7:56:20 PM The elementary school doesnt

7:56:39 PM And the elementary school is 4 away from my house

7:56:48 PM The middle schools 1 hr away

7:56:54 PM [*Comment from another Instagram user to kmosh_nbk_kmfdm:*] Elementary those [fuckers?] are just disgusting little kids who grow up to be little [shits?] when they're older

7:57:07 PM Yep thats what i was thinking

7:57:07 PM And yeah it's easier to go to the closest

3:38:52 PM Ive been planning for 2 years so im [fucking?] ready as soo as I get the [shit?]

3:47:14 PM Im not going after my middle school doe

3:47:21 PM Im going after a elem school

3:47:33 PM Cause the middle school has a cop and its an hour away

4:46:57 PM The only [p]roblem I have [a]bout my plan is

4:47:13 PM I might have to kill my dad so I can get the keys but idk yet

4:47:35 PM Maybe i can just ride my dirt bike because the schools 4 mins away

4:49:55 PM My dads a [fucking?] drunk so idk

4:50:15 PM Ok so [s]hoot him when [h]es asleep

4:52:19 PM I was planning on shooting my middle school up when it was lunch time so all i had to do was shoot the 1 cop and then go on a killing spree but I loked up police response time in that area and its litterly 2 mins

4:53:05 PM The elem schools police time is 15 mins and the time it takes swat to get there id 1 hr and then about 20 mins for them to breach the building

8:47:55 PM So we could all attack on the same day

8:56:46 PM My plan is

8:58:19 PM shooting my dad getting his keys getting in his truck, driving to the elementary school 4 mins away, once there gear up, shoot out the bottom school class room windows, enter the building, shoot the first class which will be the 2d grade, grab teachers keys so I don't have to hasle to get through any doors,

8:59:05 PM then for all the other class rooms ima unlock the door through my homemade pipe bombs into the class rooms then enter and kill the remaining students in each class room,

8:59:26 PM then get in a shoot out with police then kill myself with my shotgun

9:00:49 PM and i looked [...]o my police response [ti]me in the area so i [...]oe which times best [fo]r the attack

9:01:33 PM 15 mins for normal police and 45 kins for swat then it takes 1 hour for the swat to breach

9:02:40 PM I think ill probably most likely kill around 50 or 60

9:04:11 PM If I get lucky maybe 150

[?]:14:49 PM Todays my lucky [da]y ... I just seen my dad [...]oe in the code to the gun [saf]e
