

I hate this fucking world, too much
god damn fuckers in it, too many thoughts
and different societies all wrapped up together
in this fucking place called AMERICA, everyone
has their own god damn opinion on every god
damn thing, and you may be saying "well
what makes you so different?" because I have
something only me and I have, SELF AWARENESS,
call it egotism or whatever the fuck I
want, we know what we are to this world
and what everyone else is, we learn more
than what caused the civil war and how to
simplify quadratic in school, we have been
watching you people, we know what you
think and how you act, all talk and
no actions, people who are said to be
brave or courageous are usually just STUPID.
then they say later that they did it on purpose,
cause they are brave, when they did or fucked up,
accident, GOD everything is so corrupt and
so filled with opinions and points of view
and people's own little agendas and schedules,
there isn't a world anymore it's H.O.F. and
(one) knows it, self awareness is a

wonderful thing, I know I will die soon,
so will you and everyone else. maybe we will
be lucky and a comet will smash us back to day 1
people say it's immoral to follow others, they
say be a leader. well here is a fukin news flash
forn you stupid shits, everyone is a follower! everyone
who says they aren't followers and then dresses diff.
or acts diff. ... they got that from something they
saw on TV or in film or in life. NO ORIGINALITY, how wrong
-JO MAMMA votes are there and how many do I think
are original and not copied. KEVIN. It's a fukin filthy
place we live in. all these standards and laws and
Great Expectations (wobb) are making people into robots
even though they might "think" they aren't and try
to deny it. ~~It's~~ no matter how hard they
try NOV copy someone I still AM! except for
that fuking piece of paper right here, and BTW.
spelling is stupid unless I say I say spell it how
it sounds, its the fukin easiest way! hug try
this sometime, when someone tells you something
ask "why?" eventually they will be stumped and can't
answer any more. that's because they only know
what they need to know in society and school, not
real life science. they will end up saying words
= to this "because! just shut up!" people ^{that} only know
stupid facts that aren't important should be shot,
what fukin use are they. NATURAL SELECTION.
Kill all retards, people w/ brain fuck ups, drug
addis, people who can't figure out how to use a fuking
lighter. Geez awd! people spend millions of dollars
on saving the lives of retards, and why I don't buy
that shit. I like "oh, hes my son though!" so the fuck
what's he aint normal, kill him w/ them out of his misery
he is only a waste of time and money, then people say
"but he is worth the time, he is human too" no he
isnt, if he was then he would swallow a bullet
cause he would realize what a fuking waste and
burdon he was. 4/10/95

as I said before, self awareness is a wonderful thing. I know what all you fuckers are thinking and what to do to piss you off and make you feel bad. I always try to be different, but I always end up copying someone else. I try to be a mixture of different things and styles but when I step out of myself I end up looking like them or others. **THINK** I am copying. One big fucking problem is people telling me what to fuckin do, think, say, act, and everything else. I'll do what you say IF I feel like it. But people (i.e. parents, cops, teachers) telling me what to do just makes me not want to beeping do it. That's why my fucking name is **REB!!** no one is worthy of shit unless I say they are, I feel like God and I wish I was having everyone being **OFFICIALLY** lower than me. I already know that I am higher than almost anyone in the fucking world in terms of universal intelligence, and here we stand in the universe compared to the rest of the UNIV. and if you think I don't know what I'm talking about then you can just "PUK DICH" and sagen mein Hund! Isn't America supposed to be the land of the free? how come, if em bree, I can't deprive a stupid fucking dumbshit from his possessions if he leaves them sitting in the front seat of his fucking van out in plain sight and in the middle of fucking nowhere on a Fri fucking day night. **NATURAL SELECTION**. fucker should be shot, same thing with all those rich snobby toddlers at my school. fuckers think they are higher than me and everyone else with all their \$ just because they were born into it? Ich denk NEIN. BTW, "sorry" is just a word. It doesn't mean SHIT to me. everyone should be put to a

test and ~~THE~~ ULTIMATE DOOM test: see who can survive
in an environment using only smart and military skills.
Put them in a doom world, no authority, no refuge, no
BS copout excuses. If you can't figure out the area
of a triangle or what "cation" means, you die!
if you can't take down a demon w/ a chainsaw or
kill a hell prince w/ a shotgun, you die! fucking
snotty rich fuckheads ~~who~~ who ~~but~~ rely
on others or on sympathy or ~~to~~ to get them through,
life should be put to this challenge, plus it would
get rid of all the fat, retarded, crippled, stupid, dumb,
ignorant, worthless people of this world, no one
is worthy of this planet, only me and who would do good,
there is just no respect for anything higher than
your fucking boss or parent; everyone should be
shot out into space and only the people I say should
be left behind. 4/12/98

ever wonder why we go to school? besides getting a so-called
education, it's not so obvious to most of you stupid fucks but
for those who think a little more and deeper you should realize
it's the societies way of turning all the young people into
good little robots and factory workers, that's why we sit
in desks in rows and go by well schedules, to get prepared
for the real world cause "that's what it's like" well god
damnit no it isn't! one thing that separates us from other animals
is the fact that we can carry on actual thoughts. so why don't
we? people go on day by day, rote shit, why can't we learn in school
how we want to, why can't we sit on desks and on shelves and put
our feet up and relax while we learn? cause that's not what
the "real world is like" well hey fuckheads, there is no such thing as an
actual "real world", it's just another word like justice, sorry, pity, religion,
faith, luck and so on. we are humans, if we don't like something we
have the fucking ability to change! but we don't, at least I don't, I would
just whine bitch throughout life but never do a goddam
thing to change anything. "man can eat, drink, fuck, and hunt and
anything else he does is madness" - Based on Lem's quote. boy oh fuckin boy
is that true, when I go NPK, and people say things like, "oh it was so
tragic," or "oh he is crazy!" or "fo was so bloody!" I think so the fuck what, you,

think that's a bad thing? just because your mommy and
daddy told you blood and violence is bad, you think it's a
fucking law of nature? wrong, only science and math are true,
everything, and I mean every fucking thing else is Man made.
my doctor wants to put me on medication to stop thinking
about so many things and to stop ~~being~~ angry. well, I
think that anyone who doesn't think like me is just
bullshitting themselves. try it sometime if you think
you are worthy, which you probably will you little white,
drop all your beliefs and ideas and ideas that ~~you~~ have
been burned into your head and try to think about why
you're here, but I bet most of you fuckers can't even think
that deep, so that is why you must die. how dare you
think that I and you are part of the same species when
we are soooooo different. you aren't human, you are a Robot.
you don't take advantage of your ~~to~~ capabilities given to you
at birth, you just drop them and hop onto the boat and head down
the stream of life with all the other fuckers of your type.
well god damnit I won't be a part of it! I have thought
to much, realized to much, found out to much, and I am
to self aware to just stop what I am thinking and go
back to society because what I do and think isn't "right" or
"morally accepted" NO, NO, NO. God Fucking damnit NO!
I will sooner die than betray my own thoughts. but before
I leave this worthless place, I will kill who ever I deem
unfit for anything at all, especially life. and if you pissed
me off in the past, you will die if I see you. because you
might be able to piss off others and have it, eventually
all blow over, but not me. I don't forget people who wronged
me, like ~~_____~~ he will never get a chance
to read this because he will be dead ~~by~~ by me before
this is discovered. — 4/21/98

The human race sucks. human nature is smothered out
by society, job, and work and school. instincts are deleted
by laws. I see people say things that contradict themselves,
or people that don't take any advantage to the gift of human
life. they waste their minds on memorizing the stats of every
college basketball player or how many words should be
in a report when they should be using their brain on

more important things. The human race isn't worth fighting for anymore. WWII was the last war worth fighting and was the last time human life and human brains did any good any made us proud. now, with the government having scandals and conspiracies all over the fucking place and lying to everyone all the time and with worthless pointless mindless disgraceful TV shows on ~~TV~~ and with everyone obsessed with hollywood and beauty and fame and glamour and politics and anything famous, people just aren't worth saving. Society may not realize what is happening but I know, you go to school, to get used to studying ~~and~~ and learning how you "supposed to" so that drains or filters out a little bit of human nature. but that's after your parents taught you what's right and wrong even though you may think differently, you still must follow the rules. after school you are expected to get a job or go to college, to ~~be~~ have more of your human nature blown out your ass. society tries to make everyone act the same by burying all human nature and instincts. that's what school, laws, jobs, and parents do. if they realize it or not and then, the few who stick to their natural instincts are casted out as psychos or lunatics or strangers or just plain different. crazy, strange, weird, wild, these words are not bad or degrading. if humans were let to live how we would naturally, it would be chaos and anarchy and the human race wouldn't probably last that long, but hey guess what, that's how it's supposed to be!!!! society and government are only created to have order and calmness, which is exactly the opposite of pure human nature. take away all your laws and morals and just see what you can do. if the government was one entity it would be thinking "hey, lets make some order here and calm these crazy fucks down so we can be constructive and fight other governments in our own little so called self created "civilized world" and get rid of all those damn instincts everyone has!" well shit I'm too tired to write anymore tonight, so until next time, fuck you all

It has been confirmed, after getting my yearbook and watching people like [redacted] and [redacted] the human race isn't worth fighting for, only worth killing. give the Earth back to the animals, they deserve it infinitely more than we do. nothing means anything anymore, most quotes are worthless, especially the rearranged ones like "don't fight your enemies, make your enemies fight" you know, quotes that use the same phrase, just rearranged, dumb fuck shit, ~~to be so sharp~~ wear its funny, people say "you shouldn't be so different." To me, and IST I say fuck you don't tell me what I should and should not be and IAD mother fuckers different is good, I don't want to be like you or anyone which is almost impossible this day w/ all the little shits trying to be "original-copy cats", I expect shits like you to criticize anyone who isn't one of your social words, "normal" or "civilized" → see: Tempest and Caliban: all you degrading worthless shits. all caught up and brainwashed into the 90s society. "what? you AREN'T going to college, are you crazy?" holy ~~shit~~ that is one fucking B I quote that just proves my point. step back and look at yourself fuckers, I dare you, maybe I'll get lucky and you'll step back to far like Nick in E/M3. w/ the same consequences.

wooh, different pen. HA! alright you pathetic fools listen up; I have figured it out. the human race strives for excellence in life and community. always wanting to bring more "good" into the comm. and nullify "bad" things. anyone who thinks differently than the majority ~~or~~ or the leaders is deemed "unusual" or weird or irang. people want to be a part of something, a family, a service, a club, a union, a community, whatever. that's what humans want. who cares what you as an individual thinks, you must do what you are told, whether it's jump off a bridge or drive on the right side of the road. protesters in the past protested because the human race that was dominant (Ghandhi and the Brits or the King and the Americans) ~~wasn't~~ wasn't working out = they had fault = they failed = their ideas didn't work. humans don't change that much, they only get better technology to do their work quicker/easier. people always say we shouldn't be racist. why not? Blacks ARE different. like it or not they are. they started out on the bottom so why not keep em there. it took the centuries to convince us that they are equal but they still use their color as an excuse, or they just ~~do~~ discriminate us because we are white. Fuck you, we should ship yer black asses back to Afri-fucking-ca were you came from. we brought you here and we will take you back. America = white. Gays... well all gays, ALL gays, should be killed. m.t freine fragen. lesbians are fun to watch if they are hot but still, its not human. its a fucking disease. you don't see bulls or roosters trying

To fuck do you? no, I didnt think so. women
 you will always be under men. its been seen throughout
 nature, males are almost always doing the dangerous shit
 while the women stay back. its your animal instincts, deal
 with it or commit suicide, just do it quick. hate all
 for now - 5/20/98

If you recall your history the Nazis came up with
 a "final solution" to the Jewish problem... kill them all.
 well, i guess you havent figured it out yet, i say,

"KILL MANKIND" no one

should survive. we all live in lies. people
 are always saying they want to live in a perfect
 society, well utopia doesnt exist. its human
 to have flaws. ~~you know what~~, Fuck it, ~~what~~
 should I have to explain myself to you survivors
 when half off the shit i say you shittards wont understand
 and if you can then woopie fucking do. that just means
 you have something to say as my reason for killing.
 and the majority of the audience wont even understand
 my motives either! they'll say "ah, hes crazy, hes insane,
 oh well, I wonder if the bulls won." you see! Its fucking
 worthless! all you fuckers should die! DIE! what the
 fuck is the point if only some people see what I am
 saying, there will always be ones who dont, ones that are
 to dumb or naive or ignorant or just plain retarded. if I cant
 pound it into every single persons head then it is pointless.
 Fuck mercy fuck justice fuck morals fuck civilized fuck
 rules fuck laws... DIE! manmade words... people think
 they apply to everything when they dont/cant. theres no such
 thing as True Good or True evil, its all relative to the observer.
 its just all nature, chemistry, and math. deal with it. but since
 dealing with it seems impossible for mankind, since we have
 to slap warning labels on nature, then... you die. burn, melt, evaporate,
 decay, just go the fuck away!!!! ~~YAAAAA!!!~~

Here's something to chew on... today I saw a program on the discovery channel about satellites and radar and aircraft and stuff, and at the end of the show the narrator said some things that made me think "damn, we are so advanced, we kick ass, america is awesome, we have so many things in our military, we would kick anyone's ass." for a minute I actually had some pride in our nation... then I realized, "hey, this only the Good things that I am seeing here. only the Pros, not the cons. maybe that's what people see, only the Pros, and that's why they are under control, but me, I see all... you can only blind me for so long. but alas, I have realized that Yes, the human race is still indeed doomed. It just needs a few kicks starts, like me, and hell, maybe even [REDACTED] if I can whip a few cities off the map, and even the fuckhead holding the map, then great. hmmm, just thinking if I want All humans dead or maybe just the quote-unquote "civilized, developed, and known-of" places on Earth, maybe leave little tribes of natives in the rain forest or something, hmmm. I'll think about that. eh, done for tonight -RFB- 6/13/85

As part of the human race, and having the great pleasure of being blessed with a brain, I can think. Humans can do whatever they want. There are no laws of nature that prevent humans from making choices. maybe from actually GOING some of those choices, but not from making the choices. If a man chooses to speed while driving home one day, then it is his fault for whatever happens. ~~That's~~ if he crashes into a school bus full of kids and they all burn to death, it's his fault. It's only a tragedy if you think it is, and then it's only a tragedy in your own mind. so you shouldn't expect others to think that way also. it could also be a miracle for another person, maybe that bus stopped the car from plowing into a little old lady walking on the sidewalk, one could think it was a "miracle" that she wasn't hit. you see, anything and everything that happens in our world is just that, a HAPPENING. anything else is relative to the observer, but yet we try to have a "universal law" or "code" of what is good and bad and that just isn't function correct. we shouldn't be allowed to do that, we aren't GODS. just because we are at the top of the food chain with our technology doesn't mean we can be "judges"

of nature, sure we can think what we want, but you can
"think" and "believe" you can judge people and nature
all you want, but you are still wrong. ~~when~~ should
your morals apply to everyone else. "morale" is just
another word and that's it. I think we are all a waste
of natural resources and should be killed off, and since
humans have the ability to choose, and I'm human
I think I will choose to kill and damage as much
as nature allows me to, so ~~take that~~ fuck you,
and eat napalm & lead! HA! only nature can stop me.
I know I could get shot by a cop after only killing a single
person, but hey guess the fuck w/HAT! I choose to kill
that one person so get over it! it's MY fault, not my
parents, not my brother, not my ~~friends~~, not my favorite
bands, not computer games, not the media, FT is MINE!
so shut the fuck up!

-KLB- 7/29/98

someones bound to say "what were they thinking?" when we
go NPK ~~or~~ when we were planning it, so this is what I
am thinking. "I have a goal to destroy as much as possible
so I must not be sidetracked by my feelings of sympathy,
mercy, or any of that, so I will force myself to believe
that everyone is just another monster from Doom like FT
or FS or demons, so it's either me or them, I have to turn
off my feelings." keep this in mind, I want to burn the world,
I want to kill everyone except about 5 people, who I will
name later, so if you are reading this you are lucky you escaped
my rampage because I wanted to kill you. It will be very
tricky getting all of our supplies, explosives, weapons, ammo, and
then hiding it all and then actually planting it all so we can
achieve our goal. but if we get busted any ~~at~~ time, we start
killing them and there, just like Wilks from the ALIENS books,
I ain't going out without a fight.

Once I finally start my killing, keep this in mind, there are probably about 100 people max in the school alone who I don't want to die, the rest, MUST FUCKING DIE! If I didn't like you or if you pissed me off and lived through my attacks, consider yourself one lucky god damn NIGGER. Pity that a lot of the dead will be a waste in some way, like dead hot chicks who were still virgins, they could have been good fucks. Oh well, two fucking bad-life isn't fair... not by a long fuckin' shot when I'm at the wheel, too, God I want to torch and level everything in this whole fucking area but bombs of that size are hard to make, and plus I would need a fuckin' fully loaded A-10 to get every store on Wadsworth and all the buildings downtown. heh, I imagine THAT ya fuckers, picture half of Denver on fire just from me and vodka. ~~napalm~~ napalm on sides of skyscrapers and car garages blowing up from exploded gas tanks... oh man that would be beautiful. - 10/23/98

You know what, I feel like telling about lies, I lie a lot, almost constant, and to everybody, just to keep my own ass out of the water. and by the way ^(side note) I don't think I am doing this for attention, as some people may think. Let's see, what are some big lies I have told; "yeah I stopped smoking," "for doing it not for getting caught," "no I'm haven't been making more bombs," "no I wouldn't do that," and of course, countless of other ones, and yeah I know that I hate liars and I am one myself, oh fucking well. It's ok if I am a hypocrite, but no one else, because I am higher than you people, no matter what you say, if you disagree I would shoot you. And I am one racist mother fucker too, fuck the niggers and spics and chinks, unless they are cool, but sometimes they are so fucking retarded they deserve to be ripped on. some people go through life begging to be shot, and white fucks are just the same. if I could rule the world I would, because so far I hate you all. there are probably around 10 people I wouldn't want to die, but hey, who ever said life is fair should be shot like the others too. - 11/1/98

heh heh heh. I sure had fun this weekend. Let's see, what really happened. Before going to Rock n bowl we stopped by King Soopers and some and [redacted] picked up some big ass stoggs. We then went to Rock n bowl and I had a few cigarettes and one of my brand new cigars. We then went back to [redacted] house where her mom had previously bought us all a fuck load of liquor. personally, I had asked for Tequilla and Irish cream, vodka got his vodka, and there was beer, whiskey, schnapps, suckers, scotch, and of course, orange juice! so we had some fun there playing cards and making drinks. we eventually made it to bed at about 5 AM. got up at 10, went to safeway got some donuts and then I took ~~the~~ vodka home. The bottle of Tequilla is almost full and is in my car, right by my spare tire and right by the bottle of Irish cream. heh heh. I'll have to find a spot for those. and by the way, this mag's report is boosting my love of killing even more. like the early Nazi government, my brain is like a sponge, sucking up everything that sounds cool and leaving out all that is worthless, that's how Nazism was formed, and that's how I will be too! 11/8/98

Fuck you Brady! all I want is a couple of guns, and thanks to your fucking bill I will probably not get any! come on, I'll have a clean record and I only want them for personal protection, it's not like I'm some psycho who would go on a shooting spree... fuckers. I'll probably end up nuking everything and fucking robbing some gun collectors house. Fuck, that'll be hard. oh well, just as long as I kill a lot of fucking people. Everyone is always making fun of me because of how I look, how fucking weak I am and shit, well I will get you all back! ultimate fucking revenge here. you people could have shown more respect, treated me better, asked for my knowledge or guidance more, treated me more like a senior, and maybe I wouldn't have been so ready to tear your fucking heads off. Then again, I have always hated how I looked, I make fun of people who look like me, sometimes without even thinking sometimes just because I want to rip on myself. That's where a lot of my hate grow from, the fact that I have practically no self-esteem, especially concerning girls and looks and such. Therefore people make fun of me... constantly... therefore I get no respect and therefore I get fucking PTSD as of this date I have enough explosives to kill about 100 people, and then if I get a couple bayonets, swords, axes, whatever I'll be able to kill at least 10 more. and that just isn't enough!

Guns! I need guns! Give me some fucking firearms!
11/12/98

HATE! I'm full of hate and I Love it. I HATE PEOPLE, and they better fucking fear me, if they know what's good for em. ~~yes~~ I hate and I guess I want others to know it, yes I'm racist and I don't mind. Niggs and spies bring it on to them selves, and another thing, I am very racist towards white trash p.o.s.s like [redacted] and [redacted] they deserve the hatred, otherwise I probably wouldn't hate them. It's a tragedy, the human nature of people will lead to their downfall. Peoples human nature will get them killed. whether by me or vodka, it's happened before, and not just in school shootings like those pussy dumbasses over in Minnesota who squeaked throughout history, it's our fucking nature! I know how people are and why and I can't stand it! I love the nazis too... by the way, I fucking can't get enough of the swastika, the SS, and the iron cross. Hitler and his head boys fucked up a few times and it cost them the war, but I love their beliefs and who they were, what they did, and what they wanted. I know that form of gov couldn't have lasted long once the human equation was brought in, but damn it sure looked good. every form of gov leads to downfalls, everything will always fuck up or yeah something it's all Doomed. god damn it. this is beginning to make me get in a corner. I'm showing too much of myself, my views and thoughts, people might start to wonder, smart ones will get nosy and something might happen to fuck me over, I might need to put on one helluva mask here to god you all some more. fuck fuck fuck it'll be very fucking hard to hold out until April. If people would give me more compliments all of this might still be avoidable... but probably not. whatever I do people make fun of me, and sometimes directly to my face. I'll get revenge soon enough. fuckers shouldn't have ripped on me so much huh! HA! Then again it's human nature to do what you did... so I guess I am also attacking the human race. I can't take it, it's not right... true... correct... perfect. I fucking hate the human equation. Nazism would be fucking great if it weren't for individualism and our natural instinct to ask questions, you know what maybe I just need to get laid. maybe that'll just change some shit around that's another thing, I am a fucking dog. I have fantasies of just taking someone and fucking them hard and strong. someone like [redacted] were I just ~~pick~~ pick her up, take her to my room, tear off her shirt and pants and just eat her out and fuck her hard. I love flesh... weisses fleisch! dein weisses fleisch erregt mich so... Fch 6. in dich nur ein Gigito! I want to grab a few different girls in my gym class, take them into a room, pull their pants off and fuck them hard. I love flesh... the smooth legs, the large breasts, the ~~smooth~~ flawless body, the eyes, the hair, jet black, blond, white, brown, ahhh I just want to fuck! call it teenage hormones or call it a crazy fuckin racist rapist... es ist mir egal

I just want to be surrounded by the flesh of a woman, someone like [redacted] who I wanted to just fuck like hell, she made me practically drool, when she wore those shorts to work... intout hard on. - I couldn't stop staring. and others like [redacted] in my gym class, [redacted] or whatever in my gym class, and others who just want to ~~over~~ power and engulf myself in them. mmm I can taste the sweet flesh now... the salty sweet, the animalistic movement... - Facchhh... lizebe... - - - fleisccchhh... who can I trick into my room first? I can sweep someone off their feet, tell them what they want to hear, be all nice and sweet, and then "fuck em like an animal, feel them from the inside" as Pezner said. oh - that's something else... that one NIN video I saw, broken or closer or something, the one where the guy is kidnapped and tortured like hell... actual hell. I want to do that too. I want to tear a throat out with my own teeth like a pop can. I want to get someone with my hand, to tear a heart off and rip out the heart and lungs from the neck, to stab someone in the gut, shove it up to the heart, and yank the fucking blade out of their rib cage! I want to grab some weak little freshman and just tear them apart like a fucking wolf. show them who is god. strangle them, squish their head, bite their temples into the skull, rip off their jaw. rip off their collar bones, break their arms in half and twist them around, the lovely sounds of bones cracking and flesh ripping, ahh... so much to do and so little chances. - 11/17/98

well folks, today was a very important day in the history of K. Today, along with vodka and someone else who I won't name, we went downtown and purchased the following; a double barrel 12ga. shotgun, a pump action 12ga. shotgun, a 9mm carbine, 250 9mm rounds, 15 12ga slugs, ~~and~~ 40 shotgun shells, 2 switch blade knives, and a total of 4-10 round clips for the carbine. we... have... **GUNS!** We fucking got em you sons of bitches! HA!! HAHAAA! neener  Booga Booga, heh. its all over now, this capped it off, the point

of no return, I have my carbine, shotgun, ammo and knife all in my trunk tonight and they'll stay there till tomorrow... after school you know, its really a shame. I had a lot of fun at that gun show, I would have loved it if you were there dad. we would have done some major ~~bonding~~ bonding. would have been great. oh well. but, alas, I fucked up and told [redacted] about my flask that really disappoints me [redacted]. I know you thought it was good for me in the long run and all that shit, smart of you to give me such a big raise and then eat me out, you figure it was supposed to cancel ~~each other~~ each other? god damn flask, that just fucked me over big time. now you'll will be on my ass even more than before about being on track. I'll get around it though, I have to cheat and lie to everyone from that fine. THIS is what I am motivated for, THIS is my goal. THIS is what I want "to do with my life". you know what word, I don't feel like punching through a door because of the flask deal, probably can't

I am fucking armed ~~now~~. I feel more confident, stronger, more God-like. I have confidence in my ability to deceive people, hopefully I'll make it to April, but that might not happen. U9, It's been a busy weekend, I need to sleep, I'll continue tomorrow.

11/22/98

Yesterday we fired out first actual firearms ever. 3 rounds from the carbine. taught that ground a thing or 2. I even had the 2 clips in my pocket while talking to vodka's dad about senior ditch day, God it felt great firing off that bad boy, and hopefully I'll be able to get more than just 4 clips for it. I dubbed my shotgun "Ariene" after Arlene Sanders from the Doom books. She always did love the shotgun. Vodka's DB is looking very fucking awesome, all cut down to the proper lengths. This is a bitch trying to keep up on homework while working on my guns, bombs, and lying. ~~by~~ by the way, I bought that flask in the mall and I had a friend fill it up w/ scotch whiskey, only had about 3 swigs in the 3 weeks I had it. plus monday I gave my T and IC to Vodka, just in case. I never really did like alcohol, just wasn't my thing, but it felt good to ~~just~~ have around. That argument on the 22nd was a real bitch, but I think I should have won a fucking oscar. I even quoted a few movies, remember "What the hell am I gonna do now man?! What am I gonna do!?" that's good ole Hudson from Aliens. Sounded good too. and hey god damnit I would have been a fucking great marine, it would have given me a reason to do good. and I would never drink and drive, either. It will be weird when we actually go on the rampage. hopefully we will have plenty of clips and bombs. I'm gonna still try and get my calico 9mm. just think, 100 rounds without reloading... hell yeah!

we actually may have a chance to get some machine pistols thanks to the Brady Bill. If we can save up about 2000 real quick ~~too~~ and find someone who is 21+ we can go to the next gun show and find a private dealer and buy ourselves some bad-ass AB-10 machine pistols. clips for those things can get really fucking big too.

12/3/98

Woohoo, I'll never have to take a final again! feels good to be free. I just love Hobbes and Nietzsche. Well tomorrow I'll be ordering 9 more 10 round clips for my carbine. I'm gonna be so fucking loaded in about a month. the big things we need to figure out now is the time bombs for the commons and how we will get them in ~~the~~ and leave them there to go off, without any fuckin Jews finding them. I wonder if anyone will write a book on me. sure is a ton of symbolism, double meanings, themes, appearance vs reality shit going on here. oh well, it better be fuckin good if it is writtin.

12/17/98

uh, get this. KMFDM's new album is entitled "Adios" and its release date is April. how fuckin appropriate, a subliminal final "Adios" tribute to Reb and Vodka, thanks KMFDM... I ripped the hell into the system.

gens christ that was fucking close, fucking shitheads at the gun shop almost dropped the whole project. Oh well, thank god I can BS so fucking well. I went and picked up those babies today, so now I get 130% those niggers WOAH.

The stereo is very nice, but having no insurance payments to worry about so I could concentrate on BOMB'S would have been better. Oh well, I think I'll have enough. now I just need to get Vodka another gun.

12/29/98

Months have passed. Its the first Friday night in the final month. much shit has happened. Vodka has a Tec 9, we test fired all of our babies, we have 6 time clocks ready, ~~39~~ 39 crickets, 24 pipe Bombs, and the napalm is under construction. Right now I'm trying to get fucked and trying to finish off these time bombs NPK came quick, why the fuck can't I get any? I mean, I'm nice and considerate and all that shit, but nooooo. I think I try to hard. but I kinda need to considering NPK is closing in. The amount of dramatic irony and foreshadowing is fucking amazing. Everything I see and hear I incorporate into NPK somehow. Either bombs, clocks, guns, napalm, killing people, any and everything finds some tie to it. feels like a Goddamn movie sometimes, I wanna try to put some mines and trip bombs around this town too maybe. Get a few extra frags on the scoreboard. I hate you people for leaving me out of so many fun things. And no don't fucking say "well thats your fault" because it isn't, you people had my phone#, and I asked and all, but no, no no no don't let the wierd looking Eric KID come along, ooh fucking nooo.
