you go to?

A I went to Mojave but now I go to Desert Rose.

Q And I want to draw your attention to December 10, 2007. Were you at the bus stop at all on that date?

A No, ma'am.

Q And do you know a David Macias?

A Yes, ma'am.

Q How do you know him?

A He's a cousin of my friends.

Q And would your friends be Andy and Michael Sardinias?

A Yes, ma'am.

Q Drawing your attention to December 11, 2007, were you at Alexander and Walnut here in Las Vegas, Clark County, Nevada?

A Yes, ma'am.

Q Why were you at that location?

A To make sure that, you know, nothing happened with David.

Q Did something happen to David on December

7 1 10th?

2 A He got into a fight.

3 Q When you went to Alexander and Walnut, who  
4 were you with?

5 A I was with Andy Sardinas, Mike Sardinas, Alex  
6 Rios, and Mike and Andy's cousin Nelson. I don't know his  
7 last name.

8 Q How did you guys get to that location?

9 A I drove.

10 Q Do you see that map over to your right?

11 A Yes, ma'am.

12 Q Can you see Alexander and Walnut on there?

13 You can stand up.

14 A Is it right here?

15 Q That's Walnut. Can you see it?

16 A Yeah.

17 Q And then Alexander can you see sort of runs  
18 the length of the map here on the bottom?

19 A All right.

20 Q Where was your car parked approximately when  
21 you guys pulled up?

22 A This neighborhood right here. There is a  
23 street.

24 Q So it was actually on Walnut, but if you're  
25 going down Alexander you turn right?

7           1           A       Uh-huh.

          2           Q       Instead of left?

          3           A       Yeah.

          4           Q       So your car was just parked on the side of the

          5 road?

          6           A       Yes, ma'am.

          7           Q       And after did you guys get out of the car?

          8           A       Yeah.

          9           Q       When you guys got out of the car where did you

         10 walk? Can you show the members of the Grand Jury where you

         11 walked?

         12           A       We walked to this corner.

         13           Q       Which is at Walnut and Alexander?

         14           A       Yeah. And we crossed the street and the buses

         15 were right here already, they had stopped, and we crossed

         16 the street and we were just standing right here on the

         17 sidewalk.

         18           Q       So you're right on the corner literally of

         19 Walnut and Alexander?

         20           A       A little bit further up.

         21           Q       Okay. And when the bus came, when you first

         22 got there, had a bus already come?

         23           A       Yes.

         24           Q       And the second bus was there as you guys

         25 started to cross the street up Alexander?

7           1           A       They had just pulled up.

          2           Q       Did you notice a crowd of people at the bus

          3           stop as you guys arrived?

          4           A       As we walked across the street I didn't see a

          5           crowd, I saw maybe four black males walking down Alexander.

          6           Q       Can you show us where those four black males

          7           were walking?

          8           A       They were about right here.

          9           Q       Where were they walking?

         10           A       They were walking down Alexander toward

         11           Walnut, towards us and the buses.

         12           Q       Did the buses eventually pull away?

         13           A       I don't remember the buses leaving.

         14           Q       As you -- so you are now walking down

         15           Alexander towards Pecos?

         16           A       To Pecos.

         17           Q       Is that a yes?

         18           A       Yeah. Yeah.

         19           Q       Pecos is on the other side?

         20           A       Right.

         21           Q       So you were walking in that direction?

         22           A       Uh-huh.

         23           Q       Is that a yes?

         24           A       Yes, ma'am.

         25           Q       You have to say yes or no.

7           1           A       Yes, ma'am. Sorry.

2           Q       What happens next?

3           A       I get on the sidewalk and I look over at my  
4 friend Andy.

5           Q       When you say the sidewalk, what are you  
6 talking about?

8           7           A       Right here on Alexander.

8           Q       Now where are you?

9           A       Right here.

10          Q       So you get on the sidewalk right there and  
11 what happens next?

12          A       I turn and tell him to get on the sidewalk  
13 because you'll get a ticket by the cops for being in the  
14 middle of the street.

15          Q       For jaywalking?

16          A       And there was a lot of people in the middle of  
17 the street and I'm like get on the sidewalk. I took two  
18 more steps and when I looked straight at them the crowd of  
19 people, because after that all the people that came off the  
20 bus, I guess they crowded together and it could have been  
21 like forty people.

22          Q       Forty people total from the people that came  
23 off the bus?

24          A       Forty, fifty, yeah, it was a lot.

25          Q       And could you tell what race these people

8 1 were?

2 A They were black.

3 Q Okay.

4 A And I saw a black male with a black or a gray  
5 sweater, I don't really remember exactly, and gloves, I saw  
6 him make like a movement, a motion with his hand.

7 Q When you say he made a motion with his hand,  
8 did he put his hand up in the air?

9 A Like to his head level.

10 Q Was it his right hand?

11 A Yeah.

12 Q Was it about eye level to his head?

13 A Yeah.

14 Q What was he doing with his hand?

15 A He was going like this.

16 Q So the whole palm was going up and down, up  
17 and down?

18 A Yeah, that's what I saw, and right after that  
19 everyone around him just ran across the street.

20 Q You say ran. They just scattered?

21 A They scattered and I just heard gunshots.

22 Q Now this guy that you said had the black and  
23 gray sweat shirt and was putting his hand up and down,  
24 could you tell what race he was?

25 A He was black.

8           1           Q       What did his hair look like?

          2           A       He was wearing the hoodie right here.

          3           Q       Did he have a hoodie on his head?

          4           A       I could see his head like this. I could only

          5       see his face.

          6           Q       Did you see him with any weapons in his hand?

          7           A       No.

          8           Q       How soon after you saw him doing the up and

          9       down motion with his hand did you then hear the shots?

         10           A       Two or three seconds.

         11           Q       After you heard the shots fired what did you

         12       do next?

         13           A       I turned around and ran towards Walnut.

         14           Q       Can you show us where you ran at the time you

         15       heard the shooting, where were you approximately?

         16           A       Like right here.

         17           Q       So you're on Alexander?

         18           A       I'm running.

         19           Q       On the same side of the street that the bus

         20       lets off?

         21           A       Yes, I'm running down and I get shot like

         22       right here.

         23           Q       You're running down Alexander towards Walnut

         24       and you get shot?

         25           A       I kept running and I stopped right here where

8           1   my friend Mike was laying next to the wall.

2           Q       You're pretty much stopped on the corner of  
3   Walnut and Alexander?

4           A       Yes.

5           Q       And where were you shot?

6           A       In my left knee.

7           Q       Okay. And was it in the back or the front of  
8   your knee?

9           A       It entered through the back and came out to  
10   the front.

11          Q       Now when you heard the gunshots, did you hear  
12   one gun or two guns?

13          A       I couldn't really tell because I just heard a  
14   lot of bullets going by at the same time.

15          Q       And you didn't stick around to see what was  
16   going on?

17          A       No. It could have been two but I'm not sure.

18          Q       How many shots did you hear approximately?

19          A       Ten to fifteen shots.

20          Q       After you heard the gunshots you turned around  
21   and you started running towards Alexander and you got shot.  
22   What did you do next?

23          A       I looked down at my knee and I saw -- well, it  
24   happened really fast, you know, I just looked down, grabbed  
25   the back of my knee and started, kept running.

8           1           Q       And then what happened next?

2           A       When I got to the corner I saw my friend Mike  
3       laying there and I asked him are you all right and then I  
4       seen Alex Rios and David and Nelson, they were right here,  
5       they were standing right here.

6           Q       So they were all at the corner of, they're  
7       actually on Walnut?

8           A       Yeah. Alex was laying on the floor and David  
9       was standing there. And I tried to walk over by Alex but I  
10      couldn't move anymore because my leg.

11          Q       And as you were running, could you still hear  
12      the shots being fired?

13          A       Yes, ma'am.

14          Q       I want to show you what has been marked as  
15      Grand Jury Exhibit Number 12. Do you recognize this?

16          A       Yes, ma'am.

17          Q       Who is that a picture of; you?

18          A       That's me, ma'am.

19          Q       Is that you at UMC?

20          A       Yes, ma'am.

21          Q       And eventually the police arrived --

22          A       Yes.

23          Q       -- in this incident?

24                   And you were taken to University Medical  
25      Center?

8 1 A Yes, ma'am.

9 2 Q Now those injuries that you got, do you know  
3 where the entrance wound is?

4 A On me?

5 Q Yes.

6 A Yes, ma'am.

7 Q Where is that?

8 A Behind my, above the back of my knee.

9 Q So it's sort of in the back area was the  
10 entrance wound?

11 A Yes, ma'am.

12 Q Where is the exit wound?

13 A On the left side of my knee almost.

14 Q So the bullet went through your knee?

15 A Yeah, pretty much. It came in like this and  
16 went like to the right and moved to the right and came out  
17 on the right side.

18 Q Did you suffer any pain as a result of this?

19 A Yes, ma'am.

20 Q Do you still suffer pain from it?

21 A I can feel it like the inside when I walk and  
22 stuff but, you know, I'm all right, I can walk around and  
23 everything.

24 Q Can you run?

25 A Yeah, a little bit, not that much.

9           1           Q       Could you run before this incident?

2           A       Yeah.

3           Q       Before you were shot you could run.

4                   And as a result of this incident do you  
5 have some problems in regards to physical activity?

6           A       Yes, ma'am.

7           Q       Did you see the people that were shooting?

8           A       No, ma'am.

9                   MS. PIEPER: I don't have anymore questions  
10 for Daniel Jimenez. Does any member of the Grand Jury have  
11 any questions?

12                   THE FOREPERSON: No questions from the Grand

MR. KRAUS: Kyle Kraus. K-y-l-e, K-r-a-u-s.

MS. VILLEGAS: Grand Jury Exhibit Number 27,  
do you have that; 27, 28?

KYLE KRAUS,

having been first duly sworn by the Foreperson of the Grand  
Jury to tell the truth, the whole truth, and nothing but  
the truth, testified as follows:

EXAMINATION

BY MS. VILLEGAS:

Q Kyle, how old are you?

A Sixteen.

Q What school do you go to?

A Right now I go to Cheyenne but I transferred  
from Mojave.

Q What grade are you in in Cheyenne?

A Tenth.

Q Drawing your attention to December 10, 2007,  
this is the day before the shooting, were you in the area  
of Walnut and Alexander that afternoon?

A Yes.

Q Did you get off the bus at that time?

9           1           A       Yes.

          2           Q       And when you got off the bus did you see

          3 anything unusual that happened?

          4           A       Not right at the moment, but then tensions

          5 started getting ready and --

          6           Q       Did you see a fight that day?

          7           A       Yes, I did.

          8           Q       Did you recognize who the people were involved

          9 in this fight?

         10           A       Yes, I did.

         11           Q       Who was that?

         12           A       David and Nicco.

         13           Q       Do both of them go to your school?

         14           A       No.

         15           Q       Does one of them go to your school?

         16           A       I think David does.

         17           Q       Nicco. Do you know Nicco from somewhere else?

         18           A       He used to live three houses down from me.

         19           Q       And as a result of living near you, did you

         20 exchange things or hang out?

         21           A       Yes.

         22           Q       What did you exchange?

         23           A       We use to trade Play Station games, stuff like

         24 that.

         25           Q       How long ago was it that he lived near you?

9           1           A       About a year.

          2           Q       And then since then he's moved out?

          3           A       Yes.

          4           Q       But then do you still see him in the area of

          5 Walnut and Alexander?

          6           A       Before the shooting I did.

          7           Q       Did you still see him at that time before the

          8 shooting?

          9           A       I seen him about two weeks before the

         10 shooting, that's it.

         11           Q       But on December 10, 2007, did you see Nicco

         12 there?

         13           A       Yeah, I did.

         14           Q       Now when you saw him, how is it that he got

         15 into a fight with David, what happened?

         16           A       David was walking down the street and Nicco

         17 came up to him trying to instigate a fight and David was

         18 telling him he didn't want to fight.

         19           Q       What street is this?

         20           A       Alexander.

         21           Q       And what happened? This is right after David

         22 got off the bus?

         23           A       Yes.

         24           Q       Did you get off the bus as well?

         25           A       Yes, I did.

9           1           Q       Were you walking the same direction as these  
2 two people were walking?

3           A       Yes.

4           Q       So what happened?

5           A       When we got off the bus we were coming around  
6 the corner, because that's the street that I live on, I  
10       7 don't know about David, but Nicco comes up basically  
8 instigating a fight and David is telling him he doesn't  
9 want to fight and Nicco basically says okay and then  
10 reaches back and sucker punches him.

11          Q       And how did the fight end?

12          A       David was on the concrete and Nicco was about  
13 to stomp his head but David grabbed his leg.

14          Q       And eventually did somebody come and yank one  
15 or the other or did Nicco just leave?

16          A       Nicco just took off.

17          Q       How did he take off?

18          A       At first he was walking but then I see him  
19 about five or ten minutes later, he goes the other  
20 direction on a bike.

21          Q       All right. Now drawing your attention to the  
22 next day, on December 11, 2007, did you take the school bus  
23 home again?

24          A       Yes, I did.

25          Q       Did you get off at Walnut and Alexander?

10

1 A Yes, I did.

2 Q When you got off did you see Nicco there?

3 A Not at first but later on I did.

4 Q What happened after you got off the bus on the  
5 11th?

6 A After I got off the bus me and my friend, we  
7 seen a large group of black males at the other end by,  
8 closer to the school and --

9 Q Now is this closer to the school like still on  
10 Alexander like towards Pecos, is that where it was?

11 A Yes.

12 Q Is it in front of some apartment complex, is  
13 that where the school was?

14 A Yeah, it's close to an apartment complex.

15 Q And so you saw a bunch of -- describe these  
16 people that you saw.

17 A It's a bunch of black males.

18 Q How old around, age?

19 A Sixteen, seventeen to eighteen.

20 Q And so when you saw them, did you recognize  
21 any of them?

22 A Not really, except for Nicco.

23 Q So you saw Nicco there. What happened next?

24 A We get off the bus, they're standing there,  
25 and then we see Hispanic guys coming up and we're like oh,

10           1   they're going to have another fight to make sure it's fair  
          2   and stuff like that.

          3           Q       Where did you see the Hispanic guys coming  
          4   from?

          5           A       From Walnut.

          6           Q       So in the opposite direction?

          7           A       Yeah, they were coming at the intersection.

          8           Q       Intersection of Walnut and Alexander?

          9           A       Yes.

         10           Q       And so you were with your friend. What's your  
         11   friend's name?

         12           A       Westley.

         13           Q       Westley. Do you know his last name?

         14           A       Carr.

         15           Q       Carr. And so when you saw the Hispanics  
         16   coming up, were you now still on Alexander?

         17           A       Yes.

         18           Q       You're still walking and you were walking  
         19   towards Walnut?

         20           A       Yeah.

         21           Q       And what happened next?

         22           A       We just figured they were going to have a  
         23   fight and they were going to match each other up and make  
         24   sure it was fair.

         25           Q       So you're just assuming this is why the

10

1 Hispanics are coming?

2 A Just to back him up, make sure it's fair.

3 Q What is the race of David?

4 A Hispanic.

5 Q He's Hispanic.

6 And so did you think that something was  
7 going to happen at that point?

8 A I just thought it was going to be a fight  
9 because it's happened at Mojave.

10 Q This is like a fight, fight type of thing?

11 A Yeah.

12 Q So then you and Westley still walking towards  
13 Walnut. What happened next?

14 A Next thing we hear, we weren't sticking  
15 around, it was like whatever, and we just hear bang, and I  
16 look back thinking it's going to be a firecracker because  
17 it wasn't that loud and I look back and I see Nicco with a  
18 gun pointing this way.

19 Q So he was pointing down and he was messing  
20 with the gun?

21 A Something like that, a motion like that.

22 Q So you're walking toward Walnut?

23 A Correct.

24 Q And the group of people that you said, the  
25 black people were behind you?

10

1 A Correct.

2 Q So when you heard the bang you turned around?

3 A Yeah, I looked back, I put my head over my  
4 shoulder.

5 Q And you saw Nicco with the gun?

6 A Yeah, pointing towards the ground messing with  
7 it.

8 Q And after that what did you do?

9 A I took off. I yelled gun and just took off  
10 running.

11 Q You yelled gun and took off running. Where  
12 did you run, towards which direction?

13 A Walnut towards my house.

14 Q Towards Walnut?

15 A Because there is a corner right there.

16 Q Looking at the map behind you, do you see  
17 Alexander, which is at the bottom, and you see Walnut,  
18 which is on the right hand side of that map?

19 A Yeah.

20 Q So you started running around that corner  
21 towards Walnut?

22 A Yeah, because I was about ten feet away from  
23 the corner.

24 Q And so when you start running how many more  
25 shots did you hear?

10           1           A       Nine or ten.

11           2           Q       And did you see, as you were running, did you  
3 see anybody next to you getting hurt?

4           A       Yeah. As we were coming around the corner  
5 Mark, he fell right next to me.

6           Q       Did you know Mark?

7           A       I know him but I don't. I've seen him before  
8 and talked to him like what's up.

9           Q       You've talked to him at school?

10          A       Yeah, I seen him at school.

11          Q       Do you know Mark's last name?

12          A       No, I don't.

13          Q       But you saw him and he fell?

14          A       He was shot in the back. I think his torso  
15 area.

16          Q       Who else did you know that you saw that got  
17 hurt?

18          A       David. Because after the shots stopped,  
19 before the shots stopped Mark stopped running. I called  
20 the ambulance because I figured I had coverage.

21          Q       Why did you call the ambulance? Were the  
22 shots still being fired at that time?

23          A       Yes, they were, but I was around the corner,  
24 that's when I called the ambulance, because I seen him fall  
25 and there was blood on his shirt.

11           1           Q       So you felt it was still safe to call the  
2 ambulance even though gunshots were happening?

3           A       I didn't feel it was safe but it needed to be  
4 done because --

5           Q       All right. So you called 911?

6           A       I called 911.

7           Q       You had a cell phone?

8           A       Yes, I did.

9           Q       And so you stood by Mark?

10          A       Yeah.

11          Q       All right. So then besides Mark and David did  
12 you see anybody else hurt?

13          A       About five seconds later David came around the  
14 corner with the bullet in his leg. Alex, I didn't see him,  
15 but then later on they said he was shot too.

16          Q       But you didn't see --

17          A       I didn't see.

18          Q       Okay. Grand Jurors need to strike that one.

19                   Only what you saw. Who did you see that  
20 you recognized?

21          A       There was a girl that was shot in the arm but  
22 I don't know her name.

23          Q       All right. So after you saw all these people  
24 hurt, eventually did the police, did you give a statement  
25 to the police?

11           1           A       Yeah. The police were the first ones to  
2 respond.

3           Q       And shortly after that the ambulance showed  
4 up?

5           A       Yes.

6           Q       Now did there come a time that the detective  
7 on that same day or that same evening visited you and  
8 showed you a photo line-up?

9           A       Yes, twice.

10          Q       Twice.

11                   Now first of all, showing you what has  
12 been marked as Grand Jury Exhibit Number 27, do you  
13 recognize this photo line-up instructions?

14          A       Yes, I do.

15          Q       Does it have your signature on it?

16          A       Yes, it does.

17          Q       And there is some instructions. Was that read  
18 to you or did you read it to yourself?

19          A       It was read to me.

20          Q       After it was read to you were you then shown a  
21 set of six photographs?

22          A       Yes, I was.

23          Q       Were you able to identify anybody in the six  
24 photographs?

25          A       Yes, I was.

11           1           Q       Did you circle that and sign your initials to  
2           it?

3           A       Yes, I did.

4           Q       What was the number that you identified?

5           A       Number five.

6           Q       Did you make a statement to that fact in your,  
7           did you write a statement on the first page of this photo  
8           line-up?

9           A       Yes, I did.

10          Q       Did you say, "I am a hundred percent sure the  
11          person in photo number five is the shooter I seen"?

12          A       Yes.

13          Q       "At the bus stop today I seen the person in  
14          photo five as the shooter. I know him as Nicco. He used  
15          to live about three houses down from me."

16                   Is that what you wrote?

17          A       Yes, I did.

18                   MS. VILLEGAS: No further questions with this  
19          witness. Pass the witness.

20                   THE FOREPERSON: No questions from -- excuse  
21          me.

EXAMINATION

BY MS. VILLEGAS:

Q What is your occupation?

A I'm a senior crime scene analyst with LVMPD.

Q How long have you been a crime scene, senior crime scene analyst?

A Eleven and a half years.

Q And can you just briefly explain your training and qualifications as a crime scene analyst?

A As a crime scene analyst we go through an academy which is, we're civilians so it's specific to crime scene training, we do a field training program that is about thirteen weeks long. I have a Bachelor's Degree in Cardiac Rehab and Nutrition and an Associate's Degree in Criminal Justice. After we get through our field training, most of it is on-the-job training as well as seminars. We go to a lot of forensic schools, blood spatter, crime scene processing, photography, fingerprint processing, diagraming. So it's basically a continual process, a continual learning process.

Q On December 11, 2007, were you working that day?

A Yes.

Q Were you dispatched to Walnut and Alexander?

12

1 A I was.

2 Q And when you were dispatched to that location  
3 did you process the crime scene?

4 A Yes.

5 Q Did you take photographs of the area?

6 A Amy Nemcik did the photographs.

7 Q Were you present when she took these photos  
8 and you can also identify the location and the areas?

9 A Yes.

10 Q Showing you what has been marked as Grand Jury  
11 Exhibit Number 4, 5, 6 and 7, are these, do these pictures  
12 accurately depict the area of Walnut and Alexander when you  
13 were at that location?

14 A Yes, they do.

15 Q And in fact in some of these photographs it  
16 has the number of items that were of significance on the  
17 road?

18 A Yes.

19 Q As well as yellow tape marks around the area?

20 A That's correct.

21 Q And in this did you impound any items of  
22 evidentiary value?

23 A Yes.

24 Q What did you impound?

25 A I impounded nine millimeter cartridge casings,

12           1   forty-five caliber cartridge casings and bullets and some  
          2   articles of clothing.

          3           Q       Let's start off with the nine millimeter  
          4   cartridge casings. How many were there in total?

          5           A       In total on the nine millimeter I had six.

          6           Q       And first of all can you explain what is a  
          7   cartridge case?

          8           A       A cartridge case houses the bullet. When a  
          9   semi-automatic is fired the cartridge case will eject out  
         10   of the gun and land on the ground. In a revolver the  
         11   cartridge case will stay in the cylinder of the revolver.

         12           Q       So in this case there were six nine millimeter  
         13   cartridge casings that were ejected from a semi-automatic  
         14   gun?

         15           A       Yes.

         16           Q       And it landed on Alexander Street?

         17           A       That's correct.

         18           Q       Now were there any other type of casings that  
         19   you find besides nine millimeter?

         20           A       There were forty-five caliber and there were  
         21   eight of those.

         22           Q       And were they also, how close were they in  
         23   proximity from where the nine millimeters were?

         24           A       They were close. They were grouped.

         25           Q       And is that shown in any of the photographs?

12           1           A       This one and, yeah, this one.

2           Q       So basically Grand Jury Exhibit Number 7 is  
3 more of a closeup of Grand Jury Exhibit Number 6.

4                   And is that where there is a total of  
5 fourteen cartridge casings; is that right?

6           A       Yes.

7           Q       Which is a mixture of nine millimeter and  
8 forty-five caliber?

9           A       Yes. There is actually one more that we found  
10 later that is not in that photograph.

11          Q       Where was that?

12          A       It's right between the three and the -- what  
13 is that -- a five I think.

14          Q       So would that be, so as opposed to fourteen  
15 you now have fifteen cartridge casings?

16          A       Yes. Let me double check though.

17                   There is fourteen total.

18          Q       Fourteen total?

19          A       Yes.

20          Q       All right. So in this area as you can see in  
21 this photograph there is like a CAT bus; is that what it  
22 was?

23          A       Yes.

24          Q       Was it there when you got there?

25          A       It was.

12           1           Q       Okay. And is there also an alleyway near this  
2           area?

3           A       Yes. The alleyway is going to be just to the  
4           west of this situation. It's kind of a culvert.

5           Q       In Grand Jury Exhibit Number 5, does that show  
6           the bus and then the alleyway to the left of it; is that  
7           right?

8           A       Yes.

9           Q       And that's the distance pretty much as shown  
10          on this photograph of where the cones are, is that where  
11          the cartridge cases were located?

12          A       Yes. Those had been marked by the officers  
13          prior to our arrival so that's what that photograph is  
14          showing and then we replaced them with a number so those  
15          are the cones.

16          Q       So the cones are where the casings were until  
17          you guys replaced them with individual numbers on them?

18          A       Yes.

19          Q       And then those were impounded.

20                   What is your personal badge number?

21          A       5221.

22          Q       So when you impounded these casings you put  
23          your badge number to it?

24          A       Yes.

25          Q       And sealed it?

13

1 A Yes.

2 Q Okay. And besides these cases you also  
3 impounded some bullets?

4 A Yes.

5 Q And how many bullets did you impound?

6 A Three.

7 Q And where were they located in relation to  
8 Alexander and Walnut?

9 A I'm sorry, it was actually four bullets but  
10 three of them --

11 Q Probably going to give you more of an aerial  
12 map.

13 Do you see Alexander on the bottom and  
14 Walnut is like to the right of it?

15 A Okay.

16 Can I stand up?

17 Q Sure.

18 A Two of the bullets were right here.

19 Q On the corner?

20 A Yes. One was on the sidewalk and one was in  
21 the dirt and then the third one was over here on Walnut  
22 kind of right in the intersection.

23 Q Intersection on the other side of Walnut and  
24 Alexander?

25 A Yes. Close to the, close to the center line

13 1 of Walnut but on this side.

2 Q All right.

3 A And then the fourth bullet was in a backyard  
4 of, I'm not sure which house it was, 3921, this is Twila  
5 Street, it was in the backyard of one of these houses  
6 there.

7 Q How many total bullets?

8 A Four.

9 Q You also impounded all those items?

10 A Yes.

11 Q With your P number to them?

12 A Correct.

13 Q And what was the event number that was  
14 associated to this?

15 A The event number was from December 11th so it  
16 was 071211-1818.

17 MS. VILLEGAS: Okay. Thank you. No further  
18 questions.

19 BY THE FOREPERSON:

20 Q I have one question. When a nine millimeter  
21 ejects, about how far does a cartridge normally go from the  
22 weapon?

23 A In my experience a couple feet, but it varies.

24 Q I notice the cones were all in the street.

25 A Yes, they were all in the street.

13

1 THE FOREPERSON: No further questions from the  
2 Grand Jury.

3 By law these proceedings are secret and  
4 you are prohibited from disclosing to anyone anything that

13 MR. CARR: Okay. Yeah.

14 MS. VILLEGAS: Yes or no.

15 MR. CARR: Yes.

16 MS. VILLEGAS: Okay.

16          Q       What about Nicco?

17          A       The fight?

18          Q       How do you know Nicco?

19          A       I seen him around my neighborhood. He has  
20          friends in my neighborhood. I don't know, he's always  
21          around, I seen him in a fight before.

22          Q       Now with Nicco -- Grand Jurors strike that  
23          information regarding a previous fight before.

24                   With Nicco, did you meet him through  
25          Kyle?

13           1           A       Yeah. Most part, yeah. Because I don't know  
2 him. Kyle talked about him a couple times.

3           Q       And you saw Nicco there on December 10, 2007?  
4           A       Monday?

5           Q       Yes, Monday.  
6           A       Yeah, he was there.

14           7           Q       And he got into a fight with David?  
8           A       Uh-huh.

9           Q       Yes?  
10           A       Yes.

11           Q       You can't say uh-huh, huh-uh, because it has  
12 to be transcribed. All right?

13           A       All right.

14           Q       So how did the fight start, do you know?  
15           A       I think it was over a gang or something. I  
16 don't know. David didn't want no trouble. He seemed to  
17 just want to go home and Nicco wanted to fight him for some  
18 reason.

19           Q       Grand Jurors strike any comment regarding any  
20 gang stuff or what.

21                   All I want you to do is tell me what you  
22 observed and what you may have heard. Okay?

23           A       On Monday the fight?  
24           Q       I'm finished with the fight.

25                   Okay. Moving onto the next question.

14           1    On December 11, 2007, did you also take a school bus home?

          2           A       Yep.  Yes.

          3           Q       Did you get off at Walnut and Alexander again?

          4           A       Yes, I did.

          5           Q       When you got off, was anybody unusual that you

          6       saw on December 11, 2007?

          7           A       There was a group of black, African Americans,

          8       at the bus stop already there.

          9           Q       How many people were there?

         10           A       Probably seven to ten in the group already

         11       there.

         12           Q       And so what happened?

         13           A       I was trying to go home, I'm hungry, it was

         14       just a normal day, I'm just trying to go home.

         15           Q       You were walking on what street?

         16           A       Alexander to Walnut crossing over.

         17           Q       And as you're walking what happened next?

         18           A       Before I even got to the corner of Walnut and

         19       everything there is a gathering of Hispanics.

         20           Q       How many Hispanics were there?

         21           A       Probably like fifteen maybe.

         22           Q       Fifteen or so.  And so did you see David in

         23       any one of these people?

         24           A       Yes, David was there.

         25           Q       Okay.  And so when you saw David with -- did

14           1     David meet up with his friends at that location?

2           A       It looked like -- I think he rode the bus that  
3     day because he walked up to them and he was giving  
4     handshakes like what's up and everything. They were there  
5     waiting for him.

6           Q       Right after you saw David meet up with this  
7     group, what happened next?

8           A       They started walking towards the African  
9     Americans in the group and before they even got halfway  
10    they started shooting at them.

11          Q       Who started shooting; the Hispanics start  
12    shooting?

13          A       No, the African Americans.

14          Q       Shooting at whom?

15          A       The group of Mexicans walking towards them.

16          Q       And did you see who was shooting?

17          A       No, I didn't. I don't know who it was for  
18    sure, but from a distance it looked like Nicco. I don't  
19    know, it was, he was African American, he matched his  
20    height, his hair was short and everything. It appeared  
21    from a distance he had something in his hand.

22          Q       Okay. Now when the shooting took place how  
23    many shots were fired?

24          A       I'd say seven to eight.

25          Q       And when these shots were fired were you still

14 1 walking on Alexander?

2 A I was walking, yeah. I was walking and  
3 they're shooting and three people right next to me got  
4 shot.

5 Q Did you get hit?

6 A No.

7 Q So the bullets missed you?

8 A Yeah. But there is a jack hammer going on in  
9 the background so I didn't know what it was at first.

10 Q None of the bullets hit you?

11 A No.

12 Q Okay. Now eventually did the police show up  
13 and you gave a statement to the police?

14 A Yep. They wouldn't let me leave. They made  
15 me give a statement. They said I had to.

16 Q When you gave a statement were you also given,  
17 not right then and there but later on that evening, were  
18 you shown a photo line-up?

19 A That night at one o'clock in the morning I was  
20 woke up to see the photo line-up and they made me write  
21 about it and whatever.

22 Q Okay. And so showing you what has been marked  
23 as Grand Jury Exhibit Number 28, is that a photo line-up  
24 that was shown to you?

25 A Yep.

14

1 Q And were there instructions?

2 A Yep, they read them and everything. I was  
3 tired though, I just woke up.

4 Q And when you were shown the photo line-up and  
5 the instructions were read to you, did you sign your name?

6 A Yes.

7 Q Does it have a date and time to it?

8 A Yeah.

9 Q And the date was?

10 A 12/11/07.

11 Q And then the time was?

12 A Two hundred thirty-three seven.

13 Q 2337, is that right?

14 A Yes.

15 Q And so you were then shown six photographs?

16 A Uh-huh. First they came to my house with a  
17 whole different photo line-up and I didn't pick him out of  
18 there because I didn't see him and they came back later  
19 that night and woke me up again.

20 Q So was this a second line-up?

21 A Yes.

22 Q And in the second line-up did you pick anybody  
23 out?

15

24 A Nicco Tatum out of the fifth picture. They  
25 made me circle it and write my name.

15           1           Q       Is this -- did you write your name?

2           A       Yes.

3           Q       Is it on there?

4           A       Yes.

5           Q       Did you write a statement to that effect?

6           A       They were actually telling me what to write  
7 and they told me to say you're a hundred percent sure it  
8 was --

9           Q       You mean you didn't write these statements?

10          A       I did write it.

11          Q       You did write them?

12          A       They made me say "I'm a hundred percent sure I  
13 seen Nicco Tatum in the photo line-up number five." Then  
14 they said --

15          Q       Hold on. Let me ask you this: Is that  
16 statement correct or not?

17          A       Yeah, that's correct. I'm a hundred percent  
18 sure that's Nicco.

19          Q       So you wrote that and you believed that?

20          A       I believe that.

21          Q       Okay. And then there was a next statement  
22 that you wrote. "He was also at the bus stop at 12/11/07,  
23 the day --

24          A       They asked me a question. They said did I see  
25 him the day of the shooting and I said from a distance it

15           1    looked like Nicco Tatum. I said "from a distance the black  
2           2    individual appeared to look like Nicco Tatum, the haircut,  
3           3    the height matched up, but I'm not positive."

4           Q       You wrote down "He was also at the bus stop  
5           5    12/11/07, the day and the time of the shooting. From a  
6           6    distance I think he was holding a gun, he was holding a gun  
7           7    and shooting at people, telling people to move out of the  
8           8    way."

9                   Is that what you wrote?

10          A       I wrote that. I was really tired though.

11          Q       I know. You wrote that and are you saying  
12          12   that?

13          A       I didn't word it the way I may have wanted to.

14          Q       And then at the time when you wrote there did  
15          15   you believe it?

16          A       I don't know. I was tired. I was half  
17          17   asleep. I just wanted to go to bed.

18          Q       So today are you saying that Nicco wasn't the  
19          19   one holding the gun?

20          A       I'm not sure. I didn't see him that day. I'm  
21          21   not positive but from a distance it appeared to be Nicco.

22                   MS. VILLEGAS: All right. Okay. No further  
23          23   questions.

EXAMINATION

BY MS. PIEPER:

Q How are you employed?

A I'm a detective with Metro Police.

Q How long have you been with Metro?

A Eight years.

Q And can I call you Detective Giblin?

A That's fine.

Q I want to draw your attention to December 16, 2007. Were you part of a group that executed a search warrant at 3301 Civic Center, apartment number 8-H, here in Las Vegas, Clark County, Nevada?

A Yes, I was.

Q And did you go in -- initially S.W.A.T. goes in and serves the search warrant?

A That's correct.

Q And then you go in after?

A Yes. We actually served the warrant by conducting the search.

Q When you went into the house, what is the first thing that you did?

A I proceeded to the only bedroom in the apartment. It was on I believe the southeast corner of the apartment.

15           1           Q       When you went into the bedroom what did you  
2           do?

3           A       I conducted a search in the far corner where a  
4           TV was located on a stand.

5           Q       Did you locate anything in that room?

6           A       Yes. I located a Vans shoe box, V-a-n-s, shoe  
7           box, and it contained some items in it.

8           Q       What did it contain in it?

9           A       It contained a Jennings Bryco nine millimeter  
10          firearm, a magazine that accompanied that firearm, also a  
11          Sig Sauer nine millimeter magazine. There was some  
12          assorted nine millimeter rounds sitting in the box.  
13          Beneath that box was also a key chain belonging to a  
14          vehicle with a keyless entry on it.

15          Q       What do you mean by keyless entry?

16          A       One that you press the button, it opens the  
17          door and the trunk, has an alarm on it.

18          Q       Did you locate anything else in that room?

19          A       I also located 6.8 gross grams of rock cocaine  
20          within a tennis shoe sitting on the floor.

21          Q       Showing you what has been marked as Grand Jury  
22          Exhibit Number 35. Do you recognize that?

23          A       Yes, I do.

24          Q       What is that a picture of?

25          A       That is the picture of the Vans shoe box

16           1     tucked behind the television containing the list that I  
          2     already mentioned.

3           Q       I'm going to put this -- and is that the  
4     picture that you previously testified, the Vans box?

5           A       Yes.

6           Q       And that's where you found, I'm sorry, what  
7     gun was in there?

8           A       The Jennings Bryco nine millimeter.

9           Q       Showing you what has been marked as Grand Jury  
10    Exhibit Number 36. Do you recognize what is in that  
11    picture?

12          A       Yes. This is the Jennings firearm and the two  
13    magazines that accompanied it.

14          Q       Is there also something else in that picture?

15          A       Some paperwork in there also.

16          Q       And is this just a better closeup picture of  
17    35?

18          A       Yes. And beneath that box as it was depicted  
19    in that picture was the keys.

20          Q       So beneath this box were the keys?

21          A       Exactly. Right in the corner.

22          Q       And I'm sorry, where in the room did you  
23    locate these items?

24          A       These were directly in a corner behind a  
25    television as if they were kind of hastily thrown back

16

1 there very quickly.

2 Q So when you walk into the room, when you walk  
3 into the one bedroom room, what is immediately in front of  
4 you when you see it?

5 A When you walk into the room, there was a bed  
6 in the corner to your right and to the left is where the TV  
7 was and it was kind of facing you as you went into the  
8 room.

9 Q Now you said you also located some drugs.  
10 Where was that located?

11 A It was in a, as you look directly into the  
12 room, on the floor were some tennis shoes in plain view,  
13 within the tennis shoe was a baggy containing some  
14 off-white rock like substance which ultimately tested  
15 positive for crack cocaine.

16 Q Are you certified to test?

17 A Yes, I am certified. I was certified in  
18 December of 1999.

19 Q Did you follow all the steps in regard to the  
20 NIK test?

21 A Yes, I did.

22 Q What were the results?

23 A Positive for cocaine.

24 Q Showing you what has been marked as Grand Jury  
25 Exhibit Number 32. Do you recognize that?

16

1 A Yes, I do.

2 Q What is that a picture of?

3 A Black tennis shoes with a baggy containing  
4 off-white substance.

5 Q Is there a particular brand in regard to this  
6 tennis shoe?

7 A It looks like Jordan.

8 Q Okay. Is that the drugs as you found them in  
9 the shoe?

10 A Yes.

11 Q Now you said as soon as you walk into the room  
12 there is sort of like a bed and it looks like there is a  
13 wall in this picture. Where are the shoes in regard to the  
14 bed as well as the TV?

15 A As you face the room it's the far wall in  
16 front of you.

17 Q Showing you what has been marked as Grand Jury  
18 Exhibit Number 33, do you recognize that?

19 A Yes, I do.

20 Q What is that a picture of?

21 A That is the same picture of the drugs that I  
22 found in that shoe.

23 Q Is that just a closeup shot?

24 A A closeup shot.

25 Q Is that your hand?

16           1           A           I'm not sure if that's my hand or not. It's  
2 possible.

3           Q           Showing you what has been marked as Grand Jury  
4 Exhibit Number 34, do you recognize that?

5           A           Yes, I do.

6           Q           What is that?

7           A           This is the preliminary field test check list  
8 for cocaine.

9           Q           Is that in other words commonly called the NIK  
10 test?

11          A           Yes.

12          Q           And you followed all the steps?

13          A           I followed the check list and it did test  
14 positive.

15          Q           What was the weight?

16          A           6.8 gross grams.

17          Q           Now when you say gross grams, what does that  
18 mean?

19          A           That includes the packaging.

20          Q           Now you said there were a set of keys that  
21 were found underneath the Vans box?

22          A           That's correct.

23          Q           Did you eventually locate the car that was  
24 related to those keys?

25          A           I wasn't the one specifically who located the

16           1     vehicle and the keys were recovered by Detective Gross.

2           Q     But do you know if there were was a car that  
3     eventually --

4           A     I learned later on that those keys belonged to  
5     a vehicle that was parked in the parking lot where we were  
6     doing the search warrant.

7           Q     Did you ever see that car?

17           A     Yes, I did.

8           Q     Showing you what is marked as Grand Jury  
9     Exhibit Number 29, do you know what that's a picture of?

10          A     That is the picture of the vehicle that was  
11     parked in the parking lot where the keys belonged to this  
12     car.  
13

13 EXAMINATION

14

15 BY MS. PIEPER:

16 Q How are you employed?

17 A I am a detective with the Las Vegas  
18 Metropolitan Police Department.

19 Q How long have you been so employed?

20 A Almost eight years.

21 Q Drawing your attention to December 16, 2007,  
22 were you part of a group of detectives that executed a  
23 search warrant on 3301 Civic Center Drive, apartment number  
24 8-H, here in Las Vegas, Clark County, Nevada?

25 A Yes, I was.

17           1           Q       And what was your part of the investigation in  
2           2           regard to the search warrant?

3           A       For the search warrant I was tasked with  
4           4           putting the officers, separating officers into each room,  
5           5           delegating what they were going to search and how many  
6           6           officers we needed for each room and I also helped conduct  
7           7           the search of the residence.

8           Q       In conducting the search of the residence,  
9           9           what did you locate?

10          A       I located a Sig Sauer nine millimeter  
11          11          semi-automatic handgun, black in color. It was in the main  
12          12          hallway closet of the apartment.

13          Q       Now when you say Sig Sauer, is that spelled  
14          14          S-ig, S-a-u-e-r?

15          A       Correct.

16          Q       Is that a type of gun?

17          A       Yes, it is.

18          Q       Is that also a nine millimeter gun?

19          A       Yes, it was.

20          Q       Now when you went into the hallway closet, in  
21          21          relation to this house, it's a one-bedroom apartment?

22          A       Correct.

23          Q       When you walk into the front door where is the  
24          24          hallway closet in relation to the door and the bedroom?

25          A       It's directly across from the main bedroom

17 1 door.

2 Q And when you open the door where did you find  
3 the gun?

4 A Well, the closet was full of several items.  
5 It was full with clothes and luggage, suitcase. I had to  
6 pull everything out. By the time I pulled everything out  
7 the gun was actually located on the bare floor of the  
8 closet.

9 Q Showing you what has been marked as Grand Jury  
10 Exhibit Number 37, do you recognize that?

11 A Yes, I do.

12 Q What is that?

13 A That's the nine millimeter black Sig Sauer  
14 handgun that I located in the closet.

15 Q And that's a picture of the gun in the hallway  
16 closet as you found it?

17 A As I found it, correct.

18 Q Eventually was that gun impounded?

19 A Yes, it was.

20 Q And as part of your investigation in this case  
21 did you also have information that there were keys that  
22 were found behind the television set?

23 A Correct.

24 Q In the bedroom, the one bedroom?

25 A Yes, correct.

17           1           Q       And those keys, did you eventually find that  
2           2           they matched up or they were I guess the ignition keys to a  
3           3           car, it was a Buick Lacross?

4           4           A       That's correct. I took the keys that were  
5           5           located, and the keys had an opener, a security opener on  
6           6           the keys, and what I did was went directly to the vehicles  
7           7           that were next to the apartment building and I just started  
8           8           hitting the unlock button to see if it would match one of  
9           9           the vehicles in the parking lot and it matched the vehicle  
10          10          that was actually directly next to the building parked  
11          11          backed in.

12          12          Q       Now as part of your investigation did you find  
13          13          that this vehicle was stolen?

14          14          A       Yes, I did.

15          15          Q       And that it was owned by Astrazenaca  
16          16          Pharmacueticals?

17          17          A       Yes.

18          18          Q       A-s-t-r-a-z-e-n-a-c-a, Pharmacueticals.

19          19          A       Correct.

18          20          Q       Did you also locate the VIN number on that  
21          21          vehicle?

22          22          A       Yes, I did.

23          23          Q       Was that 2G4WC582561164728?

24          24          A       Yes.

25          25          Q       Now I assume that you don't memorize all VIN

18

1 numbers.

2 A No, I don't.

3 Q And so before you testified in the Grand Jury  
4 you did review your notes?

5 A Yes, I did.

6 Q Showing you what has been marked as Grand Jury  
7 Exhibit Number 29. Do you recognize that?8 A Yes, that's the vehicle that I located with  
9 the key opener.10 Q And showing you what has been marked as Grand  
11 Jury Exhibit Number 30, do you recognize that?

12 A Yes. That is the same vehicle.

13 Q Okay. Is that just the back part of the  
14 vehicle?

15 A Correct.

16 MS. PIEPER: Okay. Thank you. I have no  
17 further questions for this detective. Does anybody, any of  
18 the members of the Grand Jury have any questions?19 THE FOREPERSON: No questions from the Grand

16           having been first duly sworn by the Foreperson of the Grand

18           the truth, testified as follows:

19  
20                               EXAMINATION

21  
22           BY MS. PIEPER:

23                       Q       Can I call you Jim?

24                       A       Yes.

25                       Q       How are you employed?

19           1           A       I'm a forensic scientist working in the  
2           firearms unit of the Las Vegas Metropolitan Police  
3           Department Forensic Lab.

4           Q       How long have you been working for Metro?

5           A       With Metro about nine and a half years.

6           Q       Were you working at another law enforcement  
7           agency prior to that?

8           A       Yes.

9           Q       Where was that?

10          A       Well, I've been working in the forensic side  
11       of law enforcement for over twenty-five years now beginning  
12       in the Sheriff's Department in Orange County, California.  
13       I moved up to the state of Washington, worked up there.  
14       Right before coming to Metro I was working for the  
15       Washington State Patrol in their crime laboratories in  
16       Tacoma, Washington.

17          Q       Have you always been a firearms examiner?

18          A       No. Within my career in law enforcement I've  
19       done crime scene investigation, latent print comparisons,  
20       and then firearms and tool mark examinations.

21          Q       Can you just give us an abbreviated training  
22       and experience?

23          A       As far as firearms and tool marks goes, I  
24       received my initial training with the Sheriff's Department  
25       in Orange County, California. Since then, that initial

19           1    training, I've just received continuing education in  
2           2    firearm and tool marks examinations totaling about a little  
3           3    over six hundred hours now with continuing education. And  
4           4    then I've got about sixteen or seventeen years experience  
5           5    now doing firearms and tool mark type examinations.

6           Q       In regard to this case, did you do an  
7           7    examination of a Sig Sauer gun, nine millimeter gun, that  
8           8    was recovered at 3301 Civic Center Drive?

9           A       Yes, I did.

10          Q       What did you do, what examination did you do  
11          11    with that gun?

12          A       Well, I did the typical examination that we do  
13          13    in the firearms unit. I received the gun, I do a basic  
14          14    examination to make sure that the gun is functional, that  
15          15    it's going to be safe to fire, then I actually test fired  
16          16    the gun in the lab. We've got a large water tank that we  
17          17    test fire into, that way I can recover the bullets. So I  
18          18    recovered the bullets and cartridge casings that I test  
19          19    fired and then there were evidence cartridge cases that I  
20          20    compared them to.

21          Q       And what event number is that gun related to;  
22          22    do you know?

23          A       The Sig Sauer pistol that I examined was  
24          24    booked under event number 071216-2222.

25          Q       And after test firing that Sig Sauer gun, did

20 1 you get any casings off the gun that you had fired?

2 A Yes. When I test fired it I recovered the  
3 bullets and the cartridge cases that I had test fired.

4 Q Did you also do an examination of some nine  
5 millimeter shell casings that were found at the scene at  
6 Walnut and Alexander?

7 A Yes, I did.

8 Q And what event number is that related to?

9 A The nine millimeter cartridge cases from  
10 Alexander and Walnut were booked under event number  
11 071211-1818.

12 Q And did you compare the shell casings that you  
13 found at the Walnut and Alexander scene to the casings that  
14 you had testified for the Sig Sauer gun?

15 A Yes, I did.

16 Q What conclusion did you make?

17 A I was able to identify the six nine millimeter  
18 Luger cartridge casings from the Alexander and Walnut  
19 scene, I was able to identify all six as having been fired  
20 from the Sig Sauer pistol.

21 Q And that's the pistol that was located at 3301  
22 Civic Center here in North Las Vegas, Clark County, Nevada?

23 A Yes.

24 MS. PIEPER: I have no other questions for  
25 this witness. Does any of the members of the Grand Jury

20 1 have any questions for Mr. Krylo?

2 THE FOREPERSON: No questions from the Grand  
3 Jury.

4 By law these proceedings are secret and  
5 you are prohibited from disclosing to anyone anything that  
6 has transpired before us, including evidence and statements

9 information obtained by the Grand Jury.

11 is a gross misdemeanor punishable by a year in the Clark  
12 County Detention Center and a \$2,000 fine. In addition,  
13 you may be held in contempt of court punishable by an  
14 additional \$500 fine and 25 days in the Clark County  
15 Detention Center.

17 THE WITNESS: Yes, I do.

18 THE FOREPERSON: Thank you for your testimony.  
19 You are excused.

20 THE WITNESS: Thank you.

21 THE FOREPERSON: Please raise your right hand.

22 You do solemnly swear the testimony you

25EXAMINATION

BY MS. VILLEGAS:

Q What is your occupation?

A I am the forensic lab manager for the latent print detail of the Las Vegas Metro Forensic Lab.

Q And how long have you been so employed?

A I've been the manager for the last year and a half, but prior to that I was a forensic scientist for the four years leading up to that for Metro.

Q And are you also a latent print examiner?

A Correct. That's part of my duties as a forensic scientist over the last ten and a half years has been as a latent print examiner. As I mentioned, I've been with Metro for four years before promoting a year and a half ago to manager.

Q Can you briefly explain your training and education?

A I have a Bachelor of Science in Biology from the University of Alaska, Anchorage. I started with the state lab in Alaska in 1997 as a trainee in the latent print section so with that you undergo numerous formal training classes. You also mentor under senior examiners. So culmination of classes from the FBI plus other training programs, forty hours, eighty hours, a hundred twenty hour

20

1 classes that I attended. In addition I go to conferences  
2 annually. I'm also certified by the International  
3 Association for Identification. I'm deeply involved with  
4 research, training, teaching, lecturing. So that's pretty  
5 much.

6 Q Okay. Now let's start off with event number  
7 071211-1818. Did you examine some cartridge cases that  
8 were impounded by Shawn Fletcher under P number 5221,  
9 mainly package eight, item one to thirteen and seventeen?

10 A That's correct.

11 Q And did you examine them on December 12, 2007?

12 A The examination took place, I'm referring to  
13 my notes here, on December 11th, the report was issued on  
14 December 12th.

15 Q All right. And on that date when you examined  
16 these items, were you asked to see whether you could  
17 recover any prints off of these items?

18 A That's correct.

19 Q And what was your conclusions?

20 A Of the items in that package I only looked at  
21 the cartridge cases, we don't examine fired bullets for  
22 latent prints, they're not conducive to latent prints, so  
23 there was, fourteen, fifteen, sixteen were not looked at by  
24 me because they were bullets, the other items were all  
25 cartridge cases, I did attempt several techniques to

1

1 develop any latent prints on these items, fired cartridges.  
2 Cartridge cases are notoriously very difficult and I didn't  
3 see any latent prints at all, not even a partial piece or  
4 fragments, there was simply no latent prints anywhere on  
5 those items.

6 Q Okay. Now next is on event number 071216-2222  
7 for items impounded by Detective Gross under P number 6047.

8 A Uh-huh.

9 Q Did you examine any items -- let's start off  
10 with a Sig Sauer pistol. That was item two of that event  
11 number. Did you examine that item?

12 A That's correct.

13 Q And did you try to recover any type of latent  
14 prints off of the Sig Sauer pistol?

15 A Yes, I did. And again I processed it using a  
16 few different techniques and on that item I photographed  
17 two latent prints that I did, one of them was not  
18 sufficient to work with, so I photographed two latent  
19 prints on the item that I visualized while I was  
20 processing it, one of them I deemed had enough information  
21 to do a comparison off of, the other one simply wasn't good  
22 enough, there wasn't enough detail there.

23 Q On the one you were able to do, was good  
24 enough, that was identifiable, right, print --

25 A That's correct.

1           Q       -- did you then compare that with the known  
2 prints of, let's start off with Franklin Jackson?

3           A       That's correct. I compared that latent print  
4 to the known prints of Franklin Jackson and in fact  
5 identified that latent print to Franklin Jackson.

6           Q       Okay. Under the Sig Sauer pistol, is that  
7 what you're saying?

8           A       That was, I'm sorry, yes, item --

9           Q       Item two was not --

10          A       No, that's not correct. I am so sorry.  
11 That's the Jennings.

12                   The one latent print was not identified  
13 to anybody.

14          Q       And the other one is on Dresden Williams. Did  
15 you also compare his known prints to that latent print that  
16 you lifted out of the item two, Sig Sauer pistol?

17          A       Correct. And, yeah, he was not identified  
18 either. So the latent print of value from the Sig Sauer  
19 pistol did not belong to Franklin Jackson or Dresden  
20 Williams just to clarify.

21          Q       The next one is item three, which is the  
22 Jennings Bryco pistol. Were you first able to lift any  
23 latent prints of value on that pistol?

24          A       There were six latent prints that were  
25 photographed that had sufficient information to do a

1 comparison. So six identifiable prints were photographed  
2 off that item.

3 Q Were you able to compare that with, let's  
4 start off with Franklin Jackson?

5 A Correct. One of those six latent prints was  
6 identified to Franklin Jackson.

7 Q Okay. And then the next one is with Dresden  
8 William. Did you compare the remaining five items that you  
9 lifted?

10 A Correct. The other five latent prints were  
11 compared to both subjects, none of them were identified to  
12 either subjects. So the five remaining, they did not  
13 belong to Jackson or Williams.

14 Q Next is item four which is the Sig magazine  
15 containing the eight cartridges, as well as another Sig  
16 magazine containing two cartridges and three loose  
17 cartridges. Were you able to recover any latent prints of  
18 value from any of these items?

19 A One latent print was recovered from the Sig  
20 magazine that contained the eight cartridges.

21 Q And did you then compare that latent print  
22 with the known prints of, let's start off with Franklin  
23 Jackson?

24 A Yes, I did. And the latent print that was  
25 recovered from that magazine was also identified to

1 Franklin Jackson.

2 Q Okay. From the Sig magazine; is that what  
3 you're saying?

4 A That's correct, item four, the magazine that  
5 had eight cartridges in it.

6 Q Did you also compare Dresden Williams to that?

7 A Well, once it's identified you don't move on.

8 Q Okay.. Lastly item five which is the two  
9 magazines containing the thirteen cartridges. Did you  
10 compare that to Franklin Jackson and Dresden Williams?

11 A One latent print was recovered from one of the  
12 magazines and it did not belong to Franklin Jackson nor  
13 Dresden Williams.

19          19          Q       And were you also present when the search

21          21          A       Yes.

22          22          Q       Did you find any individuals at that location  
23          23          besides Linda Moore?

24          24          A       Yes.

25          25          Q       Who is it that you found?

2           1           A       Franklin Jackson, Dresden Williams and Erica  
          2           Adams.

3           Q       And showing you, if you'd look at the TV  
4           monitor, in State's Exhibit Number 38, is this Dresden  
5           Williams at that location?

6           A       Yes.

7           Q       Was that his hair style on that date on  
8           December 16, 2007?

9           A       Yes. It was shaved or short.

10          Q       The next person is you said Erica Adams, and  
11          Grand Jury Exhibit Number 39, is that Erica Adams depicted  
12          in that photograph?

13          A       Yes, it is.

14          Q       And again did she look like this photograph on  
15          that date, on December 16th?

16          A       Yes.

17          Q       And lastly Franklin Johnson, is he depicted in  
18          Grand Jury Exhibit Number 40?

19          A       Yes. Franklin Jackson.

20          Q       Franklin Jackson, I'm sorry.

21                   And was this his hair style on that date  
22          when you saw him at the apartment on December 16, 2007?

23          A       Yes, it is.

24          Q       Now upon seeing these three individuals, let's  
25          start off, did you advise each and every one of them their

2

1 Miranda rights?

2 A Yes.

3 Q And how did you advise them of their Miranda  
4 rights?

5 A Through a rights sheet.

6 Q And did you bring a copy of a rights sheet  
7 with you?

8 A Yes, I brought a copy of a rights sheet.

9 Q Please read into the record the Miranda  
10 warnings that you read to these three individuals that  
11 evening.

12 A Yes.

13 Q Go ahead.

14 A You have the right to remain silent.

15 Q And if you can just do it slowly so she can  
16 transcribe it.

17 A You have the right to remain silent. If you  
18 give up that right to remain silent anything you say can  
19 and will be used against you in a court of law. You have  
20 the right to speak to an attorney before answering any  
21 questions and to have an attorney present with you while  
22 you answer any questions. If you cannot afford an attorney  
23 an attorney will be appointed for you by the Court at no  
24 cost to you and you need not answer any questions until  
25 that attorney has been appointed for you. If you decide to

3

3           1     answer questions now you may stop at any time and ask to  
2           2     talk to an attorney before any questioning continues.  If  
3           3     you decide to stop answering questions once you've begun  
4           4     all questioning will stop.

5           Q       And after you read first of all these rights  
6           6     to Erica Adams, did she agree to talk to you and waive her  
7           7     rights?

8           A       Yes, she did.

9           Q       And did you ask her regarding any knowledge  
10          10     that she may have regarding the shooting at Walnut and  
11          11     Alexander on December 11, 2007?

12          A       Yes, I did.

13          Q       What was her response?

14          A       That she heard that there was a shooting but  
15          15     she didn't know much about it.

16          Q       Where was she at the time that this took  
17          17     place?

18          A       She was at -- when the shooting took place?

19          Q       Yeah.  Where was she did she say?

20          A       At her mom's house.

21          Q       And her mother lives where?

22          A       At --

23          Q       Which I just told you was at 3580 East  
24          24     Alexander.

25          A       Yes.

3           1           Q       Is the apartment complex her mom lives in Casa  
2           Sorentos?

3           A       Yes.

4           Q       Is that near the shooting at Walnut and  
5           Alexander?

6           A       Yes.

7           Q       How many blocks away are we talking about?

8           A       Maybe a block or so. It's not very far.

9           Q       And so what was she doing when, on the day of  
10          the shooting at, December 11th?

11          A       She said she was doing laundry all day.

12          Q       Did she indicate what time it was that she got  
13          to that location?

14          A       Early in the morning, like around ten o'clock  
15          in the morning I believe.

16          Q       Did she indicate who she was with?

17          A       Yes, Franklin and Dresden.

18          Q       And when was it that she heard about the  
19          shooting?

20          A       After one. It was whenever the school bus  
21          drops off. She said she heard about it shortly after that.

22          Q       Did she see in the news?

23          A       She did see on TV.

24          Q       Okay. And did she indicate where her  
25          boyfriend Franklin Jackson was at the time?

3           1           A       She said that he was in and out of the house  
2 all day and she could never really say if he was out or in  
3 but that he was in and out.

4           Q       Did she also mention whether Franklin  
5 Jackson's cousin was also at the house?

6           A       Yes. He came, he went with them there in the  
7 morning, brought in some laundry, and then according to her  
8 he went out and was out pretty much for the whole day  
9 hanging out in the neighborhood.

10          Q       Now did there come a time, did she indicate  
11 that Dresden Williams -- is that her cousin -- I mean  
12 Franklin Jackson's cousin?

13          A       Yes.

14          Q       Does he go by another name did she mention?

15          A       Doo Bear.

16          Q       Doo Bear. That Doo Bear was stopped by the  
17 police?

18          A       Yes.

19          Q       And were you present when the police stopped  
20 him?

21          A       No.

22          Q       Did you ever go to Casa Sorentos that evening?

23          A       No.

24          Q       Did she indicate when Doo Bear was stopped by  
25 the police what was she doing at that time?

3           1           A       She was in the bedroom looking out the window  
2           to see what was going on, kind of peeking.

3           Q       And again did she continue to deny having any  
4           knowledge regarding the shooting?

5           A       Yes.

6           Q       Did you ask her whether she knew whether Doo  
7           Bear was involved with the shooting?

8           A       Yeah.

9           Q       And what was her response?

10          A       She said she didn't know.

11          Q       And then with respect to Franklin Jackson,  
12          what did she say whether he was involved in the shooting?

13          A       She said she didn't know.

14          Q       And now did you also question her regarding  
15          the type of hair style these two boys have?

16          A       Yes.

17          Q       Now did you also question her regarding a  
18          Buick that was found outside near Linda Moore's apartment?

19          A       Yes.

20          Q       What was her response to the Buick?

21          A       Initially she said she didn't know that car,  
22          she never saw that car.

23          Q       Later on did she mention anything else about  
24          the car?

25          A       Later on she stated that she had been driving

3           1    that car for awhile.

2                   Q       But then did she indicate as to how she got  
3   possession of this car?

4                   A       I think she said she got it from a friend.

5                   Q       But that was it?

6                   A       That was it.

7                   Q       She couldn't tell you the name of the friend  
8   or anything?

9                   A       No.

10                  Q       And throughout this conversation you had with  
11   Erica Adams, she still denies having any knowledge  
12   regarding the bus shooting with respect to Franklin Jackson  
13   and Dresden Williams?

14                  A       Yes.

15                  Q       Okay. Now with respect to Dresden Williams,  
16   again you advise him of his Miranda rights, the same rights  
17   that you just read into the record?

18                  A       Yes.

19                  Q       And when you questioned Dresden Williams, did  
20   he waive his rights and understood his rights?

21                  A       Yes.

22                  Q       What did he say with respect to was he present  
23   when the shooting took place at Walnut and Alexander?

24                  A       He said that they got there at like one  
25   o'clock in the afternoon.

4           1           Q       When you say got there, got to that location?

2           A       Yes, to --

3           Q       To Casa Sorento?

4           A       Right.

5           Q       But not at the bus shooting area?

6           A       No.

7           Q       And so did he say if he was ever near that bus

8 stop?

9           A       No.

10          Q       He denied it?

11          A       Yes.

12          Q       And what did he say he was doing at Casa

13 Sorentos?

14          A       He said he was just there hanging out, he had

15 just got there when the police grabbed him and put him in

16 front of the police car.

17          Q       Now did he mention anything about what type of

18 clothing he was wearing that day?

19          A       Initially, yeah, he said he, he said he had on

20 like a dark sweater or a jacket.

21          Q       Dresden Williams?

22          A       Yeah, Dresden.

23          Q       Yes?

24          A       But he changed.

25          Q       To what? He changed his sweat shirt?

4

1 A Yeah.

2 Q And what did he say about, did he say anything  
3 about doing laundry?

4 A Not initially. He said that they had just  
5 showed up at one. So he says he --

6 Q Did they go to like a mall or something to buy  
7 laundry soap or anything like that?

8 A He did say that they left -- his story was  
9 confusing. He said they showed up around one and they left  
10 to go buy like laundry detergent and that they weren't  
11 there, but when they got back that's when the police put  
12 him on the front of the car.

13 Q Did he mention anything about his hair style  
14 that day?

15 A He did. We asked him about his hair. He said  
16 he recently cut it because he just wanted a fresh start,  
17 wanted to find a job, and that's why he cut his dreads.

18 Q But he had dreadlocks on the day of the  
19 shooting?

20 A Yes.

21 Q And did he indicate when he found out about  
22 the shooting near the bus stop?

23 A Yeah, he heard about it he said.

24 Q But he was not around?

25 A That's what he said.

4           1           Q       Okay. Now at Linda Moore's apartment did he  
2 indicate where it was that he slept in that apartment?

3           A       Yes, he slept in the bedroom.

4           Q       The only bedroom in that apartment?

5           A       Yes.

6           Q       Who else was with him when he slept in that  
7 bedroom?

8           A       Franklin and Erica.

9           Q       Okay. Next is Franklin Jackson. Did you also  
10 advise him of his Miranda rights?

11          A       I did. There was a little bit extra on his  
12 because he was a juvenile.

13          Q       Okay. What was the extra that you told him?

14          A       You have the right to have a parent present  
15 during this interview. And then I asked him do you  
16 understand your rights.

17          Q       Did he want his parents there when you  
18 interviewed him?

19          A       No.

20          Q       And did he waive his rights and understand his  
21 rights?

22          A       Yes.

23          Q       And did he answer any of the questions you  
24 posed to him?

25          A       Some.

4           1           Q       Okay. Let's start off, did you ask him  
2 whether he was involved in that shooting at Walnut and  
3 Alexander?

4           A       Yes.

5           Q       What was his response?

6           A       No.

7           Q       What did he say he was doing at the time?

8           A       He said he was in the house.

9           Q       Whose house?

10          A       In Legina Bousley's house, Erica's mom.

11          Q       At Casa Sorento?

12          A       Casa Sorento.

13          Q       What was he doing inside that house?

14          A       Playing video games all day.

15          Q       He never left that apartment?

16          A       According to him he might have gone out once  
17 to look around and he went right back in the house.

18          Q       How did he find out about the shooting at the  
19 bus stop?

20          A       I believe on TV.

21          Q       Did you ask him whether he ever owned a gun?

22          A       Yes.

23          Q       What did he say?

24          A       No.

25          Q       Did you ask him whether he's ever possessed a

4 1 gun, have a gun or anything of that nature?

2 A Yes.

3 Q What did he say?

4 A No.

5 Q Did he also indicate as far as where he slept  
6 inside Linda Moore's apartment?

7 A In the bedroom.

8 Q And who else was he in the bedroom with?

9 A With Erica and Dresden.

10 Q Where did Linda Moore sleep?

11 A In the front living room area. There was like  
12 a couch there.

13 Q That's what he said?

14 A That's what he said.

15 Q Now did you ask him whether he was involved in  
16 any way in the shooting at Walnut and Alexander?

17 A Yes.

18 Q What did he say?

19 A No.

20 Q And did you ask him regarding whether he  
21 changed his clothes and washed his clothes ever that day at  
22 Legina Bousley's apartment?

23 A Yes.

24 Q What was his response?

25 A No, he never changed clothes.

5

5           1           Q       Now did you ask him regarding his hair style  
2           on the day of the shooting on December 11th?

3           A       Yes.

4           Q       What did he say was his hair?

6           Q       Yeah, what type of style.

7           A       He had dreadlocks.

8           Q       Okay. And his hair when you saw him didn't  
9           have dreadlocks?

10          A       No.

11          Q       Did you ask him why?

12          A       Yes.

13          Q       What was his response?

14          A       He said, I think he said it was his mom's  
15          birthday and he wanted to do something nice for her.

16          Q       Did you ever ask Franklin Jackson whether he,  
17          on the day of the shooting, he ever washed his hands with  
18          bleach?

19          A       Yes.

20          Q       What was his response?

21          A       No.

22          Q       Okay. Were you present or were you involved  
23          in any of the photo line-ups that were shown to the various  
24          witnesses?

25          A       Yes. Some.

5           1           Q       Some of them.

2                       Were you involved in the, or the photo  
3 line-up, I'll just give you an example, State's Exhibit  
4 Number 10, do you know who is depicted of interest in this  
5 photo line-up?

6           A       Franklin Jackson.

7           Q       Where is he located?

24 Number 24, what number is Nicco Tatum?

25          A       He's five.

5           1           Q       And he would be placed in the number five for  
2       Nicco Tatum; is that right?

3           A       Yes.

4           MS. VILLEGAS: No further questions.
