
Ethan Crumbley's Journal Pages

Transcribed by ANNA LANGMAN, M.F.A.

This is a spread of two consecutive pages from the journal of Ethan Crumbley, transcribed from a photograph of the open journal. The original text is handwritten horizontally, vertically, and diagonally across the paper; therefore, the ordering of paragraphs has been determined by the transcriber. Discrete pieces of writing (written in different directions and locations on the page) have been separated by blank lines. Conjectured text is presented in brackets with a question mark; illegible text is indicated by a bracketed question mark alone. Spelling mistakes have been preserved. Redactions consist of text digitally blacked out in the image of the pages. Various small doodles are omitted. To see the original, please refer to the document "Ethan Crumbley's Journal Pages (Facsimile)" at School Shooters .info.
